

FTM LAMP OF

DELTA ZETA

WOMEN HOLD

DIRECTORY ISSUE

The Lamp announces —

THE LAMP staff has had a blessed event with the March advent of John Christopher Moore IV. The summer cover was done a month before hospital time. Artist Mother Beth is finding formulas and paint pots do not always mix, but she refuses to lose her sense of humor.

Delta Zeta's Women of the Year are in the news often. Mercedes Bates, 1970 winner, was off to France in April as one of six American women invited by the French government for a two-week tour "to maintain close ties of friendship between our peoples."

Delta Zeta's choice in 1969, Vee Shakarian Toner is the University of Pittsburgh's Alumnæ Association's 1971 choice for DISTINGUISHED ALUMNA. At the Spring luncheon Vee spoke on "Viva Olympic Vitality" and was presented with three sterling silver international sport medals, Pan American Games, Winter Olympic Games and Summer Olympic Games.

Both Edith Head and Gail Patrick Jackson were pictured at the Los Angeles Flame Fantasy—Edith to present film fashions, and Gail to receive a gift as guest of honor.

Eunice Carmichael Roberts, who received her medalion in 1958 as distinguished educator at Indiana University is waiting for her Golden Rose presentation. Eunice and her sister were both charter members of Alpha Beta chapter at the University of Illinois, where their father before them was an outstanding Dean.

Nevada Delta Zetas are still very honored to have the first Woman of the Year, Dr. Mary Hill Fulstone. The State of Nevada is also very proud of her as she is still active after giving forty-nine years of service to this State, on call twenty-four hours a day. She was named Nevada Physician of the Year for 1961 and in 1964 was given the University of Nevada Distinguished Nevadan award. In 1970 the Nevada State Division of AAUW named a \$1000 Fellowship Grant in her honor. Also in 1970 she was elected to the Nevada State Board of Education, receiving the second highest vote, and was on the Smith Valley School Board. Dr. Fulstone is an International Honorary member of Beta Sigma Phi.

The Lamp apologizes —

It used to be that any girl who could snag a fraternity pin automatically became a member of their "little sister" organization. Now for a Delta Zeta, snagging a fraternity pin has never been any great chore, so the list of little sisters would be long. Subsequently was deleted from Lamp reports.

However, your Editor has received letters from many chapters explaining that being a "little sister" on the campus is important. These girls are voted on very carefully by the fraternities and serve as hostesses for the gentlemen on important occasions. So with apologies to all those "little sisters" we have ignored, please note that in this issue we have included them in the chapter reports and pictures.

While on the subject of changing campus activities we are sure that those of our readers who have not visited a campus for some years would be rocked by the way BWOCs are born and chosen.

For any campus activity job, no matter how small one petitions and is interviewed! Even in campus wide elections, committees screen all applicants, and anyone may apply. Those chosen to be placed for voting have worn out several pairs of white gloves working their way up to the privilege of just being nominated to run.

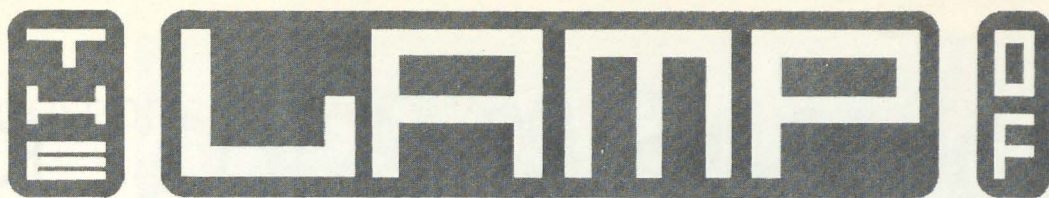

Even staid and prestigious Mortar Board accepts applications. Since high scholarship is being stressed more and more, this organization on many campuses invites all junior women with the proper scholastic average to submit their qualifications and references. Gone are the days when worthy females blushed unseen and unheard from.

But these same large campuses are discovering that fewer and fewer students are going out for activities since they do not want to go through all of the necessary time consuming channels and comply with the early deadlines for these applications.

It used to be if a chairman needed a job done, he or she would round up a few friends and get them interested. Now when confronted with a job to be done—all chiefs, no Indians! And you can't run anything without squaws.

So the pendulum is swinging back again to less structured campus activities and more just plain participation.

Kappa Lambda Chapter of Delta Zeta became the third national sorority on the campus of progressive Livingston University in February 1971. Gathered to welcome the new chapter were sisters from all the collegiate chapters in Alabama, as well as representatives from the state's alumnae groups. A delegation from Epsilon Mu Chapter at Southern Mississippi performed the initiation ceremonies, which took place in the small white Episcopal Church, dating from 1845, and a cherished landmark of the campus community.

Livingston University may need a word of introduction to many Delta Zetas. It has a long history of local service and recognition, for it was originally established in 1935 as an academy for girls, and was popular with the families of this part of southern Alabama. In 1883 it became a normal school, meeting the need for teacher training then becoming important. Keeping abreast of changing times, by 1957 it had become Livingston State College, but the 1970's find it a University with four Colleges, these being Arts and Sciences, Business and Commerce, Education, and last of all, the School of Graduate Studies. Its enrollment in the fall of 1970 was some 2000, and it draws predominantly from the South Alabama area.

As the college grew, its leaders looked to the future. A warm regard for the college fraternity system has prevailed, and there are three national fraternities on the campus now, Tau Kappa Epsilon, Pi Kappa Phi and Delta Chi. Local sororities also were formed, and all three are now chapters of NPC groups. Delta Zeta joined Phi Mu and Zeta Tau Alpha when Kappa Lambda was officially installed on February 20th.

Phi Delta Mu, the local group which became Delta Zeta, was first established in 1940. It has had a thriving career on campus, including the pledging, in the fall of 1970, of the largest pledge class in the history of the university. Editor of the campus newspaper was only

one of several outstanding campus positions, while the social side lists five of the seven cheerleaders, five Beauty Favorites and the LU Top Beauty, Miss Congeniality, Sweethearts and Pledge Sweethearts of both Teke and Pi Kappa Phi, Phi Mu Alpha Sinfonia Sweetheart.

A background of no less than seven years of interest in Delta Zeta on the part of Phi Delta Mu, may be traced to the fact that the chapter sponsor for many years has been Margaret Lyon, a Tau alumna, member of the graduate school faculty, and wife of Dean Lyon. With plans for sorority groups thoughtfully made, the University has designated its newest dormitory as quarters for the sorority groups. Each has its own floor for residence, and a large lounge in which to carry on chapter activity and entertaining.

Additional acquaintance between Delta Zeta and the local chapter grew from the fact that a number of girls from the area have become members of Delta Zeta chapters elsewhere in the state. Fortunately there were a number of alumnae of Delta Zeta in the community, associated with the university or with fraternity connections, to serve as informants and counselors to this sorority, and its choice came about very naturally.

The traditional events of an installation weekend were in the capable hands of these alumnae, and honored guests included province and national officers as well as the delegates from collegiate and alumnae chapters. The installation tea was held in the home of Dean Irwin, at York. Beautifully appointed and carried out, the installation banquet itself took place in the Livingston Country Club.

Toastmistress was Lisbeth Innis Francis who was realizing the happy outcome of a longtime dream. Beverly Baldwin Burnsed presented the greetings from other Delta Zeta chapters across the nation. Others featured were Kappa Lambda Chapter President

Elizabeth Baker Devereaux, National President, was

With the presentation of the handsome silver service, traditional gift to new chapters, and the affectionately moving Rose Ceremony, the formal events of Kappa Lambda's installation had that fairytale ending: "So they lived happily ever after!"

Missouri Western at Saint Joseph

Kappa Nu comes of age. From campus sorority to colony to chapter is the maturing process of Missouri Western's oldest sorority, Tri Chi. The sorority reached its full height February 27, 1971 when it received a charter of membership as Kappa Nu. The presentation was made at the Ramada Inn amid dozens of roses at the Installation Banquet.

The festivities began Friday at ten o'clock when Epsilon Rho chapter of Northwest Missouri surprised the twenty-three girls to be initiated with a Lamplighting ceremony and presented each with a rose. The twenty-three Kappa Nu Charter members are: Jennifer Archibald, Denise Bartles, Mary Jane Blair, Marilyn Coker, Betty Cotton, Debbie Dotson, Lindell Keller, Pat Kennedy, Julita Lewis, Susan Libby, Janet McNeely, Margo McQuin, Kendra Meyer, Barb Nichols, Stephanie Peck, Alice Rathburn, Cathy Rejnin, Gaye Roberts, Merline Walker, Joyce Walter, Connie Weston, Janice Weidmaier, and Pam Zook.

The Banquet was held with Lillian Kendig Truesdale as chairman. Lisbeth Innis Francis was toastmistress. Welcoming speeches were given after the dinner by Peggy Cock Maggio, Province Alumnæ Director; Connie Weston, Kappa Nu President; Susan App Potts, Province Collegiate Director; Missouri Collegiate and Alumnæ chapters; Carolyn McCandless Woodling, National Director and Carol W. Clark, Vice-President for Student Affairs at MWC.

Elizabeth Baker Devereaux, National President, presented Kappa Nu President, Connie Weston with the gavel; Pledge Trainer, Kendra Meyer, with the Loving cup; and Secretary, Judy Barton, with the Charter. Initiates received their certificate of membership. Epsilon Rho girls presented the Rose Ceremony.

The Missouri collegiates formed a Friendship circle and sang Delta Zeta Lamps are Burning, to close the banquet.

As is a tradition of installation, Kappa Nu was presented with a magnificent silver tea service. Other gifts

of silver were presented by Zeta Pi chapter of Phi Mu, Epsilon Rho, Zeta Rho of William Jewell, Kansas State at Manhattan, Harris State Teachers College, St. Joseph Alumnæ, The Greater Kansas City Alumnæ.

Sunday morning one-hundred Delta Zetas attended church service together. At two o'clock that afternoon a tea was held by Zeta Rho of William Jewell and Clay-Platte Alumnæ in Kappa Nu's honor. Over 200 guests attended.

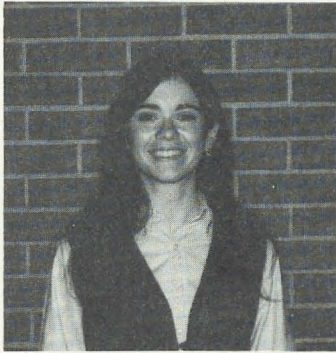

Two year old Missouri Western College, Missouri's newest campus, offers a modern and spacious atmosphere. It offers unique experience in the fields of education and computer science beside a varied physical education program and academic curricula. There are two sororities and six fraternities. Good faculty-student relationship and new traditions are being established as the student population increases and Kappa Nu is a positive power behind them!

Members of Kappa Nu are well represented in student activity organizations, and have received recognition in other honorary positions. Kendra Meyer and Debbie Dotson are sophomore class officers, while Judy Barton is secretary of the student Body and has been selected for Mace, our student service honorary. Barb Nichols, Alice Rathburn and Joyce Walters are members of Griffonettes, a spirit and dance group. Michele Manuel was honored by selection as Homecoming Maid of Honor.

An amazing sixteen seats in the Student Senate will be held by these Kappa Nus: Kendra Meyer, Connie Weston, Suzie Dawkins, Debbie Dotson, Alice Rathburn, Michele Manuel, Pam Zook, Denise Bartles, Janice Wiedmeyer, Mary Jane Blair, Beyyu Cotton, Lindell Keller, Gaye Roberts, Lynn Degenhardt, Margo McQuin and Mert Walker. The chapter has received a special citation from the United Fund for its service to the community and won the first place award in the Spirit Contest.

Exterior view of remodelled Gamma Omicron house in San Diego. The white stucco is accented with black iron trim.

Around the Gamma Omicron chapter at San Diego State College these days, the word is: "At last . . . we've DONE it!"

And done it they have! Five years ago, in 1966, the Gamma Omicrons decided to build a brand-new house. The old one was outmoded. It was far too small. It lacked study room. And it could accommodate only 16 girls. Competition for pledges against 12 other sororities on campus was intense. Gamma Omicron just had to do something . . . as soon as possible.

So emergency meetings were held by the House Corporation Board—Eleanor G. Thompson, president; Anne Stone, vice-president; Elizabeth Clarkson, treasurer; Betty de Armond, secretary; Dianne Stamp, collegiate president; and Sue Gilman, collegiate treasurer.

The ladies went to work with a vengeance. Their first idea was to tear down the old house and build a new one. But this proved impractical; it was impossible to raise enough money.

So, in 1968, the Board decided to remodel. They called in contractors. But the financing was still needed. Fifty-dollar bonds, paying six percent interest, were sold. And gifts poured in . . . from members, from alumnæ, from parents, and from friends.

Financing in hand, rebuilding began March 1, 1970. Seventy-five percent of the old building was torn down. Thanks to speeded-up construction, the remodelling was finished in September, 1970—ample time for the Delta Zetas to move in for the new term.

What a chapter house they found awaiting them! It had a brand new entry, foyer, and powder-room downstairs. The living room was now enormous. The new dining room seats fifty. The kitchen was greatly enlarged, with new equipment. The "rec room" was refurbished throughout. And the house mother now had a living room and bath as well as a bedroom. There was also a much bigger guestroom.

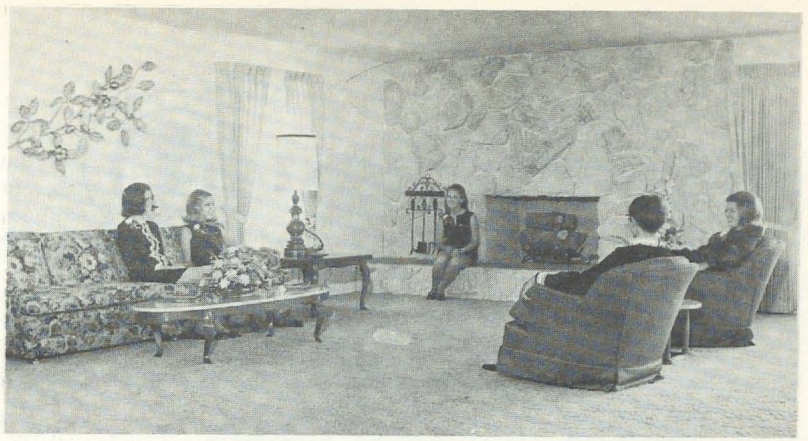

Gamma Omicron Dedication

Upstairs, there were even more dramatic changes. A former 12-girls' dormitory is now converted to two bedrooms, each for three to four members apiece, and with a bath. A new addition on the second floor provides three bedrooms, a study hall, a large bathroom, a laundry, and a dry-and-drying room. Up here, there's now ample room to sleep 25 girls instead of the 16 who crowded in before.

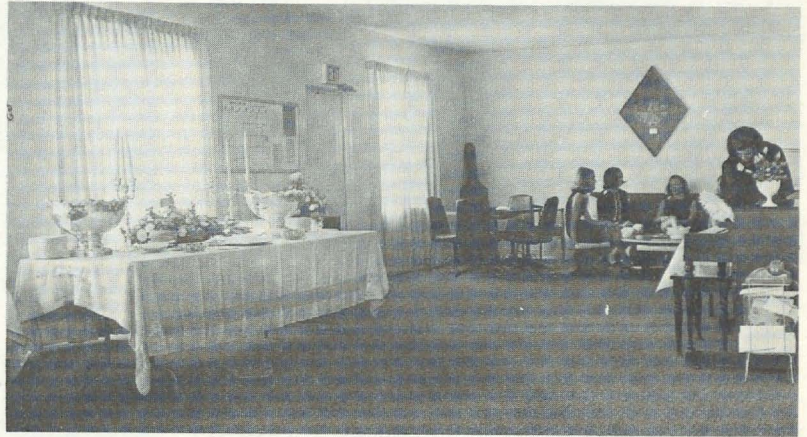

Such great improvement, after so many years of struggle against financial obstacles, called for an all-out success celebration. This was staged at the re-born Gamma Omicron chapter house, 5074 College Avenue, San Diego, California 92115, on Sunday, November 8, 1970.

House Corporation president Eleanor G. Thompson welcomed the guests. The Rev. Robert E. Luther, pastor of the College Avenue Baptist Church, pronounced the dedication prayer. Gamma Omicron chapter sang "Bless This House." Mrs. Thompson turned over the keys of the house to the chapter. Dianne Stamp, chapter president, Eleanor Farris, Region West Director, Hildy Owen, Province Director; and Margaret Bryant, alumnæ president, all responded.

ADVENTURES in FRIENDSHIP

Gamma Tau Project

by SUSAN TORRIANI, IT

A determined deaf girl has come closer to her goal because the sisters of Gamma Tau at Bowling Green State University have opened their hearts and undertaken a worthwhile project.

The heart-warming project established this year by Gamma Tau was a \$500 scholarship for Susan Marie Zvosec, 20, of Elyria, Ohio. Miss Zvosec now is in her second year at Gallaudet College.

Gamma Tau became interested in Susan when Jan Schaffer, a Gamma Tau member, told the chapter about her. Miss Schaffer had grown up next door to Susan and has known the deaf girl all her life.

"Susan was born partially deaf, but didn't lose all of her hearing until second grade. It wasn't due to a sickness or disease. It is a nerve deafness," Jan said. Susan did not have an easy journey as she worked her way toward college. Her parents occasionally arranged tutors, but Susan did the rest herself.

"It was really hard for Susan during high school. It annoyed me when some of the teachers couldn't be bothered to help out and make the going a little easier."

Susan attended public school in Elyria except for junior high school. She got up at 5 A.M. for four years while in grades seven through nine to commute by bus to Emerson Junior High School for the deaf in Cleveland.

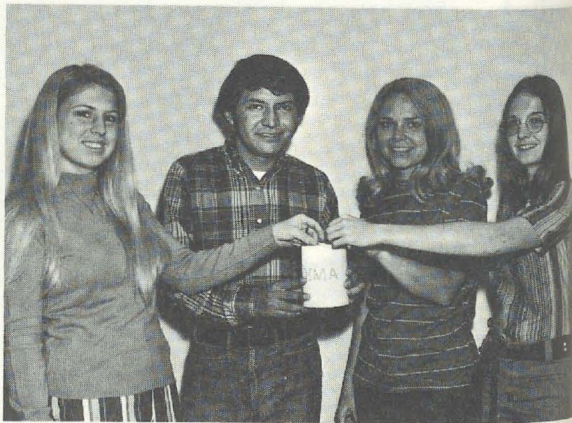

Susan does not let her handicap stifle her activities. She loves to knit and read as well as travel. She also can drive a car, providing it is equipped with special mirrors. She reads lips and wears a hearing aid with which she can barely distinguish sounds. She speaks in a very clear voice with a slight lack of inflection. Lip reading is her link to communication. The hearing aid signals to her the direction to turn to read the lips.

"It becomes quite expensive with the cost of specialists, hearing aids and college. The Gamma Taus are hoping that the scholarship will help the Zvosecs at least a little," Miss Schaffer said.

Susan is enrolled at Gallaudet in a five-year program which will enable her to teach the deaf.

Dorothy Cash, Gamma Tau president, and Sharon Bell, Phi-anthropic chairman, present their \$500 scholarship check to Susan Zvosec to attend Gallaudet College for the Deaf.

Denver Volunteers

Denver Alumnae volunteers in February completed the second year of the pre-school hearing testing program. This project was taken over from the Junior League who began it in the late 1950's. This year Delta Zeta has expanded the program from the 80 Denver preschools to also include Jefferson County, Englewood, and St. Anne's Episcopal School.

Approximately 25 volunteers are trained by Patricia Coleman Spatz, ΔΠ, each year to use the three audiometers on which the preschool children are tested. The machines belong to the Colorado Hearing and Speech Center, and were purchased with a grant given to the Center by Delta Zeta. The first year of testing, tapes were used and were so worn in spots that testing was not entirely accurate, according to Patricia Spatz. Also only one ear at a time could be covered which made it difficult to eliminate outside noise.

The procedure for testing is that a letter is sent to all the preschoolers' parents in the class to be tested. The letter is sent two or three weeks before the testing is scheduled and outlines to the parents the objectives and procedures of the testing. At the actual testing, the child is told by the tester he is going to play a game to see how well he can hear. Red and Blue marks distinguish right and left earphones of the audiometer, and the child is instructed to listen for the sound in the red ear and then the blue ear.

The testing is started with three tones at 25 decibels. If there is no response, the level is raised 10 decibels at a time until the child reacts. Volunteers work in teams of two; one operates the audiometer and the other notes the reactions of the child being tested.

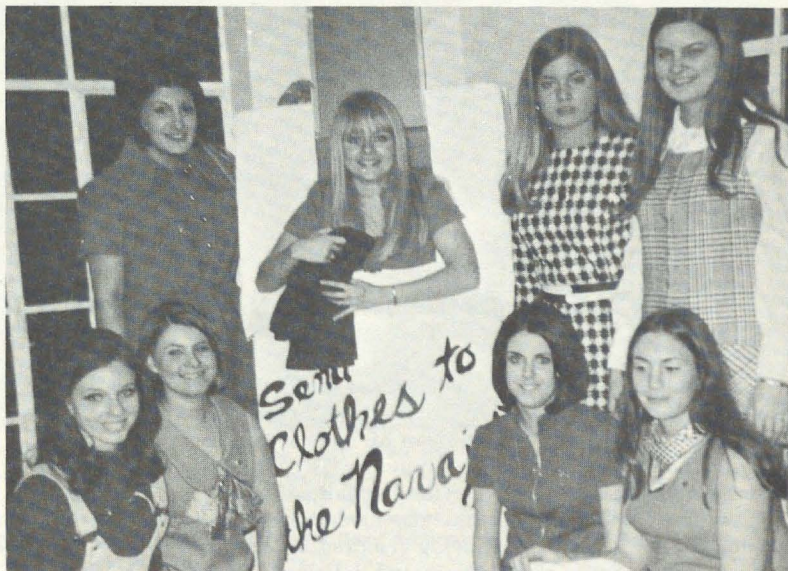

When a child fails to hear normally, a note is sent home requesting that the parents contact the school health service for further testing. If parents fail to call, the school audiologist contacts them. The child is then re-tested by a professional staff member. If his hearing

Mary Brown Staub, A, explains "the hearing game" to a group of preschool youngsters in volunteer program conducted by Denver Alumnae chapter.

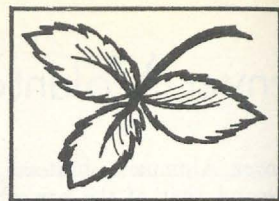

still appears defective, consultation with a doctor is recommended. Many children fail to hear the first time because of colds, tonsillitis, allergies, and ear infections.

Getting volunteers has not been a problem according to Patricia: "A lot of our members who would rather not attend meetings welcome this type of work, and others who are former school teachers are glad to have a chance to work with children again."

President's Page

It is my privilege to announce the National Council's election of Beverly Baldwin Burnsed as National Vice-President Collegiate Affairs. Marilyn Landers found it necessary, for personal reasons, to resign this position and Beverly will complete the unexpired term. She has served as Province Collegiate Director for Florida and was elected to National Council as a Director in both 1968 and 1970 with her special assignment being Region South. One of Beverly's first official functions in this new position was as Chairman of the Code of Ethics Committee meeting held in Columbus in March, and judging by the accomplishments of that weekend, we are confident that she will continue the progressive planning and streamlining of the College Programs started by Marilyn during her brief term of office.

Speaking of the Code of Ethics Committee meeting . . . it was interesting to note the number of chapters whose Codes reflected the members' thinking that Delta Zeta's standards, and the national policies which uphold these standards, should not be changed in any way. And of course there were those who expressed the belief that certain policy changes could be made which would still be within our Delta Zeta standards. The Code of Ethics Committee did recommend some policy modification to the National Council for their consideration.

An excerpt from a letter to the National Council from Patti Walker, retiring President of Gamma Alpha Chapter, Baldwin Wallace College, Berea, Ohio: "My collegiate career as a Delta Zeta will be ended in a few short months. Reflecting on the past four years I realize what an important part the sorority played in fulfilling my life and helping me develop as a person. It has been an invaluable experience and one I shall treasure forever. I consider myself very lucky to have been a ΔΖ and able to meet sisters from across the country including many of you, the National Officers. You've helped me realize that a June graduation is not the end of active sisterhood but rather the beginning of a new role as an active alumna."

A few of the campus trends indentified at the March, 1971 meeting of the National Association of Women Deans and Counselors . . .

The structure within many college and university administrations is changing. We have been aware for some time that the position of Dean of Women was being eliminated on an increasing number of campuses. Now we note that often not even the Panhellenic advisor is a woman, which means that any model for undergraduate women students is being removed on campus after campus. Some think this trend followed, inten-

tionally or unintentionally, the administrations' no longer assuming "in loco parentis" responsibility. Perhaps James Thurber's quote would be apropos here: "You might as well fall flat on your face as to lean over too far backwards"!

—There is a dire leadership void on the campuses.

—The wave of activism sweeping the country has created a desire to be heard on the part of the Greeks.

—The totally unstructured rush attempted by some campus Panhellenics doesn't work. There must be some sort of structure, having only those rules and regulations necessary to the successful completion of rush. A "constructive structure" should be utilized, rather than the rigid structure so often used. To develop constructive structure it is necessary to analyze each rule and regulation as follows:

1) What is the purpose of having it, what are we trying to accomplish through having this rule?

2) Is it accomplishing what it was intended to accomplish? If not, delete or modify.

3) What is it we want to accomplish through "rush" anyway?

From THE FLICKER, published monthly by Epsilon Mu Chapter at University of Southern Mississippi. Editor: Charlotte Hollinger and President: Irene Bourne . . . "I am anxious to find out what my year as President will hold for Epsilon Mu. I am only sure of a few things. We are going to experience the pride that comes with winning; we are going to share the disappointment that comes with losing. We are going to laugh and cry, share good times and bad times. But above all, we will do these things together—for we are unified, no matter how different we may be, by a bond so complete that it will still be strong when college is far behind us."

The Dallas Alumnae Chapter publishes a monthly newsletter called the Lamplight and their March issue had an article called "THINK — IT — OVER":

"The value of anything depends on its aim. If we are Delta Zetas just for the sake of being in a sorority, it is likely it will do us far more harm than good. On the other hand, if we are Delta Zetas because we are interested in the continuous improvement of ourselves as well as mankind, then being a Delta Zeta has real meaning and significance."

Rushing is a most important responsibility of every member of Delta Zeta. The magnitude of this responsibility must be fully realized and appreciated by every alumna and collegiate member for the present and future strength of Delta Zeta is determined by the number and quality of its members.

Every member must strive to keep the Delta Zeta membership at maximum strength at all times because the efficiency of operations and the quality of programs within the organization depend upon the number and quality of participating members: and in turn, the efficiency of the operations and the quality of the programs will determine the degree of benefits and the amount of satisfaction that will be derived by individual members.

On many college campuses, the pattern of rushing is in the process of undergoing change befitting to a more relaxed society. The established rushing practices of past years have been evaluated with regard to the expenditures of time, energy and money and, at the present time, there is a gradual trend to encourage sororities to simplify rushing procedures without sacrificing the sought after objectives. The extravagant type of entertainment or presentation is being replaced by a more informal, personal approach type of rushing program.

This change to a more informal type of rush requires an increased amount of assistance, preparation and planning since its very success depends upon proper contacts made with prospective rushees. Experience has shown that rewarding efforts come from the contacts and associations with new college students, their parents, their relatives and their friends as well as their social and business associates and their commu-

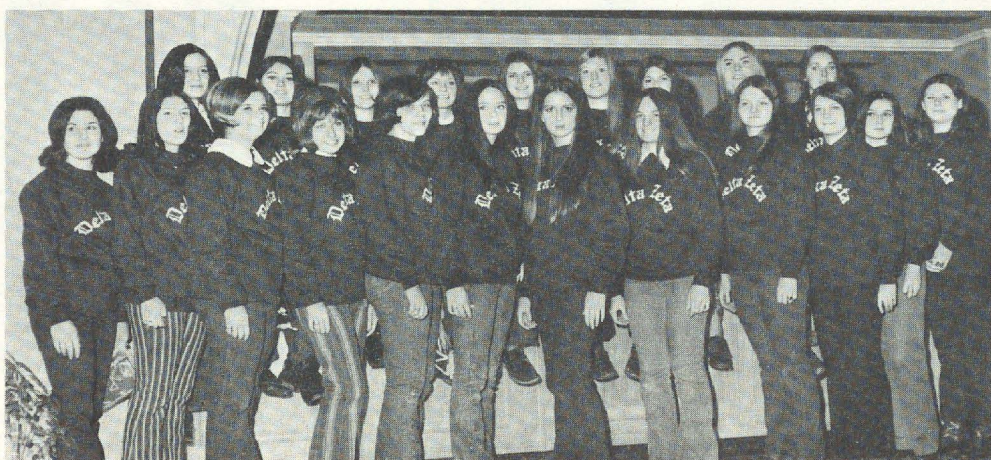

nity, school and church acquaintances. If these people are made knowledgeable of the advantages that can be derived from sorority membership and this is reflected in their conversations with the prospective rushee, the latter will have increased interest and anticipate pledging a sorority when she arrives on the college campus. Once she is on the campus, it can be expected that this girl will be receptive to the friendships and relevant opportunities extended to her during the rushing period of that school.

Delta Zeta collegiate members need and deserve the encouragement and cooperation from all members of the sorority in order to perpetuate the strength and growth of Delta Zeta. Ideally, the collegiate members need prospective rushees who already are informed about Delta Zeta and who anticipate pledging a sorority because of the personal benefits that can be derived from the membership.

Delta Zeta alumnae can assist the collegiate members by stimulating interest in sorority membership and providing information about Delta Zeta to their friends and associates of their respective communities. In addition, alumnae can plan so that local collegiate Delta Zetas will have numerous opportunities to meet and become informally acquainted with college-bound girls who will be prospective rushees. This type of casual communication can be of greatest value if it is established before a new student goes on campus, but the timing of such contacts should know no season for the promotion of sorority membership is a year-round activity.

Vice-President—Membership

The Winter Pledge class of Gamma Nu chapter at Eastern Illinois University in Charleston display their informal attire which proclaims them Delta Zeta pledges.

Alumnæ!

The future of Delta Zeta is YOUR responsibility. The greatest contribution you, as an individual, can make to the continued growth of high quality membership of Delta Zeta is by furnishing college chapters with personal references of girls from your community.

Each of you knows a girl who will be going to college this Fall. Some of you know many girls whom you would welcome as Delta Zeta sisters. Talk with these girls, telling them of Delta Zeta. If they plan attending a school where there is a Delta Zeta chapter, do mail a personal reference to that chapter, giving as much information as possible concerning the girl. This will serve as an introduction between the college chapter girls and your friend.

Delta Zeta has hundreds of alumnæ who have volunteered to work on their state committee, which is headed by a State Chairman. There should be thousands of alumnæ who are willing and eager to be of service in helping the college chapters to secure information about the girls whom they hope to pledge. Each of you has received letters from your state's Chairman requesting your cooperation. If you haven't already answered her, why not take a moment NOW to write the Chairman of your state's committee, offering your assistance. You will be proud when "your" girl becomes a Delta Zeta pledge.

You will find listed the name and address of each State Chairman and the members of their committees (others were not available in time for printing. Additions will be mailed to college chapters during the summer.) It should be rewarding to find your name listed as a member of this committee, knowing that you have volunteered to do your part in maintaining the highest quality for Delta Zeta membership.

Mary Lou Barth
National Reference Chairman

Fill out the suggested information blank concerning your prospective rushee and send to the College Chapter Director listed in the Directory in the back of this issue for the proper chapter. During the summer she will see that the rushing committee for her chapter receives the information. Summer addresses for collegiate members are not listed since they are so variable. Do add any other information concerning your girl as this will help the collegiate chapter to better know and become friends with the rushee.

Alumnæ Happenings

Long-stemmed roses go to Lois von Husen, M, and Fern Ludden Matz, ΔX. These California girls are both Lamp reporters for their alum chapters, Lois from ORANGE COUNTY and Fern from the SACRAMENTO chapter. The figurative flowers are for supplying their own *complete* names and *chapters* at the top of the report form. Many of you gave this helpful information in their reports but failed to include it about themselves.

Delta Zeta ADVENTURES IN FRIENDSHIP are big business all across the country. On reading the reports, one begins to see a pattern emerging. The tried and true ideas are still the most popular; but often, a group introduces a novel variation. A popular get-together idea is the no-hostess or Dutch treat luncheon. Alums meet for planning sessions or just for fun, and no one gal is burdened with arrangements.

A clever variation on the garage sale is the Garret Shop. Events including husbands are well-attended. Projects for the kids are always popular.

Caroline Fuhrmeister Touchberry, BK, and her daughter Pamela were honored at a Mother-Daughter luncheon by the CHAMPAIGN-URBANA, ILLINOIS group before moving to St. Paul, Minnesota, where Caroline's husband is on the faculty of the University of Minnesota.

"Loop Group?" Love that name. Where else but in CHICAGO, where several groups comprise the alumnæ chapter.

A safari to South Africa—via slides—commentated by the husband of Helen Janney Brown, AP, was enjoyed by the CLEVELAND EASTSIDE alums. Their Junior Group decorated margarine tubs with felt, sequins and artificial flowers for bedside tables at the Midtown Nursing Home.

A demonstration on baking fancy breads with the new powdered yeast, by Jo Anne Edmondson, home economist with the Colorado Wheat Association, attracted many new faces to a DENVER alumnæ meeting. DENVER ΔZs are as excited as the rest of the citizens over the upcoming Winter Olympics to be held there.

GREATER KANSAS CITY alums are working on a recipe book. Need a taste tester?

Trying hard for their charter are the GULF COAST, MISSISSIPPI gals, who are scattered along the coast from Long Beach to Ocean Springs.

Ah, to be in HONOLULU, HAWAII, where our sisters eat the most exotic foods, and always for a good cause.

Elated over the fabulous success of their sixth annual Hobby Hi-Lites show, HOUSTON, TEXAS alumnæ have sent their check for \$3,150 to the Houston Speech and Hearing Clinic.

Art sitters? Yes, in HUNTSVILLE, ALABAMA, Delta Zetas and their teen offspring "sat" with art exhibits while exhibitors took time off to shop or have lunch. Teen-agers also acted as pages and errand boys for the alumnæ chapter's third annual Arts and Crafts show, featuring 100 artists and craftsmen from five southern states. Ribbons and prizes were awarded by popular vote of the artists themselves. Margaret Beverly Bunn, BΞ, is willing to share details. Write: Mrs. Wiley C. Bunn, 709 Chambers Drive, Huntsville, Alabama 35801.

A lesson in simple arithmetic: The question, "Could this be our chapter?" is raised in the MUNCIE, INDIANA newsletter.

Just you and me—and sister, you'd better get busy, because it's too much for me!"

NASA CHAPTER members, near Houston, Texas, and the space center there, are still excited about the arrival of triplets. Their past president, Marilyn McCullough Thibodeaux, BΨ, gave birth February 19 to James Todd, Anne Clarice and Rebecca Lee, each weighing about four pounds. Proud papa James M. and little brother Christopher, two years old, are all smiles.

NORTH PHILADELPHIA SUBURBAN alums held a fashion show to benefit the Philadelphia School for the Deaf. They used the traditional Mitten Tree theme at their annual Christmas party, the mittens later being sent to the Navajo Indians.

THE OAKLAND COUNTY, MICHIGAN alumnæ, spread over a huge area, operate four subsidiary groups with one Central Council. Members occupy many hours at home preparing charts and flash cards for the deaf rooms in public schools. This continuous program is only a part of the OAKLAND COUNTY group's active program of help for the hearing-impaired.

"Top of the World" restaurant in OMAHA was the scene of a March luncheon for alumnæ and collegiates discussing the role of the sorority woman in the world beyond college.

ORANGE COUNTY, CALIFORNIA alums started the new year right by including husbands in the invitations to a Progressive Dinner.

Lawry's Mix gets into the act. PASADENA-FOOTHILLS, CALIFORNIA alumnæ made casseroles using the gravy mix according to Lawry's contest rules. After the tasting bit, those present voted for the best recipe to be entered in the contest.

The Theta Phi Association, in a newsletter named *Tidewater Turtle Talk*, has published a roster of 58 members, with thumb nail sketches where available. The PENINSULA, VIRGINIA alum group heading this project is led by two ΘΦ's, Lynn Eddy Pope, president, and Nan Myers Verniel, vice-president. Lynn's address is in THE LAMP directory.

In PORTLAND, OREGON, the alumnæ chapter newsletter spotlights three members in each issue. Good "get acquainted" idea.

The whole world is saving Betty Crocker coupons (or so it seems) for the SAN FRANCISCO-BAY CITIES chapter's Békésy audiometer project. RIVERSIDE, CALIFORNIA and TIDEWATER, VIRGINIA alums, as well as such groups as Girl Scouts, church organizations and doctors' offices, working through DZ members, are helping for "goal by summer." (Reminder: Trim excess cardboard to save postage.)

SACRAMENTO, CALIFORNIA ΔZs love celebrating St. Valentine's Day by taking ice cream, cookies and cards for a party at the Children's Receiving Home. Much alum enthusiasm was generated also by their "Do-it-Yourselfer in Action" series, which included demonstrations on Stretch and Sew, restoring antique furniture, and interior decorating. For the latter program, six alums made hostess outfits and the interior decorator, Mrs. Frazier, designed home settings around each.

Good idea in SOUTH BAY, CALIFORNIA: An evening bridge group for couples.

The SALT LAKE CITY Panhellenic Association sponsored a benefit with a new twist. \$3 tickets, redeemable for lunch or dinner at the Guadalupe Center any day throughout February and March, were sold by members.

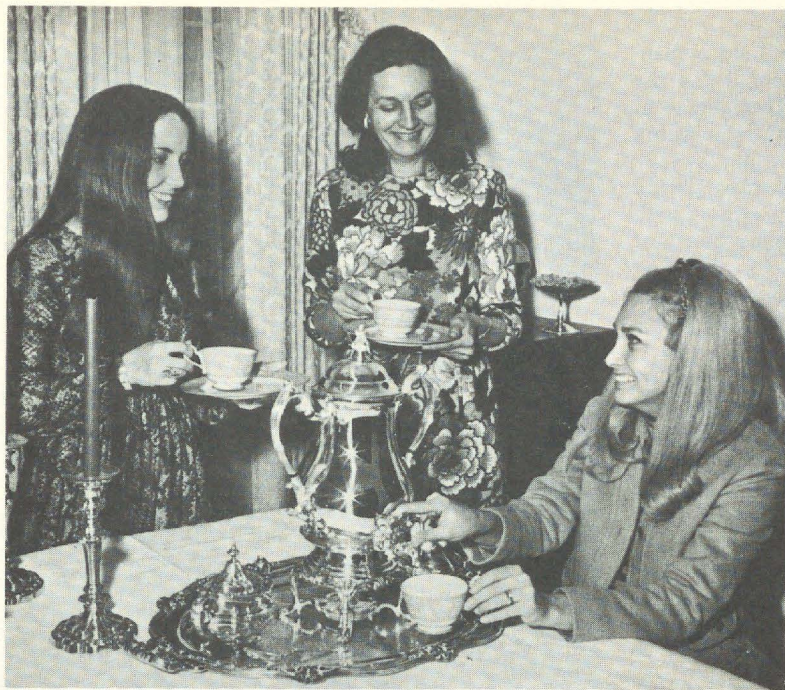

Parting thought from SALT LAKE newsletter: Some people are like blotters. They soak it all up, but they get it backwards.

Cynthia Preston Charles presents the North Philadelphia Alumnæ chapter's check to the Director of Development at Pennsylvania School for the Deaf, Mrs. Jessie Wolfe. The money was raised through local projects by the philanthropy committee.

On behalf of the Wilmington Alumnæ, Eleanor Hansen Nichols, T, presented five hearing aids to Louis H. Thibault for use at the Delaware State hospital.

Tuscaloosa Alumnae honored the twenty-three initiates of Alpha Gamma chapter at the University of Alabama with a gift of a silver coffee urn. President Karen Basele Lill, EX, serves Collegiate President Phyllis Blount, AT, and Shirley Buck Prigmore, IG.

"Burglary Prevention in the Home" was the gripping topic when a police department representative spoke to the SAN JOSE, CALIFORNIA alumnae chapter in the home of Janet Hankel Cornell, E.

SAN MARCOS, TEXAS alumnae had a fantastic rummage sale in March. A chart detailing work assignments was published in the newsletter for all to see.

HOSPITABLE ST. LOUIS, MISSOURI alumnae offered their homes for overnight guests during Province Weekend.

A "Junque and Antique" sale for the TUCSON, ARIZONA scholarship fund was held at the home of Jeanette Guist Bideaux, BI. Spelling it *junque* may have promoted lots of sales. TUCSON members were interested to learn from their Lamp reporter how much time and effort elapses between her report "deadline" and the story's eventual appearance in the magazine. A mental picture of THE LAMP editor buried under mountains of alum and collegiate reports was illuminating (no pun intended).

Gammaphone, the "second oldest continuous ΔZ newsletter," is published twice yearly by the TWIN CITIES, MINNESOTA alums. A goldmine of information, it is certainly worth the price—\$5 for a life subscription. The fascinating November '70 edition covered the National Convention, among other things.

WASHINGTON, D.C. alumnae have an energetic group, the DEE ZEE Investment Club. Another group, the Daytimers, meet for lunch, with each member bringing her own sandwich. The hostess serves coffee and dessert.

Betty Lawrence Baker, TK, a member of the WATERLOO-CEDAR FALLS, IOWA chapter, has been working with Foster Parents under Catholic Charities. In November, she and her husband cared for a boy for five weeks. They now care for two babies, providing food, clothing and love. Diane, the eldest of the their own four, was recently initiated into ΔΣ Chapter at Northeast Missouri State College.

Guest of Honor at Southern California's Flame Fantasy was Gail Patrick Jackson, AII. Jeanne De Vivier, P, chairman, presented her with a gift of friendship for her many contributions to the success of the annual luncheon.

Miss Agnes Moorehead, moving picture and television star, assists the collegiate Miss Flame Fantasies in drawing the tickets for the door prizes at Southern California's luncheon and fashion show. With Miss Moorehead are Delia Gondar, AX, Claudia Lambia, ΔA, Sue Gilman, ΓO, Connie Boich, IΦ, Judy Nofsinger, IT, Suzie Diaz, ΘP, and Jeanne De Vivier, P.

Delta Zetas in Southern California celebrated their crystal anniversary of giving February 13 as over 700 alumnae and collegiate members gathered for the 15th annual Flame Fantasy Luncheon and Fashion Show in the Century Plaza Hotel Grand Ballroom, Los Angeles.

The annual luncheon, hosted by Delta Zeta groups stretching from San Diego to Santa Barbara, carried out the theme, "A Look into Our Crystal Ball." Proceeds are divided between NASHA (National Association of Speech and Hearing Agencies) and Uni-Betic Camp for diabetic children, a summer program of the Los Angeles Metabolic Clinic. A portion is also given to the Housing Fund of the Southern California Council of Delta Zeta Alumnae Chapters. Delta Zeta has given over \$85,000 to these groups through the efforts of Southern California's Flame Fantasy luncheons.

Costume designer Edith Head, M, author, lecturer, ΔZ Woman of the Year and winner of seven Academy Awards, commentated on the fashions and headed a list of Hollywood personalities on the fashion show program.

Fashion co-ordinator was June Van Dyke. In recognition of the luncheon's crystal anniversary, Miss Van Dyke's selection of California designs highlighted the circle of fashion change during the fifteen years of the annual luncheon. Designs showed the pretty girl look of the 1950's, with models wearing long skirts and full petticoats, and proceeded through the knee length sack dresses, the chemise trend to A-line outfits. From there, Chanel suits were the big influence, followed by the beaded look. For 1971, June's models showed a return to the pretty girl look—a full circle of fashion.

The finale of the fashion show with Edith Head, M, describing the gowns designed by her for motion picture weddings.
