DELTA ZETA'S GOLDEN JUBILEE YEAR was observed with a Founders' Day celebration at Miami University through presentation of a memorial plaque to the University. Standing beside the memorial are Julia Bishop Coleman and Mary Collins Galbraith, two of the three living Founders. Alfa Lloyd Hayes was unable to attend the ceremony.

PLAYING ROLES OF HONOR IN THE DEDICATION CEREMONIES were Lucile Crowell Cooks, chairman of the Anniversary Dedication committee; Julia Bishop Coleman, Delta Zeta Founder; Mary Collins Galbraith, Founder; Irene Boughton, executive secretary; Margaret Huenefeld Pease, past national president and Grace Mason Lundy, editor of the two-part history issue (1902-1952) of Delta Zeta. The new flag is standing just to the left of the memorial plaque.

TEA FOR FOUNDERS, NATIONAL OFFICERS AND ALPHA CHAPTER followed dedication of memorial plaque. Oxford alumne were hostesses. In the receiving line is Mrs. Williams, far left, being greeted by Mrs. Albert Wald. Others are (l to r) Lucile Crowell Cooks, Julia Bishop Coleman, Mary Collins Galbraith, Lillian Minton Krebs, Margaret Huenefeld Pease, Grace Mason Lundy, Irene Boughton, Sally Beach, Arlene Davis and Nancy Hefner.

ALPHA CHAPTER'S COLLEGIATE AND ALUMNAE members assemble following dedication ceremonies for Delta Zeta plaque at Miami University, October 25, 1952. The two Founders present, Mary Collins Galbraith and Julia Bishop Coleman stand with the plaque between them.

# Memorial Plaque and Scholarship Presented to Miami University at Golden Anniversary Dedication

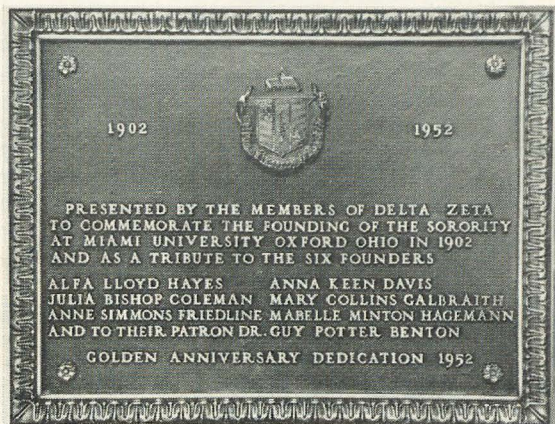

AT THE last business session of our Golden Jubilee Convention in New Orleans, it was voted to place a Memorial Plaque at Miami University on the fiftieth anniversary of Delta Zeta's founding and National Council was given authority to appoint a committee to study and plan for this project.

Mrs. Rudolf O. Cooks, national constitution chairman, former national extension vice-president and member of the Board of Trustees at Miami University was asked to serve as chairman of this special committee and the following members were named to assist her: Mrs. Crawford Nixon and Mrs. Robert Randolph, former directors of Province V; Mrs. Fred Joyner, former alumnae advisor to Alpha chapter for many years; Nancy Hefner, president of Alpha chapter and Mrs. Hubert M. Lundy, National Historian and former national president.

Since Alpha chapter had extended an invitation to all Alpha alumnae to return to the campus for a fiftieth birthday celebration before this special committee began functioning, plans were made to coordinate the anniversary celebration and the dedication of the plaque on Saturday, October 25. Letters heralding the event were sent to college and alumnae chapters within an approximate two hundred mile radius of Oxford.

Delta Zetas journeyed from Indianapolis, Cincinnati, Dayton, Columbus, Cleveland, Berea, Hamilton and surrounding towns to be present for the gala occasion and to be with our Founders, including three former national presidents of Delta Zeta, Mrs. John W. Pease, Mrs. Hubert M. Lundy and Miss Irene Boughton; the director of Province V (South), Miss Lois Westerman and the regional alumnae director of I, Mrs. Robert A. Beach. Arlene Davis, famous woman aviatrix, who was recently initiated into Delta Zeta at Baldwin-Wallace College, was present for the festivities, accompanied by a cavalcade of cars filled with Gamma Alpha girls.

The dedication ceremony was held in Hamilton Hall at two thirty o'clock Saturday afternoon. The bronze plaque measuring approximately eighteen by twenty-two inches, was placed on a large wooden easel at one corner of the lounge and was covered by the beautiful new rose and green satin flag of Delta Zeta. Centered in the upper half of the plaque is the crest and on either side, the dates 1902 and 1952. Below the crest is the following inscription:

PRESENTED BY THE MEMBERS OF DELTA ZETA—GOLDEN ANNIVERSARY DEDICATION

PRESENTED BY THE MEMBERS OF DELTA ZETA  
TO COMMEMORATE THE FOUNDING OF THE SORORITY  
AT MIAMI UNIVERSITY OXFORD OHIO IN 1902  
AS A TRIBUTE TO THE SIX FOUNDERS

ALFA LLOYD HAYES	ANNA KEEN DAVIS
JULIA BISHOP COLEMAN	MARY COLLINS GALBRAITH
ANNE SIMMONS FRIEDLINE	MABELLE MINTON HAGEMANN
AND TO THEIR PATRON DR. GUY POTTER BENTON	
GOLDEN ANNIVERSARY DEDICATION 1952	

A greeting was given by Lucile Crowell Cooks before she introduced Paul F. Erwin, director of Religious Activities at Miami University, who gave the invocation. Following the formal presentation of the plaque, Mrs. Cooks presented a check on behalf of the National Council of Delta Zeta and as a further tribute to our Founders, for a scholarship which will provide a year's tuition to a deserving woman student. Dr. C. W. Kreger, vice-president of the University accepted the plaque and scholarship with grateful acknowledgment. The permanent location of the plaque is near the south entrance of Harrison Hall "Old Main" in the main corridor near the former office of Dr. Guy Potter Benton who was the president of Miami University at the time of the founding of Delta Zeta.

At the conclusion of the dedication, the Oxford alumnae were hostesses for a tea honoring our Founders, Julia Bishop Coleman and Mary Collins Galbraith. To the great disappointment of all of us, Alfa Lloyd Hayes was unable to be with

us because of an accident which sent her to the hospital with a seriously injured knee shortly before she planned to leave for Oxford. Invitations to the tea were sent to administrative officials of the University, faculty friends, alumni advisors and presidents of all sororities and fraternities on the campus and other guests. Mrs. Herbert Wiepking was chairman for the tea, assisted by Mrs. Richard Young, Mrs. William Suhring, Mrs. Stuart Fitton, Mrs. Albert Wald, Mrs. A. J. Alton and Mrs. Joel Wiant.

The Golden Harvest was the theme for the banquet given in Oxford College Hall Saturday evening, for which the members of Alpha chapter made the arrangements. Over two hundred Delta

Zetas gathered together for this memorable Founders' banquet to hear the inspirational messages of the speakers—Mary Collins Galbraith, Julia Bishop Coleman, Grace Mason Lundy, Irene Boughton and Arlene Davis. Nancy Hefner, president of Alpha chapter, presided and introduced the guests of honor. A message was read from Miss Elizabeth Hamilton, former dean of women at Miami University for forty years, whose illness prevented her from being present.

Those of us who were privileged to have a part and be present for this Golden Anniversary Dedication, will long treasure this Golden Day in a corner of our hearts as a Golden Delta Zeta Memory.

## The Lamp Turns Spotlight on Alpha Chapter

**J**AKING the spotlight of all the historic Delta Zeta 50th anniversaries celebrated by chapters from coast to coast was the one at Miami University, Oxford, Ohio, October 25, 1952, attended by our Founders.

So important was this event that the pages of this abbreviated LAMP are devoted almost entirely to the Miami story. Thus the current issue serves as a supplement to the two-part comprehensive History prepared by Grace Mason Lundy.

The cooperation and understanding of LAMP

readers and editors during the period when histories replaced the regular LAMPS is appreciated.

The March 1953 LAMP will appear in its regular format. Publication of chapter letters and Delta Zeta, Panhellenic and other current news will be resumed.

News of members, activities and services of Delta Zeta today will fill the pages of history to be read by members of Delta Zeta tomorrow.

## Fifty Historic Years in Delta Zeta

1952—our Golden Anniversary year!

What images do those words evoke for each of us? To our three living Founders, who were our honored guests at the Golden Jubilee Convention, they represent fifty years of dreams realized; of ideals coming to life and becoming ever stronger; and of growth beyond any possible concept of those early years. Those six young girls have become almost 25,000 women, each one dedicated to ideals of love and friendship and service.

To those who are officers of Delta Zeta they mean many years of service in sorority and Panhellenic, service which has been richly rewarded by the progress made in those years. To build well upon the firm foundations laid by the Founders has been their purpose; to safeguard the ideals and beliefs of our ritual has been their hope.

To the alumnae come memories of college days and of friends in Delta Zeta who will be ever dear to them. They can realize, too, the progress Delta Zeta has made in taking her place in the Pan-

hellenic world. They can re-live their own happy memories through the eyes of their Delta Zeta daughters, or the daughters of their friends.

To the college members our fiftieth anniversary should mean two things. First, it is the *end* of fifty years of growing up. But more important than this, it is the *beginning* of a second half century of opportunity. It is the golden gateway to tomorrow, to broadening horizons—in the words of our convention theme

"To be what we are,

To become what we are capable of becoming,  
Is the great end of life."

So, then, from this fiftieth year on in the life of our beloved sorority, let each of us take pride in what *has* been; but also let each of us determine that what *is* to be shall reach an ever higher level. Let each of us do her part to make Delta Zeta an ever stronger sisterhood and an influence for good in our colleges and universities, in our communities, and in our country.

BERNICE H. GALE, *National President*
