Just as everything else, college and university expenses have increased 10 to 20 times in a decade. Tuition costs have risen also by about the same proportion. Inflation has taken a heavy toll of available scholarship funds. There is an ever increasing number of worthy Delta Zeta sisters midway through college, who, along with their parents and the schools, are experiencing the impact of the economy and need assistance to continue and complete their studies. Because the need is urgent, it is at this time in our Delta Zeta history that we must broaden our area of concern regarding student aid and scholarships for our sisters if we wish to guarantee the future of Delta Zeta Sorority as well as realize her growth and her potential. This is the challenge for all of us to translate Delta Zeta teachings into action. Our sorority has become a Panhellenic leader and we must continue to earn the respect of the Greek world.

The Founders' Memorial Fund will give Delta Zetas the opportunity to put Delta Zeta love into action, and have a positive scholarship program which will build a bridge for the future of our sorority, bringing hope and opportunity where truly needed. We ask for your support of the Founders' Memorial Fund and its purpose.

If each of our 75,000 (plus) members contributes one dollar, we will easily attain our goal. YOUR dollar WILL help. YOUR dollar WILL be the one to put us over the top. Totaled together, YOUR dollars WILL make the significant difference. We are counting on each of you to help us make the dream of a \$75,000 memorial to our Founders become a reality.

We ask each sister, each college chapter, and each alumnae chapter to direct a large part of your philanthropic efforts for this biennium toward this goal for the Founders' Memorial Fund. We ask all philanthropy chairmen to please note this request. We are depending on you to guide your chapter accordingly.

In the centerfold pages is a form which you may use. As you enclose your dollar, please tell us about yourself and all your accomplishments as well as what you are doing now. Be sure to read each issue of THE LAMP for news of the Founders' Memorial Fund and a listing of individual and chapter donors, state and province contributions.

We ask for one dollar but a contribution in any amount is welcome and any contribution at this early point in our campaign is particularly welcome. We hope to reach our goal by the 1977 Delta Zeta National Convention.

The need is great and we Delta Zetas have a responsibility to meet this need. Let's really BLASTOFF because your efforts NOW will reflect our Delta Zeta Sorority's continued greatness in future years. Your concern for your sisters is the indication of your personal faith in Delta Zeta, sharing and caring. Please help accomplish our objective to meet the wide variety of scholarship needs—needs known to be most urgent.

The members of the society are Julia Bishop, Anne Simmons, Anna Keen, Alfa Lloyd, Mabelle Minton, Mary Collins.

Rene Sebring Smith, A, fourth National President and NPC Chairman, 1929-1931.

The shield is a protective influence for our entire membership.

A lamp denotes leadership, scholarship and enlightment.

The laurel wreath signifies victory, or achievement of ideals.

While the sword piercing the wreath indicates willingness to fight for ideals, symbolizing, too, penalty of obligation; also bravery, achievement and discipline.

The mantling surrounding the shield is the protecting cloak that education gives us, and a protective influence of organization.

Thus there in the mantle is inscribed the name of the National Panhellenic Conference.

NATIONAL PANHELLEN

by Gwen Moss McKeeman, ΔΦ, NPC Delegate for Delta Zeta

"I firmly believe in the goals and ideals of sororities and in the invaluable contribution they make to the development of our young women. I am equally confident in my belief—in the ability of this National Panhellenic Conference—to transmit enthusiasm, energy and a sense of dedication which so embody the sorority concept—to upcoming generations of women." These were the words of Dr. Virginia Y. Trotter, NPC's formal banquet speaker. These words set the tone for the next biennium.

The forty-fourth session of the National Panhellenic Conference was held at Mountain Shadows, Scottsdale, Arizona, October 26-29. The Conference opened Sunday evening with a reception by Alpha Delta Pi honoring the Executive Committee—Mrs. Berne Jacobsen, Alpha Delta Pi, Chairman; Mrs. Robert L. McKeeman, Delta Zeta, Secretary; and Mrs. W. F. Williamson, Jr., Phi Mu, Treasurer.

The session was called to order on Monday morning by Virginia Jacobsen and following reports of Standing Committees, and the Secretary and Treasurer, Virginia reported to the Conference on the 1973-1975 biennium.

Goals set for the biennium included the development of a stronger public relations concept, augmented memberships, and increased area conferences for College Panhellenics. Optimism was the keynote. Sororities and fraternities alike turned the tide from a declining membership to an increased one. The 1973-1975 statistical report showed this upswing in both interest and membership. Several regions showed significant gains and colleges previously closed to sororities began opening doors.

For the first time since the 1965-67 biennium, women's fraternities reversed the downward trend. The 1973-1975 biennium shows a 3.5 gain over the 1971-1973 figures. A total of 95,016 new members were reported on June 1, 1975, which is 3,196 more than for the previous two years. New chapters installed made up for chapters lost, and the number of new colonies and pledged groups is a 34.6% increase over the last biennium—which indicates a real surge in expansion—certainly a renewal of interest in the fraternity system. The statistical report indicates a total of 1,658,834 fraternity women with membership in the National Panhellenic Conference sororities

Virginia Jacobsen also reported on NPC's involvement with the Proposed Guidelines for Title IX of the Education Amendments of 1972. Shortly after the Office of Civil Rights of the Department of Health, Education and Welfare published the Proposed Guidelines in the Federal Register of June, 1974, NPC and member groups went into action. An NPC position statement drawn up by a

ONFERENCE MEETS

IN SCOTTSDALE

special NPC Committee was submitted to the Office for Civil Rights, to Caspar Weinberger, DHEW, to Congress, to NAWDAC and to fraternity groups. This statement recommended "we suggest that the following be added to Subpart D 86.31 Education Programs and Activities (a) general—after the first sentence add: This Subpart does not apply to private, voluntary women's fraternities and sororities.' "The 93rd Session Congress passed the bill exempting "social sororities and social fraternities" and certain other-youth organizations, and President Ford signed the bill into law on December 31, 1974.

As a result of NPC's concern, Virginia Jacobsen, as Chairman, was invited to a special meeting at the White House in early January, 1975. Educators, representatives of certain women's groups, organization leaders were there—about 35 in all. Caspar Weinberger, Secretary of HEW; Virginia Y. Trotter, Assistant Secretary for Education, HEW; and Peter Holmes, Director of the Office of Civil Rights, discussed matters pertinent to their areas. During the informal question and answer period, Peter Holmes assured Virginia (and the assembled group) that she could report back to NPC that we had won our point, that sororities could remain one sex organizations and that our position with the universities would remain as it had been prior to Title IX and the Guidelines.

Business of this forty-fourth session included the adopting of several resolutions relating to College Panhellenics. Of prime importance is a resolution amending the College Panhellenics Agreement of the Unanimous Agreements by the addition of the following: "Except during formal rush, Panhellenic rushing rules shall not deny any chapter the right to continuous open bidding during the regular school year, if the chapter has not reached its total allowable size." There were also resolutions pertaining to rushing infraction penalties, extension procedures, and the recommendations that College Panhellenci refrain from the use of alcoholic beverages in rush and prohibit the participation of men in rush functions, except as protective escorts or chapter house employees.

At the recommendation of the City Panhellenics Committee, the name "City Panhellenic" may be changed to "Alumnae Panhellenic." Also a resolution of the Conference is that City Panhellenics should avoid participation in the extension of new chapters on a college campus. All questions or comments on extension should be referred to the Chairman of the NPC City Panhellenics Committee.

Delta Zetas attending the 1975 Conference, in addition to Gwen McKeeman as Delegate, were Betty Heusch Agler, Alternate Delegate, and Florence Hood Miner,

Gwen Moss McKeeman, $\Delta\Phi$, NPC Chairman, 1975-1977

Editor of *The Lamp*. Florence Hohnbaum Harvey, Alternate Delegate, was unable to attend because of illness. Linda Gregg Doyle, Province Collegiate Director for Province XIV, and Jennifer Wiggins Bath, former National Chairman of Pledge Training, who reside in the Phoenix area, served as pages for the Conference. Delta Zeta also hosted the final formal banquet with decorations designed and made by the Phoenix Alumnae.

Phi Mu entertained with a reception for the new Executive Committee prior to the formal banquet. The guest speaker was the Honorable Virginia Y. Trotter, Assistant Secretary for Education in the Department of Health, Education and Welfare. Dr. Trotter, who is an Alpha Delta Pi, was the first woman appointed to the highest education post in the nation. The title of her speech was "Partners in Progress."

Dr. Trotter spoke of the role of sororities in education in the life of today's woman. If the Greek System is to continue to be successful—sororities and education *must* be partners in developing the full potential of women as individuals, as leaders, and as motivators in our total society.

"Social sororities provide an atmosphere of friendship and security which encourages our young women to achieve and to develop their leadership potential. I believe sororities can instill a selflessness and a love of humanity which manifests itself throughout life in philanthropic actions and efforts," said Dr. Trotter.

As "Partners in Progress," Dr. Trotter feels that we must all be aware that rapid changes have become a hallmark of our era—touch every aspect of our lives—social, economic, psychological and moral.

Speaking of the International Women's Year, Dr. Trotter feels that too often in the past, women's rights have been considered independently of human rights and women's problems regarded as somehow removed and separated from the "real" problems confronting society.

Following Dr. Trotter's speech, the College Panhellenics award winners were announced. All first place winners were banquet guests and received their trophies at this time. Named the most outstanding College Panhellenics for this past biennium are the following: Fraternity Month Award—Winner, University of Wyoming. 2nd place—University of Iowa. 3rd place—Western Illinois University. Awards Committee Trophy: Winner—Milliken University. 2nd place—Clemson University. 3rd place—University of Wisconsin at La Crosse. NPC Trophy: Winner—University of Alabama. 2nd place—Kansas State University. 3rd place—Bowling Green State University. Honorable Mention—Mississippi State University and University of Kentucky.

At the conclusion of the last business session on October 29, the new Executive Committee was introduced and the NPC gavel, tied with pink roses and green ribbon, turned over to the new Chairman, Delta Zeta's Gwen McKeeman. Adele Williamson, Phi Mu, is the Secretary and Minnie Mae Prescott, Kappa Delta, serves the Conference as Treasurer.

The forty-fifth Session and the 75th Anniversary of the National Panhellenic Conference is planned for October 16-19, 1977, at the Camelot Inn, Tulsa, Oklahoma. Officers in the National Panhellenic Conference serve in rotation, according to the sorority's admittance into NPC membership. In 1929 Rene Sebring Smith of Alpha Chapter at Miami University, Ohio, having served as National President and then Panhellenic Delegate, succeeded to the chairmanship. Now, forty-six years later it is again Delta Zeta's turn. Gwen Moss McKeeman of Delta Phi chapter at Northeastern State College in Oklahoma, having served two year terms as Secretary and as Treasurer, is now at the head of this body of national sororities.

Meeting concurrently with the Panhellenic conference are the editors of the Panhellenic magazines and the Central Office Executives. These two groups elect officers from amongst their qualified and experienced members. Thus three Delta Zetas have held office in the Editors' conference. Arema Kirven O'Brien of Theta chapter at Ohio State was selected their chairman at the 1921 meeting in Indianapolis. Charlotte Wheeler Verplank, Epsilon, Indiana, wielded the gavel over the editors in 1947-1949. At last Fall's NPC meeting Florence Hood Miner, Alpha Beta, Illinois, was elected to the board as Secretary-Treasurer, having previously served on the Brass Tacks committee.

Irene Boughton, Iota, Iowa, was installed as Chairman of the Central Officers Executives in 1949 while she was serving as Delta Zeta's Executive Secretary.

Introducing Gwen

by Marianne McKeeman, AE president, Oklahoma State chapter

Having recently moved into the chairmanship of National Panhellenic Conference, Delta Zeta's delegate, Gwen Moss McKeeman, is taking on her new position in full force. As chairman, she feels that Delta Zeta has an influential opportunity with Panhellenic on the individual campus.

Gwen became interested in Panhellenic while in school at Northeastern State College in Tahlequah, Oklahoma, representing Delta Phi chapter. A year after her graduation, she was appointed State Reference Chairman for Oklahoma.

While taking Gwen to the bus station to visit a chapter, Bob, the Lambda Chi she had been dating, proposed marriage, and promptly put her on the bus. A wedding followed, and after the honeymoon, he settled down to his insurance business, while she took on a new job—that of Province Collegiate Director for Oklahoma.

As an extracurricular activity, Bob became fond of Wire Fox Terriors, and Gwen couldn't resist a cute puppy. They raised dogs before they reared children; not an internship, just a coincidence.

National Convention in the summer of '56 was in the planning before daughter Marianne was born. Only three months old, Marianne was left at home with Dad and her older brother, Pete, while Mom took off to attend her second convention.

Active in Tulsa's alumnae group, Gwen was elected president for the years of '56 to '60. The following year she was appointed to the office of Province Alumnae Director, and National Chairman of State Days and Province Conferences later still. In 1964, she joined the Executive Board of Delta Zeta as Vice President of Alumnae. Five years later she took her present office of National Panhellenic Delegate.

In her spare moments away from Delta Zeta, Gwen has spent time as a Den mother, a Camp Fire Girl leader, a Sunday school teacher, and an avid PTA goer. City Panhellenic has received much of her attention. She is past president of the Tulsa Cerebral Palsy Association. This organization puts on an annual benefit show of which both Bob and Gwen actively take part in hamming it up. They have been playing bridge with Delta Zeta couples for more than twenty years.

The McKeeman's oldest son, Pete, is a newlywed, and working as a photographer/reporter for KAUZ TV station in Wichita Falls, Texas. Marianne is a sophomore in the Alpha Epsilon chapter at Oklahoma State University, and Scott is a senior at Tulsa Hale High School.

One of Gwen's highlights in her life as a Delta Zeta was when she became a member of our Colonnade Club. Wearing her Mother's pin proudly, she affirmed, "I've waited a long time for this!"

Are you contributing to the

DIAMOND JUBILEE HISTORY?

This is an invitation, an appeal if you like, to every Delta Zeta sister, collegiate or alumna, whether or not just now actively taking part in some chapter. The purpose is to remind you that every sister is an important unit in the living, the making, of Delta Zeta History; and that in the year ahead, we have the special opportunity to help bring that History into tangible, vivid, lasting form, the Diamond Jubilee History, which it is our expectation to have completed and ready for your hand and eye before the 1977 Convention opens our Diamond Jubilee Celebration.

Delta Zeta has, of course, been making History every day since six well-loved coeds on the Miami University campus announced that they had formed a sorority. Four times since 1902, we have printed a history covering the year and their achievements. The sober, unimpressive little brown-covered History LAMP of 1923; the larger, vigorous book of 1934; the two LAMPS it required to cover the story and statistics by the time of the Golden Anniversary in 1952, and the most recent, 1967 presentation, also a LAMP, have been a faithful endeavour to inform and inspire Delta Zetas by the record of these years. Now the record of another decade must be added, to give today's Delta Zetas the full picture of this sorority in action . . .

The 1977 Convention will be a living presentation of Delta Zeta as she will be, ready to move forward into the journey toward the 100th Anniversary. In the period before that Convention, every chapter could profitably organize programs to educate itself on the development of the sorority; of its own chapter; the accomplishments of so many outstanding individual members; the numerous and admirable services which have become a working part of the Delta Zeta program, nationally and locally.

State and Province Days, Founders' Days, every special date on the calendar, could include some kind of recognition to the history of Delta Zeta, and to the anniversary she is happily to observe.

Convention goers of 1975 found their trip to National Headquarter fascinating, with its display of sorority memorabilia. But what we have now is only a start to the ambitious collection we hope to have ready for your observation, and for picturing in our new History. We need pictures, pictures, pictures! The older, the more "dated" the better! We need the loan of college annuals of any year, obtainable. We need programs of installations. We hope to have a complete set of Convention programs, and associated memorabilia. One of our special joys is the collection of books written by Delta Zetas. But do we have YOURS, in the event that you have been a published author? Is it autographed?

Have we material honoring any of you who have done meritorious work in other fields of the arts, or in science or in a profession? We have tried. The LAMP has presented many such sisters, and our Women of the Year are in themselves a gallery of Distinguished Delta Zetas. But perhaps some of you have material that would add to our records. Scrapbooks, personal letters, articles of personal use (we have a hatpin of Julia Bishop Coleman's, and a fan from a party collection and two charming dresses from Alfa Lloyd's trousseau!)

You may have something of sufficient monetary value that you would be entitled to a tax deduction. Check on this. All these meaningful and important items will be carefully catalogued, housed in the Archives collection at National Headquarters, and as many as possible, shown in the pictures in the new History. We have been urging our college chapters to give special attention to the acquiring and displaying of all materials showing the early days of their own chapter and we continue to make this a Number One Must. We do not want to deprive any college chapter of its own treasures, but in the collecting and arranging of these, many of you will be able to share with National Archives, material that will portray your chapter in the vivid and meaningful way it should be, as a significant part of Delta Zeta.

All these are merely the first suggestions of what you will find to do, will discover to be of tremendous thrill in the doing, if you make the coming year one in which you help bring Delta Zeta History to life and light. As an accompaniment to the nation's Bicentennial activities, let us all do our bit to care and share, in the recording and displaying of what Delta Zeta and Delta Zetas have been doing in these history-making years, 1902-77. Address your materials or your inquiry to me, in care of National Headquarters and be prepared to receive thanks and appreciation for every word or every token you can share with us. I've spent 50 years absorbing the essence of the sorority and I can assure you it has been a great experience. I invite every one of you to have a taste of that same inspiration.

Remember—If you have:

The Delta Zeta Cookbook, "Delta Zeta Can Dish It Up"

or

The Volume 13, #3 Issue of the LAMP Magazine, published sometime between February and April, 1924

The National Archives is desperately in need of these two items.

REFLECTIONS OF AN ALUMNA

As we begin preparations for Delta Zeta's Diamond Jubilee in 1977, every alumna should stop for just a minute, perhaps while reading *The Lamp*, and reflect on what our sorority has meant to her as a woman, as a professional, as an active member of the community involved in civic affairs and in the home.

What part did Delta Zeta play in the development of both mind and character? For many the question is an easy one to answer—for others, perhaps not! But it is certain that the time spent in the collegiate chapter has played a significant part in shaping many members' futures and lives. So too can active participation in an alumnae chapter's activities or the effort on the part of an individual alumna alone in the community give an added dimension to many.

We've heard and read so much about the changes that have occurred in our college chapters over the past years but so too have the activities of Delta Zeta's alumnae chapters changed direction and thrust. Today, alumnae chapters play a significant role in communities and often state wide through their philanthropic projects. The proceeds from the many endeavors are contributed to speech and hearing centers across the country as well as Gallaudet College in support of Delta Zeta's national philanthropic projects benefiting local community organizations. It is with pride that recognition is given the many thousands and thousands of volunteer hours given each year by alumnae in support of the work done for others locally and nationally.

Another form of assistance is given in support of Delta Zeta's collegiate chapters. This help may come in many forms: monetary contributions for furnishings or other needed items; get-togethers to improve alumnae-collegiate relations; assistance during rush and perhaps most important of all, serving as an advisor on a college chapter Advisory Board or perhaps as a member of the House Corporation. Remember too, that all the many Delta Zeta state, province and national officers are alumnae!

Much must also be said for the social or "fun" aspect of belonging to an alumnae chapter. The joy of just getting together to share a common bond of friendship perhaps with college friends or getting acquainted with Delta Zetas representing many different college chapters is truly a rewarding experience. The purpose? To have a good time!

In the coming year plans have been made to introduce

new alumnae programs and perhaps alter the structure of Delta Zeta's alumnae organization in order to bring new ideas to the attention of alumnae chapters through areas of emphasis. A new program was introduced in the fall of 1975. Called alumnae sorority education, it is designed to bring Delta Zeta history, traditions, structure and explanation of purpose as well as duties of offices to the attention of alumnae chapters. The material presented is designed for use in alumnae chapter programs. This is being done with these materials published in a series of bulletins. The various subjects have been often suggested by the alumnae chapters themselves.

To some alumnae it might be a review of materials from pledge and collegiate programs but to others it will be brand new and interesting in addition to being a gentle reminder of our heritage. Very interesting, funny, and wonderful things have happened to Delta Zeta from the time of her founding in 1902 until this, the 74th year. It is felt that these should be shared by *every* Delta Zeta member.

One significant change took place over two years ago and concerned the manner in which alumnae chapter dues were assessed. Prior to 1973, each chapter had a letter classification according to the alumnae potential in the area. National dues were computed from using the formula of 60% of that membership potential. Alumnae chapters are now assessed 75c per dues paying member. The number is based on figures sent in on the previous year's annual report. This fee applies to any alumna paying any type of fee to the alumnae chapter.

It is my goal as Vice-President for Alumnae Affairs to see that our sorority alumnae program is strong, adding even more to Delta Zeta's total National Strength. Alumnae are invaluable and very important as they fulfill their roles as active alumnae chapter members and officers, as advisors to college chapters and as state, province and National officers. Alumnae participation is fun and even a challenge! Don't wait to be contacted by the chapter in the city or town where you live! Check The Lamp directory today, find the name of the alumna who is listed for your area, pick up the phone and call! It's very easy. Become Involved. If there is no alumnae chapter in your town, write the Province Alumnae Director for the province and offer your assistance in helping to organize the Delta Zeta members in the area. We need every alumna actively involved and caring to make the diamond in Diamond Jubilee shine even brighter.

PLEDGES HOLD FUTU

Each pledge adds a new and different entry to our Delta Zeta history, because, like the symbolic Caryatides, no two are exactly alike. And like our Founders they are courageous—ready to attempt something new. They are products of a new and purposeful pledge program.

Our Founders chose to honor Miami University by founding a new National Sorority as the first National at Miami University. To take such a step in the early 1900's required considerable faith. There was no pattern—no older members to offer advice. Instead, these young women had a purpose and with determination and enthusiasm, they began building the "ideal sorority." This beginning gave a unique direction to the sorority, and the Founders established goals that have remained worthwhile for seventy-four years.

It is probable that not even our Founders dreamed that the sorority would take on such dimensions. And now, as we plan our Diamond Jubilee, we stand as a great national sorority. We look with pride at our many accomplishments. But for a moment let us reflect on our beginning. Are we accomplishing the goals set forth by our Founders? Do we fulfill the purpose for which this sorority was founded? For an answer, let us take a look at what's happening in our pledge programs. Here we see the cultivation of genuine friendships and the development of individual character. We also see Delta Zeta loyalty beginning during the pledge period, and long before initiation day, pledges begin fulfilling the challenges made by our founders.

The future of Delta Zeta is in the hands of today's pledges. Therefore, pledge education is a top priority. Pledge programs are positive; activities show that there is a purpose behind them. Negative attitudes and activities are a thing of the past. The pledge is a friend, and we follow the principle of expecting the very best from her. Pledge trainers realize that meaningless activities do little to instill a sense of loyalty and dedication to Delta Zeta.

Today we find each initiated member as well as the entire chapter, involved in the pledge program. The core of any pledge program regardless of size is the interaction among initiates and pledges. A girl must be accepted, must feel a part, before she can become a productive member of the group. The feeling of belonging begins and remains constant through the Big Sister or Pledge Mom program. But this is only a beginning; it is necessary to go a step further and strive for total chapter involvement.

OF DELTA ZETA

How is this kind of involvement achieved?

- —New friendships develop weekly at Kappa Alpha's open house. A pledge or member holds open house in her room where pledges and initiates can go to relax and be with the others.
- —Theta has a pledge rush system to help pledges avoid that let-down feeling after Rush. They do simple, little things to let the pledges know that they're still important to the chapter.
- —Iota Omega uses initiated members as rose sisters, turtle buddies and secret sisters to encourage interaction throughout the pledging period.
- —At Lambda Rho all members are involved in every phase of pledging with initiated members treating the pledges as sisters.
- —Pledges at Gamma Zeta work directly with chapter officer or with committee chairmen. This "assistantship" provides the pledges with a thorough understanding of the operations of the active chapter as well as the opportunity to build friendships.
- —At Iota Upsilon the initiated members participate in teaching the pledges Delta Zeta history and tradition.

Through this kind of interaction, pledges learn to appreciate the meaning of sisterhood. Other chapters have added something new to tradition as a means of getting to know the pledges before initiation.

- —Iota Delta initiated members give pledges friendship roses when they feel they know them well enough.
- —At Zeta Xi and Gamma Xi, the initiated members interview the pledges.
- —At Gamma Phi the initiated members are responsible for making personal contacts with each pledge.

Reports indicate that the Delta Zeta pledge is very involved and all activities are designed to benefit the individual and the group. Working together as a pledge class enables pledges to learn the importance of each person doing her part—of being responsible to the group. On most campuses the pledge activities parallel those of the chapter; this gives the pledge a preview of chapter involvement. Some chapters, such as Epsilon Xi, combine activities where every function that the chapter competes in or participates in includes the pledges. Pledge classes now conduct their own philanthropic activity in addition to an assorted list of activities ranging from raking leaves at Lambda Zeta to a spaghetti supper at Sigma.

A popular pledge class project is the compiling of their chapter history.

- —Omicron pledges interview alums and charter members;
- —at Epsilon Kappa they research their family trees starting with their own "Big Sis;"
- —at Delta Chi they take snapshots of all chapter activities and give these to the historian for the scrap book;
- —Gamma Iota pledges are writing a chapter history as part of the Bicentennial celebration.

With more emphasis on a well-defined scholarship program, there is opportunity for increased interaction between pledges and initiated members. The use of various study techniques not only helps the pledge succeed academically, but also develops personal relationships and encourages overall unity.

- Alpha Omega and Alpha Tau use a formal study hall proctored by an initiated member;
- —Kappa Psi finds a study buddy system most effective:
- Epsilon Gamma assigns each pledge a scholarship advisor (chapter member);
- —at Alpha each member contacts a different pledge each week and arranges study hours.
- —at Beta Tau some members serve as tutors, and others study with pledges at the house or library.

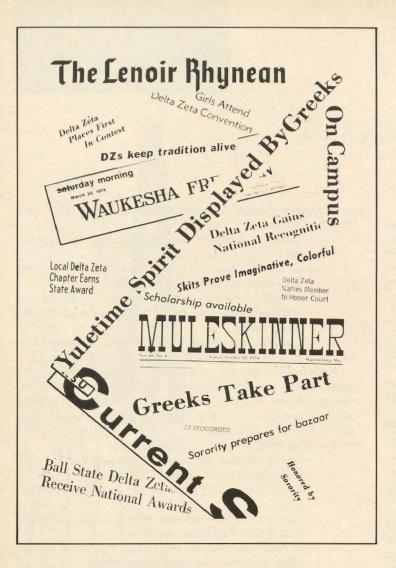

Many chapters give recognition to scholarship by giving awards to the pledge with the highest average and to the Big Little Sister team with the highest average. All these things help bring the pledges and initiates together, but it also gives recognition to individual academic achievement.

It is highly possible that no two weeks will be the same during the pledging period. The trend appears to be toward pledges running their meetings and governing themselves in accordance with Delta Zeta standards. Some pledge trainers bear this out when they say that their role is that of advisor, much like the CCD to the entire chapter.

Yes, the programs do educate and inspire the pledge. She learns (by doing) what it takes to be a knowledgeable, contributing member. Through interaction with the chapter she understands the rules of chapter operation; she really knows what Delta Zeta is all about.

Finally, the pledge is ready to take her place in the group; she is realistic about membership and willing to experience the give-and-take, share the hard work and then reap immeasurable rewards.

While a dwindling number of chapters still bemoans "newspapers don't like Greeks," scores of Delta Zeta college chapters are literally burning up the presses with favorable Delta Zeta publicity.

Apparently, chapters have discovered that newsworthy chapter projects can easily attain mass media coverage. With persistance and enthusiasm, chapter press and publicity chairmen are achieving superior coverage in campus newspaper and radio, as well as community television, radio and newspapers.

National press and publicity winners for 1973-75 were Gamma Nu, Eastern Illinois, Zeta Nu, Ferris and Iota Theta, Mansfield. Each chapter carried on a publicity campaign of a ΔZ sponsored or co-sponsored event and specifically mentioned, in its annual reports, coverage in news-

paper, radio and/or TV. Chapters all maintained up-to-date pressbooks and received bonus points for flyers, posters and novelty of reading matter.

Iota Theta at Mansfield sponsors a ΔZ Dribbler Basketball game, an annual philanthropy project. It matches the male faculty against Delta Zetas with proceeds going to Easter Seals Camp. A cafeteria banner, campus posters, cafeteria flyers on tables, radio spots and school and community newspaper coverage formed a well saturated campaign.

Christmas caroling for Gallaudet earned philanthropy cash, favorable publicity and a national award for Gamma Nu at Eastern Illinois. The two year project netted over \$165 and earned coverage on radio, community and campus newspaper. The highlight of the campaign, a newspaper photo with a detailed article on the

Delta Zetas In The News

caroling, informed eager townspeople of the event. Community residents, therefore, were waiting openheartedly for the ΔZ carolers.

Two totally different publicity campaigns earned top press honors for Zeta Nu at Ferris. In 1974 they sponsored a Red Cross Blood Drive, while in 1975 they sponsored two campus movies. Publicity included posters, flyers, campus signs, radio coverage, local newspaper coverage and even newspaper advertising. One highlight of the Red Cross Blood Drive campaign was a display case in the Student Center.

Honorable mention winners also carried on dynamic publicity campaigns that lend ever-valuable ideas to other chapters.

Sigma at Louisiana State University acquired a State Fair booth, distributed pamphlets and obtained local TV time as part of their Muscular Dystrophy campaign in 1974.

Cable TV proved one of many good publicity sources for Epsilon Iota at Fairmont in publicizing a fund raising chili dinner.

Iota Nu at Georgia Southern spoke to fraternity houses, hung marquees and received radio coverage every hour for a week in publicizing their boxing tournament.

A unique publicity idea—a German or International Party at Christmas earned well deserved coverage fo Zeta Omega at Northern Michigan.

Delta Deltas conquered "big city" media as they sponsored a dance marathon for Muscular Dystrophy. Major city newspapers, suburban papers and Atlanta radio stations and campus media all covered the event.

Alpha Betas at University of Illinois carry on a year long publicity campaign. The press chairman prints

standard press releases for pledges, initiates and officers and writes individual news releases on members receiving special recognitions. She makes use of an index card system including a card on each member. The card lists name, address, parents' name and hometown newspaper information on each girl.

Four area TV stations joined three newspapers and two radio stations to cover University of Texas at Arlington's Swing-a-thon sponsored by Delta Zeta. Iota Psi, as Delta Delta, managed to captivate and capture metropolitan news coverage for a philanthropy event. Arlington is located midway between Dallas and Ft. Worth.

Theta Zetas pulled a U-Haul trailer through the City of Akron in publicizing their Toys for Tots Drive. The unique vehicle and a well organized campaign resulted in radio, newspaper and university coverage.

A working publicity committee earned Ball State Gamma Chis excellent coverage for a Bridal Fashion Show. They acquired public service announcements on radio stations within a 60-mile radius, appeared on local TV, hung 60 posters on campus and in the community, erected two large banners over the main campus path and obtained at least three articles and pictures in newspapers.

A career day earned Kappa Beta, Northern Kentucky, a favorable image on both campus and community. Local high schools, campus organizations and the general public were all invited via newspaper articles, invitations, auto flyers, handouts, radio coverage and even decorated windows at Ft. Thomas Frischs'.

Sandwich boards were a unique publicity gainer for Zeta Beta at Wisconsin-Stout. They also utilized posters, newspaper ads and radio spots to publicize their spaghetti dinner.

Kappa Tau at Morehead joined Theta Chi to net \$600 on a well publicized Haunted House. Along with conventional media coverage, they stressed "word of mouth" coverage.

Pledges at Wittenberg broadcast their Parents' Weekend corsage sales on NEWS—students dial N-E-W-S to learn about upcoming campus events. Beta Chis also utilized Torch, the weekly activities sheet, and campus signs.

Kim Vance, Loree Kelch, Nancy Shelley, Becky Sitton, and Nancy Schafhirt help the children with their pumpkin carving when Delta Chilenterlained.

Delta Chi Uses Sign Language

by Loree Kelch, ΔX Chico, California

"Hi! What's your name?"

"Do you want to carve the pumpkin?"

"Are you going trick-or-treating?"

These sentences were repeated over and over again by various Delta Zetas with their hands as well as their mouths as the members of Delta Chi shared Halloween with the thirty-seven children of Mesa Vista School for the Language Handicapped in Oroville, California.

Lots of smiles, gestures, and laughter kept the lines of communication open as Delta Zetas paired up with the children and tackled pumpkin carving together.

Delta Chi had been psyched up for this party for several weeks. Pledges and initiated members both had been primed with mini-lessons in sign language at their respective meetings the week before. Two of the eight Delta Chi's (Nancy Cochrane and Donna Todd) enrolled in the sign language class offered on California State-Chico's campus, provided the instruction. Everyone learned the manual alphabet, practiced spelling

their own names, and learned a few Halloween-related sentences.

All was in readiness, yet as the girls walked into a room full of expectant children they couldn't help feeling nervous about their limited communicative skills. The ice seemed to break instantaneously, however, as both the children and the girls got caught up in the excitement and fun of pumpkin carving and apple bobbing.

The children's language handicaps were of varying degrees. Many could speak and hear to some extent and helped Delta Zetas out with those more severely handicapped. All seemed pleased with the sometimes comic yet always sincere sign language effort the girls were making.

Grinning, leering, snarling, laughing pumpkins and their creators as well as wet heads triumphantly displaying their apple trophies were committed to video tape. Following refreshments the actors themselves settled down to watch the movie they had had so much fun making.

It was a philanthropy Delta Chi chapter will long remember.

Lampost

Everyone is tuned to this year of 1976 as the Bicentennial, and Delta Zetas are thinking ahead to 1977 as the year of the Diamond Jubilee. In planning this issue we wanted to use the only picture Headquarters had of the Founders in a group. This three by five oval photograph was taken back in 1902 and belonged to Julia Bishop Coleman, who gave it to Margaret Huenefeld Pease, who in turn gave it to Delta Zeta's display in National Headquarters. Rather than have this picture travel all over, a Columbus firm made several glossy prints which we could then use for the Lamp and other publications and leave the original safely in its case.

The man who made the copies gave us some interesting facts, which also account for its excellent condition. It was a platinum print, which is a particular type of emulsion used back in those days. The commercially coated paper for photo prints was so expensive that many photographers coated their own paper. Back in that time the photographers were more chemist than photographer, and they preferred to have good paper which they did themselves. As far as we know, this process with platinum coating has not been used for thirty to forty years.

We hope you like our centerfold, and can promise you more in future issues. And we thank former Editor and President Margaret Pease for giving up her picture. Ruth Gaddis Jeffries, the Lamp's first editor, has sent a 1910 picture, and we are hoping for more gifts to add to Delta Zeta's permanent archive display. Somewhere we have a pair of booties knit by Julia for our son John, but we suspect many washings have left them a bit bedraggled.

Our Woman of the Year Margaret Edsel Fitch has charmed alumnae across the country and even across the ocean where she is back in Honolulu. And from Honolulu this Christmas came the most mouth watering greetings from Elsie Maxon Boatman, BK, whose card was a sheet of special Christmas recipes, and another for the Happy New Year, all done on rose and green paper! Just the thought of Paradise Lemon Bread, or Sesame Parmesan Chicken, Dilled Onions, and Zucchini Pickles makes it a good year.

Delta Zeta makes it a small, close world. Our writer Jane Brown moved to Des Moines and found three Delta Zeta neighbors in the same block, all with small children and like interests, so the city was full of instant friendship. And down in Sarasota, Florida, two friends and members of Theta chapter at Ohio State hadn't seen each other for forty-seven years. Virginia Pearce Myers and Helen Hollenback Nagel were pledged and initiated together in 1925. They married and moved and lost contact. Then last fall Ginny called Helen to invite her to join the alumnae chapter in the Sarasota-Bradenton area. Neither knew each other by their married names, but when they talked, they discovered and they shared. And so they again participated in another Delta Zeta ceremony together when they received their Golden Rose certificates. Delta Zeta indeed makes this world a closer, warmer place.

Charlotte Davis, BΞ, from Auburn, Alabama, had an interesting experience: "I was the Auburn representative to Mortar Board's conference in Kansas City. When I went, I had hopes of meeting other Delta Zetas. I was in luck—more than I'd imagined.

Charlotte Davis, BΞ Auburn University Mortar Board

After dinner a girl came up to me and said that she had recognized me during our introductions from my recent picture in The Lamp. She had especially remembered me because we were both members of the Honor Court for your award. She was Marcia Blackburn, KZ, from North Texas State University."

"We parted after a brief chat and carried on with conference business. In the meantime my luggage was in transit somewhere between Kansas City and Atlanta. Without it, I had no reason to go to my room. It finally arrived around eleven p.m. and I went searching for my room. Imagine our total surprise when Marcia opened the door! It took us only a few seconds to realize we both belonged there. Soon we were merrily chatting about our respective chapters and campuses—long after we should have been asleep.

"The interesting point is that no effort was made to assign room mates on any basis other than smoking and non-smoking. Geographical distribution was only coincidental; sororities weren't even considered."

Small Delta Zeta world, but delightful, and full of pleasant surprises. All of which comes free with your membership. The more you use it; the more it expands.

Reading all of the many interesting newsletters brings Delta Zetas from everywhere closer, and the Lamp is flattered that so many of them use drawings and sketches from our pages. This is your Lamp, and your life membership gives you the privilege of snitching anytime, any page.

RETURNING STUDENTS are people whose education was interrupted at some point and who are entering the classroom after a decade or two-or even three-away from structured studies. The resumption of learning skills is a primary block for many: how to study, how to take exams, how to cope with research and a new world of library facilities, changes in writing demands and in "standard" forms for term papers. Many schools are offering workshops to assist not only the returning student over these hurdles but to condition transfers, new freshmen and even graduate students.

HISTORIC PRESERVATION education in 1968 was confined to three schools offering graduate courses in restoration, planning, and preservation. In the 1975-76 school year there are 54 colleges offering a program in preservation, including law and development, urban planning, documentation for planning and methods of archival research, case studies in landmarks law, historic area preservation, and recycling the historic environment. Related courses range through architecture, sociology, history, geography, law, agriculture, economics-indeed the whole curriculum.

ALCOHOL ABUSE among teenagers is rising rapidly according to a recent survey conducted by Scholastic Magazine among junior and senior high school students. Of the 40,000 students polled, 76% see alcoholism among their peers a growing problem though 52% see nothing wrong with drinking in moderation. Some cite the cause as a switch from drugs while others claim liberalized drinking laws in many states have contributed.

WOMEN ENGINEERS face discrimination, according to a National Science Foundation study. The Georgia Tech *Topics* reports, "While there appears to be little salary discrimination against women scientists and engineers, discrimination is evident in lack of promotional opportunities and preparation for high-level careers."

ENGLISH AS A SECOND LAN-GUAGE is a concern across the continent for foreign students enrolled in American and Canadian universities. Crash courses in English are usually oversubscribed wherever they are offered. At Arizona State one is described as "an intensive instructional program of listening, reading, speaking, and writing English on elementary, intermediate, and advanced levels . . . five days a week, five hours a day for 12 weeks." University of Missouri students provided similar instruction for Indonesian students and their families, a summer course designed to help Cambodians and Vietnamese children enter school in the fall. The age range, however, was from 3 to 58, and included persons of a variety of other native tongues.

DORMITORY PHASE OUT will occur at the end of the 1977 academic year when the University of Nevada closes its campus housing unit. To provide for students desiring on-campus housing a private firm is constructing low-cost student housing across the street from the campus.

NON-TRADITIONAL COURSES are being tried on a number of large campuses, but the first project of this sort being operated by a consortium of small colleges is at Mt. Union College, Alliance, Ohio. Student and professor draft a contract stating what is to be done and when the work shall be completed. Courses have the same titles as traditional courses and credit and grades will be recorded in the traditional manner, but these courses are not held in a classroom, have no daily meeting times and do not necessarily start or end in the traditional time bounds.

GROCERY SHOPPING has been admittedly the biggest pain of campus apartment dwellers. American University is noting (but not advertising) its first student-run cooperative grocery store, non-profit and staffed by volunteers.

FACULTY DEVELOPMENT is called by the *Chronicle of Higher Education* "one of the popular new catch phrases in American higher education." Essentially the idea is to improve the quality of teaching, that a professor's role is not only to know his own discipline but also to be able to teach it effectively. It is estimated that there are already between four and five hundred such programs already in operation.

GREAT BRITAIN as well as its English speaking neighbors across the Atlantic is experiencing a general rise in college and university enrollments, a trend stemming from unemployment it is presumed.

CANADIAN WOMEN attending the annual meeting of the Association of Universities and Colleges voiced their concern over the status of women in their nation's academia, for the most part the same woes cried by their American counterparts. Though complaints were listed and suggestions offered, noticeably absent was American "affirmative action" as a method of achieving cures for these ills.

A HISTORY MAJOR'S career outlook has been largely limited to the academic, but the University of California at Santa Barbara hopes to offer an interesting alternative. A new graduate program in public history will train historians to help state and local governments and private corporations understand such issues as race relations, housing, and zoning by studying their evolution.

Founders' Day Remembered

The Findlay Ohio aluminae made Founders' Day a very special occasion indeed for themselves, their guests and the members of the Ohio Northern and Findlay collegiate chapters. Even the husbands volunteered.

Julie Kishel Foster, ΓΑ, Ohio Province alumnae director, was a special guest and spoke on "Delta Zeta, Now and Tomorrow."

The highlight of the event was the presentation of a play written by the program committee which included Rosemary Wrassie Myers, BX, Cindy Brenner Fitzpatrick, BX, Linda Thomas Smith, Θ T, and Kay Howell, Θ T. It was based on the Founders' booklet by Grace Mason Lundy.

The cast listed:

Julia Bishop	Deborah Fruchey
Mary Collins, 1902	Jane Schroeder
Mary Collins, 1962	Cindy Fitzpatrick
Anna Keen	Linda Smith
Alfa Lloyd	Kay Howell
Mabelle Minton	Susie Gabel
Anne Simmons	Rosemary Myers
Elizabeth Coulter	Jacquie Rice
Dr. Guy Potter Benton	Gary Fruchey
Tom, a senator	Tom Fitzpatrick

Editor Linda Smith wrote, "I think that we all came out of that program with a renewed love and faith in what Delta Zeta can mean to us for a life time."

Denver alumnae observed Founders' Day with a tea and ceremony for Catherine Collett Barnes, Coe, Della Golden Sealander, P, Eula Kiser Witershausen, ΘA , and Irma Steihm Goldy, $\Gamma \Xi$, with Fran Noyce Rulis, Vice President, presiding.

The cast of Findlay alumnae's Founders Day play were all smiles after a successful performance. Top row, Gary Fruchey, Sue Gable, Kay Howell, Rosemary Wrasse Myers, Jane Schroeder. Front, Linda Thomas Smith, Debbie Bock Fruchey, Cindy Brenner Fitzpatrick, Jacquie Rice, Tom Fitzpatrick.

Members of Beta Mu chapter at Florida Southern conducted the Founders' Day ceremony at the Sarasota Bradenton alumnae luncheon. Anne Meierhofer spoke on Delta Zeta philanthropies. Pictured are Former National President Violet Sharratt Whitfield, T, Anne Meierhofer, AB, Jane Pegelow and Elizabeth Wilson.

Linda Robben Reed, $\Delta\Omega$, Wanda Lowe Wingo, $\Delta\Sigma$, and Bonnie Leavitt Brundage, $Z\Omega$, helped stuff envelopes for the Kansas Children's Service League. Topeka alumnae have helped the league with office work for several years.

Birmingham alumnae and Alpha Pi chapter at Samford celebrated their banquet together. Beth Kennard Moore, AII, former recipient, presented the 1975 Birmingham Woman of the Year award to Nelda Sutch Rowan, BP, Michigan State.

Tucson, Arizona: This autumn, members known as "Alum-Mums" entertained new Beta Iota pledges at an ice cream extravaganza at a local ice cream parlor. At Halloween, the Alum-Mums and pledges carved jack-o-lanterns that were then distributed to the other sororities on the University of Arizona campus. At the Fall Membership Coffee, each person brought a sample of her favorite art, craft, or hobby; alumnae found they had two things in common-Delta Zeta and a mutual interest. Guest speaker at Founders' Day was Margaret Edsel Fitch, AE, Delta Zeta Woman of the Year 1975. Those presented with the Order of the Golden Rose are Norma Bowbeer Butler, AH; Edyth Holt Caldwell, AB; Eva Hurich Goff, BΣ; Karleen Home Rosaaen, Y; and Alice Marie Senob, ΔΨ. They were each given three roses to symbolize pledgeship, initiation, and alumnae status. Founders' Day and State Day were combined this year and at the Philanthropy Session of the day's program, the Dean of the Arizona State School for the Deaf and Blind taught those participating to "sign" parts of the Delta Zeta Creed. Janice Hedeman Lahr, BI, was named to Who's Who Among American Women 1975. Janice is currently president of the Beta Iota House Corporation Board and is an attorney for the Tucson City Prosecutor's Office.

Los Angeles, California: Central San Fernando Valley, Burbank, Glendale, Santa Monica, Los Angeles, and Alpha Chi collegians celebrated Founders' Day with a special bicentennial theme buffet luncheon. Guest speaker was Mrs. Frederic Mc-Cassey, chairwoman of the Western Division of the Committee "The Flag of the United States" for the Daughters of the American Revolution. She spoke as if she were the flag and gave a stirring account of what the flag has seen. Ten alumnae were awarded the Order of the Golden Rose and Grace McKnight, AX, was awarded the Golden Rose pin for her continuous service to the alumnae chapter for fifty years.

Colorado Springs, Colorado: A special summer activity was a couples' picnic. The year began with a Saturday morning coffee in September, so that those who worked during the week could also get reacquainted. Programs on "Fascinating Womanhood" have highlighted meetings. The holiday season was celebrated with a Christmas Auction and Service Sale.

Lois Walker Coates, $\Lambda\Gamma$, Alabama received the Dorothy Cason Peacock award as outstanding alumna of the province.

Gold Coast Area—Boca Raton, Fort Lauderdale, Pompano, Florida: Patricia Hefele Droege, $\Delta\Sigma$, was honored as local Delta Zeta Woman of the Year 1975. The chapter awarded five scholarships to students majoring in education of handicapped children from the proceeds of the Flame Fantasy. Dawn Gordon Crandon. BP, was responsible for much of the success of the Flame Fantasy. Lydia Mae Surfus Oliger, Δ , and Ernestine Fish Wartena, Π , became members of the Order of the Golden Rose.

Lakeland, Florida: Alumnae bought a language kit for the Central Florida Speech and Hearing Center with the proceeds from hard work at a flea market White Elephant Sale. Individuals also spent hours making materials for the Center's therapists, for which they were rewarded at National Convention with an additional one hundred dollars for the Center.

Miami, Florida: Inducted into the Order of the Golden Rose were Katherine Stoessell Yelverton, E, Marita Oelkers Littauer, B; Charlene Clubertson Lobhitz, Ξ; Cris Christenson Steers, Ω; and Thelma Peterson Peters, AO. Maizie Morat Rotolante, BN, was recognized for twenty-five years of service to Beta Nu House Corporation. The big hit of the Founders' Day luncheon was Dr. Carol Dunstall, an alumna of Gallaudet College, who demonstrated her

use of sign language in teaching those who are deaf or hard of hearing. The local alumnae President's Report included exhibiting the gavel earned as an achievement award from National Convention.

Tampa, Florida: Sarasota-Bradenton alumnae gathered with Tampa alumnae for Founders' Day and honored Geneva Clemans, A, with the Order of the Golden Rose. Children at Faith Children's Home received stocking stuffed with small toys, candy, and personal items from our Santa alumnae, who also entertained all area collegians during the holidays.

Honolulu, Hawaii: Some members are still pondering what goes in "4 across" on the unique crossword puzzle on all aspects of sorority life presented by Julie Winn Sellers, BA, at the Founders' Day Luncheon on October 25. Betty Westhaver McKeen, AA, related that one October 25, 1925, she attended her first Founders' Day ceremony! Another fun thing that the alumnae remember from this Founders' Day is the centerpiece by Barbara Chapman Wessinger, ΔΨ, that had over twenty green ceramic turtles meandering toward the centerpiece of roses. At the November meeting, Eleanor Reynolds Preisendorfer, ΘΓ '51, showed how to make Aloha Christmas hangings. Hangings made by the alumnae were donated to Queen's Hospital Auxiliary and Panhellenic for their silent auctions and were also sold at the December auction.

San Jose Founders' Day luncheon was held at La Haclenda in Los Gatos with Sarah Patrick Sproul, M, California, receiving her Golden Rose certificate from President Nancy Buck Bibler, EE, Fresno.

Indianapolis, Indiana: Order of the Golden Rose certificates were presented to Frances E. Westcott, AA; Ruby Gibson Buser, AN; Ruth Clausen Reasor, AB; Dorothy Benner Rieke, E; and Mary Kinsley Whittemore, AN, at Founders' Day dinner. Remember the song "You Must Have Been A Beautiful Baby"? In September alumnae got re-acquainted matching baby pictures of each other. Needless to say, hair styles and coloring gave no clues, but there were lots of laughs and surprises! November was highlighted by a silent auction with the Junior Group and the South Suburban chapter. In this joint fund-raiser, each group receives the money from the sale of its own members' work although everyone purchases items from one another, an idea started by the Southsiders.

Johnson-Wyandotte Counties, Kansas: Fall activities included a garage sale, a macrame and plant hanging workshop, and a tour of the Nelson Art Gallery. At the Founders' Day luncheon, Meredith Geiger Gould, AΦ, and Ruth Bird Metz, ΔΠ, received the Order of the Golden Rose. Special guests were "The Singing Fingers" of the Kansas School for the Deaf.

Manhattan, Kansas: Alumnae and collegians joined hands this fall for two special occasions. In September at the opening meeting, the collegians auctioned off their services as slave labor. The collegiate chapter raised much needed money for social and remodeling funds, and the alumnae were equally rewarded with babysitting, leaf raking and window washing services. At Founders' Day, the collegians hosted the alumnae. After dinner and a commemorative ceremony, a representative of Sarah Coventry gave a demonstration. A percentage of the profits went toward each of the two groups' treasuries.

Topeka, Kansas: Alice Beeler McCammon, Λ, received the Order of the Golden Rose and was named Topeka's Delta Zeta Woman of the Year 1975. Alumnae sold handicraft items and baked goods at a cardtable carnival in a local mall and earned more than \$200.

Wichita, Kansas: Diana Turkle, $\Delta\Omega$, who returned to the United States after two years as a Peace Corps worker in Korea, related some of her experiences at the first fall meeting. On Founders' Day, three fifty year members were recognized. They

Yvonne Van Ee, Grand Rapids alumnae president, honors Alice Calvert Vande-Visse, $B\Sigma_{\text{c}}$ Colorado, with her rose and certificate.

are Marie Roney, Helen Cox, and Cecil Dillman.

New Orleans, Louisiana: The alumnae and collegians of Theta Kappa welcomed new pledges in September with a New Orleans Creole dinner. In honor of Founders' Day, the alumnae gave a dessert party for the Theta Kappas. A Halloween Party for the children of the Hilda Knoff School for the Deaf was a special event for the alumnae this fall.

Shreveport, Louisiana: Nelva Boren Cole, $A\Phi$, was honored for her fifty years in Delta Zeta at the Shreveport-Bossier Founders' Day dinner.

Bayou Alumnae, Thibodaux, Louisiana: A joint Founders' Day program was held with the Kappa Alpha chapter. During the program, Marie Louise Lepine, Σ , was presented her Achoth Award by Gloria Lynch, Province Alumnae Director.

Detroit, Michigan: The Western Wayne alumnae hosted the annual general Metropolitan Meeting and entertained with a Javanese Tasting Dinner. The entire evening was flavored with a South Seas theme. The Dearborn Downriver alumnae held an "Evening to Remember" for the annual husband and wife gathering. It included a candlelight dinner at Greenfield Village and a tour of the Henry Ford Museum. The latest philanthropy project for the area has been gathering clothes for Michigan Indians.

Lansing, Michigan: The fall bustled with a wine and cheese tasting party, garage sale, and Founders' Day activities. The chapter was given the travelling award of six silver candlesticks for membership improvement at State Day in November.

Marshall, Missouri: Alumnae and collegians enjoyed Founders' Day together with a dinner and an impressive program arranged by the college chapter. All of the alumnae are active in community service projects—the most noteworthy being the annual Hospital Christmas bazaar. The annual Valentine's Day party for the residents of the county home for the aged stirred the hearts of the residents and alumnae.

Trenton, New Jersey: The Mid-Jersey Alumnae Association has been trying to form a group for the last few months, and they have been successful in becoming established. The alumnae had a gettogether with the new pledges to meet them and to show them that sisterhood doesn't end after graduation. The Iota Kappa chapter was invited to the November Plant Demonstration to help everyone become better acquainted.

Tri-County, Long Island, New York: The first directory for this group came off the press in time for the first Champagne Punch Party this fall. More than fifty area Delta Zetas were invited. Sister Loyola from the Caritas Center for Deaf Persons sparked a flame for the new philanthropy program with her talk in October.

Julie Kishel Foster, $\Gamma A,$ presented Melody Arnold Ross, $\Gamma A,$ with the President's gavel at Lake County, Ohlo's Founders Day dinner. Dorothy Boyd Haskins, Ohlo State, spoke on ΔZ memories.

Around and About

Akron, Ohio: Akron, Canton, and Kent alumnae gathered for Founders' Day. Norma Andrisek, ΓΑ, spoke on "The Way We Were, The Way We Are, and The Way We Will Be." She brought to mind things that seem long ago compared to today's college campuses—such things as dorms closing at 8:00 p.m. and shouts of "man on floor" when fathers helped move their girls in during the fall!

Cleveland, Ohio: Westside, Eastside, and Berea alumnae and Gamma Alpha collegians celebrated Founders' Day together. Norma Andrisek, ΓA , spoke on a topic of interest to both alumnae and collegians. Six members received their Golden Rose certificates as well as rose buds and full blown roses.

Columbus, Ohio: Bonds of sisterhood are growing between alumnae and the Theta chapter. The alumnae are providing a snack program for three and four year olds at the Ohio School for the Deaf. "Pumpkin Patch" was the name of the alumnae's booth at a Halloween festival; for a small fee children could pick a pumpkin from the patch and receive the prize hidden underneath. At the annual Craft Auction, the professional auctioneer highlighted the evening and added great enthusiasm. At Founders' Day, Kay Seigrest was named outstanding Alumnae Member and sixteen alumnae received Golden Rose certificates. They are Eileen Bellman, Vera Bohrer, Ruth Cox, Vesta Griffiths, Majorie Gross, Alma Keeler, Ruth Marion, Esther McGill, Gwen Pavey, Esther Riebel, Norma Rudy, Elizabeth Walters, Mildred West and Louise Zollinger.

Dayton, Ohio: Membership has grown from 16 to 57 paid members since this time last year. A great year started in September with the "Supper of the Secret Sign." Four rules added to the secrecy: 1) No rules of etiquette. 2) Anyone leaving anything on her plate helps with dishes. 3) No tipping. 4) Enjoy your meal. And this is the catch. You plan your own meal from a menu of Hot gold, Yellow pearls, Cool alum, Rose essence, Ionic column, Hellenic hocks with Pink pearls, etc. No one but the hostesses knew the food was really sweet potatoes, butterballs, iced tea, jelly, dessert, celery, sliced ham with cherry sauce, etc. Of course, silverware had to be ordered and was cleverly disguised in name, so it was not unusual to see someone eating sweet potatoes with a knife or drinking ice tea, coffee, and water all in the same course.

Tuisa alumnae and Delta Phi collegians celebrated Founders' Day together. Gwen McKeeman presented Dalsy Dally Sanders, $\Delta\Phi$ and Margaret Dwelle Richmond, $\Delta\Pi$, with their Golden Rose membership.

This is a fun event to try at Halloween, Christmas, or Valentine's Day. Adapt the names of the food to fit the occasion. Here's how to plan the menu. You need to include sixteen items; there are eleven food items including water and five nonedibles-knife, fork, spoon, napkin and toothpick. There are four courses and each course includes four items. You pass out the menu with the sixteen items cleverly disguised in name and each person picks the four items she wants for each course. After each course is eaten, all is cleared away before the next course is started. This means silverware from one course cannot be carried over to the next course; this, of course, makes the eating challenges more interesting!

Springfield, Ohio: Here's another unusual idea from an alumnae group-a quilting bee, of sorts! Work on a quilt to be used in a raffle started last year and was finished in September. During October, raffle tickets were sold by alumnae and Beta Chi collegians to friends on campus. At a garage sale behind the chapter house, raffle tickets as well as donated items were sold. The grand finale came at Founders' Day when the winning raffle ticket was drawn-the winning ticket holder was the employer of one of the Delta Zeta husbands. There must have been a lot of price in that quilt. Gladys Kerns, Margaret Pettit, Emily Sifert, and Ruth Smith received Golden Rose certificates.

Champaign-Urbana, Illinois: Alumnae and collegians joined together at Founders' Day to present Rovenia Miller Fitz-Gerald, AB, with the Order of the Golden Rose. As is customary, the alumnae honored the outstanding junior in the Alpha Beta chapter, Kathy Luce, by placing a book in the chapter memorial library in her name.

Oklahoma City, Oklahoma: A combination book review and style show was featured at the opening meeting in September Founders' Day was celebrated with the collegiate Gamma Upsilon chapter. Katharyn Steele Lockard, I, was honored with her Golden Rose certificate. A tasting luncheon₇bridge party was given in October to raise money for the Foundation for Disabled Adults. This is a memorial to Phyllis Davis, ΓΥ. Since a crisp \$100 bill was the big prize, the affair was well attended. The Casino Party turned out to be a money-making project even though it wasn't planned that way!

Portland, Oregon: The alumnae held an "Ice Cream Social-Get Acquainted with Oregon State University-Especially Delta Zeta" for recent high school graduates and their mothers late last summer. Many Chi alumnae of varying ages related anecdotes of campus life. Founders' Day was celebrated at the Chi chapter house. A check from the Oregon Alumnae Rush Fund, set up this past summer, was presented for \$100.

Diane Turkle, $\Delta\Omega$, spoke to the Wichita Area alumnae about her two years in Korea with the Peace Corps.

Harrisburg, Pennsylvania: Another promising year for the alumnae began in September as a result of new growth in membership. The youth and vigor of association with Kappa Psi has broadened the horizon of interests of all—from the arts to the women's movement. The November meeting was a favorite. This meeting is called "Auction Night" and is used to benefit both the alumnae and collegians. The alumnae "adopted" a family in the area for the holidays that needed some help and sent special gifts and clothing as needed.

Memphis, Tennessee: About 400 alumnae and actives were invited to attend the Founders' Day tea held at the home of Ruth Younghanse Crenshaw, a charter member of Gamma Iota and its first president. Janice Lumpkin, Province Collegiate Director, was a special guest.

Peninsula, Virginia: Doing for others and learning new crafts were the two objectives set by this group last fall. Activities included helping a Vietnamese family by collecting clothes and household items. Workshops yielded new talent as members learned how to dry flowers and to macrame. The Christmas season was celebrated with the annual Husbands' Night Dinner.

Wheeling, West Virginia: A fall fund raiser was a Used Book Sale at the college library. During fast and furious work on the Homecoming float, the Iota Tau chapter was surprised by refreshments from the alumnae. The alumnae and collegians enjoyed singing special Delta Zeta songs during Founders' Day ceremonies.

Sheboygan, Wisconsin: Welcome to a new alumnae group! The newly organized group met in September at a meeting sponsored by Betty Barnaby Ford. Julie Kishel Foster, Province Alumnae Director VI, and the attending alumnae plan to work toward being a regular Chartered Alumnae group during 1976.

Washington, D.C.: The Washington Alumnae chapter has lit a new lamp. A new group, the Lamplighters, was started by Carol Henry and Frances Knight to bring together the Virginia members of the Washington chapter. Since its inception, the Lamplighters have socialized together in picnics and a garage sale. They made the tissue paper flower centerpieces for Founders' Day and led the entire Washington alumnae group in a song fest of Delta Zeta songs.

Cleveland Eastside alumnae have found the key to involvement and unity with their Garage and Bake sale which was held at the home of Jan Pontius Hamilton, $\Gamma A,$ which is one of the homes built in 1928 by John D. Rockefeller. Despite the rain, committee Margaret Post Huetter, A, Jan, and Pat Higgins Leech, A, moved tables, bicycles and playpens for the children of volunteers to raise over four hundred dollars.

Yvonne Hoekstra Van Ee with Norda Beutier Haskins, AE, Michigan, during Grand Rapids Golden Rose presentation.

Sacramento alumnae honored Ethel Van Vick Tomes, M, Evelene Olson, ΔX , Edna Mae Burnam Nauman, ΔX , and Lorraine Moelk Sidedner, ΔX , at their Founders' Day luncheon. Highlight of the program was the demonstration of the Infra Code Therapy machine by a member of the Sacramento Hearing society.

Alpha Gamma members are well represented in all the fraternities on the University of Alabama campus. These sixty-one girls, representing half of the chapter are dressed for a Greek outing.

SORORITY BEGINS IN ERA OF PEACE AND PROSPERITY

For over a generation, American women longed to look like the Gibson Girl. Her beauty and charm was created in ink drawings by an artist name Charles Dana Gibson and America lauded her as the ideal woman and the typical American girl.

Eleven million farmers in the United States served a population of 76 million people in 1900. By 1960, modern science and farm technology would greatly increase the production of crops and livestock enabling approximately 4 million farmers to feed over 179 million people.

or most Americans, the first decade of the 20th Century brought contentment with life and bright hopes for the future. The will to grow was everywhere. Powered machines to do the work of hand tools rapidly converted a predominantly agricultural society to a highly industrial nation. The country's affluence was measurable in the Montgomery Ward mail order catalog where shoppers could buy ladies beaver-polished leather shoes for a low as \$1.40, men's wool Cheviot suits for \$7.00 or a Windsor Cookstove for only \$18.73. A zest for living was enhanced by modern inventions such as the telephone, the sewing machine and even the automobile . . . which made work lighter and life more pleasurable.

he early 1900's saw liberation for women become a reality. Stumbling blocks of prejudice began to crumble and old barriers limiting feminist progress were discreetly brushed aside. Though for years to come only a daring minority would enter public life, a growing number of young women were going out into the world taking jobs in offices, shops and factories.

A SORORITY

On September 19, six of our progressive coeds organized a sorority. It is a local organization at present but the girls hope to have sufficient success to warrant them in putting in chapters in other schools.

The society is known as the Alpha Delta Zeta and their colors are Nile green and old rose.

The members of the society are at present Misses Collins, Lloyd, Minton, Keen, Simmons and Bishop.

s the country prospered and grew, Americans revealed an unsurpassed interest in higher education. New colleges were being established for women proving that women inherently possessed the same intellective aims and ambitions as men.

olleges in the Midwest opened their doors to women before or during the Civil War. No doubt the breakthrough to a man's world came during the war when women successfully demonstrated their ability to fill many positions held only by men before. Their wartime achievements soon would become a wedge in liberalizing opportunities for women in many facets of public life, and especially in college training.

In 1902, progressive-thinking president, Dr. Guy Potter Benton, at Ohio's historic old Miami University admitted women to full university course work for the first time. Of the qualified coeds who enrolled as Miami's first female students, some were to become the Founders of Delta Zeta. When Dr. Benton encouraged the formation of a "woman's fraternity" it proved to be the catalyst which finally equalized the status of men and women students on the Miami campus.

Alpna Delta Pi was Greek-letter society formed for women in the States. From its found 1851, the total member a growing number of national sororities we ceed 100,000 members

1900, traffic laws governing the operation of America's 1,000 cars varied greatly from that to state. In Vermont, the wavequired that every auto be needed along the roadway by adult waving a red flag.

Some 9 million immigrants came to America's shores between 1900-1910. For many years these courageous new-comers worked long hours, six or seven days a week, at minimal wages in the sweatshops of New York and Chicago, the mining towns in Pennsylvania and in the mills and plants of large Midwestern cities.

The new century reflected a growing interest in show business. Townspeople loved the spectacle of a circus parade with its long procession of elephants, brightly decorated wagons and the delightful melodies of "steam organs' called calliopes.

ust as our courageous forefathers paved the way for freedom-loving people to come, so our Delta Zeta Founders have bequeathed to us a legacy to perpetuate in future years. To every college woman, and especially to every Greek letter woman, the heritage of equal education privileges is a torch to be passed to those who will follow.

t is with the same personal pride and earnest devotion which prompted those six valiant coeds at Miami University to formally initiate the first chapter of our sorority that Delta Zeta proudly announces its forthcoming DIAMOND JUBILEE. To celebrate this important milestone in Delta Zeta history, a drive to establish a \$75,000 Founders' Memorial Fund is under way. Funded by contributions from individual members and collegiate and alumnae chapters across the country, the first six scholarships will be awarded in loving memory of our Founders at the 1977 DIAMOND JUBILEE National Convention.

n this you can be a part. Your contribution to the Founders' Memorial Fund will perpetuate Delta Zeta by helping another Delta Zeta sister to achieve her goal in life. In the passing of ideals and dedication from one generation to the next, the high hopes of our fraternal society ultimately lie with the effort of the individual.

Give serious thought to how YOU can best share your efforts with other Delta Zetas. Perhaps you can give \$1 for each of your Delta Zeta years. Or, consider sending in a combined chapter gift for the number of years since chartering. If you have a unique thought for contributions, let us know so we can offer your ideas in the next issue.

North Dakota, Upsilon—Members from Theta Nu Chapter, Moorhead, and local alumnae joined Upsilon for a Founders' Day banquet. The Mother's Club presented the chapter funds to purchase a new set of crystal goblets and sherbets, while alumnae are also raising funds for the chapter. This year Upsilon has incorporated philanthropy into rushing. Stressing the importance ΔZ places on philanthropy, rushees and Delta Zetas created seed plaques to sell at the alumnae bazaar. Bazaar proceeds went to philanthropy. The fall pledge class escorted a group of elderly women from a local retirement

center on a Saturday afternoon luncheon and shopping spree.

OHIO

Ashland, Theta Psi-Members helped in a Bicentennial community project for the City of Ashland by painting a brick wall located in Brookside Park. The wall was appropriately painted in Bicentennial colors. Members enjoyed a Scholarship Dessert, rather than the traditional banquet, as they indulged in ice cream sundaes and milk shakes. AZ sponsored a fun booth at Kappa Sigma Fair, honored faculty members with a tea, and treated dads to a fun weekend. Cristy Deer was a member of the Homecoming court, while Laurie Lanphear and Leanne Smith were runners-up for Greek Goddess. telethon, and caddied for the Dayton Silver Divot Golf Tournament. Some members ushered at graduation ceremonies, while members participated in the Kettering Oakwood Holiday at Homes Parade. Robin Roehrenbeck was crowned queen of the event. WSU cheerleaders are Lee Haynes, Cindy Olson and Leslie Zara. Leslie is also vice-president of the honor fraternity.

Youngstown, Kappa Chi-This year a long time tradition at YSU was questioned by campus planners as they began redoing the interior design landscape on campus. Pledges of fraternities and sororities traditionally paint a giant rock in the middle of the campus to exhibit chapter pride. In order to help save the rock from destruction or eviction, the Delta Zeta Spring pledge class and pledge trainer painted the rock in early August during the heat of the debate. The rock read "Keep Tradition Alive . . . Save the Rock . . . and Greeks Have Pride." Delta Zeta feels the painting helped show University administration what tradition and the rock mean to the Greek system. Local TV and newspapers picked up the story of the ΔZ painting and the rock was saved, as it was relocated in front of the student center. Delta Zeta sponsored a benefit dance for Sigma Sigma after the fire and destruction of the Tri-Sigma House. The dance netted \$500 toward the rental of a new house. Members celebrated Founders' Day with a Mother-Daughter Tea and big sisters honored ten new pledges at the conclusion of the ceremony. And Now A Word About Your Magazines

Your support of the Magazine Program will result in increased revenue for the EDUCATIONAL FUND and YOUR Chapter. It costs no more to order magazine subscriptions through DELTA ZETA, and we receive a commission on every order that is placed through our office.

Magazine subscriptions make excellent gifts for all occasions, and there is a magazine exactly suitable for everyone on your shopping list.

Remember to think DELTA ZETA when thinking of magazine subscriptions.
