Gamma Xi Chapter Takes Its Place as First to be Installed in New Mexico

DELTA ZETA is the third sorority to install on the campus of New Mexico College of Agriculture and Mechanic Arts, a college which first started in a rented, two-room building in 1888, 24 years before New Mexico was to become the 47th state in the United States.

Today the campus is the site of 38 permanent buildings and two temporary housing projects which provide homes for more than 200 married students. In all, between 1,500 and 1,700 young women and men enroll in one of A & M's three schools—engineering, arts and sciences, and agriculture.

The other two sororities on the campus are Zeta Tau Alpha, installing in 1928 and Chi

Omega in 1939. Delta Zeta is very grateful for the sponsorship offered by Panhellenic and to Zeta Tau Alpha for constant encouragement and assistance. Pledging and initiation services were held in the new Z T A lodge and all were saddened when it burned in April after only one year of use. Seven fraternities are active on the campus.

The very gracious dean of women, Dr. Marion Payzant Hardman, a Delta Delta Delta from the University of Washington, was a constant source of inspiration and helpfulness.

In October 1947 the campus was first visited by Marguerite Wherry Havens, extension vice president and again in January 1948. Later it was

TO DELTA ZETA SORORITY:

All of us at the New Mexico College of Agriculture and Mechanic Arts extend greetings to the Gamma Xi chapter of Delta Zeta which has just been established on our campus. We are pleased also to express our appreciation to the parent organization for bringing this added distinction to a group of our young women and our institution. We hope to merit this honor and we confidently expect the present and future members of Gamma Xi to justify this hope.

TO OFFICERS AND MEMBERS OF DELTA ZETA:

It is with great pleasure that I extend most hearty welcome to the new Gamma Xi chapter of Delta Zeta. Not without significant influence in leadership and fine example even during the difficult period of building as a colony, Gamma Xi has inspired both the administration and the student body with confidence in the future growth and achievement of the group. We are proud to have this newest chapter of the Delta Zeta fraternity on the campus of New Mexico College of A. and M. A.

recommended to the National Council for consideration as the site of a chapter. The administration of the college and the Panhellenic association were most cooperative and sponsored the establishment of our colony. Arla Hill, the president of Gamma Xi, was a member of the original group, Orison, which was interested in Delta Zeta. Although most of that group graduated, eight original members of the charter group were chosen by Mrs. Havens, who was assisted by Joy Noblett, sophomore transfer from Drake university and a member of Gamma Epsilon. Joy was the first president of the group, serving as the national contact until the group had been installed.

Students and Alumnae Initiated

Initiation services were held in the Cactus Patch, on the campus, which has served the chapter as a lodge. Initiated as alumnae were Eleanor Foster and Evelyn West, mother of Kenlyn West, a collegiate member of the chapter. Charter members in addition are Lee McFadden McCluskey, Delores Chalkey, Allen McCoy, Shirley Nagel, Marilyn Crowder, Fay Marley, Delores Williams, Mary Belle Brumley, Mary Lou Swain, Arla Hill, Agnes Romero, Mary Studer Hendon, Kenlyn West and Marie Smith. Joy Noblett Morriss (Mrs. Ed L.), F E, has affiliated with the chapter. New pledges are Jo

The beautiful installation dinner April 29 was held in the Student Union. Much of the credit for its success goes to Mrs. Wanda Tilden, N, state chairman, and the chapter officers. Mrs. Havens served as toastmistress. Highlights of the

evening were the welcomes given by Dr. J. W. Bronson, president of the college; J. B. Munson, dean of students; Mrs. Wanda Tilden, adviser, and Gertude Robinson (Mrs. T. Finley) M, of El Paso. Mrs. Tilden has contributed valuable help to Mrs. Havens from the first in guidance of the group. She had much to do with the success of the installation dinner.

Helen Woodruff, national treasurer, brought greetings from all Delta Zeta chapters and presented a number of lovely gifts from other Delta Zeta alumnae and collegiate chapters. Bernice Hutchison Gale, Panhellenic delegate, spoke on "The Lamp of Gold." The colony was formally installed as Gamma Xi chapter of Delta Zeta by Mrs. Havens. In accepting the chapter on behalf of the college, Dr. Marion P. Hardman, dean of women, gave an inspiring talk that will be long remembered.

At the close of the installation banquet, the three dozen pink roses from the centerpiece were passed out by Maria Smith while the trio sang, "Roses I Give to You." Patronesses attending were Mrs. Richard Barrett, Mrs. Lee Brown, Mrs. Helen Holland and Mrs. Patricia Kentzer.

The building includes lounges, cafeteria, canteen, private dining room, ballroom, barber shop, campus shop, book store, billiard tables, bowling alleys, and recreation room for club meetings. Swimming pool is to right.

Flowers Bring Aloha from Hawaii

The reception to present the new chapter to the campus was held on Sunday afternoon, in the attractive Milton hall ballroom of the Student Union. In the receiving line were Dr. Hardman, Mrs. Havens, Miss Woodruff, Mrs. Gale, Arla Hill, chapter president; Mrs. Tilden, chapter adviser and Mrs. Robinson, president of Panhellenic in El Paso. Representatives of Zeta Tau Alpha and Chi Omega furnished the music and gave helpful assistance at the tea table.

An unusual feature of the tea table was the centerpiece of pink water lilies and ginger blossoms. The flowers were flown from Hawaii for the occasion. Pouring were Miss Cordelia Caldwell, B I, who resigned last year as dean of women at College of Mines at El Paso, to pursue her work as professor of mathematics at the college, and Barbara Weatherbee Chapman (Mrs. D. T.), A X. Jean Crabtree Schroepel (Mrs. H. S.), II, assisted.

Attending the reception were 250 guests. On

display were the gifts from nineteen collegiate and alumnae chapters which included tablecloths, complete silver tea service, two silver plates, two glass plates, two silver candy dishes and gift money to procure a punch bowl and cups.

The national officers were the guests of Mrs. Tilden at dinner on Friday evening at her home in State College. Mrs. Robinson entertained Mrs. Gale and Mrs. Havens in her home before their departure via plane for their homes. Mrs. Havens had also been a dinner guest of Dr. Hardman. Miss Woodruff left by car for Denver where she visited Rho chapter.

All the visitors enjoyed their visit to this part of the southwest. Greenery contrasts with the Spanish architecture of the new college buildings outlined against the blue and purple of the distant mountains. The college is a technological and liberal arts institution, located in the historic Rio Grande Valley.

lege is almost international. The 109-acre irrigated campus, just three miles outside of Las Cruces (The Crosses), New Mexico, is less than fifty miles from spectacular Juarez, Chihuahua, colorful door to the interior of Mexico, and its across-the-Rio-Grande neighbor, El Paso, Texas.

Traditions Combine With Modern Ideas

While still retaining the easy-going flavor of the old southwest, New Mexico A & M ranks high among the most modern, progressive colleges and universities. The college is accredited by the North Central association of colleges and secondary schools. The school of engineering is further accredited by the Engineers' council for professional development for the curricula in civil, electrical, and mechanical engineering.

With an instructional staff of 150 in 46 departments and sub-departments the college offers bachelor degrees in 44 different fields. Master of arts or master of science degrees are obtainable in biology, English, mathematics, education and psychology, physics and Spanish.

Part of New Mexico A & M's national and international reputation has been achieved by other divisions of the college. The physical science laboratory, working under governmental contract with the applied physics laboratory of Johns Hopkins university and the White Sands proving grounds, plays a major part in the nation's research and experimentation on rockets and guided missiles.

The extension service, staffed by more than 100 agricultural and marketing specialists and county extension agents, carries educational work in agriculture and home economics directly to the people of New Mexico and the southwest.

The experiment station, whose function is to improve through scientific study the economic and social opportunities of the state, utilizes one of the nation's largest (61,760 acres) experimental ranches and a 289-acre irrigated experimental farm and orchard.

Recently added to New Mexico A & M's many agricultural services is a \$185,000 cotton ginning laboratory, one of two such laboratories in the United States.

Alpha Iota Wins High Recognition from Red Cross

DELTA ZETAS at the University of Southern California were awarded a special trophy from the Los Angeles volunteer services of the Red Cross for outstanding work in production.

Mrs. O. C. Wellbourn, chairman of the volunteer services and Mrs. Betty McCabe, advisor of

the SC unit, visited the chapter house on May 27 to present the cup.

The award was given for the number of afghan squares, to be used overseas, and hospital slipper soles that the Delta Zetas turned over to the Red Cross. This group turned in more than any campus organization in the Los Angeles area.

Installation of Gamma Rho, 7th Delta Zeta Chapter in Illinois, Makes History

THROUGH the installation of Gamma Rho chapter at Northern Illinois State college, De Kalb, Illinois, on May 20, Delta Zeta has seven chapters in the state of Illinois, the largest number of any state.

Carrying the number seven further, as it seems to have special significance for the chapter, according to Marguerite Wherry Havens, able extension vice president, the local group first consisted of 17 college members and two pledges. However, all were initiated plus two alumnae members. And two weeks following the installation, three additional members were initiated.

The group which made up the new chapter was sponsored in their organization by Panhellenic which felt the need of an additional sorority on the campus. Marjorie Miller, president and Dorothy Dain were among the four founders.

Delta Zeta was invited to visit the college and local group and Mrs. Havens came to the campus February 1, 1950. From then on, she worked with Dean Helen S. Moor and the organization, so that the group actually became a colony of the sorority. A long forced vacation due to the Illinois coal shortage delayed plans, but after an April visit by Mrs. Havens, the group was

recommended to the national council. An unusually effective petition was presented, bound in white leather, portraying the college and activities of its members.

Members pledged and initiated during the important installation week end are Darlene Anderson, Marie M. Anderson, Mary Lou Boardman, Marilyn Busta, Dorothy Dain, Esther Doxey, Barbara Ann Gittings, Joan Grafer, Claire Lawson, Patricia Ann Lipnicke, Marjorie F. Miller, Janice O'Connell, Marion Parker, Barbara Reed, Marilyn Reinecke, Arlene Reinke, Corrinne Seroka, La Vonne Sparrow and Mary

Lou Williams.

Alumnæ initiated were Phyllis Plichta (Ph.D. and member of the faculty at Northern Illinois and faculty sponsor of the chapter), and Gertrude Collins (Mrs. Dennis J.) wife of the senator of northern Illinois. Dr. Gladys Eckeberg, former Phi Omega Pi, a member of the faculty of Northern Illinois, was initiated for Gamma Nu chapter.

Initiation and installation banquet was held in the College tea room on the campus, with tables decorated with roses and rose-trimmed place cards. Bouquets, gifts of Sigma Sigma Sigma and Alpha Sigma Alpha decorated the large mantel.

President Expresses Approval

Delta Zeta was praised for interest evidenced in teacher colleges by Dr. Robert G. Buzzard, president of Eastern State Teachers college, who spoke at the banquet. He also commended Irene Boughton for her long service to Delta Zeta, placing her as an important leader among other great sorority leaders. Miss Boughton was the toastmistress.

Taking part in the program were Dr. Paul Street, head of the public relations department; Violet S. Whitfield, director Province VII; Margaret Donica, Illinois State chairman; Dr. Phyllis Plichta, sponsor; Marjorie F. Miller, president, Gamma Rho; Helen R Woodruff, national treasurer. "The Meaning of Fraternity" was the subject of Frances E. Westcott's talk. "Roses I Bring to Thee" was sung by the Gamma Nu trio and roses were distributed by La Verne Kvetan, A A.

The Installation service was conducted by Mrs. Havens and the chapter was accepted by Miss Helen S. Moor, dean of women.

Held in connection with the installation was Illinois State Day, directed by Margaret Donica. De Kalb Delta Zetas assisted throughout the weekend.

The new chapter and their guests attended a tea at the home of Betty McKinzie (Mrs. Ralph), II.

The chapter meeting was held Sunday morning in Williston hall, before members attended services in a body at the First Methodist church.

Panhellenic Presents Gamma Rho

Panhellenic association of Northern Illinois and the national council were hostesses for the reception to introduce the new chapter to the college students and faculty, parents and townspeople. Since the college women were observing Mothers' day on the campus, a large number of the parents of the Panhellenic association and parents of the new group attended the tea.

Pictures taken at the banquet and gifts presented by Delta Zeta chapter were displayed. Received were leather engraved guest and scrap books, large engraved plaque for outstanding annual chapter achievement, sterling silver en-

Campus Setting

As visitors enter the campus of Northern Illinois State Teachers college, the home of Gamma Rho chapter, they frequently stop to gaze at the beauty of the scene, the small lake in the foreground, bordered with flowers and shrubs, serving as stage for the splendid new Science building in the background.

Beyond the winding campus road, the Administration building looms up in its proper importance, while the women's dormitory for underclassmen, Williston hall, assures comfort within. The new Adams hall completed this year is a model for women's housing with all the advantages of snack rooms, attractive pictures and decorations throughout. A library is under construction and the new dormitory for men to house 374 will be completed in the next building project.

The college is located at De Kalb, 60 miles west of Chicago on the Chicago North Western railway. The Northern Illinois State Normal school was established by an act of the General Assembly in 1895 and began its work of training teachers in September, 1899. By legislative enactment June, 1921, the institution became the Northern Illinois State Teachers college, and since that time two-year and four-year curricula have been offered to prepare elementary school teachers and high school teachers.

The campus, consisting of 152 acres is located in the northwest part of De Kalb. The Kishwaukee river lies along its eastern border and adjacent to the river is a small lake. A part of the campus is wooded, and the rest of it has been improved by the planting of shrubbery and flower gardens. The campus of "Northern Illinois" is not only one of the beauty spots of the state, but one of the two or three most beautiful teachers college campuses in the country.

EDITOR'S NOTE: It is our expectation that pictures of Dr. Buzzard and Miss Moor and scenes on the campus will be forthcoming for the next issue of the LAMP, so Delta Zetas all over the United States will become better acquainted with the officials and the campus of the educational institution of their newest chapter.

A Stairway to Success

By Hilda A. Johnson
Membership Vice-president

WITH the coming of spring once again thoughts turn to rushing schools, the means adopted by Delta Zeta of planning for fall rushing. Preparations for rushing may be compared to college football teams and their spring training, when preparations are made for the fall season; it is a conditioning period for the coming year. We brush up on techniques and party plans and teach our new initiates, the pledges of last fall, the arts and techniques of rushing. We plan our fall parties; we assign our committees; we approve the plans and delegate to our members evenly the work of making favors, invitations, and decorations, so that the work can be done without undue stress on the part of anyone during the summer. We learn anew the rules and regulations of rushing as provided by our Panhellenics.

Rushing is the term most commonly applied to that period during the campus year when each sorority on the campus is permitted to replenish its membership. "Rushing" is what it used in actuality to be. Careful planning, changing times, and improved Panhellenic regulations more aptly make it now a membership selection period. We sorority women continue to strive for that Utopian situation in which every girl desiring to belong to a sorority is invited to join and every chapter on the campus has a sufficient number of girls to maintain a healthful economic condition and a membership satisfactorily distributed so as to insure future constructive development.

In order to be prepared for a personal selection season, we must first analyze our own chapters. To secure a satisfactory number of girls, the chapter must have something to offer more tangible than the privilege of belonging.

We must show an undivided loyalty to our college or university, individually and collectively. We must inspire loyalty. This we can do by actively participating as a group in proposed progressive movements advocated by the administration, by participating in inter-collegiate activities, and by acting as organized units of hospitality for visitors.

To justify our existence we must present a satisfactory scholastic record at all times. A student's primary purpose at college is to secure an education—one that is satisfactory to her parents, adequate to her needs, and commendable to the public. A chapter that meets this requirement

must encourage scholarship. A consistent record of high scholarship in a chapter proves a challenge to new members and inspires a desire to maintain such a record. Regular quiet hours, rigidly enforced; regular study habits; supervised study; courses in how to study; and a careful quarterly check of members' records are the means to this end.

Healthful living conditions, mutual fellowship, and lasting friendships are prime prerequisites of a good chapter. A potential member may be impressed momentarily by the new draperies or rug, but the member that is most desirable is the one that registers approval of the sincerity and the genuine harmony of the chapter. Quite comparable to home life is life in the sorority house. An outward appearance of harmony cannot long hide the turmoil of dissension in a home—nor can a group of members hide internal strife. A winning smile is lost on a guest, if she notes a coolness existing among members. A well ordered house, one conducive to hours for fellowship, hours for study, hours for entertainment, and hours for training, will win more of the right type of members than a house where individual members dash off on a date, while a few are left to carry the ball while chapter activities are in progress. Discipline can be more than a rule-of-thumb provided by the by-laws. It can be training, begun during pledgeship, in the fact that self-discipline and individual responsibility are as much a moral obligation as one's code of ethics.

A well balanced membership, both as to interest and class distribution, offers a healthful approach to rushing. There must be kindred spirits for congeniality, but talents and interests can be as varied as the college curriculum.

Sociability consists of those intangible qualities of grace, ease, and poise, whatever the situation. It isn't an inherent quality. It is a result of training that began in the home and continued during pledgeship. Personal cleanliness, perfect grooming, ease in any social situation, poise in contacts with young and old, ability to lead conversation and keep guests at ease, knowledge of the rights and wrongs of etiquette—the correctness that is natural—all are just traits of sociability.

We cannot attract if we are not attractive. We must maintain standards in our own lives which

will eliminate any possibility of criticism. Our code of moral conduct must be more rigid than that necessary for public acceptance. Our reputation among our contemporaries must be above reproach, so that there can never be any speculation as to behavior. There is no room in a sorority for loudness or compromising situations. An undisciplined life is a menace to a chapter and a curse to the person addicted to such a manner of living. We cannot live with disregard of what others think of us. As a sorority, we must offer the fun and sociability that are adventuresome but maintain standards that even the most critical will approve.

A sorority chapter must present a unified group that eagerly participates in campus activities. Only by supporting the college in the execution of its programs can we be assured that we are doing our part. Such participation is also a means of developing the abilities of each member of the chapter, while presenting to the campus a coordinated effort of group action. High honors and outstanding offices should be sought, but the greatest development comes to the members that

consistently attend meetings, participate in programs, and quietly support without seeking to usurp.

If we can analyze ourselves and meet these challenges, then we can approach rushing with the joy of having something to offer. You, as collegiate members, choose your chapter's future members, and on your judgment depends your sorority's future. Reason, intelligence, kindness, and tolerance in your choices are essential, for no one girl is going to fit all of our ideals; but we can look constantly for those members who show the greatest potentialities for loyalty to the college, scholastic achievement, personal development, and high standards of moral character.

By giving constant care to meeting rigid standards ourselves, we will set a pace—a standard by which we can select future members. The joy and privilege of keeping step with a growing, progressive chapter offer a challenging experience for any potential pledge. Select your members carefully, and let them carry on the traditions and ideals that are precious to you and to Delta Zeta.

Tokyo Alumnae Find Comradeship in Group

WORD of nine Delta Zetas living in Tokyo, Japan, comes through correspondence between Mary Palmer Woods, N, now living there with her husband and four children, and Sara C. Vaughan, president Tampa alumnae chapter. Mr. Woods is executive adviser in the Civil Transportation section in Tokyo.

This group has regular meetings in their homes; they have organized a Panhellenic association and have completed an important "Adventures in Friendship" project. Through their efforts, a truck load of used, good clothing was collected and turned over to the Japanese children at the leper colony at Kusatsu, Japan.

While two more Delta Zetas are known to be in Yokohama, the alumnae in Tokyo have not yet reached them.

Those about whom Mary has written are (1) Leola Beland, A Σ, who joined her family in Tokyo and works for an exclusive British importer known as Bond Street. (2) Harriet Stone Colkins, B, living there with her army husband and helping the Japanese organize Girl Scout troops. (3) Leora Scharar Eberlin, A, there with her husband. (4) Lillian Huitt Hopkins, B Δ, with her army husband and family. (5) Pearl Oien Lewis, K, with her husband, who is in the Department of the Army Civilian. (6) Sara Harrison Williams, B Δ, with her army husband and family. (7) Madeline Bayley Wilson, K, in Tokyo. (8) Lola Moeller Zook, I, with her husband, a field director for the American Red Cross. She publishes a small paper for the Natural Resources section. (9) Mary Palmer Woods.

“Adopt a Student” Plan through Adventures in Friendship Program Offered to Chapters

Connie Hug Reports from Norway

SOME of the pathways of Delta Zeta’s thrilling “Adventures in Friendship” lead to students in Oslo university, Oslo, Norway, according to Valerie Reynolds, national chairman of the Adventures in Friendship program which encompasses all of the sorority’s philanthropic projects. Other pathways lead to individuals, families and old people’s institutions or children’s institutions in Europe. Other pathways lead to those in need of attention from our National Hearing Aid project.

At Oslo university many students with no resources except determination for an education, with limited and worn-out clothing, meager diets and sometimes only a floor for a bed, prove their great desire for increased knowledge and opportunity.

College chapters not already participating in

the plan to help, are urged to “Adopt a Student.” Names and addresses are available for students directly referred by Connie Hug, A I, who has been attending University of Oslo on a Delta Zeta scholarship. These students are in need of help and friendship, Connie says. They welcome contact with American students. For information and for a suggested name, write to Mrs. Reynolds, 3040 Kirkham Street, San Francisco 22, California. And to increase understanding, it is hoped that friendly letters will be sent to the student or to anyone the chapter may choose to help, for “the gift without the giver is bare.”

Following are excerpts from two letters from Connie. One is written to Mrs. Reynolds about Adventures in Friendship and the other one for the assembled Delta Zetas at Southern California’s State Day.

DEAR MRS. REYNOLDS,

Thank you so much for your letter about the friendship program in Norway and for all the work you have put into setting up the nationwide appeal for the students in Oslo. You may be sure that anything that is sent here will be more than appreciated.

I hope you will forgive this late reply but I have just seen my Norwegian family off for their visit to America, and am now finishing classes and endeavoring to gather material to send to convention. I also have spoken to the office of students which supplied the names, and they are most grateful for what is being done.

From living here, I have found that one of the most needed important foods missing in the long winter months is fruit—and also vegetables. The canned things are just coming in, but are very expensive, so this is the lack that should be filled in diets, for health's sake if for no other reason. Other items are becoming more available, tho expensive, but these two are blocked because of imports and the small amount of dollars to be used for this. The amount of land on which to grow things here is fantastically little, and we are all getting a "grand import" consciousness. Oh yes, please do excuse my English as I am speaking Norwegian now and tend to get things backward and always spelled wrong.

Because of my Delta Zeta scholarship I would like to show all DZs something of Norway as a country, old and new. However, tho there are many new and modern things here it has little to do with the problem of the students, the imports of food and clothing, and the life of the more primitive valleys.

I hope to show the contrast and to stress the dependence on foreign help by the individual who is often forgotten in the search for heavy industry, water power development and balancing a budget that is hopelessly overtaxed. The country is progressing at the expense of individual comfort, which seems necessary now, for friends across the sea are so welcome. In fact now we are happy to have a box coming today from America, and my home here has been far more fortunate than other students could hope for.

Thanks again for considering all of us in Oslo worthy of help from "Adventures in Friendship" and be sure it is well placed.

Most Sincerely,
CONNIE HUG

DEAR DELTA ZETAS,

The happiest greetings from Norway. Even though I am half way around the world from you, and in another land and culture, it is impossible not to think of Delta Zeta more clearly as State Day draws near—

a day where we can meet together with other women of the same common ideals, aspirations, and beliefs.

But what does one receive of this by being away and gazing at the future empty of this frequent and stimulating contact with other sisters? First, the members and works of the sorority do not stop at the national boundary. Imagine seeing girls at lectures in Oslo wearing the golden LAMP, sharing experiences here with a new found sister from an American university, and seeing the fine results of the national philanthropies abroad helping needy students in many lands. But beyond this, away from the fine inspiration of nearly daily contact with women sharing these bonds of friendship, loyalty, and service to others; it seems doubly important to attempt to carry on these qualities given us through Delta Zeta—to whatever place and people we shall meet and with whom we shall live—for our pleasure in the sorority is great, but the obligation is even greater to live and give out to others the benefits of what we have learned as university and fraternity women.

Delta Zeta has been a "friendship exchange" for all of us in meeting together from different campuses and groups. It has also gone beyond as an international exchange of help and aid where it is most needed. A letter I just received tells me that you have readily adopted the plan of service to the students, through Adventures in Friendship at the University of Oslo, who are in need of some help in their admirable quest for learning—and speedy action is being taken to stimulate this "cross the ocean service" from you to us. The immediate willingness of our sorority to accept this large task is a genuine reflection of each of you in going beyond your own problems to help others. Each small effort seems to radiate outwards in a circle which eventually cannot help but cross oceans and man-made barriers. People in foreign lands are not different from us—and friendship is a wonderful key to their door.

So, it is difficult for me not to urge you to continue this effort you can't see but which I am sure you feel is right—for it is intangible to you—but a reality to someone eight thousand miles from your home. The complete help and cooperation given me by the students in selecting these names to send—the sweet smiles and thank-yous—and the graciousness shown in being the receiver and not the more fortunate giver—are the impressions which Delta Zeta has given me so far away from all of you. Perhaps it takes distance to sharply define—for our sorority has constantly stood out this year as shining as the flame of the LAMP we wear—its light must surely have been strong enough to follow one of you to the Far North, across many miles and seas, and to last a lifetime. For this I do want to send you my gratitude and thoughts on State Day, 1950.

Yours in Delta Zeta,
CONNIE HUG, *Alpha Iota*

Calling All Delta Zetas This Summer

Won't you buy a magazine?

It's just a small request, but if Delta Zetas would respond at least once a year through the Delta Zeta Magazine Agency, oh, how the commissions would grow for Delta Zeta.

You win two ways—by receiving or giving the desired magazines and by making commissions for your sorority.

State Day Celebrations

Southern California Plans State Day Event Around Theme of "Adventures in Friendship"

SOUTHERN CALIFORNIA State Day, with the theme "Adventures in Friendship," was April 22 at the Huntington hotel in Pasadena. Arrangements for the day were under the direction of Jane Giguette Sisson, A X, State chairman, and the members of the Southern California council of Delta Zeta.

Round table discussions prior to the luncheon were on "Public Relations and Philanthropies" led by Roberta Peterson Adams, A A, and Frances Burpee Jones, K; on "Alumnæ and College Chapter Coordination of Activities," Betsy Bradley Leach, A I; on "Rushing Techniques," Janet Dunchan Lahey, Φ; "Recommendations," Grayce Leach Steinman, A B, and Helen Coleman, B K, on "Advisory Boards."

One hundred and sixty-five Delta Zetas gathered for luncheon. Jane Sisson was toastmistress. Lobelia Bishop, president of the Foot-

hill alumnæ in Pasadena, had charge of the garden theme decorations.

Each of the three college chapters presented a skit for their part of the program, Alpha Iota's was a song composed and sung by their pledges, Gamma Omicron gave a coke bottle serenade, and Alpha Chi, a radio skit. Connie Hug, A I, who is now studying in Norway on a Panhellenic exchange scholarship sent greetings from Norway in a letter which was read. Anne Grete Berg, A I pledge, who is Connie's exchange student from Norway stressed the value of friendship in her talk on her impressions of our country, and charmed us all with her shy smile and her sweet manner. We were honored to have as our guest Helen Woodruff, our national treasurer. We were very interested in her experiences of motoring across country and her contacts with Delta Zetas over the country.

CALIFORNIA'S STATE DAY, AT THE HUNTINGTON PARK HOTEL, WAS
ATTENDED BY 165 ALUMNÆ AND COLLEGIATE MEMBERS

ARIZONA STATE DAY LUNCHEON, APRIL 29, AT THE ROYAL PALMS, NEAR PHOENIX,
WAS ARRANGED BY MILDRED KERN TEDFORD (MRS. DEE A.)

SOUTHERN CALIFORNIA COUNCIL OF DELTA ZETAS promotes better cooperation, unity of efforts and greater understanding. In the council are: Left to right, seated—Mrs. Garold A. Leach, national alumnae vice president; Mrs. George C. Havens, national extension vice president, a visitor; second row—Ann Janett, president Alpha Iota chapter, USC; Mrs. Bradford Bishop, president Foothill alumnae; Mrs. William Wilson, past national membership vice president; Mrs. Edgar House, president San Fernando alumnae; Mrs. Fred Kelleway, director Province XI; Janet Elliott, president, Alpha Chi, UCLA; Mrs. William Harms, president Los Angeles alumnae; standing rear row: Mrs. Sydney Campbell, president Santa Monica alumnae; Mrs. Charles Sisson, state chairman Southern California and Mrs. Theodore Nichols, president Long Beach alumnae.

Betsy Bradley Leach, national alumnae vice president, made the annual alumnae award for outstanding service to Delta Zeta to Edith Kinard, E, and a member of San Diego alumnae chapter. Jane Sisson made the college chapter

scholarship awards to the girls who had made the most improvement in their grades in their respective chapters. The winner from Gamma Omicron was Geneva Mello, Alpha Chi, Emma Lee Kriling and Alpha Iota, Dare Rowland.

Georgia State Day Makes Headquarters in Chapter House on Brenau College Campus

STATE DAY for Georgia was held at the Alpha Omicron chapter house on the Brenau college campus, Gainesville, to observe the third annual event. Arrivals were graciously received by Peggy Braselton (Mrs. H. B.), A O, chairman of arrangements; Elizabeth Grimer, president of A O; Mrs. Russell T. Costello, national secretary, honor guest and Mrs. Odis Johnson, A Σ, national vice president.

Spring flowers adorned the beautifully decorated T-shaped luncheon table in the banquet room of the Dixie Hunt hotel—the work of Helen Radke (Mrs. Joseph), Θ, and Ann Venard (Mrs. Haskell), A T.

Jeannette Moon (Mrs. H. C.), B Φ, State chairman, acted as toastmistress and extended greeting to those present. Maurie Jones, A O, played the piano and also accompanied the group singing. Hilda Johnson reported Georgia activities and possibilities. Messages of welcome and reports were provided by Jean Edsel, A E, president of the Atlanta alumnae chapter.

Carrying out our theme of the relationship between privilege and responsibility, Mrs. Costello brought us up to date on the interesting projects sponsored nationally and locally by Delta Zeta and showed us what part we should take in making the benefits of these projects extend farther.

An afternoon of visiting at the Alpha Omicron

chapter house completed another highlight in the story of Delta Zeta in Georgia.

OREGON'S OWN OMEGA, NATIONAL PRESIDENT GERTRUDE HOUK FARISS, was presented with the highest award of Delta Zeta in the state—a crested locket. The honor was announced at the State Day luncheon, May 13, in Portland, at the University club. Mrs. Howard V. Pasley, X, who made the presentation, is pictured trying it on President Gertrude, while Mrs. John M. Clark, K, new State chairman, examines the locket, given in recognition for contribution in interest, effort and time on behalf of Delta Zeta.

College Members, Pledges and Alumnae Enjoy Michigan's State Day

By Marjorie Doyle Bergman, Beta Rho

THE Michigan State Day luncheon in the Italian Gardens at the Book-Cadillac Hotel in Detroit had the largest attendance ever experienced with an especially large number from the college chapters, including six pledges from the new chapter to be installed at Western Teachers college in Kalamazoo, Michigan.

Evelyn Adams Costello (Mrs. Russell), national secretary, delivered a very impressive talk on "With Privilege Comes Responsibility," bringing out many privileges acquired in a Greek letter organization and responsibilities acquired.

The three chapters of Michigan presented lively skits about rushing. Alpha Eta's theme centered

about the various undesirable rushees: the chewing-gum type, the ultra-sophisticate, the bespectacled self-conscious book-worm, and the boy-crazy girl. Beta Rho had a clever Swedish window-washer man that did odd jobs around the Delta Zeta house and watched the girls in their typical college life, repeating the girls' crazy antics and talk to his wife in humorous fashion. Beta Pi developed a Gilbert and Sullivan type musical using college songs with their own words to show a poor lost freshman on

the bustling campus of Ann Arbor and becoming impressed with the Delta Zetas.

A beautiful silver bon-bon dish was presented to the Alpha Etas for the winning skit.

Credit for the tremendous success of the day goes to Gerry Emmons Wilson (Mrs. J. Stewart), Jean Rogers Alborell (Mrs. Hugh), and Florence Overholt Kennedy (Mrs. Leland).

Gerry Emmons Wilson (Mrs. J. Stewart) resigned as our State chairman and Lois Banzet, Beta Rho, accepted the position.

"RELATIONSHIP BETWEEN PRIVILEGE AND RESPONSIBILITY" was discussed by Evelyn Costello, national secretary, at Georgia's State Day, held at the Alpha Omicron chapter house on the Brenau college campus.

Iowa State Day Honors Iota Pledges at Event Attended by Record Group of 156

IOWA Delta Zetas had an additional incentive for attending State Day April 22, for pledges of the re-activated Iota chapter of the State University of Iowa, at Iowa City, were special guests.

The Des Moines alumnae chapter and Gamma Epsilon chapter, at Drake university, were hostesses at the luncheon at Hoyt Sherman place. A record-breaking 156 persons attended. Mrs. Gertrude Munsel of Boone and Mrs. Bae Bassett Dana of Ames tied for longest membership honor, each having been a member thirty-four years. Each was presented with a rose.

Esther Lorenz, A A, president of the Des Moines alumnae chapter, was toastmistress.

Marguerite Wherry Havens B K, national extension vice-president, introduced eleven of the 20 Iota pledges. She brought greetings from the national council, discussed the 1950 convention and announced Virginia Kolls Wood, B K, as new State chairman. Coral Hansen Peterson, B K, province director, discussed rushing plans and chapter advisory boards and duties.

Sorority creeds were presented as scholarship awards to college members in each class. The Des Moines alumnae chapter presented a loving cup bearing the names of Diane Griffith and Dorothy Luft as the year's most outstanding member and pledge.

A centerpiece of pink roses was encircled with

sprigs made of Golden Jubilee stamps mounted on wire. The white program bore a pink paper rose held in place by a Golden Jubilee stamp. Of great interest were the tables alongside the

room where active chapters displayed trophies and scrapbook exhibits of activities.

An open house at the Gamma Epsilon chapter house followed.

Pennsylvania Delta Zetas Include Luncheon, Reception and Tea in State Day Celebration

THE fourth annual Delta Zeta State Day in Pennsylvania was held April 15 in State College, Pennsylvania, with 86 members present from college and alumnae chapters of the University of Pittsburgh, Bucknell university, George Washington university and Penn State assembled at the Nittany Lion inn for the luncheon.

Mrs. R. B. Donaldson, past president of local alumnae, welcomed the Delta Zetas to the Penn State campus. Mrs. J. K. Taylor, state chairman and a member of the University of Pittsburgh alumnae, brought greetings from their area and national. Representatives from collegiate chapters reported on the year's achievements and outstanding members of chapters.

Mrs. A. K. Anderson of State College, past national president of Alpha Omicron Pi, spoke on "The Panhellenic Creed." Following the song contest Gamma Delta of Penn State was awarded the loving cup which will be kept until the next

State Day. Mrs. Frieda Schoolcraft, province director, made the award.

University of Maine—Alpha Upsilon

The following girls were initiated into Alpha Upsilon chapter: Phyllis Atwood, Barbara Ann Chellis, Patricia Gray, Pauline Johnson, Lorraine Karam, Charlotte Lenentine, M. Elizabeth Luce, Beryl Lyon, Lorraine McGraw, and Frances Williams.

The Maine masque theater, staged a western musical, *Green Grow the Lilacs*. Phillis Webster and Marjorie Trask, were in the chorus, while Jo Thorne and Mary Maguire worked backstage on the props. Beverly Chadeayne and Lois Leonard were initiated into the Maine masque theatre, and they, too, were in the chorus.

This is the first year we crowned a Delta Zeta queen at our formal. Jan Haley was "Dream Girl." Her court was composed of Paula Plaisted and Margie DesJardins. We presented Jan with a colonial bouquet of roses. She also received a silver bracelet.

The University of Maine's Dream Girl of Delta Zeta, Jan Haley, with her court, Paula Plaisted and Margie DesJardins.

Charlotte Lenentine was tapped for Phi Beta Kappa. Others are Mary Putnam and Marie Bean.

Alpha Upsilon elected the following officers for the coming year: president, Eleanor Mower; vice president, Jan Haley; recording secretary, Marie Bean; treasurer, Claire Malcolm; corresponding secretary, Betty Richardson; historian, Ruth Burrill.

Winifred Ramsdell has been elected president of Panhellenic council for the next year, besides being president of Alpha Upsilon chapter. She served as secretary of her class, was tapped an "All Maine Woman," highest non-scholastic honor, and is our delegate to national convention.

Rhode Island State College—Beta Alpha

In sports Beta Alpha again came out on top. Our volleyball team put on a very good exhibition and snatched the volleyball championship for us.

When the honor basketball team was chosen, the results showed Beta Alpha was represented by Joy Barrows, Cynthia Bennett, Avis Buxton, Charlott Panzner, Joan Haslam, Ann Budlong and Pat Heath.

At our recent standards meeting Dean Morris gave us a very inspiring talk on scholarship. Several of last June's graduates came and gave us a very interesting look at their jobs and talked on job opportunities.

For our pledge formal the "Great Room" was decorated with eighteen little angels floating on cotton clouds. The walls of the lounge were adorned with pledge paddles and it was appropriately named "Paddle Inn."

Responsibilities of the presidency of Beta Alpha and attendance at convention are combined for Shirley Steere.

BETA ALPHA, RHODE ISLAND STATE COLLEGE—Beta Alpha presents its new initiates: Left to right, first row, Patricia Byrnes, Jane Drummond, Patricia Colwell, Charlotte Panzer, Joan Haslam, Muriel Huling, Carol Wood, Betty MacCarthey. Second row, Helen Dougherty, Betty Kilgus, Nancy Briggs, Marie Gilbert, Marjorie Wood, Sally Davenport, Winifred Barber, Jean Harnden, Claire Emerson.

The last get-together of the Mothers' club was held here at the chapter house. A social hour and tea was held at which the mothers of the pledges were guests.

Not too long ago we gave a party for Alpha Epsilon Pi. We displayed our talents in the form of the "Ink Spots." The procedure was reversed and we called on our guests to give us their interpretation of the songsters. It would be hard to say just which group gave the best rendition.

Another event on our social calendar was the party which Sigma Chi gave us. The question still asked in response to a hypnotizing act by one of the brothers is, "Was he really hypnotized?"

We have been practicing industriously for the Panhellenic sing which will be held later in the spring.

Beta Alpha sends her graduating sisters out into the world with the best of wishes for the future. 'Til we meet again this fall, we would like to wish everyone an enjoyable vacation.

Alpha Kappas won a page in the *Onondagan*—reward for winning second place in the year book sales contest.

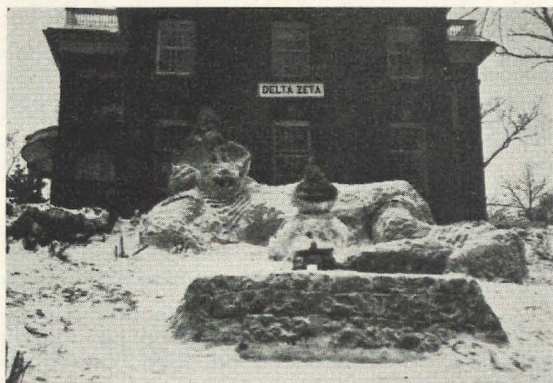

Seems Alpha Kappas have had a definite rise in scholastic average.

In cooperation with the other sororities on campus, we have brightened the days of infirmity patients, visiting with them and running errands. Joan Appleman, JoAnne Hudson, and Betsy Bishel are working with Camp Fire girls; Ruth Price teaches crafts at Syracuse Boys' Club; and Lydia Benninger has a Y.W.C.A. group. The chapter made a donation to the rheumatic fever fund.

We rounded out our social activities with our spring dance, "Blue Moon."

Hunter College—Gamma Eta

Our most successful rush party this term was our traditional second event "night club" party. Our continuous entertainment consisted of two skits.

Elected to office were: Evelyn Cunha, president; Isabel Geddie, vice-president; Theresa Spolzino, corresponding secretary; Rosemarie Toboada, recording secretary; Elizabeth Ganz, treasurer; Elsie Huttman, rush captain; Grace La Bruzzo, social chairman; Isabel Geddie, historian; Irene Porco, scholarship chairman.

Gay moment in skit, "How to Catch a Man" at the "Diamond Delta," an event during rushing at Gamma Eta chapter.

Virginia Cacich was elected to Pi Mu Epsilon, national math honorary, and both Flora Johns and Winkie Walsh were awarded assistantships, which they will accept after graduation.

The chapter had a weekend at Irene Porco's summer home upstate. Since Hunter college does not allow us to have a chapter house, weekends like this help bring us closer together and show us the real spirit of sorority.

We were pleased to have had a visit from Miss Alice Woller, our province director, this week. Miss Woller told us she hopes that Gamma Eta and the other two Delta Zeta chapters in and near New York City, Alpha Zeta at Adelphi and Beta Omega at N.Y.U., will be able to work closer together to solve common difficulties due to our big city environment.

Five or six Gamma Etas expect to be able to attend the National convention in July, so we're looking forward to meeting some of our sisters from other chapters.

The rushing parties this year were colorful and lots of fun. "Holiday in Hades" saw most of the initiates in bright red devil's costumes. For the traditional Harem Party the girls donned colorful harem costumes. Lois Hager, as the grumpy old sultan, presided.

Collegiate members gave a dance at the sorority house for the neophytes.

An openhouse for all the campus sororities and fraternities was also held in honor of the pledges.

Lois Weber, social chairman, planned a barn dance at one of Pittsburgh's parks and the spring formal. At the formal, girls had a chance to initiate some of their escorts as "DZ Men."

For spring festival in May, committees were hard at work planning the float and carnival show. This year's festival theme is "Mother Goose." Dolores Morey heads the float committee and Marian Isaac is chairman of the carnival committee which will work with the Lambda Chi's in putting on the show.

By a small but important .03 we missed the scholarship cup. Our average was 2.001, with 3 being A. The

We have planned to have some of the Woodycrest trailer camp children again this year for an Easter party, with an Easter egg hunt and entertainment in the playroom in the dormitory.

State Day was held here on April 15. The event included a tea in the lounge in the afternoon and a

banquet at the Nittany Lion inn. One of the important questions discussed was whether to make State Day "Province Day." This question was exceptionally apropos.

Our pledge dance was held on April 22 at the Phi Kappa Tau house. The theme was "April Showers." We also held a rummage sale April 29.

Gamma Delta chapter participated in the Panhellenic and IFC Sing held in March.

Polly Brader, Grace Miller and Lee Hills attended the Matrix Table dinner at the Nittany Lion inn on March 27, given by Theta Sigma Phi, national journalism honorary.

On February 26, ten girls welcomed into the chapter were Anellen Bowne, Ann Colburn, Nancy Foster, Jean Howard, Barbara McGee, Eloise Lorch, Lois Payne, Priscilla Sachse, Kathryn Weber and Frances West.

After initiation, the big sisters of the newly initiated girls had a dinner in their honor at the Phoenix hotel.

Recently Millie Williamson represented Delta Zeta in the speed school contest in which a queen of speed scientific school was chosen.

Two of our girls, Era McGough and Betty Quinn, served on the staff of the *Thoroughbred*.

University of Cincinnati—Xi

We have twelve proud, new initiates, who experienced the beautiful initiation ritual and were thrilled by the presence and message of Mrs. Julia Bishop Coleman at the initiation banquet. They are: Marilyn Cones, Mary Lou Crichfield, Joyce Daubenbis, Enell Dowling, Cora Freytag, Donaldal Gates, Patty Newbold, Betty Sandhas, Betty Lou Schoenfeld, Mary Ann Sommers, Marilyn Walker, and Blanche Worden.

We had an open house for Charlene Starr, our lovely candidate for junior prom queen. During Religious

NEW INITIATES OF CINCINNATI'S XI CHAPTER OF DELTA ZETA

Emphasis Week on campus we invited Alpha Omicron Pi, a neighboring sorority, over for supper. We all learned so well that by meeting and getting to know your neighbors, you also learn to "love thy neighbor." This whole spirit was carried through in the radiant and meaningful message given by our guest for the evening, a Presbyterian minister.

Our mothers were invited to our March standards meeting, which was a style show of all the dainty spring fashions.

Battling hard we came in first in volleyball. And in the scholarship picture Mary Ann Sommers was initiated into Alpha Lambda Delta.

The new officers are: Charlene Starr, president; Lois Rapp, vice-president; Betty Lou Schoenfeld, recording secretary; Ellen Heis, corresponding secretary; Sharon Sander, treasurer; Cora Freytag, historian.

Wittenberg College—Beta Chi

Beta Chi, here at Wittenberg College, is very proud to announce that we now possess the scholarship cup presented to that sorority with the highest overall scholarship. Delta Zeta topped *all* affiliated and independent groups on campus.

Janet Hart, Beta Chi's recently elected president, is very active on campus. "Jan" won a high school prize scholarship, for finishing in the upper 3% of her class. She became active on campus, in extracurricular and sorority activities: a member of Alpha Lambda Delta, and historian of that group, member of Y.W.C.A., Red Cross, executive committee of Lutheran youth conference and secretary of the Lutheran student association. Janet, will be a junior next year, and is studying art. She plans to attend Delta Zeta convention at Mackinac Island this summer.

Another outstanding Delta Zeta on campus is Jane Huber, a music major, member of the Wittenberg choir and is the piano accompanist for that group. Jane is a member of Arrow and Mask, junior women's honorary. She is the new president of Sigma Alpha Iota, music honorary. An ambitious girl, Jane ably guided her sorority as song leader, and is now house president, and every one knows the responsibility that such a job entails.

Juanita Harter is a member of Arrow and Mask, junior women's honorary and Psi Chi, psychology honorary. She is scholarship chairman of our group, member of Delta Phi Alpha, L.S.A., Y.W.C.A., and Foreign mission fellowship.

A very recent alumna, Margaret Miller went to Europe last summer with an interested group of young people, sponsored by the Lutheran Church. Their mission was certainly one of charity, as their aim was

to bring back the information which would prove to the world the need for "The rebuilding of the churches of Europe." Peggy is richer in knowledge of the people and of the land which she visited. Their tour of the country was as complete as possible.

Our wonderful new housemother, Mrs. John Ziegler, "Mom Z," as she is fondly called by the girls at 923 N. Fountain, is a great asset.

A musicale, to help pay for the new piano, was a dress-up affair.

Newly installed officers for Beta Chi chapter are: Janet Hart, president; Martha Witthoft, vice president; Gail Niethamer, treasurer; Ann Feduff, recording secretary; Jane Huber, house president; Lois Schultheis, corresponding secretary; Carolyn Burke, historian; Lee Lowenstein, courtesy secretary; Carolyn Leemhuis, rush chairman.

Initiation services were held for Barbara Snyder, Juanita Harter, Doris Krumenacker, Helen North, Wilma Hischka, Marjory Streich, Eileen Theobald, Joan Deible and Muriel Nichols.

We pledged \$25 to the campus fund for displaced students. Our booth at the annual World Student service fund carnival, for which Norma Minch was co-

chairman, was very popular with all comers. In our gay nineties sandwich kitchen we sold coke and hot dogs.

President of Mu Phi Epsilon, national women's music honorary is Saralu Covert, who succeeds another Gamma Alpha girl in that position. A Gamma Alpha pledge, Jan Douglas, was elected alumnae secretary of Mu Phi Epsilon.

Jane Meisner, who wears our scholarship locket, was recently elected into science seminar. Tanya MacMorris has a part in *Macbeth*. Arlene Allison has a role in the May day play, *The Late George Apley*. Arlene was also elected vice-president of Wesley Fellowship.

In the cast of "Sister Angelica" by Puccini were Jackie Osenbaugh and Arlene Soskey. Jackie also has presented her senior voice recital, and was accompanied by Marilyn Douglas.

Anna Marie Schaible is president; Fran Feusier, vice-president; Anne Crosman, recording secretary; Molly Fluke, corresponding secretary; Babs Ayres, treasurer and Betty Turner, historian.

It is always an honor to be a member of the May queen's court, and Alma Gene Bauer, Fran Feusier and Ruth Silliman are this year's attendants from Delta Zeta. For the annual clothing drive for CARE, Pat Lowe is co-chairman.

We are very proud that we have been invited to sing at State Day, and are working very hard on our songs.

Soon after that occasion we will compete in the an-

The high mark on our social calendar, was reached with the annual Rose ball held May 13. The nearby Akron Women's city club furnished a dreamy backdrop for this formal affair, and couples danced through a large lattice work spelling out D. Z.

State Day was held in Akron this year and since Kent is so close Gamma Kappa held open house for visitors in the afternoon.

Campus Day is the biggest day of all at Kent State university with the crowning of the May queen. The Delta Zeta float this year represented a "Pearl of Delta Zeta," a pearl shell with a girl and her attendants in the shell.

A series of fraternity parties were held and an April Fool's day party for the girls and their dates. An exchange dinner took place with Theta Kappa Phi fraternity and the annual foreign students' party was also given. The president of the university and his wife, Mr. and Mrs. George Bowman were entertained at dinner. Afternoon get-togethers with other sororities on campus were also initiated this quarter.

Three girls of our chapter were elected to the education honorary, Peg Brown, Ruth Paul and Shirley Drake.

Two of our seniors, Rusty Moore and Joan Comstock, graduated at the end of the first semester. Marge Novikoff has the lead in the spring play, "The Passing of the Third Floor Back," and Terry Ann Tull has been pledged to Theta Sigma Phi, national honorary journalism fraternity.

University of Michigan—Alpha Eta

Alpha Eta began the spring semester with a flurry of unpacking, recuperating from the weekend of J-Hop and settling down to the routine of classes again.

We gave a most successful record dance honoring our 12 new pledges. Now we are looking forward to our pledge formal to be held in the chapter house May 18.

We are all very proud of Mary Helen King, our new president for next year, appointed to the speaker's committee for the Phoenix project which is the University of Michigan's war memorial in the form of an atomic research program for peacetime use. Marilyn Begole again has brought us honor with her portrayal of Cordelia in *King Lear*. Jane Moudy, a pledge, does committee work for the junior girls' play, and belongs to Michifish, women's swimming club.

Almost any night after dinner you will find the Delta Zeta's in the living room practicing for the annual "Lantern Night" sing among women's residences.

There were a few sentimental tears shed over the seniors who left the house one night in March dressed in their caps and gowns for the traditional senior night banquet and private preview of the junior girls' play. A party at the house climaxed the evening.

To lead the chapter in the coming year we have a new slate of officers which includes Mary Helen King, president; Catherine Murtha, vice-president; Beverly Dunn, recording secretary; Barbara Cook, treasurer, Jane Moudy, recording secretary, and Marian Gessner, historian.

Spring is coming to Tulane and Newcomb campuses and talk of sorority skit night is heard. Duels are being fought in this corner and in that room pirates are dancing around a chest of jewels and diamonds. Above all hangs an air of deep secrecy; fear that the other sororities will guess our plot prevails. Glancing around the room and while stepping over preliminary props and

costumes we cannot help but think that Ziegfield had nothing over us!

Religious Emphasis Week was observed on our campus with representatives of the various faiths addressing sororities and fraternities at the weekly meeting. We were pleased to have Rabbi Nathaniel Share as the one to deliver a few remarks to our chapter and afterwards lead us in a discussion on the part of religion in the atomic world.

Oklahoma State Day at Alpha Epsilon chapter house was attended by Miss Helen Woodruff, national treasurer (seated left), and Miss Cleora Crosby, national field representative (seated right). Mrs. Porter M. Larson, province director and Mrs. Myers Lockard, State chairman (standing), helped make arrangements for the event.

Margie Coles was chosen to be in the Varsity Revue chorus and will have her picture in the beauty section of the *Redskin*.

Gamma Zeta has received two distinct honors recently. We received the city Panhellenic award for having the highest average on the campus. The award is a lovely silver bowl upon which our name has been engraved. Needless to say, we are very happy to be so honored, and this award is an added beauty for our chapter room.

Our president, Gradylene Jordan of Houston, Texas, has received one of the highest honors that can be bestowed upon a Southwestern girl. "Grady" has been nominated for "Miss Southwestern." To be thus honored, a girl must be outstanding in scholarship, leadership, and have the highest standards of young womanhood. "Grady" has all of these qualifications. She has held several offices in Delta Zeta; is a member of Alpha Chi, campus honor society; a member of the Science society, A Cappella Choir, and several other campus activities. She was chosen as "Delta Zeta Dream Girl" this year, is beloved by the entire chapter. And is a real credit to Southwestern and especially to Delta Zeta.

Before their initiation, the pledge class gave the initiates and their dates a unique barn party.

NEW HAVEN

New Haven alumnae have been making doll furniture for children cardiac patients in New Haven hospital, while President Jean Kelly Morris (Mrs. Ramond P.), E, conducts the business session. We have had our most recent get-togethers at the homes of Nancy Fitzgerald Welch (Mrs. James), T B, and Barbara Hoffman, T B. We were pleasantly surprised by the visit of Florence Farrell Spargo (Mrs. Paul), T B, who has returned to the states from the Canal Zone, where she and her husband lived at the Naval base.

Many Delta Zeta members are active in clubs and social organizations in and around New Haven. At the present time. Mar Packer Reid (Mrs. Victor), Ψ, Nancy Fitzgerald Welch (Mrs. James), T B, Jean Cody Sullivan (Mrs. Austin), A T, Joan McHugh, A E, and Ethel Chaosky, T B, are participating in the activities of the American Association of University Women. Virginia Butler Calistro (Mrs. Joseph), T B, Connecticut State Chairman of Delta Zeta, was elected secretary-treasurer of the University of Connecticut Alumnae association.

JEAN KELLY MORRIS, *president*

PROVIDENCE

We held a dinner meeting with election and installation of officers at the Hearthstone House, Seekonk. The members also assisted the newly formed Delta Zeta mothers' club at their bridge party by making and filling baskets of candy and helping to serve refreshments. The mothers' club is raising money to purchase a silver service set for the college chapter.

Scheduled was a Panhellenic fashion show at which the Providence alumnae chapter was host to all other alumnae groups from Rhode Island State college and friends.

A family tea was held May 21 in the garden of Eloise Fairchild's home in Rumford to benefit our chapter treasury.

Plans were made with the South County group for a progressive supper on June 5 in Kingston for members of the senior class.

SOUTH COUNTIES

The Providence alumnae chapter presented us with a lovely engraved gavel. Doris Dyson, our state chairman, made the presentation. We were pleased to have both Doris and Muriel Fletcher with us at our January meeting, which was held in the apartment of our president, Ruth Tucker. After the business meeting, Ruth, who taught in Alaska previous to coming to Rhode Island

State, showed us her wonderful collection of Kodachrome slides.

Mabel Bargamian Goshdigian was our hostess at a Valentine party in February. During the party, we presented Miss Grace Whaley with an old-fashioned nose-gay as a belated birthday gift from "her girls."

Our March meeting held at Ruby Odland's home was devoted to business. A by-laws committee and a nominating committee were appointed. Plans were made for a canasta party to help our treasury. We are also helping the Mother's club by making candy baskets and filling them for their April bridge.

We are looking forward to many late spring activities. Play Day at the chapter house will be held in May.

RUTH E. TUCKER, *president*

HARTFORD

The spring formal, was scheduled May 12. The dance committee, composed of Emily Hayden, chairman, and Eleanore Tryon, Laura Stepeck Lorch, and Corrine Scherman selected the "Wonder Bar" night club for the affair. Members of the New Haven group have been encouraged to come and we expect to renew many old acquaintances at this time. The proceeds will be used to buy furnishings for the new Gamma Beta chapter house to be opened this coming fall.

There are many events we feel would be of interest to other alumnae.

Virginia Douglas, who just graduated from the University of Connecticut in February, is now doing child nursing work in Boston. The engagement of Emily Hayden, Gamma Beta, class of '49, to Robert Adams, Theta Xi, was announced in January. Another engagement we have to announce is that of Peggy Croke, Alpha Tau, class of '49, to Edward Fry, also a graduate of the University of Texas.

LONG ISLAND

The April meeting of the Long Island alumnae was held at the home of Carolyn Graves in Westbury. Mrs. Loyd Dick of Garden City was re-elected president. Other officers for next year include: Mrs. James Rock, vice-president; Mrs. F. M. Sturge, corresponding secretary; Mrs. William Heaslip, recording secretary; and Mrs. Bruno Espersen, treasurer.

Our president, Ruth Dick (Mrs. Lloyd), will be the delegate to the national convention at Mackinac Island, leaving her two small children home with her loving and willing relatives!

Long Island alumnae invite an Adelphi college chapter girl to attend alumnae meetings. This lets the Alpha

Zeta members know that we are interested in them and enables them to get to know us before they become alumnae too. The alumnae are cooperating with the Alpha Zeta chapter on a rummage sale to raise funds towards a \$300 assessment on the college chapter.

Our May meeting was held at the home of Martha Huntington (Mrs. Leroy). Martha is a unique member, having been born and brought up in Alaska, attended college at the University of Washington in Seattle, where she became a member of Delta Zeta, and since has traveled over at least half of the world with her husband and son. Martha will display her collection of shells, gathered on her travels. Also at this meeting, clothing will be packaged to be sent to an adopted family in Europe.

NORTHERN NEW JERSEY

Our bridge party in February was a financial as well as a social success. Proceeds have been turned over to national for the hearing aid fund.

New officers elected: Jane Dezendorf, president; Lattie Dawson, vice-president; Emily Cox, corresponding secretary; Ruth Waldron, recording secretary; Vera Hallinger, treasurer; Naomi Brace, Panhellenic delegate; Grace Poe, alternate; Helen Baker, LAMP editor; Jane Dezendorf, and Florence Hohnbaum, convention delegates.

It is recommended that the presidents of the last two years serve as an ex-officio advisory board to the incoming officers.

Miss Cane of the Georg Jensen company, New York, told us about the famous Marghab linens and the samples she showed were gorgeous.

Two members of our group who have been outstanding recently are Helen Baker and Florence Barker. At our last hobby show, Helen did beautiful copper work. She has had an exhibit in one of the New York armories. Florence has been elected president of the Westfield college club and has also been appointed Δ Z state chairman for next year. She has planned

State Day for April 21, 1951.

In April we joined our New York sisters for their bridge at the Beekman Tower.

We held our final luncheon at the Molly Pitcher hotel in Red Bank on June 24. Jessie Emerson Moffet (Ohio State), author, was our guest of honor. Jessie's daughter is also a Delta Zeta from Ohio State.

It is gratifying to learn that several new faces have been present due to the work of the telephone and visiting committee and to the work of our publicity chairman, Charlotte Freygang, who has done an excellent job of having our meetings and social events publicized in the local newspapers.

VIRGINIA COX COOLS, *editor*
FLORENCE HOHNBAUM, *president*

SYRACUSE

Our January meeting was held at the chapter house. Elaine Wright Wilkie and Vera Solima Weber presented a "Musical Intelligentsia" program. Ursula Palloskay and Mary Frances Sims were hostesses.

February was another "double feature" month for us. Besides our regular meeting, we had a farewell party at Ina Taylor's for Dorothy Scott Gibbs who sailed on March 26 to join her husband, Lt. George Gibbs, at Camp Drake, north of Tokyo. Dottie proved herself a good detective by guessing the contents of our various gifts from the clues in our rhymes. She plans to teach English classes at Aoyama Gakuin. Hilda Schnauber and Vi Pollatsek assisted Ina.

At our March meeting we decided to buy our fourth hearing aid and also to start redecorating the second floor of the chapter house by "doing" the president's room. A speaker from the Y. W. told us about their "Ladies Day Out" program.

At our April meeting we had the activities of the hearing aid center explained to us by the doctor in charge, Dr. DiCarlo, through whom all of our hearing aids have been placed.

April was initiation month for Alpha Kappa chapter. The banquet is to be held April 29 at Tubbert's.

WASHINGTON

We met in February at the home of Alice Hanson Jones (Mrs. Homer) where we spent an evening of just plain getting acquainted. We sat in a circle and made the rounds, each one telling who she was, what she did, and where she had been. You would be amazed, at how many VIP's we have here. In all it was

a successful evening in every way and done without the aid of an outside speaker.

March has been our coldest month this winter—even had a bit of snow—but there was nothing cold about our March meeting. We met at Fay Holloway Wetmore's (Mrs. Alexander) home and listened to a really charming woman discuss her hobby, collecting old glassware.

COLUMBIA

Columbia alumnae chapter was entertained at the home of Betty Barnette O'Brien, who has been busy lecturing on decorations for the Garden Clubs. The following week the regular monthly meeting was held at

the home of Mildred Coe Lide. Many of our "old timers" were back at both meetings and we did a lot of reminiscing.

We made a lot of new resolutions for being more active in our group and helping the undergraduate chapter in every way we could. Velda Harth Griffen, Ruby Kitchens, and Ida Huiet Satterwhite got up early one Sunday morning and went down to the sorority room and served waffles to the chapter and same rushees,

then Ida gave a Japanese party at her home for the rushees.

Among those heard from after our "Round Robin" newsletter, were Wylette Culbreath Spier, who lives in Knoxville, Tenn.; Bobby Williams Betchtel, who has two sons and lives in Atlanta, Ga.; and Betty Brown May from Bennettsville, S.C.

Toni Simpson Mitchell is now living at 260 Harvard Street, Cambridge 39, Massachusetts, where her husband is attending M.I.T.

Betty Carlisle Camp has moved to Spartanburg, S.C.

Sara Holland Botkins is secretary to the minister of the Baptist Church at Bremen, Georgia and Dorothy Bullard is secretary to the pastor of Washington Street, Methodist Church, Columbia, S.C. Betty Ziegler has moved with her family to Atlanta, Ga.

Now, girls do send in your names for the register that we want to keep in the sorority room. This ledger will contain date of initiation, what you have done since graduation, your present address, and name of husband and children if any. Send to your editor, c/o McKissick Library, University, S.C.

LOUISVILLE

At the home of Helen Atkins Stone in Clarksville, Ind., bridge was played.

We sponsored a card party at the Miller paper company auditorium. We were pleasantly surprised at the amount realized.

At the charming new home of Florence Hagman Gerdes, our guest speaker was Dr. Hilda Threlkeld, dean of women at the University of Louisville—a very charming and understanding person as well as an interesting speaker.

On April 22, we were host to all Delta Zetas in Kentucky for a State Day program. Our own Margaret Lee Hanley is the new State chairman. Our guest speaker was Miss Adele Brandeis, art editor of the *Courier-Journal* and the only woman trustee of the University of Louisville.

We have been pleased with the enthusiastic turn-outs at our meetings in the past few months. A more varied program which includes a few purely social meetings seems to be the answer to our particular situation.

Billy Happoldt and Rosalee Wilson, brides-elect, were guests of honor at a party in the home of Hazel Long (Mrs. C.B.O.). Each member brought a favorite recipe and these were presented to the guests of honor in books decorated by Ann Vernard (Mrs. Haskell).

Members of the Atlanta alumnae chapter formed a motorcade to attend Georgia's third annual State Day on Saturday, February 25, at the Alpha Omicron chapter house, Brenau college, Gainesville, Ga.

A luncheon meeting with lovely spring decorations done by Helen Radke (Mrs. Joseph) and Ann Vernard (Mrs. Haskell). Peggy Brasselton led the group singing of Delta Zeta songs. Elizabeth Grimmer reported from the chapter at Brenau college and Norma Jean Edsel reported for Atlanta alumnae. We had two national officers present: Mrs. Russell T. Costello, national secretary, and main luncheon speaker and Mrs. Odis A. Johnson, national membership vice-president who spoke on Delta Zeta extension. State Day gave evidence of the growth since Jeanette Moon undertook its organization three years ago.

The regular March business meeting was held in the home of Renee Patterson (Mrs. Robert). Pinky Harris (Mrs. Jack) was elected to serve as secretary for Atlanta Panhellenic for next year and Amaryllis Barnes (Mrs. Ray) as representative.

The April meeting in the home of Margaret Vardaman ends our business activities for this year. At that time our annual election of officers will be held and plans will be completed for our money raising projects and summer rushing.

MIAMI

We are once again proud to announce that the chapter has given a hearing aid to a needy boy. Portia Laughlin, an alumna, is always on hand to find a

recipient for our hearing aids. She tests the hearing of children enrolled in the Dade County school system. Through her we are kept informed of the remarkable progress these children show after receiving such wonderful gifts.

Delta Zeta alumnae of Miami sponsored the Ring theater at the University of Miami on February 22. The house was completely sold out.

Early March found us electing a new set of officers. They are as follows: president, Daphne Hesslein; first vice-president, Thelma Matheson; second vice-president, Sue Sudduth; recording secretary, Genevieve Lynch; corresponding secretary, Kathleen Gillen; treasurer June Deets; editor, Margaret Kruse.

Our chapter has instituted three monthly group meetings. We find our active membership increasing. These group meetings are less formal and more social than our occasional joint meetings. Evelyn Costello, national secretary, attended one of our group meetings. Her deep understanding of Delta Zeta gave those attending a renewed vision of what being a Delta Zeta really means.

We have selected Lurana Purdy, retiring president of the alumnae chapter as convention delegate. Alternate will be Daphne Hesslein.

ORLANDO-WINTER PARK

Our meeting at the home of Louise Stokes, carried out the theme of George Washington's birthday. Helen Bently and Helen Wood, both B M, attended this meeting.

Our Panhellenic representative reported that the Central Florida Panhellenic Association planned to have all sororities sell tickets to a harness race at the Ben White Speedway in Orlando, to make the five hundred dollars needed to give a scholarship to a Central Florida high school graduate. It turned out to be a big success, which made us feel very proud.

In March we had a brush party at the home of Louise Stokes. Each member was asked to bring one

or two guests. The salesman displayed all of the different articles to aid the home-maker in cleaning her home, after which, we selected whatever we liked the most. We received 15 percent of the total amount of the sales.

The new officers elected for the coming year are as follows: Jean Newhall, president; Miriam Anderson, vice-president; Catherine Wooten, secretary; Cecil Mitchell, treasurer and Jean Chiles, LAMP editor.

LAKELAND

The Lakeland alumnae have been raising money for our philanthropic project—that of buying a hearing aid for a local public school child. We have had two candy and cookie sales and a rummage sale.

At Florida Southern college, we have celebrated our

65th annual founders' week. We were more than pleased that our Beta Mu chapter president, Miss Janie Cameron, was chosen queen of founders' week this year. Our own alumnae member, Mrs. Doris Purcell Heath, B M, was re-elected alumni secretary.

We all enjoyed meeting and talking with Mrs. Evelyn A. Costello, national secretary, who visited us. A tea was given in her honor at the college.

CLEVELAND

Continuing their busy round of activities, the members of the Cleveland alumnae held a meeting at the home of Mary Lou Kishel McDade (Mrs. H. L.), I A. High point of the evening was a book review ably given by Marjorie Self Hall (Mrs. Wm. G.), A II.

The occasion of a joint gathering of the Cleveland east-side and west-side groups at the Cleveland Heights home of Lee Goff Hall (Mrs. Charles), A II, saw a large turnout of members and friends who greatly enjoyed a movie-lecture entitled "Vacation in Alaska," given by Dr. Richard Renner. On the committee for this meeting were Mary Hayes, A A, Ethel Boros, O, Nancy Gaffney, I, Gwen Drake Herron (Mrs. Lewis F.), T, and Mrs. Howard Brown.

Featured was an art and craft show at which members displayed and sold products of their own handicraft as part of the chapter's year-around funding campaign. Among the more outstanding exhibits raffled was a block print donated by Mary Cunningham (Mrs. Phelps), A Φ, and a hand-painted luncheon set made by

Marjorie Hall.

May will find the members gathering at the new Orange Village home of Alice Lamiell (Mrs. Donald), Θ, for the annual installation of officers.

Spring cleaning is again a boon to the chapter, coming, as it does, at the fag end of the year with our rummage sale drawing to a conclusion. Under the gentle persuasion of Lee Hall, members' attics have proven unusually productive this year.

Delta Zetas once again met in a private dining room at Rikes department store. Place cards and table decorations that celebrated St. Valentine's Day. A business meeting was followed by bridge and canasta. Our chairman was Evelyn Lytle Rinehart (Mrs. Howard).

Miriam Burns Wagner (Mrs. James), Δ, will serve her second term as president, Charlotte Wells Kunst, A, is vice president and secretary, Mary Lou McConnaughey (Mrs. William), A, is treasurer. Our program for the evening was "Know your Delta Zeta." Brief talks were given by Donna Abbott Randolph, Isabel Lapp, Virginia Bucher Daum, Carolyn Mathews Buckey, Mary Fran Trantor Kling, Mary Lou Karstaedt and Mary Lou McConnaughey Barth. Our Delta Zeta scrap book was passed around, causing much interest.

The Dayton chapter of Delta Zeta cooperated with the first big local Panhellenic dance on April 22. This type of affair is instrumental in helping good Panhellenic spirit prevail in Dayton. Working with the group is Martha Sharkey, our Panhellenic representative and Barbara Merrick Graeff (Mrs. Robert), A.

Barbara Baker, A, is engaged to Robert Steinhagen, a Sigma Nu from Miami.

SPRINGFIELD

Under the very capable leadership of our president, Myrle Corwin Duffey (Mrs. Kenneth), B X, the Springfield alumnae have had an unusually successful year. While a large part of the business is connected with the chapter, we have attempted to have short programs, also.

Shirley Knoske Gher (Mrs. Henry), B X, entertained us. Assisting her were Mary Davis Shultz (Mrs. Rodger), B X, and Phoebe Welsheimer Bell (Mrs. Robert), A. During the amateur hour, readings were given by

Marilyn Gallagher, Margaret Dean, and Eve Myers Hughes (Mrs. Albert), B X.

Gladys Hubbard Kerns (Mrs. Wm.), B X, presented two of her music students in a short program. Virginia Dorsey Slough (Mrs. Fred), Theta, and Irene Ernwein Brehm (Mrs. Charles), B X, were hostesses.

We are constantly working to help our Beta Chi chapter. This year we have bought a complete set of china (how fast it disappears), a studio couch, a drink dispenser, and a 40-cup coffee maker; we have furnished several hearing aids for children in our city; and we have sent three boxes to our adopted family in Germany.

How do we finance all this? We sell shampoo, aluminum foil, cards, stationery, and wrapping paper. Our biggest effort was the rummage sale. Our wares were numerous and so attractive, that the committee bought quite a bit of the stock as they were setting it up the night before the sale! We really work hard, but, oh, how we enjoy ourselves!

TOLEDO

We entertained our husbands and guests at a "Poor Taste Party" by having a square dance. We recommend it as a party for husbands as everyone seemed to get acquainted so easily.

Kappa Kappa Gamma held a Panhellenic party. Betty Willard, A, attended for Delta Zeta. Identification tags were in the shape of the sorority pin, and Betty's lamp is added to our scrap book. Betty reports that it was a fast moving party and everyone enjoyed themselves. Pictures of the party appeared in the Toledo newspapers and Betty was in one of the groups.

We planned a "Talent Auction." We are to make something to be auctioned at the meeting.

LANSING-EAST LANSING

Lansing and East Lansing alumnae have had a busy season and a very enjoyable one. Mrs. Melvin Lill was hostess at a bridge and canasta party in January, and everyone had such a nice time that it was decided to have a repeat performance in February. Mrs. William Turk was hostess for the Valentine party and Mrs. Donald Benscotter was hostess for our third party in March.

Of course, the Lansing and East Lansing alumnae

CHICAGO

An evening at the theatre; That was what happened at Chicago's Eleventh Street Theatre on February 9. "Two Blind Mice," was the charming and delightful farce presented by the Uptown players, now in their twenty-seventh season in the city. Delta Zetas, who comprised a large portion of the audience, added considerably to the chapter treasury.

The Marthas, as well as the Marys, in the form of the afternoon group, have been completing twenty initiation robes for Alpha Alpha college chapter. Verna Kummer, Alpha Alpha, directed this worth-while project.

All side groups devoted their March meetings to a "Know Your Delta Zeta" program. At several of these Vi Sharatt Whitfield, Tau, our capable province director, gave talks on sorority traditions, achievements, and present and future objectives. Vi is retiring program chairman of the North Shore Panhellenic association and adviser to Alpha Alpha.

"Bridge or canasta" reads the invitations these days which are going to sixteen, eight, and four prospective players. The colossal benefit bridge progression is in full swing. Only a Wall Street expert can appreciate the anticipated yield of these "old home week" evenings. The staggering sums are to be divided between our traditional hearing aid project and a scholarship for some worthy Northwestern junior. This latter gift, to be awarded to a third-quarter junior in the School of

Speech, applicable to the senior year, is being earmarked for a student who plans to work with the hard of hearing in Northwestern's outstanding clinics.

GALESBURG

At the home of Mrs. Alexander Duff, a patroness, an outstanding review of "South Pacific" was given by Mrs. Duff, with a recording of each song being played at the precise spot in which it was sung in the play.

The Panhellenic house on Knox campus was the site of the March meeting. An interesting feature of the program was colored slides of flower arrangements accompanied by an instructive talk.

Soon we will see movies of Mackinac Island, scene of convention for this year.

Georgia Pahlow of Galesburg has just been elected president of Alpha Beta chapter of Delta Zeta at the University of Illinois. All of the Galesburg alumnae members were happy to hear that Barbara Bryngleson, daughter of Edith Dopp Bryngleson was pledged to Alpha Beta chapter in March. Edith's oldest daughter Katy (Mrs. Donald) Reiss, a Delta Zeta of Tau Chapter, is teaching at Wisconsin State girls school at Oregon, Wisconsin.

One of our civic enterprises is adding a bit of cheer at the Knox country home and hospital. This month we sent cakes to the old people at the home for a party.

Our newest project is the adoption of a family in Europe, refugees from East Prussia. They have six children, ranging in ages from 7 to 16 years. We are enthusiastically working on our new venture by packing boxes of clothing, powdered milk, cocoa, coffee, and soap.

MADISON

Our activities have been many and well attended. Our White Elephant sale at the home of Elizabeth Bates Butler (Mrs. Henry R.) was a huge success. Delta Seiker Cnare (Mrs. Robert), was the able auctioneer. In March two worth-while meetings were held at the Tau chapter house. We had an interesting program with Mrs. Eva Marie Sullivan of the "House of Dolls" who

Shirley Oyen, A B, became the bride of Herbert C. J. Kaad, attended by Delta Zeta Margaret Glenz Weichel, A A (extreme left). The new Mrs. Kaad was formerly president of the Chicago alumnae chapter.

Gargantuan doll, held by Mrs. Eva Marie Sullivan and three other dolls in her rare collection, are admired by Mrs. Don Eastland and Mrs. Tom McGovern, who helped arrange for talk on "House of Dolls" at alumnae meeting at Tau chapter house. Large doll was created in Germany 45 years ago.

gave an illustrated talk about dolls from historic days down to the present.

On March 23 a spring style show was given by Harry S. Manchester, Inc. followed by dessert.

This latter was our money making function of the year and did help fill our depleted treasury so we can ably send a delegate or two to national convention. Frenda Johnson Gilbert (Mrs. Robert) was general chairman assisted by Marie Kappus Riley (Mrs. William H.), Helen Dahl Pavlac (Mrs. Ray), Virginia Smith Swingen (Mrs. Eldred) and Bette Kelsey LaFond (Mrs. Harlow). Carol Westerlund, Joan Halter, undergraduates, played for the show. Mrs. William J. Carson, Tau housemother, and Kay Gager Schreiber (Mrs. E. S.), alumnae president, poured during the social-dessert hour following.

We are sorry to see two of our active alumnae members leave us. Dorothy Lanzendorf Hall and Eldon have moved to Poynette, Wisconsin, and Elizabeth Ann Stark Logan and Edmund are back busy packing to leave for Cody, Wyoming.

MILWAUKEE

A benefit card party was sponsored in February. Ruth Benz Reimann (Mrs. Walter F.), T, program chair-

man, was in charge of arrangements, assisted by Grace Schaefer, T. Bridge, canasta and 500 were played by some 80 Delta Zetas and their guests. Two nearby collegiate chapters benefited by the success of the card party, Gamma Theta chapter and Tau chapter.

Milwaukee alumnae's goal to purchase another hearing aid has been met.

June Woelffer Velder, speech correction analyst.

Esther Hotton, WTMJ Women's Commentator "What's New" Program

Breta Luther Griem, foods demonstrator on TV, received award of merit.

Miss May Wherry, B K, entertained the Milwaukee group on March 8 at the College Women's club. The evening was planned as a social get-together. Catherine Wolf (Mrs. John E.), A E, planned and directed a brief period of games' entertainment.

Milwaukee Delta Zeta alumnae told about interesting careers at the April meeting.

Mrs. Esther Higgins Hotton, T, former women's director of radio stations WQQW, Washington, D.C., and WKOW, Madison, succeeds the famous "Nancy Grey" on the "What's New" program, a daily feature over WTMJ, Milwaukee Journal. Mrs. Hotton began her radio career at the University of Wisconsin station in 1944. She appeared as "Miss Esther" on the WTMJ Television show, "Something to Do." Mrs. Hotton has been a teacher, war worker, writer, actress, director and producer. She is the mother of two children.

Mrs. Breta Luther Griem (Milton E.), T, a home economic graduate, who appears as foods' demonstrator on the WTMJ-TV program, "What's New in the Home?", was recently given the Wisconsin award of merit by the Wisconsin Restaurant association. Breta is well known to all Delta Zetas in the Milwaukee area who own television sets. She is the author of a cook book, and can boast the distinction of being not only a career woman, but a homemaker and mother as well.

June Woelffer Velandier (Mrs. Berger), T, a 1946 speech major, has had an interesting career in speech rehabilitation work. While in Ithaca, New York, June was stationed in the rehabilitation hospital for infantile paralysis patients. She is affiliated with the Milwaukee McKinley Orthopedic school, where she is speech correction specialist. As a result of her belief in the human need for companionship and trusting faith, June generously gives much of her "out-of-school" time to the extra-curricular entertainment of her pupils.

Jane Starz T, speech major, enrolled this past January in a charm course at the YWCA in this city. Because of Jane's vivacious personality and sincere desire to "take on" the smart, young, business woman's look, she was selected by her instructor for a "before and after" study. Jane enrolled, looking like a sweet, young "coed," unsophisticated in dress. She emerged from the course a sophisticated business woman, wearing a new and becoming short coiffure, a smart wardrobe, and make-up to enhance her individual beauty. Jane herself likes the change as a result of this unusual course. She feels a more business-like attitude toward her job and a great deal more assurance.

A suggestion of close cooperation between Delta Zeta mothers' groups and local alumnae chapters to help nearby collegiate chapters, made recently by Mrs. Fern Wilson, national head of ΔZ mothers' clubs, is being successfully acted upon here in the Milwaukee area.

The mothers of Delta Zetas at the University of Wisconsin meet once a month for lunch. Our new officers installed are: Mrs. Wallace A. Barr, president; Mrs. Arthur Traulsen, vice-president; Mrs. B. F. Burkholz, secretary and treasurer; Mrs. R. C. Siegel, program chairman, and Mrs. L. C. Welle, publicity chairman.

WEST SUBURBAN

Here we are getting ready for the summer issue. Our February meeting, at the home of Mildred Evans Atkinson, was a huge success, considering the icy condition of the roads. Eleven hardy souls came carrying their bake sale goods. Everybody brought and bought something, which enlarged our treasury considerably.

We welcomed back our president, Dorothy Tamblingson, after her illness.

At our March meeting we had our annual pot luck supper at the home of Elizabeth Beggs. We always look forward to our March meeting because everyone turns out. Our afternoon West Suburban group made a grand showing. We are informed that Rozelle Synder is the new president of that group. The afternoon group, under the direction of Harriet Van Clive, has been busy making layettes for Norway.

At the March meeting we also had election of officers. Our new president is Marge G'sell; Marion Conrad, vice-president; Mary Francis Smith, secretary; Mary Shaffer, treasurer. Congratulations, girls!

We certainly are looking forward to convention this year. Quite a few of our members hope to be present. Yours truly still remembers the last convention held at Mackinac Island in '40. We do hope to see old friends come July!

DES MOINES

Our primary project has been to redecorate a basement study room at the Gamma Epsilon house. With paint and the addition of a rug, lamps, card table, and miscellaneous items selected by Barbara Haskins, B K, Coral Peterson, B K, Phyllis Norton, T E, and Margaret Heft, T E, the room promises to become a pleasant refuge.

The group is continuing a custom instituted last year when an achievement cup for actives and one for pledges were presented Gamma Epsilon at State Day. Names of the member and pledge who contributed most to the chapter's advancement are to be inscribed on the cups.

Ever since our big success of last year, when we purchased table silverware for Gamma Epsilon, we've been "sold" on selling Christmas cards. This year, Marguerite Havens, B K, received cards from so many

printing establishments, until some of us wondered how we'd ever sell all the boxes she brought to meetings. But they finally disappeared to be replaced by a pleasing profit of \$150. We also sold fifty pounds of pecans.

Of course, our interest too has been in the establishment of a new colony at the State University of Iowa. At the pledging on March 18, five of our members drove to Iowa City and witnessed the ceremonies.

At the apartment of Coral Peterson, B K, fortified with scissors and nimble fingers, we made paper roses for decorations to be used at State Day.

We are looking forward to another successful year with our new officers: Phyllis Norton, T E, president; Eloise Cram, B K, vice-president; Ethel Howell, I, secretary and LAMP editor; and Eda Harper, I, treasurer. Virginia Wood, B K, and Coral Peterson, B K, were renamed Panhellenic representatives.

TWIN CITY

It is a matter of great pride to all of us to have a national officer as one of our alumnae members. This

year Helen Woodruff, national treasurer, took on added duties for Delta Zeta and served as house counselor for Gamma chapter. On February 23, a reception was given at the sorority house in her honor. Jean Cibuzar was in charge of arrangements. Invited to the affair were sorority national officers who reside in the Twin Cities, president of Twin City Panhellenic, house mothers, house presidents, Delta Zeta alumnae and Delta Zeta mothers. In the receiving line with the guest of honor were the president of Gamma chapter, Marilyn Andresson; president of Twin City Alumnae, Mary Rachel Towey; and president of the Twin City Mothers' Club, Mrs. Edwin Seuss.

All the Twin City alumnae group joins in expressing a most sincere "Thank You" for the splendid help and inspiration Helen is giving Gamma Chapter.

The evening group met at the home of Elinor Skinner, who gave a very interesting talk on "My Collection of Foreign Dolls." Elinor has a very rare collection of one hundred and seventy-five dolls from all over the world. Among the outstanding are two peasant dolls made from silk stockings by the French Artist, Ravca. Another is a replica of Queen Mary, which was made by two spinsters who live in London; a special permission had to be received from the king before this doll could be made.

The afternoon group had its March meeting at the home of Bernadine Courtney Johnston. Kay Ulrich Davis presented "Tips on Home Sewing."

Clever invitations heralded the approach of the annual State Day celebration for Delta Zeta in Minnesota. Helen Berg is in charge of the luncheon which will be given at the Coffman Memorial union on the 15th of April.

DENVER

1950 is a banner year for Delta Zetas in Denver. President of Denver City Panhellenic is our own Margaret Bonney Horton (Mrs. E. Bennett), a charter member of Rho chapter of Delta Zeta. We are all very proud of Margaret and strive to plan our chapter activities around Panhellenic. There were more than 40 Delta Zetas at the last Panhellenic luncheon and we hope to increase that number in May.

In May the alumnae meeting will be "Achievement" night for the actives and installation for the mothers' club and the alumnae chapter. Officers of the mothers' club will be installed by alumnae president Esther Roberts Stoddard (Mrs. John C.) and Margaret Bonney Horton (Mrs. E. Bennett) will install the alumnae officers.

The University of Colorado Extension Center and the Denver Alumni Association held a series of nine lectures in Denver this winter. The subject of the series was *Democracy and the Atomic Age*.

Colorado State Day will be held this year on August 19 at the Denver Athletic club (if they have finished extensive remodelling); if the D.A.C. is still torn up State Day will be at some other downtown location that will be convenient for everyone.

The bridge parties started by Eddie Kirk (Mrs. Donald) are still going strong and bringing in a small but steady revenue. Fritzie Gump (Mrs. Luther) sent an appeal to all Colorado Delta Zetas and asked them to send in a contribution that would equal the amount the bridge players contribute. Eleanor Moffet assisted Fritzie with the letters. While the response was not staggering it did bring in a little and "every little bit helps."

Beginning in June we plan to have Delta Zetas meet for lunch at Daniels & Fisher's tea room at 11:30 on the second Saturday of each month. Any other Delta Zetas who are down town at that time are invited to join us. Visiting or vacationing DZs are urged to look us up and have lunch with a Delta Zeta once a month.

FORT COLLINS

Our alumnae chapter helped the college chapter in its fall rushing this past year. In addition, at one of our regular fall meetings we took baby garments to contribute to the layette the college chapter was preparing to send to Norway.

In October we entertained the out of town alumnae at a coffee hour after the homecoming game. We had a rummage sale that added about seventy dollars to our treasury.

We entertained the college members and Mrs. Edwards, the housemother, at a dessert party at the home of Mrs. Harold Busch.

We are looking forward to a visit from our province president, Edna Zamzow, in a short time.

OMAHA

State Day preparations highlight Omaha alumnae activity. We celebrated April 15 at the Paxton Hotel in Omaha.

Our meeting was most interesting with Miss Doris Quick, an exchange teacher from Newport, England, who took us on a "Quick Trip" to all the places she felt one should not miss when visiting England. We also learned the many differences between England's educational system and that of the United States.

At our meeting in Elsie Adams home, Dorothy Cathers showed the movies she took on her tour in Europe last summer. We elected the following officers for the coming year: Marjorie Carlson, president; Pauline Baldwin, vice-president; Doris Wallace, secretary-treasurer.

At our meeting at the home of Ruth Martin Sieverling, A A, we folded bandages for Wesley hospital as that is our community project for this year.

Mildred King, Γ, has returned from Bell memorial in Kansas City, Mo., where she took a refresher course in laboratory science.

Wichita played host to regional conference of AAUW the last of March and several of our members took an active part. Laura Parker Allen, E, was a featured singer.

Mildred King, Γ, and Nell Gerety, Ω, manned a booth for the cancer drive, at one of our local theatres.

Violet Greever, A, and Pearl Herman Castello, A Φ, are doing graduate work at the University of Wichita.

When in Kansas, look us up. We represent so many chapters, we feel sure that you would find some one you know. We are not advertised as a "vacation" state but there are many places of interest in Kansas.

ARROWHEAD

The Arrowhead alumnae have had a busy season with regular meetings and two luncheons with other alumnae in the area. Three of our original members have moved, Henrietta Duncan Chandler and Ruth Clausen Reasor to Indianapolis and Betty Busch Velz to Minneapolis. We have, however, two new members, Barbara Anderson Hayes, Δ, and Helen Jacobsen Edleman, B K.

Our project for the year has been making favors for the holiday trays at one of the local hospitals. Many of our meetings have found us literally surrounded by construction paper and ribbon for turkeys, Christmas trees, and recently miniature flower pots for the Easter

trays, the latter a suggestion from Dorothy Wiprud's small daughter.

Mary Kay Keenan is busily working on plans for the pharmacy division of the Upper Midwest hospital meeting, and then is going to Atlantic City for the American Pharmacy association meeting as a member of the executive committee. Sally Purbough is publicity chairman for AAUW, Duluth branch, and Barbara Hayes had a part in the Duluth Playhouse's most recent production, Moss Hart's "Light Up the Sky."

Thus we have completed our first year as a group and are hoping we will soon have a charter.

BIRMINGHAM

Birmingham Delta Zetas began the year with renewed loyalty and interest. Our meeting with Mrs. Felix Maxwell offered the delightful program, "Paintings of Famous Churches of Birmingham," presented by Mrs. J. E. Tidmore. Assisting Mrs. Maxwell were Mrs. Haywood Hargrove, Mrs. Manning Eagles and Miss Mary Bain.

Since our Birmingham summer seemed to linger all winter, we were truly ready for the February program on "Spring Fashions." Mrs. Richard Moxley was hostess at the Birmingham Country club. Receiving with her were Mesdames Buell Warren, Ross Peebles, and William Fuller. Miss Helene Simmons, fashion coordinator, was guest speaker.

Mrs. Sam Wakefield kept all hands and minds busy in making Alabama's State Day, March 4, a real success. It was really worthwhile and beneficial. Working with her were: Mrs. Thamar Barrett, program; Mrs. J. W. MacKay, panel discussions; Mrs. Wayne Dowdey, tickets; Mrs. David Knox, reservations; Miss Mary Bain, publicity; Mrs. W. R. Carroll and Miss Helen Harrell, decorations and seating.

Birmingham Delta Zetas are proud of the work being

done in the Birmingham branch of the American Association of University Women under the competent guidance of Mrs. Richard Moxley, president. Other Delta Zetas working as chairmen are: Mrs. Sam Wakefield, fellowship; Miss Mary Bain, bulletin; Mrs. Fluitt Fulton, telephone, and Mrs. Frank A. McGowan, yearbook. Mrs. S. D. Moxley, past president of the Birmingham Branch, was recently elected State President of AAUW. Mrs. Moxley is now terminating two years of outstanding work as president of the University of Alabama alumnae association.

Mrs. A. J. Abrams (Lorraine Ingram) of Memphis, Tenn., spent the weekend of March 4 with Gwen MacKay, to attend State Day.

Mrs. Willard M. Mobley who has been elected director of third district, Alabama Federation of Women's clubs for the next two years, is a member of the Nouvelle Etude club, serves on the Central health center board, and is very active in AAUW.

Alpha Pi alumnae are boasting the initiation of a Delta Zeta granddaughter. Barbara Gourley, recently initiated into Alpha Pi chapter, has a Delta Zeta mother and a Delta Zeta grandmother. Her grandmother, Mrs. I. T. Bohannon was a charter member of Alpha Pi and has been a faithful and inspiring member of our alumnae group through the years.

AUSTIN

In February the regular meeting was held at the home of Judy Hayes Baker. At this meeting Roselle Maxwell, a collegiate member of Alpha Tau, visited us to tell us the status of the chapter, and also to tell us of their past, present, and forthcoming social and campus activities. Hermine Van Eck reported on the benefit bridge party held by City Panhellenic on February 22.

At the March meeting, at Hermine Van Eck's home, Mary Ann Labban announced a Stanley party to be given at the DZ house on March 21. These parties have proved to be a successful method of "having your cake and eating it," since all those attending buy the Stanley products, and when they buy, a part of it is given to the alumnae group for having the party. At the same party Lane Dickerson was selected to represent

our group at the style show to be given by City Panhellenic at the March luncheon meeting. Wysonda Dupriest Stewart was co-hostess.

CORPUS CHRISTI

Our ever-busy clubwoman Margaret Sutton "hostessed" for our March meeting at her home—a typically southwestern house with glassed-in flagstone porch and a huge backyard, ideal for summer barbecue parties. Among her collection of the unusual, we admired a small chest of drawers complete with wooden nails, handed down to Margaret by her grandmother.

Barbara (Mrs. Tom) Beard and Sue (Mrs. Dexter) Hamon worked on our Mother and Daughter Easter coffee held the morning of April 8 at Sue's home, with unusual decorations, which included a centerpiece of colored Easter eggs suspended from a Ming tree, surrounded

by long, slender candles. Favors for the guests were lapel pins, consisting of miniature straw baskets, the handles tied with green satin ribbon, the centers filled with tiny multi-colored Easter eggs. The Corpus alumnae invited alumnae from surrounding towns, collegiate members from Corpus and nearby, and their mothers. Barbara's mother, Mrs. L. G. Swenson of LaGrange, Ill., was among the guests.

Frances Taylor (Mrs. John) Love made another flying visit to Corpus with "Johnny T." and John, Sr., and described for us State Day which will be held the first May weekend in Dallas.

DALLAS

All ashore that's going ashore! And we Dallas alumnae were off on a twenty-one day cruise to South America, at least for the evening of our February meeting. Two men from a local travel agency presented a most interesting James A. Fitzpatrick color movie of such a cruise for our program. Why, we even got to see how King Neptune initiates those who are crossing the equator for the first time!

Careers for Women Through the Years was discussed by Velma Lockridge McKee (Mrs. Mack J.), Lambda (Kansas State), at the Alpha Psi birthday program tea on Feb. 18. The girls from the college chapter who were there certainly heard some excellent tips and personalized information.

Newly elected president of the Dallas alumnae chapter is Mary Alice Binnings, A Ψ. Other officers installed are Betty Chapman, A Ψ, vice-president; Blanche Zink, A Ψ, secretary; Marguerite Sturdivant Santry (Mrs. I. W.), A Ψ, treasurer, and Marie Louise Cuquet Mitchell (Mrs. Robert F., Jr.), B T, LAMP editor. In honor of the incoming and out-going presidents, Mary Alice Binnings and Eloise Raef Sherman (Mrs. Marvin E., Jr.), a covered-dish luncheon was held at the home of Pauline Edwards Dodd (Mrs. C. A.), Δ.

Assistance in clothing and other needs will be undertaken for two families in the Dallas area by our local alumnae group during the coming year as a social service project.

Final plans for State Day scheduled for May 6-7 in Dallas were made at our next business meeting and

buffet supper.

Last social event on our agenda this spring will be the alumnae breakfast on June 4 with the graduating seniors from the SMU Chapter as our honor guests.

OKLAHOMA CITY

The Oklahoma City alumnae chapter has two new members: Jean Walton Boone (Mrs. Donald), A E, and Joan Parker (Mrs. Gerald), A B.

Several of the Delta Zetas have been busy preparing for the annual benefit bridge party sponsored by AAUW. Our president, Katharyn Lockard, is general chairman of the event which raises money for college scholarships. Polly Leopold is co-chairman of the ticket committee.

Oklahoma City Panhellenic group sponsored its third annual benefit. Katharyn Lockard, I, chairman of the prize committee for this event was assisted by Bert Neiman, E, and Emma Lou Perkins, A B. The proceeds from this benefit are to be donated to the Crippled children's home of Oklahoma.

A number of alums from Oklahoma City were able to attend State Day at the A E chapter house, on March 25 and 26. We feel honored that Katharyn Lockard was selected as Oklahoma state chairman for the coming year. Polly Leopold will head the committee on recommendations. Bert Neiman was voted secretary and Mildred Hobbs Horwedel, A E, was re-elected treasurer. Trading stamps will be collected from alumnae throughout the state and will be used for the purchase of silver hollow ware for the A E chapter house. Rena Charnley Thomson, T, who lives at 2529 N.W. 34th St., Okla. City 12, was appointed to receive these stamps. We all enjoyed meeting our national treasurer, Miss Helen Woodruff, T, and Miss Cleora Crosby and our province director, Mrs. Porter Larson, I. The Oklahoma City alumnae group presented the chapter house with a gift of silver flatware. Now we must get busy and collect our trading stamps!

At the present time our group is investigating a new local charity project which we will help with in the coming year of 1950-51.

Our meeting, at the home of Valeria Almon, featured an instructive talk by Mrs. William Glenn, Jr., on "Understanding Modern Art," illustrated by some of her own paintings.

A supper meeting was held at Dorothy Matzner's with a Valentine motif. Isabel Reichardt (Mrs. Walter) of the Pasadena League of Women Voters gave an informative talk on urban redevelopment and federal aid to housing.

Our theater benefit party was highly successful, for \$64 was raised for our Braille work.

We entertained the Pasadena Braille club at the Neighborhood church in Pasadena. Dessert was served at tables beautifully decorated with camellias. Each blind guest was presented with a camellia and a Valen-

tine. The guest of honor was our Dorothy Walker Scott, who goes to Philadelphia, where her husband has been transferred.

We are happy to welcome four new members into our group—Janet Allison, Isabel Piedade Beckman (Mrs. E. H.), Mrs. Willard S. Berry, and Mrs. Dean Rains.

We met in March at the home of Lila Anderson and enjoyed the speaker, Vivian Griffin, a Delta Zeta from Playa del Rey, who ably presented her topic, "International Understanding through Current Fiction."

LONG BEACH

When we entertained our husbands at a Chinese dinner at the home of Lorraine Holtz Nichols (Mrs. Theodore B.), Z, our globe trotter, Ida Deppman, K, showed her colored pictures of Japan and Honolulu, taken on a three-months' trip to the Orient last summer

and a trip to Honolulu during Christmas vacation.

The meeting at Delia McMahan Pesante's (Mrs. Russell), A I, was packed full of thrills when we were introduced to our new Norwegian sister, Anne Grete Berg from Oslo, who is a freshman at the University of Southern California on a year's Panhellenic exchange scholarship. One of our philanthropic projects is to give to Anne Grete her Delta Zeta pin and a life's membership to the LAMP.

The Long Beach alumnae group has taken a very active part in the rushing, especially at U.S.C. as that is the house nearest us. We are eager to know the girls who are becoming Delta Zetas and the ways of doing this are to help whenever they call on us and to invite them to our meetings and parties.

Our philanthropic projects this year are to provide equipment for Tichenor's clinic and to give one \$25.00 scholarship to a Long Beach high school student. We shall end our year with a good feeling of having accomplished something worth while besides having a lot of fun. Our group is growing and we are always so happy to receive as new members Delta Zetas from all parts of the country.

Sacramento alumnae are happy to welcome four new members. Irene O'Connell (Mrs. Clifford), M, comes to us from the Bay area; Barbara Hughes, T A, from San Jose State; Joyce Eckerich (Mrs. Wm. M.), E, from North Dakota; and Marjorie Henshaw (Mrs. R. G.), F, from San Jose. We regret losing Jean Jones (Mrs. Harley A.), A, who served our group as president in 1948-49 and moved to Vallejo.

We held a white elephant sale at our January meeting which proved highly successful. We shall take an active part in "Adventures in Friendship," National's suggestion for adopting a German family. Hazelmae Bohlander (Mrs. Ody H.), II, was chosen chairman and we are all eager to join in this experience.

We completed our sewing of slippers and stuffed toys for children at the Sacramento county hospital. A lot can be accomplished with a few odds and ends and a little spare time.

Ann Bennett (Mrs. W. H.), M, was chosen to model at the annual Sacramento Panhellenic style show benefit held recently. Delta Zeta had reason to be proud of her excellent showing.

Maurine Rollins (Mrs. Robert), M, has been honored by being selected as one of the eleven charter members of the University of California Women's alumnae association just organized in Sacramento.

Cleora Crosby, field secretary, was our guest at the luncheon. Cleora was a house guest of Edith Kinard (Mrs. Thomas), E, during her stay here.

Two weeks later our alumnae chapter had a luncheon meeting at the San Diego club with 21 members present. Betty Marshall Graydon, assistant U. S. federal marshal in San Diego, and also one of our prominent alumnae initiates of Gamma Omicron chapter, spoke on "Laws

Affecting the Housewife." The previous evening she spoke on a television program on this same subject due to the publicity she'd received as speaker for our Delta Zeta meeting.

SAN FERNANDO VALLEY

Along the line of accomplishment, we had a most successful theater party, and because of the energetic work of our treasurer, Betty Reep, every seat was sold. Georgia Saylor helped the cause by handling the sale of clever hand-decorated California note papers.

In co-operation with the Glendale Panhellenic council, we had a large representation at the dessert-bridge and fashion show held at the Oakmont country club. Our Betty Reep was a lovely blonde model in the original New York models of cruise clothes. Iona Joy and Marian Stites on the Panhellenic council, helped with the plans for the affair, a complete sell-out long before the event.

At the home of Mrs. Louis (Helen) Downs, we had a beautifully illustrated talk on the history of Madonnas. A dessert-bridge was held at the new home of Mrs. Howard (Marian) Stites.

Our bridge chairman, Mrs. Arthur (Ruth) Bennett has helped build up a fine attendance at these informal evenings. Mrs. Arthur (Ruth) Weisenberger invited us to her home for a delicious dessert and bridge—and much visiting!

Our president, Grace House, honored Anne Grete Berg of Oslo, Norway, with a lovely tea at her home. Anne is an exchange student at the University of Southern California, and a pledge of Delta Zeta.

Ruth (Smith) Jaenecke invited us to her new home for an evening of old-fashioned games. The bridge group met with Helen Hagen in April, and the last regular meeting will be at the home of Anita Corrigan. Our annual barbecue and game night with our husbands will be at the Stites' home in June.

Grace House will represent us at the national convention at Mackinac Island in July. The rest of us will be waiting to hear Grace's usual enthusiastic report on what the rest of you Delta Zetas throughout the country are doing.

SAN FRANCISCO BAY CITIES

With the same lighthearted lilt that a new Easter hat gives every woman, we find many of our Bay Cities Alumnae gaily participating in the spring calendar of events, including the general chapter meeting, the annual spring benefit, and the alumnae party for Mu's graduating seniors.

The annual general chapter meeting was held March 11, 1950, in the Delta Zeta chapter house, when two large tables of guests enjoyed a delicious luncheon served by Mu's attractive members. Seated at the head of each table were two very ardent workers and supporters of all that stands for the best in Delta Zeta, Alyce Kuehne, president of the San Francisco Bay Cities alumnae chapter; and Betty Evans (Mrs. Earl), former chairman of the Alpha alumnae group. We gathered in the living room to listen to Mrs. Muriel Fogg, a decorator, lecture on "New Color Trends in Interior Decoration." We heard reports from Valerie Menhennet Reynolds (Mrs. Donald E.), and Wilma Mitchell on the large shipments of food and clothing which leave monthly

for Greece. The Bay Cities alumnae chapter has adopted the orphans of northern Greece, in response to national's appeal for continued Adventures in Friendship projects. We have arranged, through the Consul General in San Francisco, to send boxes free aboard foreign vessels direct to Queen Frederika, who will distribute our goods in the war-torn areas. The first shipment of 160 pounds of food and clothing went in February. The March shipment of 250 pounds included soap and clothing. \$10.00 was donated by the Zeta group and the Alpha group. If any who read this would like to help, we are sending warm clothing (new or used in good condition) for men, women, and children; staples and canned goods. We buy groceries wholesale, if you prefer to send cash donations. Mrs. Wilma Mitchell, 1600 Beverly Place, Berkeley, California, is the chapter's Friendship chairman.

Mrs. Erwin Frane reported on the Delta Zeta memorial fund from which four hearing aids were purchased for needy children during 1949. It is your privilege to share in this worthwhile philanthropy and also to honor a friend by making a gift to the memorial fund. Mrs. Lawrence Lewis, 2122 Lakeshore Avenue, Oakland 6, California, is the chairman of the purchases of hearing aids.

Mrs. John Harmon (Nellie), M '36, is actively engaged in making plans for the Spring benefit bridge party to be held May 13.

A brunch party honoring graduating seniors will be held in May at the El Nido, where approximately 22 honorees will brunch at this interesting suburban Lafayette club.

VENTURA-SANTA BARBARA

The March meeting was held at the Ojai Valley home of Doris Adams Wentworth (Mrs. John E.) and daughter, Betty, M. Members were happy to present a stork shower gift to Lucille Cosco Proby (Mrs. John), Theta.

Mary Keller, A X, who is Dean of Girls at the junior high school, was unable to be present as she was attending the national Deans' convention in Atlantic City, New Jersey.

Lillian Anliker read letters of appreciation and gratitude received from people in Austria to whom our group has sent clothing.

Our members are looking forward to attending the State Day luncheon and meeting at the Huntington hotel in Pasadena.

PHOENIX

A surprise party was given Leone Engelking Rowe (Mrs. Robert), B E our retiring state chairman, who was leaving to reside on a huge cattle range near Guffey, Colorado. A gift was presented to Leone, and refreshments were served.

We are indeed fortunate to have as our new state chairman, Mildred Kern Tedford (Mrs. Dee A), likeable and efficient. On April 29, State Day luncheon was held at the Royal Palms, a winter resort. Distances are great in Arizona. Ima Vance (Mrs. Harold G.), B E, came almost 300 miles; Mrs. Robert Jeffries, A, (first editor of the LAMP) came 110 miles; Mrs. Charles Goff, B E, and Josephine Curtis (Mrs. L. S.), B I, 60 miles, and Barbara Cather Clark (Mrs. Max A.), nine miles.

Our new president, Pauline Daggett Carlson (Mrs. Wenzell), K, presided, and during luncheon she and

Glyn Williams Hoff (Mrs. Tilmen L.), Σ, entertained with piano solos. Louise Kennedy Thompson (Mrs. Harry L.), O, spoke on "The Importance of Alumnae to the National Organization," and Marjorie Nelson Harris (Mrs. Karl), I, talked on "How the Alumnae Can Benefit the Individual." After the luncheon an informal meeting and get-acquainted session was held, and each Delta Zeta left with the feeling that State Day was a wonderful success.

The new officers are: president, Pauline Daggett Carlson (Mrs. Wenzell), K, vice-president, Marjorie Nelson Harris (Mrs. Karl), I, secretary, Miss Constance Milligan, O, and treasurer, Frieda Phillips Cooper (Mrs. Ralph), A I, with Esther McKemy Matchak (Mrs. Alex), A, Panhellenic representative for the second time.

Marjorie Nelson Harris (Mrs. Karl), I, just finished her term as president of PTA (1000 members), and is now president of the Maricopa county medical auxiliary. Esther McKemy Matchak (Mrs. Alex), A, is the author of an article in the May issue of *Better Homes and Gardens* entitled "You Can Slipcover Lamp Shades too."

A May breakfast was held in the garden of Gladys Severinghaus Funk (Mrs. Donald A.), A I. Our meetings during the summer will be family picnics, as usual. We cordially invite visitors to Phoenix to attend.

We were delighted to have Greta Funk Mock (Mrs. Roy), our own Gladys' daughter pledged at Washington State.

HONOLULU

Despite little change in our lovely tropical weather our Honolulu chapter held a Christmas party at the lovely Kahala home of Gerry Mullen. Members brought records and magazines to be given to the nurses at Kuakini hospital in conjunction with our project of improving recreational facilities for the Japanese nurses. As a special gift to these girls we sent subscriptions to two popular magazines.

At Gam's Kitchen at the Niumalo hotel in Waikiki, members enjoyed luncheon and canasta afterwards.

A surprise baby shower was given our outgoing president Sue Witt. Our hostess, Pat Smeed, served refreshments which followed the theme of the shower. We worked on scrapbooks for Kuakini hospital patients. Officers elected are Marilyn Harmon West (Mrs. William J., Jr.), K, president; Betty Berger deHay (Mrs. Raymond), M, vice-president and publicity chairman; Leslie Drake Stevens (Mrs. Jack N.), A X, secretary-treasurer.

In March we journeyed over the famous Pali to attend our luncheon meeting at the home of our new president, Marilyn West, in Kailua. Members were dressed in colorful muumuus, popular dress of the ladies (wahines) here in Hawaii. We continued working on our scrapbooks after delicious kau kau (food) and made plans for a council meeting. Word has been received from Henrietta Lemke, our medical secretary, formerly employed at Aiea naval hospital, who has been on Okinawa, that wedding bells will ring soon. However, prior to her return to the mainland she will enjoy an extensive trip throughout the Orient, India, and Bangkok, where she will purchase lovely articles and clothing for her future home.

Taking active part in community affairs is Gerry Mullen who has been campaigning for one of the women candidates for our constitutional convention for statehood. Gerry has been doing Red Cross work too as have several of the other members of our chapter.

Elsie Boatman said "Aloha" to her parents who were visiting her for several months.

The Honolulu chapter plans to continue its work for aid to the nurses at Kuakini Hospital—to provide music, reading material, etc., for their recreation; and to provide scrapbooks and toys for the children in the wards.

The year ahead looks very promising and interesting

for our new alumnae chapter as it starts its third year. Here's hoping that soon there will be more "overseas" chapters initiated throughout the world.

A very hearty "Aloha Nui Loa" to you all from Honolulu!

SALEM

Alumnae members of Salem, Oregon, under the leadership of Mrs. Arthur Lewis (Joan Wells, X), president, have had an interesting year. Our meetings have been held on a Tuesday evening each month, at different homes. Dessert has been served and a special program held after each business meeting. Slides in color showing the cypress gardens of Florida, flower arrangement slides, and a book review have proven particularly interesting.

The majority of our members are alumnae members of Chi chapter. Other chapters represented are: Beta Kappa, Kappa, Lambda, Omega and Psi. Several members were affiliates of Beta Phi Alpha.

At Christmas time we gave toys, Christmas tree trimmings, clothing and food to a needy family.

A family in France has been adopted by our group. The mother in this family is a teacher so it is possible to reach others through her help. We are sure that any articles we send will be distributed to those who need them most.

Delta Zeta alumnae chapter is represented in the Salem city Panhellenic organization in which sixteen national sororities are represented. Regular monthly meetings are held when special programs are presented and many problems discussed. The group is again sponsoring a sale of Easter lilies. Plans are to continue this as a city philanthropic project each year.

SEATTLE

"Merry Moods in Modern Modes" (with further alliterative m-m-m's for the refreshments) furnished the theme for the second annual fashion show and tea at the chapter house March 24 to benefit the school for spastic children. Two of the exclusive shops which sent professional models are owned by Delta Zeta alumnae, Dollie McAssey and Betty Manning. Christen's shoes is managed by Robert Apple, a Delta Zeta father.

The decorative motif, "slippers," extended even to frozen slippers. Homemade petits fours, produced with a professional touch by Delta Zetas turned chefs, preserved the continental flavor.

Marie Reno (Mrs. B. F.) was chairman of a committee which included Pauline Boyd (Mrs. Jack), Bessie Crow (Mrs. Frank), Gladys Crook (Mrs. Edward), Louise Elam (Mrs. William), Louise Larson (Mrs. Carl), Marcia Murray (Mrs. Ray) who proved

an able commentator, Dorothy Peterson (Mrs. Keith), Jean Plant (Mrs. George) who served unseen at the piano, Ganelle Talmadge (Mrs. Edward), and Margaret Woods (Mrs. Frederick) who provided a distinguished list of patronesses. Polly Boyd was publicity chairman.

Seven Delta Zeta alumnae from Seattle attended the annual Panhellenic luncheon in Tacoma in March to give moral support to Peggy Falsko, vice-president of Tacoma Panhellenic, who arranged the program for more than three hundred guests. Alice Dickie, province director, and Doris Gillespie (Mrs. Stuart), State chairman, spoke.

Good attendance has rewarded Evangeline Edwards' well planned programs at regular meetings. In February Marion Stixrood, women's editor of a Seattle paper, reported on her trip to New York to view "1950 Fashions," and in March a travel representative spoke on Holy Year observances in Europe, illustrated by a color film of the recent ceremonies in Rome.

Collegiate and alumnae members welcomed the national president, Mrs. C. A. Fariss, as principal speaker at the State Day luncheon April 29 at the new Memorial student union building on the campus, especially honoring the class of '25. A visit from Helen Woodruff, national treasurer, was made in April.

Macdonald (Mary Moorman), A B, secretary; Mrs. Chester Elston (Marian Murphy), X, treasurer; Mrs. Richard Neuberger (Maurine Brown), Ω, parliamentarian; Mrs. Mack Woodward (Ruth Curry), X, historian, and Mrs. Chester Gailbraith, Ω, editor.

Installing officer was Mrs. John M. Clark (Lillian Birch), retiring president, whose appointment was announced at the State Day celebration in May as new State chairman.

At State Day, Gertrude Houk Fariss, national president, Ω, was presented with a Delta Zeta locket in appreciation of the interest, effort and time given on behalf of Delta Zeta. She was named "Delta Zeta of Oregon of the year." Prizes were awarded members who had come the farthest to attend and who had been alumnae the longest time. Mrs. H. V. Pasley (Ruth Lundgren), X, retiring State chairman, made the presentations.
