*Statement on*  
*Membership*  
*Selection*

DELTA ZETA is a self-perpetuating friendship organization whose members enjoy the most intimate relationship next to that of the family.

MEMBERSHIP in Delta Zeta is a privilege, not a right, and comes *through* the college chapter into the national organization.

IN A NATIONAL ORGANIZATION the democratic principle of majority decision implies acceptance of the prevailing convictions of the national membership.

INEVITABLY, therefore, members of each chapter must be acceptable to all chapters, college and alumnae, wherever such chapters exist.

# *Founders' Day Proclamation*

The privilege of membership in Delta Zeta Sorority, now shared so proudly by nearly 40,000 of us, was made possible because our six beloved founders, 57 years ago, had the faith, wisdom, courage and love within themselves to guide them in the founding of our sorority.

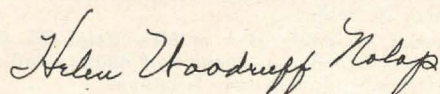

But for them our lives would not be enriched as they have been through our sorority experiences of friendship, love and service. But for them the world would not have experienced the benefit and pleasure from many fine acts of service performed in the name of Delta Zeta.

Yes, our membership in our sorority is a privilege which we share together. It does carry with it a responsibility for each of us individually, and for all of us collectively. The responsibility becomes a challenge—that we so chart our lives that they may become an influence toward betterment of our communities, our country, and our world.

No greater tribute can we pay our beloved founders than to live, by example, according to the ideals they gave to us.

This Founders' Day let us light our candles proudly, and behold them reverently, thankfully and hopefully as we celebrate across the country and throughout the world.

Given under my hand and seal of the sorority, in this year of our Lord, nineteen hundred fifty-nine, and of Delta Zeta the fifty seventh.

## ZETA EPSILON

*California State Teachers College  
California, Pennsylvania*

by LUANNE NICHOLL, Z E

**Z**ETA EPSILON made its bow on the campus of California State Teachers College as the first national social sorority in the college's history.

Thirteen girls from Omicron chapter, University of Pittsburgh, arrived Saturday, November 15, 1958, to conduct the formal initiation of the new chapter. Miss Pat Heneghan, province director; Mrs. George Havens, college chapter director, and Mrs. Norman Agler, director of philanthropies, had arrived the previous evening. Thirty-three college girls and five alumnae, including Mrs. Michael Duda, wife of California State's president, were initiated.

At the banquet following the initiation, the guests were President Michael Duda and his wife; Mrs. Lela Hamilton, dean of women; Dr. George Roadman, associate professor of social studies, and Dr. Minor Major, associate professor of English, and his wife.

The Pittsburgh Alumnae brought refreshments and served the tea the following day.

The newly-installed group pledged 36 girls this spring and initiated them May 10. A banquet honoring seniors, mothers and new members was held that evening in the college dining hall. An

California State Teachers College, located 35 miles south of Pittsburgh, has been a teachers college officially since 1929. However, it has grown from a small academy established in 1852 and called the Southwestern Normal College. To-

day there are 14 college buildings on a campus of 40 acres, and more than 1500 students are enrolled. The borough of California was founded in 1849 and takes its name from the gold rush to the west of that year.

## ZETA THETA

*Sam Houston State College  
Huntsville, Texas*

by RUTH MORGAN, Δ Θ

**D**ELTA ZETA was the first national sorority to install a chapter at Sam Houston State College, located in the historic town of Huntsville in southeast Texas.

Local groups were later installed by Alpha Delta Pi, Kappa Delta, Zeta Tau Alpha and Alpha Chi Omega. The Anne Gibbs Literary Society took the name of Zeta Theta to become the seventh Texas collegiate chapter of Delta Zeta.

The two-day installation began with initiation services Saturday morning, April 13, in the banquet hall of the Student Union Building. They were conducted by the installation team from Alpha Tau, University of Texas. Initiates, visiting members and officers were hosted at a coffee held that afternoon in the Student Union ballroom.

Saturday evening at a formal banquet in Belvin Hall the sorority was presented to the college ad-

ministration, with Mrs. T. J. Bianchi, national director of membership, and Mrs. Norman Agler, national director of philanthropies, representing National Council.

Toastmistress for the banquet was Mrs. M. J. McKee, state rush chairman. The Rev. Jester White, pastor of the First Methodist Church, gave the invocation. Introductions were made by Miss Judy Noble, field secretary, whose mother, Mrs. Frances Noble, was an honor initiate of the group. A welcome was extended to the new chapter by Mrs. Howard Tuggey, province director, and by Mrs. Claude Bell, state recommendations chairman. Visiting members from Texas University, Southern Methodist University and Lamar Technological College extended congratulatory messages.

A response was given by Mayor W. S. Gibbs, son of the late Mrs. Anne Gibbs, founder of the original group. Mrs. Agler presented a welcome, and Dr. Harmon Lowman, president of Sam Houston College, gave the address of the evening on "What Sororities Will Mean to Our College."

A silver tea service, a gift from National Council, was presented by Mrs. T. J. Bianchi, national director of membership, and accepted by Miss Nancy O'Neal, Zeta Theta president. The chapter was officially installed by Mrs. Bianchi and the acceptance was made by Mrs. S. R. McDermett, dean of women.

Special music was provided by Miss Suzie Clark, who sang "Only A Rose" accompanied by Mrs. J. E. McPherson. Miss Annette Davis, Sam

Banquet guests included Mrs. Jester White, Mrs. Harmon Lowman, Dean and Mrs. W. E. Lowry, Mrs. Frances Crawford and Mrs. Tillie Coleman.

Mrs. Clyde Hall was installation chairman, Mrs. J. R. Haskins was in charge of banquet arrangements, Mrs. Floyd Taylor was chairman of floral appointments, and Mrs. Forrest Leeper handled the housing. Mrs. Taylor also designed

A brunch was held at Cafe Raven on Sunday morning, when the program was informal and the tables were decked with spring flowers.

Climaxing the events was the presentation tea that afternoon from 3 p.m. to 5 p.m. at the Delta Zeta house. Mrs. George Sentell of Trinity was chairman of the beautifully planned affair, assisted by the alumnae chapter of Dallas. Some 300 guests were greeted by Mrs. Hall, Miss O'Neal,

Founded as Sam Houston Normal Institute in 1879, Sam Houston State Teachers College today is one of the finest equipped college campuses in Texas. Special attention is given to preparation of teachers for the many special subjects now taught in the Texas public schools. In addition, the college offers courses leading to liberal arts degrees and courses required for entrance to professional schools of medicine, law, engineering, dentistry, and other professions.

Five years of standard college work are offered in special subjects as music, art, commercial branches, vocational home economics, industrial arts, vocational agriculture, physical education and the graphic arts. Some 3500 students are enrolled in the college, which is in the midst of a vast building and modernization program. More

than 20 per cent of the faculty holds earned doctorates.

Organized in the fall term of 1925, the Anne Gibbs Society was named in appreciation of the late Mrs. W. S. Gibbs, who helped increase interest in literary activities among girls at SHSTC. Her interest and aid were unceasing after its organization during her last years.

Delta Zeta visitors at Sam Houston College campus were visibly impressed by the poise and friendliness of the new initiates and by the gracious hospitality of the college administration and the townspeople. From its early days Huntsville has taken a keen interest in education, and it has continued to be a center of learning and culture.

The Anne Gibbs girls initiated were: Patsy Akin, Donna Baines, Joy Campbell, Marilyn Davis, Vicky Duran, Charlotte Evans, Nita Beth Farquahar, Terrell Fisher, Edith Goodman, Linda Grant, Kathy Kopecky, Lillian Kubesch, Linda Lilly, Darla Jayne Melton, Barbara Metzger, Mary Mitchell, Anna Lois Morton, Nancy O'Neal, Jo Ann Parker, Sandra Phillips, Susan Seale, Jeannine Smith, Sue Smith, Elizabeth Trawick,

## ZETA IOTA

*Humboldt State College  
Arcata, California*

*by BERNICE H. GALE  
Past National President*

**A**T THE northern end of the beautiful redwood highway in California, almost 300 miles north of San Francisco, there is a lovely bay where several small communities combine to form the largest "city" in Humboldt County. In Arcata, one of these communities, on a redwood-covered hillside overlooking the bay, is Humboldt State College. Here, on May 9 and 10, Zeta Iota was installed, the first national social sorority on the campus.

Humboldt State was established in 1913, and from a very small enrollment has grown to a

student body of 2000 in 1959, with an estimated 5000 by 1970. Nine new building projects with a total cost of \$7 million will be completed and in use this year. Projects totalling \$3 million more have been approved and will be completed in 1960-61.

As an educational institution, Humboldt State College is a growing, state-financed, five-year, fully accredited college which has attracted national attention because of the high calibre of its teaching faculty, and because of the outstanding quality of several of its departments. One of these, the Division of Wildlife Management, is rated among the top 10 in the United States.

To this college in the fall of 1958 came a newly initiated Delta Zeta, Barbara Sinnhoffer of Gamma Omicron, San Diego State College. She found that the girls on campus were interested in forming a local colony, and in October Mrs. William Blair, province director, and Mrs. Guy H. Gale, past national president, visited the campus, secured permission from the administration, and colonized a group to be installed in the spring.

Initiation services were conducted at the Women's Club in Eureka on Saturday, May 9. The initiation team consisted of Wilma Parker, Myrna Speigel, Nancy Lough, Laura Biagi,

College members who were initiated included: Mary Lou Barnes, president, Bette Burnside, JoAnn Ferguson, Karla Kaski and Nita McBride of Fortuna; Mona Armstrong, Nancy Hunsinger and Carolyn Sander of Eureka; Karen Dillard of Blythe; Nancy Foster of Ukiah; Diane Freeman of Yreka; Lois Gardenhire of Branscomb; Diane Genzoli of Loleta; Jackie Neely of Rohnerville, and Sally Wilkinson of Arcata. Mrs. William Goetz of Freshwater, faculty adviser, was an alumnae initiate.

Toastmistress for the installation banquet that evening at the Women's Club was Judy Hansen, an alumna of Chi at Oregon State College. Welcoming speeches were made by Kathryn Mettler, corresponding secretary, Mu; Patricia Knowles, president of Gamma Lambda; Wilma Parker, president of Delta Chi; Mrs. Blair; and Mrs. Helen Silvius, regional alumnae director. Responses were given by Mary Lou Barnes, president of Zeta Iota, and Mrs. Philip DeLong, Zeta Iota college chapter director. Greetings from across the country were read by Mrs. Gale. Mrs. Fred Kelleway, national director of alumnae, presented the chapter a silver tea service as a gift from Delta Zeta members.

Bette Burnside played a piano solo before the address by Dr. Don W. Karschner, dean of students at Humboldt State College. In his address, he spoke of the responsibilities being assumed

by the new initiates, since this is the first national sorority to be installed on the campus.

"You are setting the pattern on our campus," he said, "and we are sure it will be an excellent one if you carry out the ideals which have been presented to you today."

The installation ceremony was given by Mrs. Kelleway, representing National Council. Miss Kate Buchanan, associate dean of activities, was unable to be present, but a letter from her to the new chapter was read in which she accepted the chapter for the college. The banquet ended with the singing of "Remember."

Decorations for the banquet were in the traditional colors of rose and green: rose colored rhododendron with ivy and a centerpiece of a plastic foam DZ in the Greek letters covered with twists of rose nylon net. Mrs. Edward L. Aikins, X-Oregon State College, president of the Women's Club, was decorations chairman, and was assisted by Mrs. Ernest J. Soza, M-University of California.

Guests of Delta Zeta at the banquet, as well as Dr. and Mrs. Karschner, were Dr. J. Girard, dean of student activities, and Mrs. Girard, and the presidents of the two national fraternities on campus, Delta Sigma Phi and Tau Kappa Epsilon.

On Sunday morning a chapter meeting was held at the college and then the new chapter members attended church together. That afternoon, Delta Zetas were hostesses at a reception in the Green and Gold room of the Administration Building, presenting the chapter to Humboldt State College, its faculty and friends. Since it was Mothers' Day, most of the mothers and fathers of the new members were on campus and able to attend.

Local alumnae members who helped with the installation besides those already mentioned were: Mrs. Carlos Hunsinger, A A-Colorado, reservations chairman, whose daughter was one of the initiates; Mrs. Charles Kays, I-Minnesota, and Mrs. Donald Larson, X-Oregon State.

Mrs. Richard Fisher, *alumnæ initiate*; Carole Sue Bennett, college chapter president; Mrs. Russell Costello, immediate past national president; Mrs. F. Bringle McIntosh, wife of the president of Ohio Northern and a  $\Delta Z$  from DePauw; Mrs. Norman Agler, national director of philanthropies; Mrs. William Barth, province director, and Janet Cramer and Joyce Stacey, college initiates.

There are two mother-daughter combinations in the group: Betsy Charles and her mother, Mrs. Margaret Charles, and Ann Melkerson and her mother, Mrs. Eleanor Melkerson. Mrs. Miriam Darlington, wife of the dean of the Liberal Arts college, is one of the *alumnæ* members. Mrs. Bertha Breck, who was honored at the 1958 Homecoming meeting of the Phi Chi sorority for 50 years of membership and service, was among the *alumnæ* initiates.

The installation banquet was held at Clark Hall and the dining room was decorated by Mrs. Alice Webb, former dean of women at Ohio Northern, and her daughter, Mrs. Mary Krofft. Mrs. Webb and Mrs. Krofft were both initiated as *alumnæ* members.

Mrs. Webb, a Phi Chi alumna, was a close friend of Delta Zeta founder Julia Bishop Coleman. It was Mrs. Coleman who, before her death last May, strongly recommended that Delta Zeta contact the Phi Chi group on the Ohio Northern campus.

Mrs. Webb, who returned early from a Florida

vacation to be initiated into Delta Zeta, not only decorated the dining room for the banquet but even lent her 144 glass cups and plates and her magnificent Italian tablecloths for the tea held the following day. She also gave the installation fee to the chapter as a gift, and is helping them to get robes ready for initiation.

Miss Boughton served as toastmistress at the banquet and introduced sisters from Theta chapter, Xi chapter, Alpha chapter, and Beta Chi chapter who brought messages of welcome.

Also sitting at the head table were: Mrs. Agler; Mrs. Barth; Mrs. Roider, the college chapter director, and Mrs. Fisher, president of the Phi Chi *alumnæ*, who spoke welcomes and responses for the chapter. Miss Carole Sue Bennett, president of Zeta Kappa, spoke a few words of appreciation on behalf of the college chapter. She then received a lovely silver tea service for the sorority from the chapters throughout the country, a charming silver tray and compotes and another silver tray from *alumnæ* groups in Ohio.

Dr. F. Bringle McIntosh, president of Ohio Northern University, has a special place in his heart for Delta Zeta since Mrs. McIntosh is a  $\Delta Z$  from Delta chapter at DePauw who worked diligently during this period of pledging and initiation. Dr. McIntosh delivered an amusing but thought-provoking message concerning the values of fraternity life on a college campus.

Mrs. Costello, in her presentation "The Magic

of the Flame," conveyed the idea of the importance of courage, steadfastness and character. She then conducted the installation service, at which time the charter was presented to Zeta Kappa chapter. Dean Elma Grant Davis, assistant dean of students and counselor of women, accepted the sorority on behalf of the administration.

Lima Hall was the setting Sunday afternoon for the presentation tea. In the receiving line were: Miss Carole Sue Bennett, chapter president; Mrs. Russell Costello, immediate past national president; Miss Irene Boughton, executive secretary; Mrs. F. Bringle McIntosh; Mrs. Norman Agler, national director of philanthropies; Dean Elma Grant Davis, and Mrs. William T. Barth, province director.

The tea was handled by the Dayton area alumnae under the supervision of Mrs. E. Dale Leffler. Pouring were Mrs. Karl Roider, Mrs. Alice Webb, Mrs. Bertha Breck, and Mrs. Kate Mohr.

Representatives of the two other sororities on the campus, Alpha Xi Delta, and Zeta Tau Alpha, were present along with members of eight fraternities, Alpha Sigma Pi, Alpha Epsilon Pi, Delta Sigma Phi, Phi Mu Delta, Kappa Psi, Sigma Phi Epsilon, Sigma Pi, and Phi Kappa Theta.

Zeta Kappa chapter originated as Phi Chi, a local sorority, on the Ohio Northern campus in 1909. It was one of three local sororities on the campus, all of which are now either pledged to

a national sorority or have been initiated. Alpha Xi Delta installed the same day as Delta Zeta, and Zeta Tau Alpha installed later.

When Ohio Northern received full accreditation in the spring of 1958, President McIntosh told the sorority girls that national sororities could come onto the campus. In January of this year, Mrs. Costello spent some time with the Phi Chis, informing them of all the ins and outs of Delta Zeta. Preparations were made and Mrs. Karl Roider graciously opened her home for the initiation. Mrs. Roider will continue as college chapter director, a post she held in the past.

The university, located in the northwestern part of Ohio at Ada, was founded by Henry Solomon Lehr in 1871. It is unique in that it is made up of four separate colleges, the college of law, the college of pharmacy, the college of engineering and the college of liberal arts. Enrollment is approximately 1300. One of four Methodist colleges in the state, it has made great strides forward in the past 10 years, increasing both its enrollment and the quality of its program.

The physical plan of the school is rapidly changing. A new campus is planned on land west of the present location. Already a new men's dormitory is occupied at this site, and the cafeteria division of a new student union is serving resident students. The union is scheduled for completion next year.

DELTA ZETA FOUNDERS' DAY

*October 24, 1959*

## *We've Burst Our Province Seams!*

With progress and growth, changes are always inevitable. Delta Zeta has now grown to 128 collegiate chapters and 175 chartered alumnae chapters, and the changes authorized by the National Council in their June, 1959, meeting in Des Moines, Iowa, show promise of creating additional progress, enthusiasm, and growth for Delta Zeta.

In the early days of the sorority, the Province Director was responsible for the welfare of both collegiates and alumnae in the area in which she worked. In due time, as the load increased, special workers called Regional Alumnae Directors were added to supervise the work of the alumnae.

These workers were responsible for several states and were considered very valuable to the alumnae chapters. As time went by, however, it was felt that a closer bond should be established between the alumnae and collegiate chapters in order that both could be strengthened and renewed interest and accomplishment be attained by both.

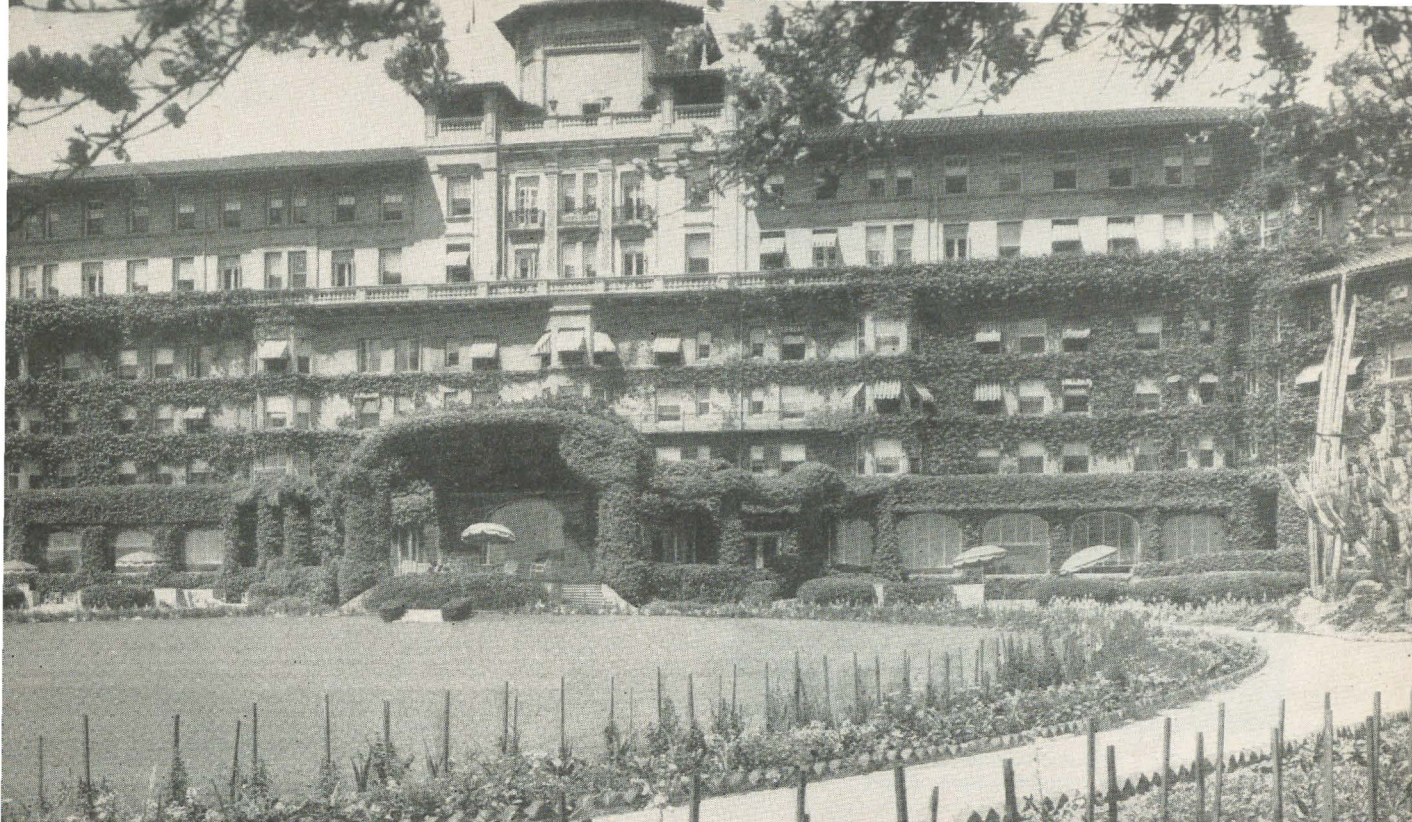

As a result, a new province plan is in process of development whereby the Collegiate Province Director, the Alumnae Director, and the State Recommendations Chairman will work together in a spirit of harmony and enthusiasm in an attempt to correlate all activities of collegiates and alumnae within the province.

Although the Collegiate Province Director has immediate responsibility for the college chapters and their programs, and the Alumnae Director for the alumnae chapters and their programs, it is expected that there will be occasions when each director will wish to request special help and specific cooperation from the other. Planning sessions will be held by the two directors to analyze their area or province and to make plans for the development or progress of their area.

The provinces have been redistributed, resulting in 21 provinces to be supervised by a Collegiate and an Alumnae Director for each province. Additional information concerning this new plan will be forthcoming as formulated from the Director of Alumnae, Augusta Kelleway, and the College Chapter Administrator, Marguerite Havens.

See the new Directory at the back of this issue of the LAMP for the new provinces, the states included in each, and the Collegiate and Alumnae Directors.

She was an honor graduate from her college at Conway, Arkansas, and maintained a high B-

plus average. In her junior year she was tapped by Alpha Chi, a scholastic honorary composed of the top 10 per cent of the junior and senior classes, and served as its treasurer.

Silas D. Snow, president of Arkansas State Teachers College, said, "I have been in a position to observe and come to know Bette well because she has worked in the President's Office the four years she has attended school here. No finer young lady ever enjoyed membership in Delta Zeta or graced the campus of any college or university."

Olive Ferguson, the school's director of women's activities, said, "In my estimation, Bette is one of the most outstanding students of the graduating class of 1959."

Initiated as a freshman into Delta Sigma Epsilon, Bette has been, in the opinion of her Delta Zeta advisors, largely responsible for leading Epsilon Xi into one of Δ Z's top chapters.

Bette's home is in West Helena, Arkansas.

**V**ICE PRESIDENCY of Mortar Board on the Southern Methodist University campus and membership in Square, an organization composed of the four most outstanding women students, are two of the latest honors for Pat Dawson, 1959 winner of the Florence Hood award.

The Florence Hood award is given annually by Florence Hood Spear, a province director and member of Alpha Beta chapter, to the junior girl judged by National Council to be the most outstanding in college and Delta Zeta activities, character and scholarship.

Pat was asked to serve as president of SMU's chapter of Mortar Board for this coming year, but because she was committed to so many time-consuming activities, she felt she should refuse the honor. Mortar Board then elected her vice president. Her membership in Square, considered the highest honor that can come to an SMU woman student, means she is one of four chosen to serve as an advisory board to all campus organizations.

Programs on the SMU campus, at Dallas,

Texas, which owe their existence to Pat's creativity are a series of student-faculty conversations where students and professors could meet and talk in an informal way; the Race Relations Conference which is organized on an intercollegiate level and will be an annual event; an annual United Nations Model Assembly which invites students from a 10-state area, and a small newspaper which presents papers on various campus issues.

Pat has been Campus Y president, a member of the Methodist Student Movement Council of Officers, chairman of the United Nations Model Assembly, member of Kirkos (honorary for the forty most outstanding girls on campus), Tau Kappa Alpha (debate honorary), Debate Club member, winning 20 firsts and six second places in her freshman year and 18 firsts and 12 seconds in her sophomore year in tournaments; president of Shuttles Hall, upper class dormitory, in her sophomore year; member of Associated Women Students Council of Officers, and a member of Panhellenic.

Pat, whose home is in Waco, Texas, has served Delta Zeta as pledge class vice president, Panhellenic representative, historian, and a member of the executive council.

# No Business Like Show Business for Nancilee Black

NANCILEE BLACK, A-Miami, now a member of the Youngstown, Ohio, Alumnæ, stars in *The Matchmaker*. School teaching is her vocation, but acting is a much-loved avocation.

“**T**HERE’S no business like show business” is the firm conviction of Nancilee Black, talented young actress, teacher, speech director, and member of the Youngstown Alumnæ.

From early childhood when she began her elocution studies, through grammar school and high school, Nancilee had a flair for the dramatic. But it was as a student at Miami University that her talents came to light in such University Theater productions as *Antigone*, *Kiss in Xanader*, *Electra*, *Romeo and Juliet*, *The Lady’s Not For Burning*, and *The Man Who Came to Dinner*. In her senior year, Nancilee was presented the Helen Hayes award for best actress.

Since her graduation in 1954 Nancilee has been a teacher of Latin, English, history, and speech in the public schools of Ohio, but she has nevertheless not forgotten the theater. The Youngstown Players, a community theatrical organization of some scope and under the direction of James Cameron, has discovered in Nancilee the true artist, for she has given of herself in stage direction, costuming, and make-up direction as well as thrilling Youngstown audiences with her own

magnificent performances in productions such as *Open House*, a review, and *Plain and Fancy*.

The summer of 1958 Nancilee traveled to Connecticut to work with the Clinton Playhouse in their summer season. While there she starred in performances of *The Happiest Millionaire*, *Visit to a Small Planet*, *Boyfriend*, and *Tobacco Road*. With the opening of the Youngstown Players 1959 summer season, Nancilee rehearsed for roles in *Medea* and *Brigadoon*. As if this were not enough, she has also accepted the position as a speech director and dramatic coach for the first season of the Youngstown Players Summer School of Dramatic Arts for boys and girls eight to 18 years of age. She will give both private and class instruction in speech, diction, and drama.

In addition to her busy schedule as teacher and actress, Nancilee also finds time to be an active member of the Youngstown Martin Luther Lutheran Church—and to help in many ways her alumnæ chapter of Delta Zeta. This past year she served as an active co-chairman of the Ways and Means Committee and helped realize a goodly profit on the Christmas Candle Sale.

# "Hand That Rocks the Cradle Rockets the Typewriter"

from the *Sharon Herald* of Sharon, Pa.

Mairy Jayn Woge is more used to reporting the news than making it, but this topflight journalist made news herself this spring when she welcomed home her fourth son.

Now that in itself is not so unusual, except that it confirmed the *Herald's* belief that their "jet-propelled feature writer" was an extraordinary person—a fact which members of Delta Zeta's Omicron Chapter at the University of Pittsburgh probably suspected some time ago. Mairy Jayn, then Mairy Jayn Von Strohe, was vice-president of Omicron in 1947.

The *Herald* noted: "When she went to the hospital, her stack of files, notebooks and reference books, that she is always toting, went with her. . . . Husband Jim put 'thumbs down' on the typewriter. He wanted her to relax. However, Mairy Jayn had a phone in her room and it was not long before she discovered a typewriter at the desk on the maternity floor. Releases came to *The Herald* from her on schedule. . . . She kept out-of-town papers, for which she corresponds, informed of spot news."

The Woges had also just finished an addition and remodeling job on their home, which is located in a woodland area where they love to roam, build shacks and romp with their collie pet. With the arrival of Timothy Christian, Mairy Jayn Woge is really living in a man's world; her older sons are Hank, 11, Eddie, 8, and Johnny, 4.

The *Herald's* feature story, by Marion M. Shatto, continues:

"Mairy Jayn is an extraordinary girl. Those of us who know her are constantly amazed at what she can do. One of her secrets is budgeting her time. From the hour she awakens her time is scheduled and checked off as 'missions are accomplished.'"

"In addition to being a fine mother, she is a topflight feature writer. Few writers have so many loyal readers. They are not only *Herald* readers, for Pittsburgh and Cleveland papers also publish her features.

"She is publicity director for the United Fund, a member of the boards of the Humane Society, Heart Association, Crippled Children's Clinic; genealogist for the Mercer County Historical Society.

"She has been writing a Mercer County History that is nearly completed.

"IN A MAN'S WORLD"—Mairy Jayn Woge, with her ever-present typewriter, surrounded by her menfolk. Left, husband Jim, Eddie, James Henry (Hank), Johnny and baby Timmy. (*Sharon Herald* photo.)

"Active in the First Presbyterian Church, she was a Sunday School teacher until last month. She was a den mother when Hank and Eddie were Cub Scouts.

"Mairy Jayn has a great love for animals and many a little boy has been made happy with one of the puppies from the Woge kennel. She always has a home for a stray dog.

"She does much research for her historical works and often loads her station wagon with the boys and takes off for several days to historical points as a holiday. Indian lore is another interest she and the boys share. . . .

"She has a heart as big as the out of doors, for we know of many a grocery order that has helped a family along through Mairy Jayn.

"Today, Mairy Jayn breezed into the office to complete another voluntary task—that of contest chairman for the state contest of the Pennsylvania Women's Press Association. Deadline for sorting the 100 or so entries and sending them on to the contest judges is tomorrow. She'll make it."

Postscript: She not only made the contest deadline—but took the second place award in the feature story division of the contest!

# Delta Tau Honors "Ma" Cushing

by Joan Fleck Finklea, CCD at Δ T

DELTA TAU chapter helped Mrs. Claudia T. Cushing celebrate her 81st birthday recently with a surprise party. Mrs. Cushing, affectionately known as Ma, has long been associated with Δ Z at Temple University. She was Delta Sigma Epsilon chapter advisor from 1938 to 1954 and was initiated into Delta Zeta in 1956.

The party was planned by the Philadelphia alumnae. Delta Tau collegiate members and pledges were hostesses. The surprise of the evening was a pink and green birthday cake with the message: Happy Birthday to Ma from Her Girls.

Among the guests was Mrs. Gladys Varty, national treasurer, who was officially visiting the chapter.

The chapter also established a new award this year in Mrs. Cushing's name for the outstanding pledge. Such honors are nothing new to Ma. During her many years of service to Temple University, she was honored by students and alumni alike.

When she retired from full-time hostess duties in the University's student union building in 1953, a student aid fund was established in her name. Two days after she formally retired, Ma was back on a part time basis. Her salary is used to increase the student aid fund.

She also sells Christmas cards. The proceeds from the cards, which the Delta Tau girls help to sell, are also earmarked for another fund—the donation of a room in the new women's dormitory in the name of Delta Zeta. This is one of Mrs. Cushing's fondest dreams.

Recently, a study hall in the new women's dorm was dedicated to Ma and the dining room of the new Alpha Chi Rho house also bears her name. Ma was named Philadelphia Woman of

MRS. CLAUDIA T. CUSHING, longtime Delta Sigma Epsilon chapter advisor at Temple University, Philadelphia, and now a busy Delta Zeta, blows out a candle on her 81st birthday cake.

the Month in February, 1954, on the basis of her service to Temple and the community.

Ma Cushing is now 81 but she is still very much on the scene—meeting people, welcoming them and trying in her own quiet, inspirational way to help them toward a better understanding of life and appreciation of what she calls "the nicer things." As a result, she has become a vital part of a great urban university and our sorority.

# I Visited Pat Boone

by Vicki Woodall, Γ I

VICKI WOODALL, a member of Gamma Iota chapter at Memphis State University, Memphis, Tennessee, is director of the National Association of Pat Boone Fan Clubs. Her acquaintance with Pat and his wife Shirley goes back six years. Here is her story of a recent weekend visit to their home.

WHEN PAT BOONE informed me that he was going to be in Nashville, Tennessee, for a personal appearance last February, I started making plans immediately to go too. His wife Shirley was going with him and I had known them both quite well when we all lived in Nashville six years ago.

While driving around the old familiar places

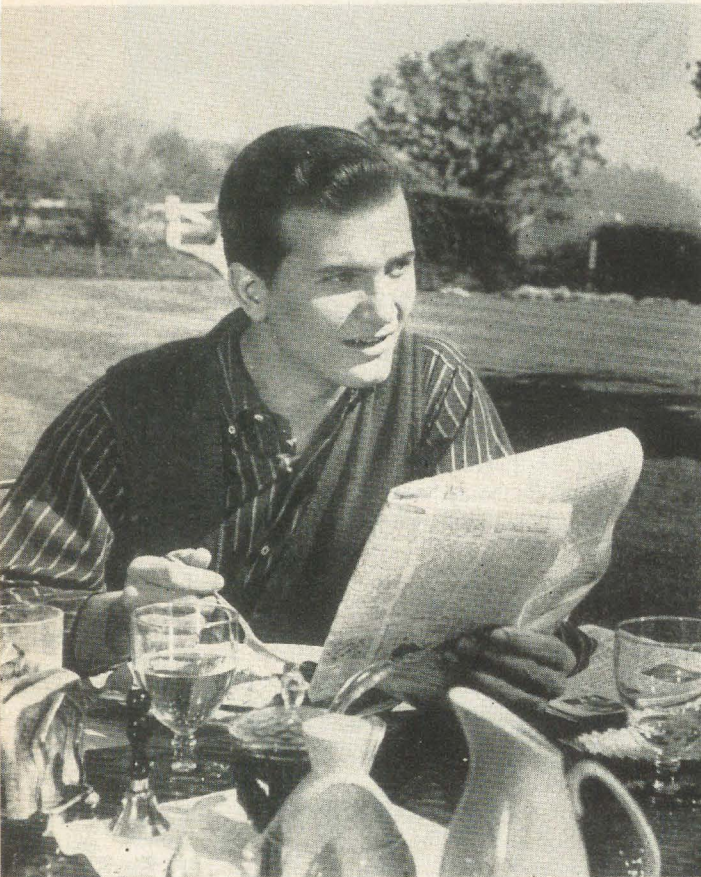

reminiscing with the Boones, we passed the little brick duplex where Pat and Shirley had first started housekeeping. Pat turned to me suddenly and said, "Say, Vicki, Shirl and I would like to have you come visit us in our home in New Jersey before we move to Hollywood for the summer. Think you can make it after exams?"

That was the invitation to spend that unforgettable weekend with them. It was so much fun just being with Pat and Shirley. They're always kidding about something and bubbling over with good humor. I don't believe I have ever seen a couple more in love! They enjoy being together, and the respect and admiration they have for each other is always evident. The four little girls are very ladylike, intelligent and talented. Even the poodle, Frosty, has that "Boone personality" and seems to be smiling all the time!

Their house is quite a jump from that Nashville apartment. They now live in a 17-room English manor type house, just eight miles from New York City and Pat's office. They have only two servants, a Spanish girl, Mary, who looks after the children, and the housekeeper, Eva, who has been with Shirley since Shirl was 12 years old. Most of the cooking is done by Shirl herself and she is always whipping up a new dessert or some "goody" for Pat and the girls.

I visited several of their friends while there. Shirley, the girls and I also attended a birthday party at Carmel Quinn's for her daughter, Janie. We ate at several nice restaurants, but no one seemed to pay the Boones any more attention than the other customers. However, one diner recognized Pat and dropped some money in the jukebox and played several Boone tunes. We went to the theater the first night and saw the play, "Majority of One" with Gertrude Berg. On Sunday, we went to church and Pat led the singing. It was fun visiting the Cooga Mooga offices and meeting all Pat's associates. Saturday night we spent at home, just talking, playing records and watching TV.

Shirley goes about the community as any other

PAT BOONE takes it easy at breakfast. Vicki Woodall, Γ I-Memphis State, spent a weekend recently at the Boone home at the invitation of Pat and his wife Shirley.

housewife, without any special attention. I went shopping with her and the girls Saturday morning. We went to a dress shop to exchange some Bermuda shorts, to the dime store to buy some shirt buttons, and on to the shoe shop to have taps put on her heels. We then went to the grocery, a large super market, where Shirl and I pushed the girls in the carts while we selected groceries. After she went through the cashier's line, we pushed the groceries to the Chevy station wagon and unloaded them ourselves.

Sunday night, for the first time during the visit, I saw Pat Boone as the celebrity. We went to ABC

studios to watch Pat tape a show for a forthcoming Chevy Showroom TV program. Many fans had gathered to seek autographs, but they were very well behaved. Some of the girls were fan club prexies, with whom I had worked as Pat's National Fan Club Director. They knew that I would be there and they had brought a huge sign "Welcome Vicki" and a beautiful cake so we could have a party in the dressing room later.

Pat laughed and kidded me about being a celebrity. It is very hard to think of him being one of the nation's top idols, because he seems so unaware of it himself!

### Alice Graeber Wins Mathematics Fellowship

Alice Graeber, M-California, has been given an opportunity to further her education so that she may help youth with theirs. A mathematics teacher and counselor at Lowell High School in San Francisco, she has taken this year off to attend a Mathematics Institute at the University of Illinois to which she has won a \$3600 fellowship.

The fellowship was awarded by the National Science Foundation in its effort to improve teachers' backgrounds in the subjects they teach, to improve the teaching itself, and to inform teachers of new curriculum developments.

Her activities while at the University of California are indicative of the reason she was one of 50 selected for this award. She served as pledge chairman, rush chairman, social chairman and treasurer for Beta Phi Alpha. She was a member of Pi Mu Epsilon (mathematics honorary), was a reader in mathematics, and worked with the Lutheran youth group. She has her A.B. with honors in mathematics and her M.A. in Counseling from the University of California and belongs to Pi Lambda Theta and Alpha Delta Kappa, education honor sororities.

# AN OPEN LETTER TO JEANINE

*And this is JEANINE EMINIAN LEWIS.*

Dear Jeanine:

Bet you thought after you graduated from the University of Texas with all those DZ honors that you'd passed the staying-up-late-at-night phase of life.

But that was before you became editor of The Lamp.

So we just want to thank you for all the late-at-night hours, early-in-the-morning hours, middle-of-the-day hours, children's-nap-time-hours and so forth that you spent editing The Lamp for us for the past two years.

That's why it's been so good . . . and why we've enjoyed it so much.

We're sorry you've found it necessary to give up your editorship, but can appreciate that you need much more time now to sew dancing costumes for Mary Arden, 4, and Cathy, 2--and to do the hundreds of other things that it's fun to do with two little girls. And your husband Harvin will probably be very glad to see you out from under the typewriter.

We appreciate everything you've done not only for The Lamp, but for Delta Zeta in general--from your busy career at Alpha Tau (Mortar Board, Student Court, Theta Sigma Phi, Mademoiselle College Forum, Houston Post correspondent, chapter president, and 1949 Grace Mason Lundy award) to your alumnae days (public relations, professional magazine editing, province director, Endowment Fund chairman).

Again . . . many thanks from the bottom of our hearts.

# What It's Like To Be A College President's Wife

by Marjorie Bergman, B P

**W**HAT is it like to be the wife of a college president? It is a busy life, the responsibilities are varied and many and would be more than enough to fill the life of most women.

For petite, vivacious Frances Nations Ellis this is not enough. In the years that her husband, Dr. Roy Ellis, has been president of Southwest Missouri State College at Springfield, Frances has found a great many things to capture her sparkling interest. She is a noted lecturer of distinction, a member of the Christian Church, Art Museum, P.E.O. Sisterhood (Chapter D. C.), a Past President of "College Dames," was a "Lady in Gray" during the war years and for many years a sponsor of Epsilon Nu Chapter of Delta Zeta, is listed in *International Who's Who*, *Principal Women of America*, and the *Southern Social Directory*.

Born in Farmington, Missouri, she spent her girlhood in Washington, D.C. Her father, Dr.

Gilbert Owen Nations, who taught "Roman and Common Law and Jurisprudence" in the Graduate School of the American University in Washington, D.C., was a judge and an ordained minister. So Frances spent her youth in the surroundings of higher learning. Her Scotch-Irish mother was a proud descendent of Mary, "Queen of Scots." Her background naturally gave her an intense interest in constantly striving for the advancement of highest ideals of progressive education.

For years her brilliant lectures have been an inspiration to all who heard her. The variety of her subject matter gives substance to the fact that she developed a great many interests through her world travels. Titles of her lectures include: "Mantles and Clocks," "The Caribbean and Caracus," "Chinese Architecture," "Beauty Spots of Mexico," "The National Hall of Fame," and "Art in Your Heart."

The Ellis' beautiful colonial home, set in

FRANCES NATIONS ELLIS, Busy President's Wife.

spacious grounds, creates an elegant background for Frances and gives emphasis to her individuality and charm. The many lovely antiques and unusual accessories which grace the distinctive rooms of her home show yet another facet of the fascinating Frances.

Dr. Roy Ellis has completed his 32nd year as President of Southwest Missouri State College. This is believed to be the longest tenure of any college president in the United States. Recently, his presidency has been extended three years beyond the usual retirement period so that he will be able to execute the completion of a \$3,000,000 building program he instituted. Dr. Ellis chose to devote his life to educating "the children of the Ozark country" and during his

outstanding career has seen a small college grow into an important midwestern institution.

The Ellis' only child, David Owen, has a Ph.D. in mathematics and is engaged in electronics research.

Frances has retired from her scheduled lecture series so that she can devote as much time as possible to her lively grandchildren, 12 year old David Roy and 10 year old Jan Frances, who spend many months of the year residing with the Ellis'.

First lady of SMS, a charming hostess, a noted lecturer, a devoted grandmother, a person never too busy to give freely of her time to all: this is what it is like to be the wife of a college president—if you are Frances Nations Ellis.

## Pre-School Program for Children

DZ helps deaf and hard-of-hearing children in pre-school groups by providing funds for snacks and equipment, or by providing volunteers to help as teachers aides.

## Scholarships For Future Teachers

Scholarships for future teachers of children with hearing problems are of prime importance. DZ funds help provide these.

## Hearing Aids

Hearing loss strikes all age groups, both young and old. DZ funds often help someone who otherwise could not afford a hearing aid.

# nal Project Assists those With Hearing Problems

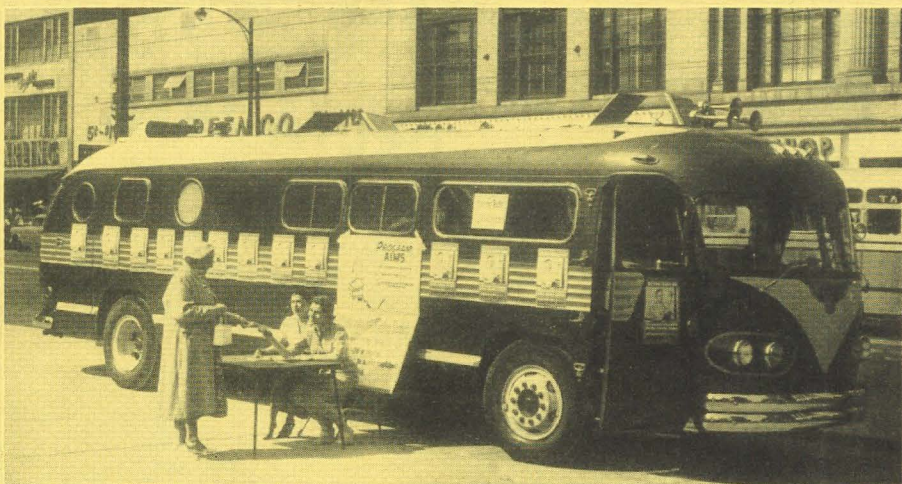

## "Help Week" At The Hearing Center

Speech and hearing centers work on limited budgets. DZ volunteers give hours of their time to help fix broken toys, clean walls, paint rooms.

## Hearing Mobile For Testing

Delta Zeta volunteers from alumnae groups give of their time to man various mobile units which travel around and test the people of local communities for hearing difficulties.

## Funds for Therapy

Cost of therapy for children is sometimes more than parents can afford. DZ funds help pay for a therapist and therapy materials.

#### LUCILLE HUNT PENDELL:

##### *Librarian at Gallaudet*

An Alpha Epsilon from Oklahoma State University, Mrs. Pendell taught school in her home state for several years and then became documents librarian at Oklahoma A. and M. College.

# Delta Epsilon Girls Visit Gallaudet

by Lois Wohlers, Δ E

**F**OUR DELTA EPSILONS, Honey Rudler, Anne MacRae, Yvonne Di Franco and Lois Wohlers, took advantage of a four day break from classes last spring at Queens College, Flushing, New York, and headed south to Washington, D.C.

Accompanied by our CCD, Dr. Emily Philpott, we arrived in Washington late in the day. Alpha Deltas at George Washington University rolled out the red carpet for us. In addition to receiving an excellent sampling of "Southern Hospitality," our sisters provided lodgings for our stay.

The highlight of our trip was a visit to Gallaudet College. Public Relations Director Georgie Holden welcomed us and showed us around the lovely Gallaudet Campus on Kendall Green. The campus consists of several old buildings which house the administration, and several very impressive new buildings, the women's dormitory, the gymnasium, the Edward Miner Memorial Library and Sophia Fowler Hall (which houses classrooms). Of course, considerable time and attention was paid to the library in which modern furniture, donated by Delta Zeta, graced the spacious room.

We were able to observe in two classes, one a history class conducted by Dr. Powrie V. Doctor who communicated in both sign language and speech. The other class was an English class, conducted by Robert Panera who became deaf at 11 years of age and who is a graduate of Gallaudet College. Both the ease and the clarity of Mr. Panera's speech, as well as many of the students, really amazed us.

We were extremely fortunate that our visit to Gallaudet coincided with the tour of Her Majesty's Royal Inspector, and we were treated to a delicious smorgasbord luncheon. At this time we also had another unusual and thrilling experience. The movie of William Shakespeare's *Hamlet*, filmed at Gallaudet College completely in sign language, was shown. Despite the handicap of communicating in sign language, the impact of *Hamlet* was felt completely. With this experience we regretfully departed from Gallaudet, much impressed and very enthusiastic about the terrific work done there.

In our remaining time in Washington, we attempted to see a few of the many sights. The Lincoln Memorial, Washington Monument, Smithsonian Institution and National Gallery of Art encompassed the morning activities. Our afternoon was spent in the Senate Galleries witnessing the discussion and actual roll call vote on Senator John Kennedy's much-disputed labor bill. Our unfamiliar eyes spotted such dignitaries as Vice President Nixon, Senators McClellan, Goldwater, Morse, Sparkman and our own New York State Senator Keating. This first hand experience supported education principles all the way as this will be a very memorable experience.

With a glimpse of Annapolis and the University of Maryland we brought our holiday to an end. Laden with souvenirs, much literature, and multi rolls of exposed films, we returned to Long Island in the old familiar "tired but happy" mood.

FLORIDA—Pouring tea for Past National President Evelyn Costello (center) is Mrs. John T. Brinson, president of the Jacksonville Alumnae. Mrs. Clyde Owen, regional alumnae director, looks on. THIS CALYPSO TRIO from SMU-Alpha Psi made a big hit at Texas State Day in Houston.

# Alpha Psi Mothers Earn \$1800 for Chapter

by Barbara Gepp Troup, Dallas Alumnae

**D**OING what comes naturally" is probably the best way to describe the reason for success of the Beta Mothers Club, composed of mothers of Alpha Psi girls at Southern Methodist University.

In figuring out inventiveness for amassing dollars, it seems that the Beta Mothers Club took their basic training from the Alpha Mothers Club, a previous group. The Alpha Mothers, who now have seven remaining members, have worked constantly for the girls for more than 25 years.

The Beta Mothers have had the skilled leadership and enthusiasm this year of Mrs. Frank McMahon, president; Mrs. Roy Eastus, vice-president; Mrs. G. A. Ponder, treasurer; Mrs. A. H. McKinney, secretary, and Mrs. Edgar Sandkuhl, projects chairman.

A profit of \$1810 was realized during the 1958-59 year. The mothers held a rummage sale last fall, and so many clothes were donated that some were stored until spring. Then three more rummage sales were held—and the ladies had collected \$800.

At Christmas, pink and green felt stockings with a glittering "DZ" on each were sent to Delta Zeta mothers all over the country, including those whose daughters were no longer in

school. This brought a highly profitable return of \$265.

A game party at the chapter house in the spring added further to the fun and fortune—everyone brought their own games to play for prizes. And the mothers worked together in a local radio contest collecting cash register tapes and food labels which added up for points and then dollars—and they won more than \$350 in prize money to add to the funds for the chapter.

The club joined the fund drive for the new Alpha Tau house at the University of Texas in Austin by holding two large parties for mothers of DZs in Dallas. These made the Texas girls \$92 closer to their goal.

The mothers have contributed to the Golden Circle Scholarship, the Dallas Alumnae Style Show for Gallaudet and Carville, and have bought Christmas wrappings from the alumnae. There is a close bond between the mothers and alumnae.

For instance, the Mothers Club helped the Alpha Psis during rush when they handled, for three nights, the refreshments and ice box snacks. They've also taken over the care of the yard during the year. Because they do these things so capably, the actives and alumnae are left a little freer to pursue other work that needs to be done.

MOTHERS OF THE Beta Mothers Club of Alpha Psi chapter at Southern Methodist are (seated, l. to r.) Mrs. H. W. Anderson, Mrs. R. B. Eastus, Mrs. F. B. McMahon, Mrs. Edgar Sandkuhl, Mrs. V. V. Chandler, and Mrs. G. M. Edgley. Standing (l. to r.) are Mrs. K. A. Browning, Mrs. H. C. Melick, Mrs. A. H. Kenney, Mrs. G. E. Ponder, Mrs. Grace Harper, and Mrs. F. L. Galbraith.

A fall tea was given by the Mothers Club for the pledges and their mothers, and a spring tea was given for retiring housemother Mrs. Mary Wood and the Alpha Mothers Club. Mrs. Wood was given a life membership into the group and presented with a mother's pin.

A parents' night with supper for all, a tour through the house and a skit by the girls brought further kinship. The year's activities were topped off by banana-split parties given by the mothers for the graduating seniors.

The club was recognized on State Day with an honorable mention for their work.

From the beginning in 1949 with 14 members, up to the present time when there is a paid membership of 73, the mothers have always been eager to help the chapter. Thirty of today's members come from such far off places (from

Texas!) as California, Tennessee, Indiana, Missouri, Pennsylvania, West Virginia and the oil fields of Lebanon.

The Alpha Psis have only to look about them and be grateful for all the contributions the mothers have made over the years—their bud vases, silver service, two dining room credenzas which hold the green china that was a gift. And even a fire escape to the third floor, which means, since the third floor can be safely used, less wear on furnishings, a perfect chapter room, and a quiet place to study.

Mrs. McMahon explains the cooperation this way: "Some of us aren't in Dallas and sometimes we don't get to the meetings, but there is something more important which unifies us all—that is the marvelous common bond of being mothers of Delta Zetas!"

#### Beauty Wins TV, Modeling Offers

Good looks and a sparkling personality have paid off for an Alpha Alpha at Northwestern University, Evanston, Ill. The pretty brunette is Marilyn Prybyl of Park Ridge, Ill.

Since she became the only Northwestern coed finalist in the Miss Photo Flash contest in Chicago, Marilyn has been flooded with photography modeling offers. A junior in liberal arts, Marilyn had joined 400 other Chicagoland girls to enter the photography contest last winter. The 10 finalists appeared at the opening night of the Chicago National Boat Show, and one of the boat company presidents liked her so well he asked her to remain through the week to help with their exhibits.

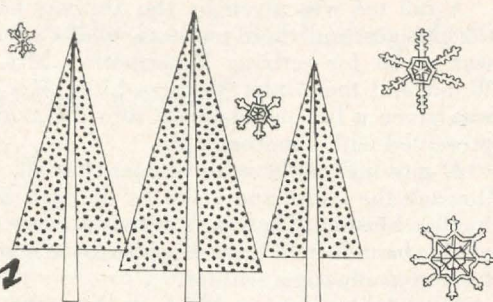

She has signed to appear in television and movie commercials and has several other photography modeling jobs. A Kentucky Colonel, Russ Chittenden, whom she met at the boat show, awarded her a certificate making her a Kentucky Colonelette, an honorary position enjoyed by only 25 Illinois girls.

Marilyn pledged Delta Zeta at Beta Kappa chapter, Iowa State College. Since transferring to Northwestern, she was elected Alpha Alpha's Military Ball candidate, social chairman of the sorority, and one of six girls chosen for a show-girl in NU's nationally-known campus musical, Waa-Mu.

## *News of Our Alumnae Chapters*

YOUNG LADY with a bonnet is Jean Hathorn, age 7, "adopted" daughter of the Cleveland Alumnae (East Side). Jean is a resident of Christian Home for Children and the Cleveland DZs help to make her happy throughout the year. Bringing her new finery are Mrs. M. Clark Davies (left) and Mrs. Roger Buckmaster, president of the alumnae group. (See full story next page)

## DZs Donate Time and Services

An organization is no fun unless you can share with someone else, and Delta Zetas everywhere have been enriching their own lives by helping others.

### East Cleveland-ites Have a New Daughter

East Side Cleveland alumnae have "adopted" seven year old Jean Hathorn, a resident of the Christian Home for Children. They contribute \$25 a year to take care of medical supplies and incidentals.

The donation does not tell the full story, however. She also receives care and affection from the women. A birthday cake, Christmas gifts galore, valentines for all her friends, and lots of Easter finery were only a few of the things which helped make Jean's year a happy one.

The director of the Christian Home for Children wrote: "Your loving interest is greatly appreciated and the happiness you brought to Jean means much to her and to us."

The group plans to tour the Children's Home so all members may meet Jean and her friends.

### Aiding the Hard of Hearing

Aid to the deaf has always ranked high on the Delta Zeta list of philanthropic projects.

After hearing the report from the California Hearing Society, the **Marin County** Alumnae donated to further the work of that society.

An Easter egg hunt for the children of the School for the Deaf proved successful for the **Indianapolis** alumnae.

When **Ft. Worth** alums heard the story of hearing at TCU, they scheduled two parties, the results of which was a sizable check presented to the clinic.

**Syracuse** alumnae will present two hearing aids to the Syracuse University Speech and Hearing Clinic.

## MONEY RAISERS . . .

# Suggestions for Sick Treasuries

### Rummages for Money

Cake and rummage sales have always been successful money raisers and many DZ alumnae chapters used them to great advantage.

A rummage sale at the South Lansing Community Center made over \$70 for the **East Lansing** group.

The **Spokane** alumnae held a fall sale, as did **Beaumont**, Texas, which has already held two cake sales.

An auctioneer was used in the **Omaha** chapter sale, proceeds being given toward the new B T chapter house at Nebraska Wesleyan.

Palate tempting home-baked articles were sold quickly by the **Wilmington** chapter. Funds went to help college chapters at Drexel and Temple Universities.

Baked goods were auctioned silently at an **Indianapolis** chapter meeting. Although the members were silent, the treasurer jumped with glee, for it proved profitable as well as fun.

One of the **Mishawaka**, Indiana, stores opened its doors for the **South Bend** alumnae bake sale which netted \$35.

Money from the **Greater Kansas City** Area group bake sale was turned over to the hearing aid fund.

### Bridge Bridges the Money Gap

For an afternoon of fun, as well as profit, there's no better DZ alumnae entertainment than a bridge party.

The **Whittier**, California, alumnae joined forces with the Whittier Panhel group and sponsored a series of bridge parties. Money went toward the Panhel scholarship fund.

The second annual DZ card party was held in the McNeese State College Student center by the **Lake Charles**, Louisiana, group.

Newly-formed **Aurora** alumnae netted nearly \$100 with their invitational card party.

Two alumnae chapters reported the sale of candy as a money maker. In fact, most ran out before the sale was over! These chapters were **Ames**, Iowa, and **Boston**, Massachusetts.

### From Green Stamps to Games

**El Paso** alumnae collected premium stamps and acquired gifts to give to needy families at Christmas.

**Austin**, Texas, alumnae have found an interesting and profitable money raiser. They are selling keepsake plates which depict the present Alpha Tau chapter house on the front, with a brief history of the mansion on the back. Any Alpha Tau desiring one may contact Mrs. Robert E. Tieman, 5515 Delwood Dr., Austin.

**Pasadena's** treasury was nicely augmented with funds from the "Butterfly Ball." (see picture)

A painless way of boosting the treasury has been found by the **St. Louis** alumnae. They sold chances on a hand bag. Members selected strips of paper, numbered from 1 to 100. The number they got was the amount of pennies they paid.

The newly-decorated Iowa chapter house was shown off at a recent bridge party held by **Iowa City** alumnae.

**Phoenix** women raised \$25 as a part of the "Grecian Holiday" sponsored by that city's Panhellenic group.

A kiddie carnival was held by the **Miami**, Florida, group and it proved fun as well as profitable.

The **Dayton** Chapter saw the "Happiest Millionaire" and were inspired! This theatre party boosted their treasury considerably.

**San Diego** had the same results from their theatre night.

**Honolulu** had an earring exchange party—each alumna brought an unwanted pair and exchanged for a "new" pair, plus adding 25¢ to the treasury.

Two chapters heard what can be done for Speech and Hearing handicapped children. These were **Orlando-Winter Park, Fla.**; and **Buffalo**.

Through talks and slides, even other chapters traveled. **Glendale-Burbank** women went to India; **Denver** alumnae to Israel; and the **Boston** chapter toured Europe.

A WHITE ELEPHANT SALE, held in the new home of Mrs. John Retinger, gave Roanoke Alums money to donate to a school milk fund. The money will go to a needy child at a local elementary school.

OKLAHOMA CITY—Showing off with a purpose are (l. to r.): Cynthia Anne Ruhl, daughter of Kenneth and Mary Jane Bradley Ruhl, E T; Lucie Ann Daniels, daughter of Ray and Lois Anne Booth Daniels, T T; and Betsey Marberry, daughter of Harry and Betty Gum Marberry, T O. This trio, and other Oklahoma City alumnae sons and daughters modeled in an Easter style show, one of the group's most successful events.

## Fashionable Fashions, DZ Style

Pretty girls always being like melodies, four Δ Z alum chapters decided it was high time to get into the world of high fashion.

All four shows are pictured here. Seattle combined home and clothes fashions, Oklahoma City used Δ Z children as models, Stillwater featured its own Δ Z designer, and Dallas had collegiate models. Here's a little more news about the Seattle and Stillwater shows:

### Stillwater Styles

An idea that grew from a desire to do more for Delta Zeta was the beginning of a Fashion Show for Stillwater, Oklahoma, women.

Vanita Morrow Cocanougher, artist designer and Δ Z enthusiast, volunteered to present a fashion show as a chapter project. The idea resulted in the most successful event of the year.

Plans took shape in the lovely Vanita Studios. Tickets were then dispensed to all alums.

The show was held in the beautiful Δ Z chapter house in Stillwater. This was the first time many Stillwater women had an opportunity to see the house.

A Panhellenic quality was added to the benefit as models represented Pi Beta Phi, Kappa Kappa Gamma, and Kappa Alpha Theta.

(Continued on page 58)

STILLWATER—Gladys Stricklin Murphy, A E (center), models one of Vanita's Originals, presented in the Stillwater showing. Left is creator Vanita, and right is milliner Mrs. Ferne Lloyd.

SEATTLE—Mrs. Louise Bettner, interior designer, relaxes in one of her room decors, used to illustrate the "Fashion Vignette" program for Seattle Alumnæ.

STILLWATER—The ever-popular cup of coffee proved helpful when it came to planning the Stillwater style show. Left to right: Eunice Goble Manning, A E; Jacquie Lewis Adair, E T; Rachel Marrs Smith, A E.

STILLWATER—A preview look at Vanita's fashions were given to a group of Stillwater women before their benefit style show.

SEATTLE—Mrs. Frank T. Cech, Mrs. Vernon D. Phillips and Mrs. John W. Robertson check the 300 reservations for the Seattle Alumnæ "Fashion Vignettes" program.

DALLAS—Peggy Ryan (right), Δ Ψ-SMU, a collegiate model for the Dallas Alumnæ style show "Delta Zeta Presents a World of Fashion," models a spring suit. Looking on are Jean Wagner Klein (left), Δ-Miami, alumnæ model, and Barbara Hiller McCollum, Γ T-OCU, style show chairman. The show was a benefit for Gallaudet and Carville.

(Continued from page 56)

The ultimate goal of the show was the sending of two sizable checks, one to Gallaudet and one to Carville.

As a result, a group of Oklahoma women put into practice a portion of our creed:

"To those whom my life may touch in slight manner—may I give graciously of what is mine."

### Fashion in Seattle

Styles for milady and her home were combined when **Seattle Alumnae Chapter** presented something new in spring style shows—"Fashion Vignettes for Your Home and You."

Using drapery and upholstery fabrics, accessories and props, Mrs. Louis Bettner, interior designer, created modern, traditional and transitional room settings. At the same time, models showed intimate apparel and sports-wear from the stores of two alumnae, Dollie McAssey and Betty Manning.

Highlighting "Fashion Vignettes" was a display of art objects by local Delta Zeta artists, Gladys Crooks, Lucille Nutt, Mary Shelton, Mary Nollan and Louise Elam.

MRS. AUSTIN THOMPSON,  $\Delta \Psi$ , MRS. H. SUMMERFIELD DAY, A B, and MRS. GLENN H. ROGERS, *Cheyenne, Wyo.*, meet at the National Parents and Teachers Association Conference.
