# Dedication of Gallaudet Library

By Lucille Bolstad May, *Chairman, Gallaudet Committee*

THE NUMBER "TEN" alone, or with zeroes added, seemed to be the key number that led to the building and dedication of the Edward Miner Gallaudet Library on February 5, 1957. One hundred years ago a school for the deaf was established by Amos Kendall at Kendall Green. The first instructor appointed to head the institution was Edward Miner Gallaudet. A few years later, in 1864, the college was established by a proclamation signed by Abraham Lincoln.

Information about the college library dates back to 1876, when it was housed in a room 17 x 48 feet on the second floor of the men's dormitory. The library could only be open to the women until 4 o'clock as men had to pass the open door of the library on the way to the showers. In 1947, an enterprising Library Science class started looking for new quarters for the library. They began by measuring every possible building on campus, despite the fact that all were being used to capacity. The students weren't to be daunted, and in 1949, the library was moved to a suite of five rooms located on the first floor of the men's dormitory. Two more rooms were added on in 1952 for a reference collection and the second, in 1954 for a classroom. This was the absolute end of available space.

With the needs for a new library very apparent, the alumni lent a helping hand. The Building Fund set up as a memorial to Edward Miner Gallaudet was diverted to the library. Here we meet up with our figure ten again. The Alumni Building Fund gave \$100,000 towards the library and the Agnes Meyer Foundation added \$10,000. Congress appropriated the additional money necessary for building. No money was available for furnishing the library. When the library was being built, Delta Zeta met this need. The National Council of Delta Zeta announced a \$10,000 drive for furnishings for the library. Our contribution furnished the main reading room with tables, chairs, lounge furniture, and other library furnishings. The colors used are a light green and soft rose, which make a pleasing background for the blond furniture and stacks. There is no need to say that we may feel proud of the part we played in furnishing the library.

Delta Zeta was represented at the dedication on February 5, the birthday of Edward Miner Gallaudet, by Mrs. Wilbur Stout, National Director of Philanthropies; Mrs. Charles Bednar, Director of Public Relations; Mrs. Leland B.

May, Chairman of Gallaudet Committee; and members of the Washington Alumnae Chapter. Dr. Leonard Elstad, president, in his presentation of distinguished guests, presented Mrs. Stout, Mrs. Bednar, and Mrs. May, and was extremely generous in his tribute to Delta Zeta for our efforts for Gallaudet.

Gallaudet College falls under the jurisdiction of the Department of Health, Education and Welfare. Because of this it was fitting for Mr. Bradshaw Mintener, former assistant secretary of this Department, to give the dedication address. Mr. Mintener said that the "new library is a symbol of strongly renewed interest on the part of the American people in the future of Gallaudet College." He also said that "a student's progress can be marked by his familiarity with his books and the facility with which he makes use of his library." These students will make good use of this library because they have watched it grow and develop. Their faces, as well as their hands and lips, expressed their gratitude.

As Mintener and other speakers addressed the crowd in the main reading room of the library, their words were repeated by the nimble fingers and hands of interpreters for the benefit of the deaf students and alumni present. When members of the alumni took the podium the thoughts expressed in their hands were put into words by the same interpreters.

Mr. Mintener, as well as President Elstad, felt that the library was the beginning of a new era for Gallaudet. It is the first building of a nine million dollar building program for the world's only college for the deaf. This program includes a women's residence hall, which is now being constructed, a speech and hearing center, classroom and science buildings, men's residence, cafeteria, auditorium, and classrooms, and also dormitories for Kendall School, which is the elementary school. This program will double the capacity of the college so that between 500 to 700 students will be able to attend.

Greetings were given by alumni and representatives in the fields of education for the deaf. Miss Marion Michele Gallaudet, great-granddaughter of the founder, represented the Gallaudet family, and said that she knew her great-grandfather would be "extremely proud" of the new library. Last but not least was a greeting from Lucille Hunt Pendell, Librarian, and a Delta Zeta. Mrs. Pendell was the first full time librarian at Gallaudet. In Lucille's

DR. ALBERT W. ATWOOD, chairman of the board of directors, spoke at the library dedication, with Miss Elizabeth Benson, as interpreter. Note the balcony which extends around the main reading room. Out of camera range are the Gallaudet students who filled the balcony for the dedication services. Approximately five hundred persons attended.

"ten" years at Gallaudet, she has seen the library grow from one room to five, to seven, and now to a beautiful new building to be used exclusively as a library. It was with warmth and a great deal of pride that Lucille invited us all to see the library which she calls, "The most beautiful library in the World!" This means you, Delta Zetas.

\* \* \*

*The Buff and Blue*, newspaper of Gallaudet College, devoted most of its February-March issue to the new library and the dedication program. A double-page spread was used to display many pictures of the library and its special features. Of interest to Delta Zetas is the description of the main reading room which appeared in the newspaper.

"The main reading room and mezzanine of the library have the same attractive pale green walls, white ceilings, and tiled floors. The blonde birch furniture blends in well with this color scheme. Approximately twenty tables, six dictionary stands, an atlas case, a newspaper rack, and a sofa and armchairs in which to read the newspapers in comfort, were bought with \$10,000 which the Delta Zeta National Sorority donated to the library. Other furnishings include forty-two individual study desks, and sixty-four chairs. The fifty-one bookcases in this part of the library have a capacity of fifty thousand books, but at present hold only between twenty-

five and thirty thousand, with more to be purchased in the future. All magazines are located in the main floor bookcases at the north end, while at the south end are the offices of the librarians and a place where newspapers may be read.

"The reading room and mezzanine, which seat 150 students comfortably, are extremely well-lighted, since fluorescent lights are above almost every row of desks and tables. This makes studying easier and gives the room a cheerful air.

"There is a display area in the reading room near the entrance. Bookcovers of the newest books and other materials are shown here. A gift set of the world's great books is shelved nearby, together with a set of the 'Harvard Classics.'

"The library reading room is a pleasant place, popular among the students, especially when hot weather descends upon Washington, because the insulated structure of the building and the many windows keep it cool."

In addition to the main reading room and librarians' offices, the building includes the Edward Miner Gallaudet Room where the board of directors meets and an important collection of books concerning the deaf is housed, visual aids room, staff lounge, storage room, vault for rare books and college archives, bindery, and the Alumni Room, used as a lounge for faculty and students and a meeting place for alumni, and the children's library.

HONORED GUESTS at the installation banquet were Mrs. Russell T. Costello; Millard G. Roberts, president of Parsons college; Miss Irene Boughton; Mr. Francis Walters, director of personnel at Parsons; Mrs. George C. Havens; Marlys Petersen, and Mrs. Lois Adams, president of the alumnae association.

## Delta Nu Installed at Parsons College

**D**ELTA ZETA initiated and installed its 119th chapter, Delta Nu, March 23 and 24 on the Parsons College campus in Fairfield, Iowa. This marked the beginning of national sororities on the campus. Delta Nu replaced the former Empyrean local sorority which had been on campus since 1903. Fairfield is in the southeast section of the tall corn state. Amid rich farmland, Fairfield houses several branches of large industries, among them, the Philco plant and Lowden company.

Saturday morning Mrs. Russell T. Costello, national president, Miss Irene Boughton, national executive secretary, Mrs. George C. Havens, college chapter administrator, and Iota chapter from the State University of Iowa met with the Parsons pledges at the First Methodist church for formal initiation. In the day-long ceremonies the Iotas initiated 28 collegiates and 15 alumnae into Delta Zeta.

After the ceremonies were over one sparkling-eyed Parsonite said, "I never expected Delta Zeta to be so wonderful. It is worth all the tribulations of being a pledge."

Saturday evening Delta Zetas, their parents, national officers, college officials and other honored guests met at Hotel Turner for the installation banquet. After a delicious dinner, Miss Boughton, acting as mistress of ceremonies, introduced the guests, many of whom welcomed the new chapter into the sisterhood. Mrs. Costello spoke on the subject, "Ford or Cadillac." She

said a sorority gives a girl the extra luxuries, analogizing with those on a higher priced car. She mentioned that sororities produce the leaders on campus and in later life.

Climaxing the evening, Mrs. Havens presented the charter to Linda Gripp, Delta Nu recording secretary. Dr. Millard G. Roberts, Parsons college president, then accepted the chapter on behalf of the college.

Sunday morning the Delta Zetas and national

officers met at the sorority house for a short school of instruction. Then the group attended worship services in Barhydt chapel, center of campus life. Sunday afternoon the new chapter was formally introduced to 200 visitors and friends at a tea held by the national officers. The lounge of Hubert E. Howard dormitory with its modern architecture made an appropriate setting for the afternoon festivities.

## Gamma Kappa Aids Kent Schools

**F**OR its philanthropy project of 1956-57, Gamma Kappa chapter, Kent State University, participated in the Hearing Conservation Program of the city of Kent, Ohio. This program involved testing the hearing of the children in the Kent Public Schools.

Before starting this project, the chapter attended a class of instruction given by a speech and hearing therapist. The testing procedure was explained and the girls were familiarized with the operation of the pure-tone audiometer, the machine used in the testing.

This project took about one and one-half months to complete, as the girls worked two days a week in testing. Our collegiate chapter tested three schools in Kent, consisting of grades 3, 4, 6 and 7; 21 grades in all. After the first testing, it was necessary to retest those who showed negative results on the first test. When all was finished, a total of 563 children had been tested!

The work done was valuable in aiding the Hearing Conservation program for Kent's future citizens, but the chapter also benefited. The girls felt that the giving of time and effort for something such as this had its own intangible rewards in the growth of bonds of sisterhood.

*Sixth grader Eddie Ament has his hearing tested by Betty Reynolds (right), Γ K, Kent State U., as Miss Pat Ware, speech and hearing therapist for Kent Public Schools, watches. Conducting these tests was the philanthropy project of Gamma Kappa chapter this year.*

### Missouri Valley's First Fulbrighter

GAMMA GAMMA'S VALERIE BECKER is the first Fulbright scholar from Missouri Valley College. She will study in France.

Valerie Becker, president of Gamma Gamma Chapter, Missouri Valley College, and daughter of Mr. and Mrs. Edwin S. Becker of Macomb, Illinois, will soon be packing her trunks and sailing for France because of the Fulbright scholarship which she has been awarded for graduate study next year.

She is scheduled to arrive in Paris on October 2 for a three-week orientation course given by the State Department to Fulbright scholars. Then she will go to Besançon, about thirty-five miles from the Swiss border in southeastern France, to study French literature and history at the university. Valerie plans to teach French, Spanish and other romance languages in future years.

Selection for the award is based on scholarship, character and suitability for the Fulbright program which entails meeting and mingling with French people. The scholarship will pay all expenses including travel, tuition and living allowance as well as incidentals during her year of graduate study. She plans to travel through other European countries during vacation periods from the university.

Valerie has very ably led Gamma Gamma chapter this year as our president. In the past she has been both treasurer and secretary of our chapter and did a fine job in these offices, too. Not only has Valerie been very active in sorority affairs, but we are also extremely proud of her many other accomplishments. Her grade average for her four years of college is 2.8 out of

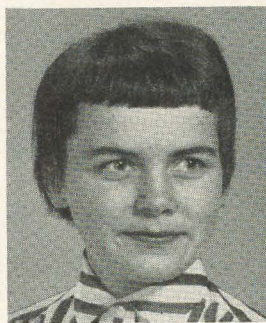

a possible 3.0 and she has been on the dean's list continuously since she entered college. She graduated this June summa cum laude. Last year she received the college's distinguished scholarship award given to the four students in the college with the highest grade average for the previous year. She has had an honor scholarship and a music scholarship all four years. She is a charter member of Cap and Gown at Missouri Valley College and is president of Beta Gamma Phi, our equivalent of Phi Beta Kappa.

This past year Valerie has also been president of Valley Players Dramatic Society and Alpha Psi Omega, national honorary dramatics fraternity. She is secretary-treasurer of Panhellenic council, secretary of Student Christian Association, and secretary-treasurer of Future Teachers of America. She has been a representative to the Women's Student Government Council and to the Student Senate Social Life Committee, and was one of the four founders of the Missouri Valley music society. She has been in band, a cappella choir, vesper choir, and orchestra all four years.

With this outstanding record we feel certain that Valerie is worthy of the title "Fulbright Scholar."

### Norwegian Miss, Sponsored by Delta Zeta, Becomes a Delta Zeta

BERIT AASE, foreign student from Norway, is a new initiate of Epsilon Gamma chapter. She won the title of "Doll of the Campus" and is an honor roll student.

Now wearing the golden lamp of Delta Zeta and proud of it, is Berit Aase, who came to Central Missouri State College from Moos, Norway. An illustrious country woman of Berit's, who also wore the  $\Delta Z$  lamp, was the late Crown Princess Martha of Norway.

Winner of the Gertrude Hosey Memorial Scholarship, Berit will study one year on this campus with room and board furnished by the

scholarship. This fund was originated by Epsilon Gamma chapter five years ago and is perpetuated through the sale of homecoming mums and the annual Delta Zeta basketball concession.

This is not 19-year-old Berit's first experience away from home. She has worked in England and studied at the University of Oslo, Norway. Following her year at Central State, this Delta

Zeta hopes to further her education in France and if this is not feasible, she will probably seek employment in Oslo.

A junior in the business department, Berit explains that higher education is not so common in her country. Of the thirty-five graduates of her elementary school, only three were privileged to go on to high school, Berit being among them.

Asked to compare American and European education, Berit hesitatingly smiles and somewhat reluctantly states that the Norwegian system requires a great deal more study with less emphasis on outside activities. As a high school student, Berit attended class six days a week and took six classes each day. Five years of study were required before graduation.

Berit comments, "It's really quite easy to be a foreign student at C.M.S.C. The Delta Zetas certainly have not treated me like a foreigner."

Berit became an active Delta Zeta March 17, 1957, and has proved to be one of our most industrious members. Epsilon Gamma girls feel fortunate to have her in the group and take pride in her high scholastic average and the place she has won on the campus.

The Gertrude Hosey Memorial Scholarship is awarded every other year to an outstanding foreign student. Miss Marita Gama of Brazil was the last student to receive this scholarship.

#### Four in One for Gwen

GWEN SAMUELSON, *Omega's champion speaker.*

Four first place trophies in speech competition within a month. This is the record of Omega's Gwen Samuelson at the University of Oregon. Three were won in three divisions of competition at the Linfield tournament: after-dinner, extemporaneous, and Lincoln-Douglas Debate. The fourth was won at the Portland

Town-Meeting with her speech on race relations.

Besides her speaking activities, this talented sophomore's scholarship record shows straight A's last term. She was the recipient of the Mortar Board plaque for the highest woman's grades in the freshman class.

Gwen has been tapped for membership in Alpha Lambda Delta, freshman scholastic honorary, Phi Beta, speech and music honorary, and Gamma Alpha Chi, professional advertising honorary.

She has also found time to be a semi-finalist in a recent campus beauty contest, "Toast of Alpha Hall."

Gwen, Omega's rush chairman, is majoring in journalism and hopes to go into public relations work after graduation.

—GWEN ADAMS, Ω

ANNETTE JUMP, *Beta Sigma*, received the U. S. Equestrian Team Challenge trophy from Gerald Phipps, Denver director of the U. S. Equestrian Team, Inc., at the National Western Rodeo and Horse Show. Naughty Boy (right) shows his approval.

#### Horsemanship Honors for Annette

Beta Sigma, Colorado A & M College, is proud of member Annette Jump who won the annual United States Equestrian Team Challenge trophy at the National Western Rodeo and Horse Show.

Also during the National Western, Annette received first place in all of the jumping divisions, riding either Naughty Boy or Ace Hi. The various divisions she won were: knock down and out, triple bar jump, barrien springen, jumping stake, and the F.E.I.

This year from the Rocky Mountain Horse Show Association Annette received these annual awards, given on a point system:

Championship in the junior jumping class; championship in the open jumping class; reserve championship in horsemanship, hunt seat, junior jumping, and open jumping. The award point system is based on the wins of a horse; thus, between her two jumpers, Annette received the top awards.

On campus, Annette has won the friendship of everyone by being a top girl in all that she does. She was voted president of the Freshman Girls' Dorm and is a member of the A.W.S. Council. Because of her outstanding leadership, she was one of three freshmen chosen to attend the Fall Leadership Conference.

## Delta Alpha's "Most Active"

CONNIE GARR, *Delta Alpha*, named most active at Long Beach State College.

The woman named the most active on campus and in Delta Alpha Chapter is Connie Garr. Connie is in many ways an outstanding individual at Long Beach State College. It is no wonder that Connie is listed in *Who's Who in American Universities and Colleges*. She earned recognition by being elected president of the Associated Women Stu-

dents, as well as president of Califias (women's service honorary). Under Connie's exacting guidance as rush chairman, the chapter gained many excellent pledges, who, by the way, received the Delta Zeta Panhellenic Scholarship Pledge Class Trophy.

Connie is a senior home economics major. She worked hard to organize the Home Economics Club on campus two years ago; and is now past president. As chairman of the Soroptimist House, Connie is very busy hostessing and planning programs for its use by all groups on campus. With all these offices, it is no wonder that she is on the Executive Board. We of Delta Alpha truly feel that Connie Garr is one of our biggest assets.

—MIKELL CARTER, Δ A

## Fulbright Scholar to Study in France

CAROLE NEESE, *Psi*, will study in France as a Fulbright scholar.

Recipient of the first Fulbright scholarship awarded to a graduate of Franklin College is petite Carole Neese, who served as president of Psi chapter during her senior year. She will study the French language at the University of Grenoble, France, spending October 2 to 24 in Paris for a period of orientation prior to her year of study at the university.

Miami convention goers will remember Carole as the talented coloratura soprano soloist with the Psi chapter singers who performed at con-

vention. Not surprising is her record of four years as soloist with the Franklin concert choir, membership in the Madrigal Singers, and numerous recitals.

Along with music, Carole has been active in dramatics, appearing in several campus productions and serving on property and publicity crews. She was a member of Wigs and Cues, dramatic club, and initiated into Theta Alpha Phi, national dramatic honorary.

She was tapped for Laurels, freshman-sophomore honorary, and holds membership in Gold Quill, senior honorary for women. Her scholastic ability is recognized by her membership in Alpha. Majoring in language, Carole was a member of the Modern Language Club, being elected president in her sophomore year. She was also active in the Young Republicans and the College Youth Fellowship.

## Hoot Mon! Sue's in Scotland

Sue Greathouse, Alpha Beta, a bonnie Illinois lass, is spending her summer in Scotland as an International Farm Youth Exchange Delegate. She is one of three delegates visiting the land of the tartan and bagpipes. Majoring in home economics education, Sue graduated from the

SUE GREATHOUSE waits on the steps of the Alpha Beta house to begin her journey from Illinois to Scotland.

University of Illinois this June. She has been active in home economics groups, school committees, a member of Alpha Epsilon Rho (radio and TV honorary) and Arnold Air Sponsor.

In recommending Sue as a IFYE delegate, her county home advisor said, "Sue has a delightful personality and loves people—is very friendly, gets acquainted quickly and is extremely cooperative. And so important—Sue fits in with people. She will have no problems in adjusting to the families with whom she will live—she'll jump right in!"

Active in 4-H work for eleven years, Sue was always an achievement member. While "getting along with people" will be her greatest asset in telling the Scots about rural life in America, Sue's store of technical knowledge will be appreciated, especially among cattle fanciers. The pride of Scotland, Aberdeen-Angus cattle, is her long suit. Sue always had a steer project. In 1952 she was selected to model the dress she had made at State Fair, but chose, instead, to go from the Ag club and show her steer. In 1953 she received a national award in the meat-animal contest.

Sue's responsibilities only begin with her summer abroad. On her return she will show slides and tell of her experiences next winter before rural and urban groups.

### Georgianna, a Dancing Delta Zeta

GEORGIANNA EDGLEY, Alpha Psi, fills her dancing shoes well.

An Alpha Psi chapter member has received the Alexandra Danilova scholarship for study of the dance in New York City. Georgianna Edgley, a freshman at Southern Methodist University, is the lucky girl.

Since the award is made to the student who shows the most potential for professional ballet dancing, the Danilova scholarship is the highlight of the entire season for young Dallas dancers. Two of the four previous recipients have joined the Ballet Russe Corps, and one is a member of the New York City Ballet Company.

Georgianna has studied ten years with Miss Edith James, Dallas dancing teacher. Her other teachers include Alexandra Danilova, Wilson Morelli, Igor Swezoff, Natalie Krassovska, and Fredrick Franklin. Aside from studies, she has

been busy in the professional field. From 1954 to 1956, she was feature dancer at the Highland Park High School annual operetta. Georgianna has appeared in the Starlight Concerts and the State Fair Musicals. She was soloist at the Dallas Lyric Theater, the Tyler Rose Festival, the Alexandra Danilova Concert Group, and the Dallas Art Museum Concerts. Probably her most exciting appearance was on television with Wilson Morelli.

Georgianna plans to travel to New York this fall to begin her studies with the School of American Ballet, the same school four previous winners have attended.

### Deltas Zetas in Denim

Last September, seven Alphas of Delta Zeta in the Hamilton, Ohio, area participated in the Sertoma Plughorse Derby. The Derby is an annual project of the Sertoma Club of Hamilton, the purpose being to raise money for crippled children. Their present plans include the building of a new hospital.

The girls, Jo Gosney, Gail Cobb, Jan Mattfeld, Kai Williams, Joyce May, Judy Frick, and Jane Hard, dressed in blue denim bermudas, spent the afternoon selling programs for a donation. Mr. John Austing, Chairman, informed us in a letter that the club made more money on the

## "Miss Alabama" Heads Alpha Gamma

MARIAN ACCINNO, "Miss Alabama," is new president of Alpha Gamma.

Alpha Gamma chapter (U. of Alabama) is certainly fortunate in having as lovely and versatile a girl as Marian Accinno, new chapter president. Marian, a vivacious, brown-eyed junior, has a finger in almost every pie on campus.

She began the year by winning the coveted title of "Miss Alabama," the sponsor who marches with the Alabama band at every football game and appears with them at all other performances.

In December, the Pi Kappa Phi fraternity chose her as their Star, and the only sad thing about it was that all the other fraternities wanted her too.

Marian was next elected secretary of the Associated Women Students to fill the place of the previous secretary who didn't return to school, and in a recent election, she was re-elected. Her popularity rests not only with men!

At the *Corolla* Beauty Ball, Marian was selected second beauty by singer Pat Boone, and her picture will appear in the beauty section of the yearbook.

Later, officials of the University chose Marian to represent her school at the Beaux Arts Ball in Birmingham.

Besides all this, Marian is an active member of such organizations as the Newman Club, on the governing board of Alabama Spirit, Kappa Delta Pi Education Honorary, Sophomore Triangle, American Association of University Women, and Publicity Chairman of Future Teachers of America.

Alpha Gamma is very proud of its new president, and wants Delta Zetas everywhere to know her.

## Delta Zetas Get Around

You don't have to go far to find a sister Delta Zeta. Proving this statement is this picture which shows Vivian Sue Blodgett being sworn into the

U.S. Marine Corps Reserve by 1st Lieutenant Elizabeth M. Mullins, U.S.M.C.R., Woman Officer Selection Officer for the Ninth Marine Corps Reserve and Recruit District.

A sophomore at Ball State Teachers College, and a member of Gamma Chi chapter, Sue will attend the Women Officers Training class in Quantico, Virginia, for a six weeks' period during each of two consecutive summers, and upon graduation will receive a commission as a second lieutenant in the Marine Corps Reserve.

While Sue belongs to Gamma Chi chapter, Lt. Mullins was a member of Delta Sigma Epsilon. Sooo, you don't have to go far to find a Delta Zeta sister.

NORMAN and the speech therapy chair donated by Gamma Tau and Sigma Phi Epsilon to the speech clinic at Bowling Green State University.

## Gamma Tau Aids Speech Clinic

Last spring Gamma Tau, Bowling Green State U., and Sigma Phi Epsilon fraternity combined to hold a work-holiday for the benefit of speech therapy.

Members of the two groups spent one entire Saturday working for people in the city of Bowling Green, Ohio. They cleaned garages, attics, and basements; took down storm windows and put up screens; raked yards; baby-sat; ironed clothes; washed cars; and did any other jobs the people had.

All of this was for a price naturally! The pro-

ceeds—a grand total of \$100.00—were presented to the speech department at a joint coffee hour at the Delta Zeta House.

The speech department used the money to purchase a therapy chair for children with cerebral palsy. The chair is adjustable to children of any size.

There is now an engraved plaque on the top of the chair saying Delta Zeta and Sigma Phi Epsilon. This chair was a wonderful “first” for Delta Zeta. It is the first piece of equipment that was freely donated to the speech clinic. The entire speech department gave our two groups a coffee hour at the dedication of the chair.

ALTHOUGH she most frequently appears with her baton, Jeanne is a talented choreographer as well.

## Twirling Girl Wins Honors

**L**AST SUMMER there appeared in the LAMP, a feature story about Shari Mc-Kim, known as "Miss Baton" in European countries, who hails from Gamma Alpha chapter at Baldwin-Wallace College. This story concerns another of similar fame and honor to Gamma Alpha and to Delta Zeta all over this country, Jeanne Becker.

The list of titles Jeanne holds and the honors which she has received should make any Delta Zeta swell with pride. At her graduation from James Ford Rhodes High School in 1953, she became Baldwin-Wallace's gain, as she was elected head majorette in her freshman year. She has maintained this position throughout her college career which came to a close this June when she received her B.S. degree, and goes out to teach in elementary grades.

Jeanne's twirling career has been a series of titles ranging from local to state, and to nation. Starting several years before coming to B-W, her

CHAMPIONSHIP twirling comes naturally to Jeanne Becker, Gamma Alpha, who is head majorette at Baldwin-Wallace College.

list began with the Ohio State Championships as early as 1950 which she retained for five straight years. The year 1955 was a most profitable one as Jeanne won the Tangerine Bowl Twirling Contest in Florida where there were contestants from across the nation. Winning first place in the N.B.T.A., she retained the position she had already earned the previous year. Her own hometown did not pass up her talent either as she placed first in the *Cleveland Plain Dealer's* twirling contest. During the years 1954, 1955, and 1956 while head majorette of the V.F.W., Post 1974, marching band, Jeanne won the V.F.W. state competition.

Jeanne is the proud teacher of her own drill team, "The Twirlettes" who won the Ohio State Championship trophy this year. It seems those who receive her expert teaching are following in her footsteps. She is qualified as a rating judge and teacher for both the N.B.T.A. and the

Dorothy Rich Best, Psi (Franklin College), is proud of the record of her journalism classes at Eaton Rapids, Michigan, high school. For two consecutive years the *Eatonian* (yearbook) has received the medalist rating, highest award given by the Columbia Scholastic Press Association. Mrs. Rich, who also teaches four English classes a day, gives a minimum of 400 hours of her "free" time to yearbook supervision and seven hours per issue to the *Bark*.

She is now assisting the mathematics faculty at Drake. A member of Delta Sigma Epsilon, Mrs. Helmick was initiated into Delta Zeta last November. The Helmicks' four children have all attended Drake.

Dr. Helen Johnston, Des Moines physician and a past president of the American Medical Women's Association, was chosen by Branch 19, Iowa, of the association as its Medical Woman of the Year for 1956. A past national officer of Delta Zeta, she was president of Altrusa International from 1926-1930. Defense Secretary Wilson appointed Dr. Johnston as a member of the defense advisory committee on women in the armed services for a three year term. Meetings in Washington, D.C., and tours of inspection to military installations are part of the duties of this committee.

One of the organizers of the College Park Chapter of A.A.U.W., she has been state president and secretary of the South Atlantic Region. She has served as chairman of the Prince Georges Recreation Board; chairman of the Maryland Commission for Youth's Recreation Division; county and state director of the League of Women Voters; member of the County Board of Education; and in numerous other organizations. N.D.S.A. and has taught at Alma Twirling and Cheerleading Camp in 1956, and at the B-W band clinic in 1955 and 1956.

On the campus she is not to be outdone in activities and honors either. As choreographer for two of the Drama Department's productions, she danced and taught others to assist in the success of "Midsummer Night's Dream" and "I Remember Mama." Jeanne was just recently elected to *Who's Who in American Colleges and Universities*, and duly so, as she was one of the ten "Outstanding Freshmen" upon the completion of her first year and an active member of the Student Council. She is a member of O.E.A. (Ohio

Educational Association), All American Drum Majors Association, certified in all fields therein; the National Association of Dance and Affiliated Arts; and commander of Cleveland N.B.T.A.

Serving Delta Zeta as standards chairman in 1954 and first vice president in 1955 are only minor ways in which she has been an asset to Gamma Alpha as well as to B-W. Jeanne is the pride of Delta Zeta every time she struts in front of the marching band, solos, or dances before an audience. But her sparkling smile and winning personality, utmost sincerity, and loyalty to Delta Zeta make her a true  $\Delta Z$  on or off the field.

# LAMP Editorship Moves to Texas

**T**HE FIRM belief that "all things are possible" is the essential ingredient of Jeanine Lewis' philosophy of life. Armed with this belief and a wide background in journalism and Delta Zeta she will assume the duties of the editor of the LAMP with the Autumn issue.

Texas Delta Zetas will remember the new editor as Jeanine Eminian who served as president of Alpha Tau chapter (University of Texas) and was co-winner of the 1949 Grace Mason Lundy award. Other highlights of her college days were election to the Student Court, membership in Theta Sigma Phi, Mortar Board, and representing Texas at the *Mademoiselle* College Forum in New York. She also corresponded with the *Houston Post* (working there during summers and after graduation) and was a student assistant in the School of Journalism.

Following her marriage to Harvin R. Lewis, a Rice Institute chemical engineer, in 1951, came two years of shuttling between Houston and California, where her husband was on active navy duty. During this time, Jeanine worked in public relations for Red Cross and as a "Girl Friday" for a local columnist. In 1952 she found the job she really loved, assistant editor of a state-wide general magazine. And she still found time to attend the Golden Jubilee Convention and edit the *Lampkin*.

In 1954 she became province director for Texas, Oklahoma, and New Mexico, giving generously of her time and enthusiasm to the six chapters flung about the wide open spaces of the Southwest. The prospective arrival of Mary Arden, now 2, cut short Jeanine's province roaming, but not her interest in Delta Zeta. Three years ago she was appointed Endowment Fund chairman with the challenging duty of setting up an entirely new program promoting magazine subscriptions and products and organizing chapter chairmen.

Although journalism is her main professional

JEANINE EMINIAN LEWIS becomes new editor of THE LAMP.

interest, Jeanine was bitten by the theater "bug" and became active with the Alley Theatre in Houston following college graduation. This interest has moved with her to the Little Theatre in Bartlesville, Oklahoma, and now the Little Theatre in Lake Jackson, Texas, her new home. She is also interested in politics, having been elected president of the Lake Jackson Republican Women's Club this past spring.

Just now, Cathy, born in June, and Mary Arden claim a major share of Jeanine's time. But for one who believes "all things are possible," editing the LAMP will be a challenging responsibility which the new editor will capably fulfill.
