Founders Day Proclamation

October 24th marks Delta Zeta's eighty second anniversary. Let us honor this day and those who made it possible, our Founders, by a reverent rededication of our lives to their ideals and principles.

Let us celebrate our gratitude and respect for their ideals by wearing the colors of rose and green beneath our badges, a tangible symbol of those intangible principles.

Given under my hand and seal of the sorority this first day of July in the year of our Lord nineteen hundred and eighty four and of the sorority, the eighty second.

ABOUT THE COVER

Ground was broken for the Cathedral of Learning at the University of Pittsburgh in 1926 and in 1935 the first classes were held in the unfinished building. The 42 story Cathedral, designed "to be the meeting of the modern skyscraper and the medieval cathedral" was named a historic landmark in 1976 and is considered to be the last great monument of Gothic revival in America. Xi Eta Installed at Northwood

Xi Eta chapter of Delta Zeta at Northwood Institute, Midland, Michigan.

by Vickie Adcock
National Field Representative

On March 24th a goal was reached by members of Xi Eta as they were initiated and installed as Delta Zeta's newest chapter. Two years earlier in the spring of 1982 a local sorority, Eta Xi, had formed at Northwood Institute with the guidance of the administration. The goal was to become a chapter of a national sorority.

A presentation was made to the group by Norma Andrisek, Past National President and Extension Director; Teresa Severy, National Vice President of Membership and Debra Nesbitt, Field Representative. The presentation was a success and Xi Eta colony was pledged on October 30, 1983 by members of Gamma Psi chapter at Central Michigan University. At a reception following, Field Representatives Vickie Adcock and Lisa Straub welcomed the colony as Gamma Psi members taught them ΔZ songs!

The colony grew quickly. They participated in formal rush and in open rush. On campus Delta Zetas were very active, with members involved in various clubs, organizations and

student government. Members of Gamma Psi chapter became big sisters for the colony.

With initiation and installation on Saturday, March 24, Xi Eta hosted a reception on Friday evening to welcome National President Carolyn Gullatt, Past National President Norma Andrisek and Field Representative Vickie Adcock.

Officers from Gamma Psi initiated the members of Xi Eta on Saturday morning and the charter was signed by the new initiates.

The formal installation banquet was held Saturday evening with parents and special guests in attendance. Norma Andrisek served as toastmistress and shared the greetings and notes of congratulations sent to the chapter from Delta Zetas all over the country.

Xi Eta was welcomed to Province VI by Province Collegiate Director Janelle Kiszka and Province Alumnae Director Pamela Cronenwett.

Kathy Bielaska, Xi Eta's colony and chapter president responded, thanking all Delta Zetas and friends for the support the chapter had

received. She congratulated the chapter on achieving their goals and challenged them to continue growing.

responded with congratulations and appreciation. She presented Kathy with a president's dangle to be worn by each succeeding president.

Dean Edgar Madden, Vice President of Academic Affairs, spoke on striving to attain the goals of the sorority in leadership, scholarship and community service. He reminded those present how important it is to give freely of one's self as an alumna as well as a collegian.

Carolyn Gullatt presided at the installation service and presented the president's gavel to Kathy Bielaska and the charter to the chapter executive board. Dean Madden accepted the chapter on behalf of the college and said Xi Eta chapter of Delta Zeta was a very welcome addition to the 25th anniversary celebration of Northwood Institute.

Xi Eta received a beautiful silver punch bowl from National Council on behalf of the entire sorority. Collegiate chapters of Province VI presented a silver tray as a welcome and the alumnae of Michigan remembered Xi Eta with a silver tea service.

The rose ceremony was conducted by Vickie and members of the initiation team from Gamma Psi. The installation banquet closed with all those present joining in the friendship circle.

A reception was held on Sunday afternoon and National Vice President Teresa Severy greeted parents, friends, faculty and officers and members of campus and Greek organizations.

The members of Xi Eta worked hard to attain their goal and now look forward to continued growth in Delta Zeta!

EM Recolonized at Mississippi

by Diane Jones Skelton, USM-EM

Delta Zeta has met the challenge at the University of Southern Mississippi in more ways than one. The university was challenging its alumnae to make **USM for Life** and the Greeks on campus were challenging the spirit of a dynamic Delta Zeta colony. That spirited and determined colony met both challenges and has returned Delta Zeta to USM... **for life**.

The colony began in November with Field Representatives Debra Nesbitt, Jeanine Petersen and Diane Sorensen interviewing and selecting 65 colony members. Even with eight NPC groups already on campus, the colony quickly and firmly established its place on campus. Delta Zetas were determined to make **USM for Life**.

After receiving a standing ovation at Song Fest and winning a coveted pep rally spirit award in the fall, the colony went on to win the highly competitive $\Delta\Gamma$ Anchor Splash competition in the spring. In fact, the colony won almost every competition it entered and awakened Greeks to Delta Zeta determination.

"Winning just comes naturally to Delta Zetas, just as being Delta Zetas comes naturally to us," said colony president Robin Blankenhorn at the March 31 Epsilon Mu Installation Banquet at the University Commons. Robin talked about the importance of challenges to the colony, especially challenges of the future.

Joe Paul, Vice President of Student Affairs for USM, responded by praising Delta Zeta for accepting the challenge and for "doing things others didn't think could be done." Paul, who had been extremely encouraging in the colonization period, thanked Delta Zeta for proving the strength of the Greek system at USM. He warned Delta Zetas at the Installation Banquet to "be careful of what you want... you're sure to get it."

National President Carolyn Gullatt and Past National President Norma Andrisek presented the colony with a silver punch bowl, tray and ladle on behalf of National Council at the installation. Earlier in the day, the new Delta Zetas had been initiated by chapter officers from Louisiana State University- Σ .

Also on hand for installation weekend were Betty Schneider Fenton, Past National Officer and CCD for Sigma; Carol Lundin Hord, CCD for New Orleans- $\Theta\mathbf{K}$; Jean Funck Person, Province Collegiate Director; Ginger Schattner Bryan, Province Alumnae Director; Karen Giles and Jeanine Petersen, field representatives; Diane Jones Skelton, former national chairman and member of The LAMP staff; Laura Morgan Duchene, CCD for EM, and Phyllis Maples Seal, president of the Hattiesburg alumnae chapter.

Other distinguished guests included Barbara Ross,

Epsilon Mu chapter at the University of Southern Mississippi.

The University of Southern Mississippi, located at Hattiesburg, has 11,000 students and is the largest university in the state. It offers 85 different majors programs in its eleven colleges and schools, ranging from business administration to science and technology. Its polymer science program is one of the most renown in the nation and famous graduates include Network Newsman Chuck Scarbrough and Astronaut Robert L. Stewart, who back-packed in space as part of the Shuttle Challenger team. USM was founded as Mississippi Normal School in 1910. Delta Zeta's history began at USM in 1956 with the Delta Zeta-Delta Sigma Epsilon merger. ΔΣΕ had been installed in 1940.

Among the gifts opened at the installation by president Robin Blankenhorn was an Epsilon Mu colony award given by Diane Jones Skelton, USM-EM, to honor the chapter member who single handedly does the most to increase chapter membership. The award will be presented annually.

Soon we will be observing Founders Day once again. It is hoped that all collegiate chapters and alumnae chapters and clubs will continue the tradition of a silver offering in memory of the Founders to be sent for the support of the Historical Museum. Contributions are also accepted in memory of loved ones or in honor of a special person. Such gifts will be noted in the Book of Remembrance.

Chapter LAMP Editors . . . Just for You!

The rose and green grapevine buzzes constantly, and often one buzz is heard above the others. College chapters—we heard you! Field representatives tell us you want to know what happened to your four page LAMP reports. How did they become five sentences? Simple: we had to *edit*.

Edit is indeed a cruel and harsh word in the vocabulary of journalism . . . and it doesn't always hurt *us* as much as it hurts *you*. Editors have to edit—it's their job. Editors also condense, correct and insure domestic tranquility.

We editors (a squinty-eyed bunch) would like to explain just why everything can't be printed. So, here are some of the best examples why Delta Zeta editors exist.

Let's start at the beginning with good ol' NSU. *Abbreviated*, is it Northeastern, Northwestern, Northern Kentucky? After all these years, we're terrific with our Greek chapter names, but memories often fail in the wee hours of the night. Please identify your chapter fully, including state.

And, now for the news. We're glad you pledged four in formal rush—unless quota was 48. Then, we're worried. So, report the quota figure so we can boast. And, if it's not so great, skip the numbers and tell us your open rush plans.

Some Lamplighting sections describe every activity in detail. Terrific reporting, but do we want to spoil Lamplighting for the next group? If we give too much away, the pledge will aptly say, "Oh, I read that in the last LAMP."

And, we're beaming with pride you initiated 28, and we'd love to list each initiate's name. But, simple mathematics tells us that 158 Chapters \times 28 Initiates = 5 full pages of Initiates! And, by the time we go to press they'll all have little sisters! Same goes for pledges—they'll be initiated by the time the issue is mailed. So, encourage each pledge and initiate to distinguish herself on campus or within Delta Zeta. Then we'll be sure to print her name.

True, too, with weddings and engagements (some of which don't

Diane Jones Skelton's "thoughts for the chapter Editor" reveal what terrific contributions she makes to The LAMP. Diane is the one who takes those chapter reports apart and puts them back together again for us!

last). The list would look like the yellow pages with so many lovely Delta Zetas out there.

In the category of college programs are social activities. Of course a good time was had by all. It was a Delta Zeta party! Just exactly what made it so much fun—the tropical paradise theme, the exclusive ballroom or that great dee jay?

And, in philanthropy reporting, one chapter gave gifts to a "group home of kids." Let's reason this one out. Was it a halfway house, an orphanage, a state school for the disadvantaged or did the alumnae find summer vacation too much and enroll their kids in a neighborhood co-op? By the way, we prefer news of *Delta Zeta* philanthropies and events sponsored by Delta Zeta.

And, some activities are characteristic of every chapter . . . for example, officer elections, Greek Week participation, intramurals and initiations. In order to print this type of "operational" news, we need an angle. Maybe the new president's mom was once a Delta Zeta president? And, even though you lost Greek Week, the Delta Zetas wore t-shirts especially designed for the event.

Intramurals are great—but please

win them or do something newsworthy. And, being featured on the front page of the town newspaper in mud wrestling is not our kind of recognition! What would the Founders say?

Names make the news. That is, if spelled correctly. Is Kathy McLellan the same as Katherine Ann McLellan? Is it Ann Smithe, Anne Smythe or Annie Smith? It's spelled all three ways . . . maybe its three different Delta Zetas. If we don't know, we omit it all together.

Specifics are important, too. Dee Zee Anderson won a *sports honor*. Was she Queen of the Indy 500 or did she get a plaque for keeping the equipment in order? Our imaginations could give her a thousand sports honors. But, unless we can be accurate, we simply edit and omit.

Some chapter editors are confused over national honoraries as OΔK and Mortar Board (a group, not a graduation cap in this case). We welcome news of local honoraries if your campus doesn't have nationals. But, we encourage you to research national honoraries. If your college doesn't have these, start some. Delta Zetas make great charter members!

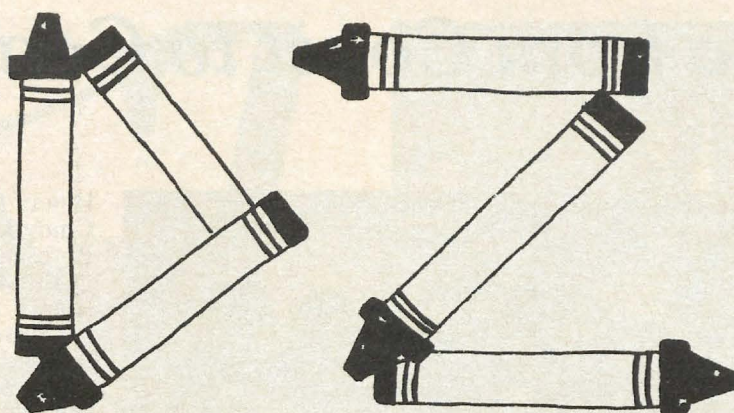

And, the excitement in college chapter news always keeps us on our toes. The story about the police running the man out of the house was unique—but what would a mother think? Much less, the Dean of Students?

The pledges enjoyed a pig picking and chicken picking. That needs some explanation—are they rodeo events or did you go out for fried chicken and ribs?

And once the campus election results were continued on page two. One problem: page two was not mailed, and the inquisitive editors must wait four months to see if Delta Zeta won.

And, of course, every editor fears that coed's unusual name. Is her name *really* Eunita Bath? Maybe so, Ima Hogg was a real one!

But, please college chapter editors: keep those cards and letters coming. Despite all the editing, deleting and correcting, you provide *Dynamic Zest* in our LAMP!

Of Crayons and Colors

The following article is reprinted from the second issue of the first volume of the Knoxville (TN) chapter newsletter, Editor Gina Marie Palmer. This chapter is newly organized, striving to be chartered. The article relates to Delta Zetas everywhere.

As a child, I remember the joy and wonder I felt when I opened a box of crayons. There were so many different colors! In the smaller boxes there were the starter colors—red, blue, green, yellow, black, and white. The larger the box became, the wider the variety from which to choose. Gold, copper, and silver crayons mixed in with the burnt orange, sienna, salmon and periwinkle. These colors were special! They made the big box the best one to get.

This week I was typing the mailing labels for the newsletters, and I was struck with the variety of Delta Zeta sisters represented in the Knoxville area. There are sisters from over 70 chapters nationwide. That's more than the 64 crayons in the largest box of Crayolas. We have a Kappa chapter sister from the University of Washington. We have a sister from the Gamma Beta chapter at the University of Connecticut; and we even have an Alpha chapter sister from Miami of Ohio. Besides the variety in the chapters, the graduation dates span over half a century—from 1924 to 1985. With such diversity, think of the possibilities!!

Like the various color combinations possible with a large crayon

selection, the Knoxville Area alumnae should take advantage of such a variety of people. From older sisters we could learn sorority history and tradition. Our younger sisters could shed new light on old, time-tested ideas and activities. From other chapters, we could learn other ways of doing things. But in order to combine the old with the young and shade old ideas with new ones, we need the variety a full box of crayons has to offer. This is what we must work toward.

Currently we have the starters—the crayons we had as schoolchildren. The blues, reds, blacks, whites, yellows and greens are the colors upon which we must build. These are the sisters always willing to partici-

pate and who are there when called upon. Blue-greens, yellow-oranges, pinks and greys are drifting in with each meeting. We welcome them into the growing box.

But it is the periwinkles, the silvers, the golds and the others that will round out the crayon collection. You who are not involved are these colors, the variety that can make this organization a success. We need your participation. We want you in the Delta Zeta crayon box.

Come! Be a representative color in our big crayon box known as Delta Zeta. You have been there since your initiation. Come be a colorful participant once again and make our crayon caddy complete.

Delta Zeta from Coast to Coast

This picture of Omicron chapter is from the Pitt yearbook.

Meet Omicron at Pittsburgh

by Deborah Leff, Pittsburgh-O '85

The University of Pittsburgh (Pitt) is located in Pittsburgh, Pennsylvania. Pittsburgh is the thirteenth largest city in the nation and is located at the meeting of the Allegheny and Monongahela rivers which form the Ohio River. Pitt was founded in 1781. With a total enrollment of 29,358 it is the largest university in Pittsburgh. The Cathedral of Learning, a forty-two-story classroom and office building, the tallest learning structure in the country, is located on Pitt's campus.

On January 20, 1916, the Omicron chapter of Delta Zeta was installed with thirteen members. Omicron is the oldest sorority chapter at Pitt,

and during the past five years has maintained top chapter membership.

Omicron started the year with a rush resulting in fourteen girls who were ribboned on September 28, 1983.

A beautiful and moving initiation was held in October in the sorority suite. The seven members of the winter pledge class who were initiated constituted a one hundred percent initiation rate for Omicron.

Elections were held and officers and chairmen were chosen for the year 1984. All of the members were very excited about their new positions. The officers are: president Debbie Leff, first vice-president Mary

Helen Teeter, second vice-president Cindy Kowalsky, recording secretary Beth Bires, corresponding secretary Cathy English, and treasurer Sally Rush.

During the fall term, the 1983 winter pledge class had a sundae making party for their big sisters in the sorority suite. An enjoyable hayride was held in the suburbs of Pittsburgh as the fall informal.

Many alumnae attended the Founders Day dinner and ceremony organized by Beth Bernstein and held in the Omicron suite. Delta Zetas from Robert Morris-EX also attended.

Omicron participated in Homecoming by forming two teams to participate in contests and by building a float for the parade. Also, ΔZs were very visible and audible in support for the first runner-up in the Homecoming Queen contest, JoAnn Wagner.

A pool and pizza night was held for all the sororities on campus on November 6. Unlimited pizza and Pepsi were supplied by the Resident Student Association. The event was organized by the president of the sorority dorm and Omicron's president, Debbie Leff. Pool and ping pong tournaments were held during the party. Loren Morrison and Jane Rombach won the pool tournament and Debbie Leff and Kate Miskin won the ping pong tournament.

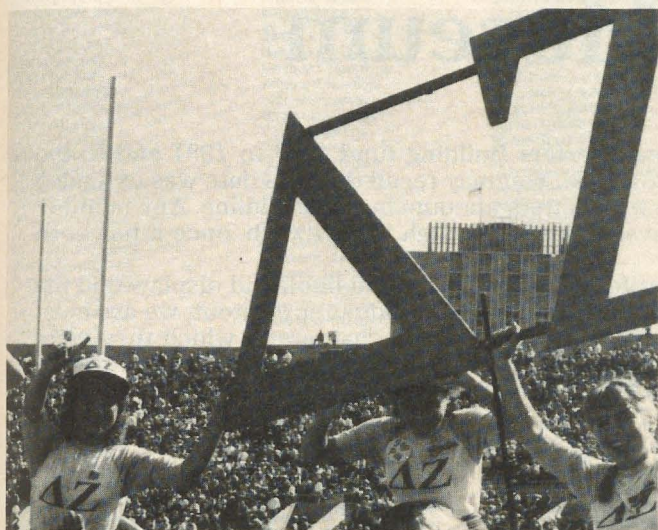

Omicron participated in a blood drive contest between Pitt and Penn State in anticipation for the big football game. The 100% participation contributed to Pitt's win over Penn State in the drive.

An ornament exchange was held between the pledges and their big sisters in December in the suite.

The annual Christmas formal was held at a gorgeous mansion outside of Pittsburgh which has been renovated into a restaurant. The snowfall from the night before enhanced the atmosphere of the winter formal.

The 1983 fall pledge class honored their big sisters at the suite in January and winter rush was very successful with five girls ribboned.

ing pledges from the fall pledge class was held in March. It was a very emotional loving event full of laughter and tears.

All of the sisters and pledges worked very hard this year in all aspects concerning Greek Week. Everyone canned for money and sold candy bars and hoagies in order to raise money for the Family House. This "house" is a place for families of transplant patients to stay while the patient is in the hospital. Seven of the sisters participated in a 24 hour dance marathon to raise money. Linda Huebner won second for the most money raised by an individual. At the Greek Week formal in March Omicron received trophies for third place in the Dance-a-thon, third place for a Talent Night performance with our match group, third place in Greek Sing, second place in the charity contest (with over \$78 per member, or \$3,762 total), a plaque for donating blood, and most importantly, third place for overall performance.

Omicron held a Parent-Daughter Luncheon in March. The gathering which was held in the suite set the friendly atmosphere which enabled parents to meet the sisters and pledges. The parents and members especially enjoyed the singing of Julie Fowler, the Greek Singers, and the chapter.

Meeting National Officers Carolyn Gullatt, Charlotte Silversteen and

Phyllis Favorite was a very exciting experience for all of the members who attended Province Day on April 7 in Philadelphia. The awards banquet served as an excellent ending to wonderful day. Omicron won awards for pledging quota during formal rush, achievement in philanthropy, highest initiate scholastic average and highest pledge scholastic average for the province, initiation of over 90% of the 1983 pledge classes, province cooperation, and Panhellenic activities. They received a beautiful silver bowl for having the highest overall scholastic average and a nice plaque for having the most improved standards program in the state.

Thirteen of the sisters graduated

on April 29 and were given a very appropriate good-bye with a senior ceremony.

With summer break beginning the third week in April, members have found that they greatly miss each other during the long summer vacation. So this year, to solve this problem, a new tradition has been started . . . a picnic! On June 3, at the home of Debbie Leff, a picnic featuring an enormous amount of fun and food was held to serve as a catalyst for future gatherings.

Omicron is a true example of a chapter which has actively tried and succeeded in becoming a vibrant and forceful chapter at the University of Pittsburgh, in Province III, and in the nation.

Singing and cheering after rush parties is a favorite time for Omicron members.

Charter Circle of Museum

This listing includes all who contributed to the National Headquarters Building fund 1979 to 1981 and to the National Historical Museum 1981 to the Dedication on October 23, 1983. You may recall that this date was extended to January 15, 1984 since a number of members did not receive their letters announcing the deadline. Any member who has given a "gift in kind" receives credit for the appraised value, just as though it were cash, once it has been accessioned by the Curatorial Committee.

Names of the Charter Circle members will be placed in a beautifully illuminated bound book and displayed in the Museum. However, as this list has been compiled from several sources, including a computer printout, we are most anxious to make it as accurate as possible. Contributors are listed according to the chapters in which they were initiated. If your name has been inadvertently omitted, please notify AZ at once, sending a copy of your cancelled check to Delta Zeta National Historical Museum, Post Office Box 207, Oxford, Ohio 45056.

Members of the Oklahoma City alumnae chapter answered telephones for the local portion of the Easter Seals Telethon. At this time Jean Nelson Stockham, Eureka-II and Deanna Allemen McKinnon, Texas-AT, presented hearing equipment to Roger Cooper, KWTU news anchorman, who accepted it on behalf of the Oklahoma Society for Crippled Children. The equipment was purchased with proceeds from Oklahoma City alumnae's 1983 Flame Fantasy. Alumnae also do volunteer work at the Society's speech and hearing clinic.

Magazines for Scholarship

"May I give graciously of what is mine . . ."
these special words from our beloved Creed
are familiar to all Delta Zetas.

Giving to others is a commitment Delta Zeta makes
in one of our major programs, philanthropy. What bet-
ter way to serve others than SCHOLARSHIPS FOR
OUR OWN DELTA ZETA MEMBERS!

With this in mind - increased scholarship money for
Delta Zeta collegians - the National Council determined
last September to impliment a concerted magazine sub-
scription project as a direct responsibility of our col-
lege chapters. The annual goal for each college chapter
was magazine orders equal to the total number of mem-
bers listed on the first membership roster.

With the program underway for the first time, at this
time we salute those chapters who met or exceeded
this goal.

Those who exceeded this goal are listed in the order
of their success:

Connecticut-ΓΒ
San Jose State-ΓΛ
Northeast Missouri-ΔΣ
Northwest Missouri-ΔΡ
Georgia Southern-IN
Alabama-ΑΓ
Jacksonville State (AL)-ΑΓ
East Carolina-ZΛ
Indiana State (PA)-ΓΦ
St. Cloud-ΘΜ
Kent State-ΓΚ
Illinois State-ΑΡ
South Carolina-BΔ
Massachusetts-ΞΑ
California State (PA)-ZE
Nebraska Wesleyan-BT
Central State (OK)-EY
Fort Hays-ΔΩ

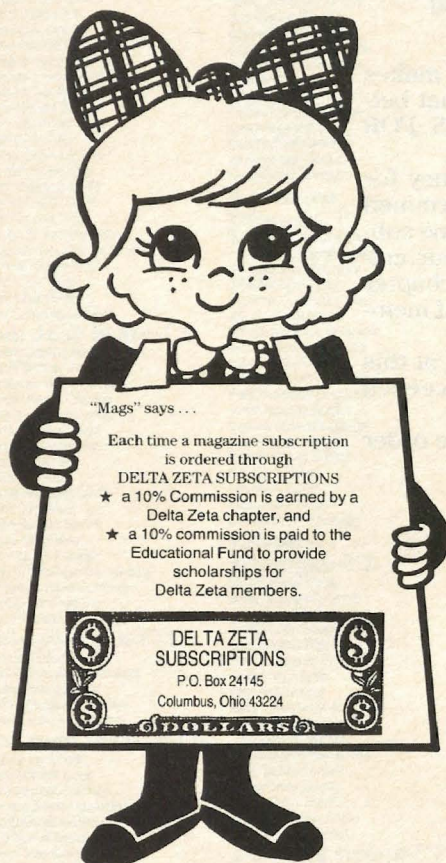

Those who met their goal:

Robert Morris-ΞΧ
Youngstown State-KX

We know that all chapters want to be in this listing . .
so GO TO IT! P.S. Ask your alumnae to help!

MAGAZINES . . .

a practical way to support your college or alumnae chapter,
and continue your favorite magazines at the same time.

In an effort to assist Delta Zeta chapters with fundraising, and to increase scholarship money for more Delta Zeta collegians, our sorority members are encouraged to participate in the magazine program.

As a nonprofit group, Delta Zeta qualifies to pay reduced rates for over 700 nationally popular magazines. The savings is returned to our chapters and the scholarship fund in commissions. Each new or renewed subscription earns a 20 percent commission: 10% for a Delta Zeta chapter, and 10% for the Educational Fund to pay for scholarships. Other national sororities fund their scholarships in this manner, and recommend it highly.

RENEWALS

Renewals earn commissions, too. Subscribers may renew their magazines each year through Delta Zeta at regular rates, or at reduced rates available on several hundred magazines for students and educators. A new commission is earned on the same publication each time the renewal is sent through DELTA ZETA SUBSCRIPTIONS.

ORDERS TAKE 90-120 DAYS

Most publishers now require 90-120 days to activate new and renewed subscriptions in their computers. A few magazines take even longer. Renewals should be sent to Delta Zeta four months prior to the expiration date to avoid a break in service. Please allow 90-120 days for service to begin on new subscriptions.

1984 CHAPTER SWEEPSTAKES - \$500

This is an annual cash drawing offered as an extra bonus to chapters who reach \$300 gross magazine sales (about 25 orders). Chapters earn additional entries in multiples of \$300 (\$600/2 entries, etc.)

(Pictured at right is Chuck McCabe, University Jewelers, assisted by staff member Lou Kendall, drawing the '83 SWEEPSTAKES winner, BOWLING GREEN STATE UN. Congratulations to Gamma Tau Chapter who won \$400 cash! The amount of cash in the drawing increases each year as total sales increase.)

Delta Zeta on Campus

It is now the Delta Zeta house at Wisconsin/Whitewater. It was built by a Whitewater industrialist, George Esterly, in 1876. It was later owned by Frank S. Hyer, president of the Whitewater Normal School, who lived there from 1919 until 1930. The building is of Italianate vernacular style and made of brick. Unusual features include brick interior walls 12 inches thick, which extend to the attic, decorative plaster moldings on the ceiling of the parlor, multiple marble fireplaces, and interior woodwork of black walnut, butternut and ash. The exterior features are two-story bay windows with cast iron cresting above the bay windows and roof pediments. Arch-top windows are also found throughout the building. It is a well-known Whitewater landmark.

ZΘ Celebrates 25

by Suzanne Mimnaugh,
Sam Houston State University-ZΘ

The clear, sunny spring day provided the perfect setting for the 25th Anniversary of the Zeta Theta chapter at Sam Houston State University in Huntsville, Texas.

Over 70 Zeta Theta alumnae returned to the newly remodeled chapter house to renew old friendships with their sisters and to begin new friendships with the chapter.

Preparation for the 25th Anniversary began over a year ago with the help of the Cypress Creek alumnae chapter. Cypress Creek alumnae went full steam ahead by spending countless hours on the telephone updating members' addresses and phone numbers.

On Founders Day the Cypress Creek alumnae presented the chapter with a check for \$1,800 to refurbish the chapter house. Betty Barkin Baldinger, Suzanne Morrison Sullivan and Joan McGoon Wiethorn spent many hard, long hours color coordinating drapes, upholstery, wallpaper and home furnishings to get the chapter house into shape for the 25th Anniversary.

On Saturday April 14th, Zeta Theta alumnae returned home to Sam Houston to find a beautiful chapter

home and the university undergoing the construction of new classroom buildings.

During the morning a reception was held in the chapter living room as the alumnae arrived and were greeted with many familiar faces and some not so familiar faces. After the morning reception a banquet was held at the Lowman Student Center on the Sam Houston campus. Chairmen Suzanne Mimnaugh and Janette Godwin welcomed all the alumnae to Sam Houston and Merry Westbrook Adamcik, Province 17 Collegiate Director spoke on behalf of National Council and also welcomed the Zeta Thetas back home.

The Zeta Theta chapter was formally installed on April 19, 1959. Before its national recognition the chapter was called the Ann Gibbs Literary Society. The six charter members who were responsible for Zeta Theta's beginnings were Julia Ann Teague, Susan Sealy, Terrell Fisher, Juanita Farquihar, Margaret Roescher and Nancy O'Neal. Of the six chapter founders, two returned for the anniversary - Juanita Farquihar Camp of Shreveport, Louisiana and Margaret Roescher Cain of Pinehurst, Texas.

Focus on Fraternity

The Center for the Study of the College Fraternity (CSCF) has issued the results of its first comprehensive survey of fraternities and sororities on 285 college and university campuses in a report entitled, "Status of the College Fraternity and Sorority, 1982." It is the first in a series of annual monographs reporting statistics and trends of Greek chapters on campuses in the United States and Canada.

The report covers such diverse topics as the demographic characteristics of the student bodies at the reporting institutions, percent of students living in Greek housing (1% to 5% most common), institutions having housing for Greeks (76 percent), institutional ownership of Greek housing (26 percent); number of active fraternity and sorority members at the 285 reporting institutions (122,711 fraternity and 114,867 sorority members), and number of pledges (35,948 fraternity and 29,116 sorority).

There are 3,063 chapters of national fraternities and 392 chapters of local fraternities at the reporting

institutions. For sororities, the figures were 1,932 chapters of national sororities and 460 chapters of local sororities. The average fraternity chapter size was 38 with the average sorority size being 47.

A total of 278 fraternity chapters had been colonized during the past year at 93 of the institutions and a total of 185 sorority chapters had been colonized on 57 campuses.

Other topics covered in the report include statistics on the governance of Greek systems, scholarship, judicial systems, sources and amounts of funding for organizations governing Greek systems, and institutional support systems and programs available to Greek chapters. Organizations and institutions participating in CSCF are now able to draw a profile of Greek systems at selected institutions. It is anticipated these data will also become increasingly valuable for policy formation and decision making as they are compiled each year and as analyses reveal longitudinal trends and comparable information.

Questionnaires seeking data for the 1983 survey are currently in the

mail, and the second report is scheduled to be issued this fall with succeeding reports being published annually in the late summer. In addition to its work in documenting the status of the college fraternity and sorority, CSCF has also published annotated bibliographies of research studies and articles of the 1970's on college fraternities and issued a monograph entitled *Enhancing the Quality of Greek Life*. In areas of continuing research, the CSCF is cooperating with a number of individuals studying alumni giving to their institutions, effectiveness of certain chapter education programs and related topics.

CSCF is a cooperative activity sponsored by a number of fraternal and student personnel organizations and financed by institutional subscriptions, contributions from national fraternities and sororities, and individual memberships. For more information, contact the Center for the Study of the College Fraternity, Indiana Memorial Union, Room 30, Indiana University, Bloomington, IN 47405.

Attention! All Delta Zetas

Increased concern over the production and mailing costs of The LAMP created a thorough study which prompted action at the 36th National Convention . . . that a subscription to The LAMP be limited to a five year period for all those initiated after August 1, 1984. After that period, those desirous of continuing to receive the magazine would simply renew their subscriptions at the current publishing rate.

To further assure that only those Delta Zetas desirous of receiving The LAMP remain on the mailing list, we are asking that all present lifetime subscribers indicate their desire to remain on the subscription list by detaching the postal card in this issue and returning it to National Headquarters by November 1, 1984. If you do *not* wish to continue to receive The LAMP, then you simply do nothing. You may, of course, resume your subscription at any time by notifying National Headquarters.

A lifetime membership is not changed in either instance. This is strictly a monetary measure. If you read and enjoy The LAMP and wish to continue to receive it, please return the attached card and you will continue to receive the magazine on a lifetime basis.

To Our Gus Kelleway

by Gertrude Houk Fariss
Past National President

The Memorial Service on May 4th in Walnut Creek, California was a beautiful tribute to Augusta Piatt Kelleway (Alpha Pi). Gus's good friend and minister spoke movingly of her great warmth and cordial, sincere hospitality to all as her outstanding characteristics.

Those gifts were first abundantly evidenced to us in Delta Zeta nationally when as co-chairman of our first southern National Convention at Grove Park Inn in Asheville, North Carolina in 1936 she welcomed us. Few of us who were there will ever forget that greeting. It exuded the warmth, graciousness, dedication, and delightful humor that *were* Gus. And of course we "northerners", "easterners", and "westerners" were utterly entranced by her drawling southern accent and her complete informality - traits that she never lost, even during many years of California living. To Gus, a "blouse" always remained a "blouze!"

Second only to those priceless characteristics were her unwavering high principles and her total loyalty to them even, at times, resulting in genuine personal sacrifice. Even on long travels, and in farflung corners of the world Gus always remembered Founders Day. Wherever she was, she always paused to light a tiny candle to the Founders of Delta Zeta and to Delta Zeta itself.

Any listing of Gus's service to Delta Zeta must indeed seem inadequate. It was always there! Following the 1936 Convention, she was named as one of the two first full-time field secretaries of Delta Zeta - Gus Piatt and Helen Riter. California was part of Gus's "territory." But her sorority, even then, was able to repay her in some measure, for it was during her travels in California that she was introduced by some of her Delta Zeta sisters to Fred Kelleway, a graduate of Stanford University. Fred wooed her by mail in countless Delta Zeta chapters all over the country! She

Augusta Piatt Kelleway, AII

ceased travelling for Delta Zeta only to marry Fred and be at home in California with him!

The early years of Gus and Fred's marriage were spent in helping Fred to build and operate what became a very large and flourishing business - the Fred Kelleway Hardware Company - in Walnut Creek. During these full years, there were also two wonderful children, Carolyn and Tom. This happy family came to include three delightful grandchildren, Lisa, Matt, and Julie.

During the years that followed, Gus was called upon to fill many important responsibilities in Delta Zeta. She was elected National Treasurer at the 1952 Golden Jubilee Convention in New Orleans and served four-years with great competence. In 1956 in Miami, she was named Director of Alumnae and was re-elected to that office at Delta Zeta's twenty-fifth biennial Convention in Chicago. At our sixtieth birthday Convention in Hot Springs, Arkansas, Gus assumed the responsibilities of Director of House Corporations.

Gus Kelleway's enthusiasm and love for Delta Zeta were contagious. They spread to hundreds and hundreds of others all over the country,

particularly to the collegians with whom she worked so closely. But perhaps the one who became most deeply imbued with them was her husband, Fred! Together, they poured their time, ability, and money into the building and/or remodelling of several chapter houses, from the original dreaming and planning to the actual pounding of nails as construction preceeded!

In return, Gus (and Fred, too!) was admired and loved by Delta Zetas everywhere. During her stay in the hospital recently, flowers and cards and letters poured into her room daily. One California chapter sent a letter signed by every member of the chapter - and Gus insisted that her daughter, Carolyn, read to her every word, even down through the last of many dozens of the signatures of the collegians! Her wide interests and services also spread into other organizations. Outstanding among them were the Bay Cities Panhellenic, to which she devoted years of service, and the Daughters of the American Revolution.

Gus, we who share with you the Lamp and the Love of Delta Zeta thank you and love you always for just being *you* - and for giving so much of *you* to us!

To You

As it was before,
The sun came out,
The days went by,
I dreamed,
And I made friends.
As it is now,
Delta Zeta made the sun shine,
The days exciting,
The dreams come true,
And I have much more than friends,
I have sisters.

Thank you.
