Seven hundred were in attendance at Province XVII Weekend at the Dallas Marriott Quorum on March 1 and 2 when Myrtle Graeter Hinkly, DePauw-Δ, received her *Order of the Diamond in the Flame* award for 75 years of membership.

In accepting her certificate from Past National President Carolyn Gullatt, Myrtle emphasized the meaning of Delta Zeta to her through these 75 years.

She surmised that when she was initiated into Delta Zeta there were not as many members in the whole sorority as there were in the ballroom of the Marriott. Myrtle reminisced about her initiation in October of 1911. Martha Louise Railsback, then National Corresponding Secretary, presided at the initiation. Welcoming Myrtle into

Delta Zeta, Martha said to her, "Today you have found a way of living, you have found a solid rock on which to stand and keep your balance."

Myrtle added, "Honestly, I don't think I even knew what she was talking about. The years have brought meaning to those words - and even now when I have trouble sleeping at night I repeat the words of the Delta Zeta ritual to myself."

In expressing her appreciation for the award, Myrtle repeated a quote she had read recently: "Gratitude takes three forms. The spirit of the heart. The words of expressing. And giving."

*(Your editor recalls another Province XVII Weekend when she, as the*

*then National Vice President of Alumnae, presented Myrtle with her Golden Rose pin.)*

It was a March evening in Oxford, Ohio when Elsa Thoma Baer, Miami-A '11 was presented her *Diamond in the Flame* award for 75 years of Delta Zeta membership.

Cincinnati alumnae president Diane Fetherston Babcock, Santa Barbara-ΔΨ wrote, "Best of all was the marvelous evening with Elsa, truly 95 years young!" She entertained and informed everyone with memories of her high school, college and teaching days in Oxford and Southwest Ohio. Readers may recall Elsa's article in the Special Historical Issue of *The Lamp*, Spring 1984.

# Delta Eta Installed in Tennessee

*Delta Eta chapter at East Tennessee State University.*

**by Deanna Alleman McKinnon, National Director  
and Pam Summerlin, Field Representative**  
**Photographs by Shawn O'Halloran, Field  
Representative**

East Tennessee State University celebrates its 75th anniversary this year and Delta Zeta celebrates the reorganization of Delta Eta chapter. Located in Johnson City on land donated by George L. Carter, a distinguished citizen, the university was opened to students on October 2, 1911. From the campus one can view some of the highest mountains in the Appalachian system in addition to the peaks of Buffalo, Cherokee, Holston and Roan mountains.

Beginning early in September of 1985, Marvona Easley Tavlin, National Vice President of Collegiate Affairs, and Pam Summerlin and Shawn O'Halloran, Field Representatives, presented their goals for a new chapter to the campus. After individual interviews with interested students, a small core, on which to build the sorority, was established. From the beginning the Delta Zetas were active in all areas of campus and Greek Life.

At 10:30 AM on Saturday, March 22 at the East Unaha Church of Christ, the initiation service was conducted by Beta Lambda chapter at the University of Tennessee. (This chapter also performed the initiation service when Delta Eta chapter was originally installed January 28, 1956). Signing the charter were:

Justine Marie Bielec, Rebecca Lynn Blevins, Clair Elizabeth Cornett, Robin Nanette Estep (who served as the colony president), Julie Marie Foster, Gretchen Teresa Gary, Lesley Jill Glenn, Suzanne Denise Hallman, Patricia Barbara Keith, Angelia Lynne Lamb, Jenifer Lynette Maupin, Andrea Lynn Mays, Kimberly Anne Miller, Kimberly Michele Morgan, Lori Jean Nichols, Denise Kay Pearson, Lisa Ann Potter, Myra Leanell Ray, Amy Marie Riddlemoser, Tina Renee Roinson, Sharon Kay Stone, Sara Elizabeth Street and Diane Michele Thompson.

That evening at the Installation Banquet Norma Minch Andrisek, Past National President and Director of Extension, presided as toastmistress. Delta Eta initiate Angelia Lamb gave the invocation. Clara Schnakenberg Smith, PCD, extended greetings from Province XIX and welcomed the chapter members, their parents and guests. Shawn O'Halloran recounted some of her experiences while working with the chapter and Pam Summerlin presented her dreams and goals for Delta Eta chapter.

Patricia Keith, chapter president, responded to the challenges presented to the chapter and recounted the events that led to this memorable day.

*Delta Eta's Executive Board: (l to r) Kim Miller, recording secretary; Andrea Mayes, pledge education; Patricia Keith, president; Denise Pearson, membership; Beth Cornet, corresponding secretary; Lisa Potter, treasurer.*

*Delta Zeta officials helping to celebrate include Clara Smith, Mary Margaret Fore, Deanna McKinnon, Pam Summerlin, Norma Andrisek and Shawn O'Halloran.*

National Director Deanna Alleman McKinnon read greetings from collegiate and alumnae chapters and members of National Council.

Representing the University were Sally S. Thomas, Assistant Dean of Student Affairs, Anne Adams, a Graduate Assistant, and Kristen Fry, Delta Zeta from Delta Eta chapter and Assistant Director of University Relations. Sally extended her warm wishes and those from the University Administration, Panhellenic and the other national sororities for our continued success at East Tennessee State University. Delta Zeta is grateful to Sally and her staff, Panhellenic and the Tri-Cities alumnae chapter and its president, Susan Batchelor Caudle, for their continued assistance and support.

The beautiful and traditional Installation Service was conducted by Mary Margaret Calhoun Fore, national president, and it brought tears of joy and pride to Patricia Keith, president, as she accepted the gavel and charter.

On behalf of National Council, Mary Margaret, Norma and Deanna presented the chapter a lovely silver punch bowl, ladle and tray. Clara Smith presented the Province's gift of a pair of silver candle holders. A beautiful flower arrangement used on the head table was sent by Becky Jones, former CCD and past president of Delta Eta Chapter, who now resides in Key Biscayne, Florida.

In gratitude for their gifts, the chapter reciprocated with several songs and presented roses to national and province officers, field representatives and university officials.

The evening concluded with the Rose Ceremony and Friendship Circle led by Pam and Shawn.

East Tennessee State University has five national sororities—Delta Zeta, Alpha Delta Pi, Kappa Delta, Phi Mu and Sigma Kappa. Each has a suite in Panhellenic Hall. The Delta Zeta Suite was refurbished prior to the reorganization by Sue Jones-Allen, National Housing Projects Manager.

*Beta Lambda officers from the University of Tennessee initiated their new sister chapter.*

*Displaying the Delta Zeta gift to the new chapter are Mary Margaret Fore, Patricia Keith, Deanna McKinnon and Norma Andrisek.*

**Heart Thoughts  
For My Special Rushee**

A Delta Zeta is someone who  
is truly unique.  
She is a one-of-a-kind woman.  
Her presence spreads love  
through a hug  
a chuckle  
a good deed  
or  
a gentle gesture.

A Delta Zeta's actions always take into account  
the thoughts  
cares  
woes  
and  
joys  
of those around her.

She is the composite woman -  
strong, weak  
assertive, aggressive  
sensitive, tolerant  
always caring.

Secrets and feelings can be shared with her.

A Delta Zeta is a maker of goals,  
a planner of dreams  
and  
she is the source  
to make  
those dreams  
come  
true.

In Delta Zeta, life is  
ever-changing  
vital  
complex  
joyful  
vibrant  
fun.

I am a Delta Zeta ...  
I reach out to you ...  
I will be your friend, your sister ...  
Together we will build a bond ...

love  
trust  
respect  
understanding

All this is waiting for you.  
And so am I.

# $\Delta Z$ Legacy Introduction

*These little  $\Delta Z$  legacies are Adrienne and Jennifer Favorite, daughters of Phyllis Favorite, National Secretary. You can be certain their mom will send a  $\Delta Z$  LEGACY INTRODUCTION form and a STANDARD REFERENCE form to the proper chapter when these young ladies go through rush! (Little sister Amanda didn't arrive in time for the picture!)*

...A Delta Zeta legacy (daughter, granddaughter, sister) shall be invited to at least two formal rush parties upon receipt of a voluntary reference for her prior to rush.

...A legacy shall be dropped from Delta Zeta rush only with justification and only with the approval of the College Chapter Director and the Province

Collegiate Director prior to her removal from the invitation list. The National Vice President of Membership must be informed of the decision not later than 24 hours after it has been made.

...A legacy receiving an invitation to the preference party shall be placed on the chapter's first bid list.

A Delta Zeta legacy is someone special so the national policy on legacies has been developed to provide her special care in rush while allowing the collegians to exercise their desires in selecting members compatible with the needs of the sorority, the chapter, and its members individually.

A legacy is neither entitled to an automatic bid from Delta Zeta nor is she required to pledge any particular sorority. A legacy going through rush should review all groups to which she has been invited and pledge that group in which she feels most comfortable and can make a contribution.

As membership selection is the responsibility of the collegians, membership information is the responsibility of the alumnae. Many times a collegiate chapter is unaware that there are legacies in rush because neither Delta Zeta nor Panhellenic references are available. Won't you please take time now to complete the LEGACY INTRODUCTION FORM to introduce *your* legacy on her campus. Also, please send a standard reference form for her to your State Reference Chairman. You may wish to complete this form yourself or have a Delta Zeta sister complete it so another perspective is provided. A standard reference form is necessary so that all special courtesies can be extended to a young woman, her interests assured, and the integrity in membership selection adhered to.

## The Insurance Dilemma . . .

# Insurance in the Eighties

**by Anne Marie Gavin**  
**National Director,**  
**Insurance Chairman**

Delta Zeta, like all Greek groups, participates in a comprehensive group insurance package to provide various needed coverages for our chapters, our house corporations and our volunteer field personnel. In addition, we provide all our employees with life and health coverages. We currently have:

- Comprehensive General Liability
- Property Coverage where needed
- Boiler & Machinery
- Workmen's Compensation - locally held
- Comprehensive Crime Bond
- Umbrella Liability
- Excess Liability
- Directors' & Officers' Liability

Each of these provides a much needed type of protection. For example, a fraudulent officer can be prosecuted but the lost funds can be replaced through the Crime Bond insurance.

National Council recognizes the value of the volunteer woman and the necessity for protection for her as she gives advice and counsel in the field. Thus, we have the 'D & O' coverage. Our field representatives travel many miles and carry much in personal wardrobes, Delta Zeta manuals and supplies, and Delta Zeta jewelry. And we provide adequate travel coverage for them and their belongings.

The current insurance crisis has left Delta Zeta realizing a need for increased coverage but a market very short on supply. In the wake of the Bhopal, India tragedy of two years ago, many reliable and competitive firms have withdrawn from the field entirely. As the demand increases, the available suppliers decrease and the result is a sharply escalated price tag accompanied by a significantly lowered coverage limit.

National Council is quite concerned over this crunch. And, like other Greek groups with whom we have spoken, we recognize the short term outlook is even bleaker. Newspapers and periodicals abound with articles predicting a further shrink in the market and a continued attempt by the insurance companies to recoup years of losses in a short time frame. The only result will be even higher premiums or worse yet, no coverage at all.

The consequences of letting our coverage lapse - and risking it all - are too great to consider. One devastating lawsuit brought upon by a harmful accident could bankrupt the sorority. No coverage is not an option open to us.

One factor in individual chapter liability premiums continues to the local risk situation - have there been any serious incidences involving hazing, alcohol, pranks, etc. on the campus? Where the answer is yes, the premium paid by all groups will be larger, even for those not involved.

Another key factor is alcohol. The Delta Zeta Alcohol Policy and our Alcohol Awareness Program *Choices* were both developed in consultation with our insurance people. Any chapter violating our alcohol policy stands the risk of lost coverage.

In the Greek world, we are not immune from the escalating costs and reduced or unavailable coverages any more than the public officials or professionals. Where the dilemma will end is unknown. Delta Zeta will monitor each development and remain abreast of the ever-changing industry. Our heritage, what we have become, and where we are, are too important to all of us to place them at any unprotected risk.

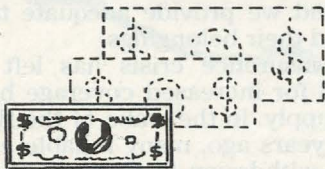

### INSURANCE SITUATION ASSURES ANGER, FRUSTRATION AND PANIC

Anger at increases in insurance premiums—frustration at having policies cancelled—panic at not being able to find coverage—these are the emotions running through the fraternity world at every level, from national board to house corporation board.

Attention is focused on liability coverage, for which costs have soared and availability is scarce. But there have been cancellations in workers' compensation as well—not cost-effective, insurers say.

The problems, which are affecting both men's and women's groups as well as colleges and universities, were addressed in recent issues of *The Bulletin of Interfraternity Research and Advisory Council*. We reprint here with permission of IRAC.

### INSURANCE COSTLY AND SCARCE AFTER WORST YEAR FOR LIABILITY

The insurance drought follows the worst year in the liability insurance industry—a loss of \$3.8 billion.

Insurance executives blame the red ink on the steady increase in the size and scope of lawsuits. Laws expanding the definition of liability and court interpretations of policies have left insurers with hefty judgments on claims they never intended to cover.

Insurers and their customers also are paying for nearly seven years of interest rate underwriting—a time when companies sold policies at bargain basement prices while bolstering profits through investments paying 14 percent or better.

Some say insurance rates fell below realistic levels as competition raged for the premium dollars. When interest rates dropped abruptly, insurance companies were caught between shrinking investment income and soaring legal judgments.

The losses have cut into insurance reserves—the money set aside to cover future claims. They have also scared away money invested by reinsurance companies, foreign carriers like Lloyd's of London that basically insure the insurance companies.

The loss of the funds means less insurance is available. With less insurance to sell, companies are more selective about whom they cover. Many now avoid high-risk customers like liquor establishments and municipalities.

—Associated Press

### LIMIT ON PAYING OF LEGAL FEES PROPOSED BY INSURANCE CARRIERS

Major commercial insurers are adopting a range of strategies for introducing new provisions. Among the changes:

Insurers want to include as part of a policy's claim limit the legal fees that an insurer pays to defend the policy-holder against lawsuits. Currently, unless otherwise specified, an insurer has a duty to spend an unlimited amount of money on such legal defense.

Insurers complain that they sometimes pay more for legal bills than for damage claims. The Insurance Services Office says that defense costs ate up 25 percent of the premiums insurers received for commercial liability policies in 1983, compared with 5 percent in the late 1950's.

—Wall Street Journal

### INSURANCE RATES UP DRAMATICALLY

Fraternities at the University of Pennsylvania have been informed the University group liability insurance premium will increase by five-fold this year.

Such increases, where liability insurance is available, are not uncommon. Insurance experts predict the increases in fire and casualty premiums received thus far are just the "tip of the iceberg," and policy holders should expect increases of at least one-third more in the next two years. Increases, and shortages of certain types of insurance protection, are certain to cause some alumni corporations to institute new, stiffer rules and regulations concerning social events and mass social events taking place in chapter houses or on chapter property.

—FEA News and Notes

### NATIONAL FRATERNITY CONSIDERS LIABILITY INSURANCE CRUCIAL

The General Fraternity, as authorized by our General Assembly last summer, (is seeking) comprehensive liability insurance for chapters, officers, actives, associates, and alumni volunteers working with chapters. This action was absolutely crucial to protect our fraternity's existence, given the dramatic increase in liability claims in general.

If we are insured, what do we have to worry about? Plenty! The premiums are paid in equal shares by active members. If claims are made, then the premiums will increase, and the difference will come out of your pocket!

Moreover, the company may cancel the policy as a result of too many claims. This could prevent us from

obtaining other adequate insurance at affordable rates. That would raise a grave issue of whether we could continue to operate the fraternity without adequate liability insurance to protect not only the organization but each individual member from lawsuits.

How do you avoid such a catastrophe? Manage or eliminate the risks of legal liability! For example, you can entirely eliminate the risk of being sued for hazing by strictly adhering to fraternity policy. However, all risks of legal liability cannot possibly be avoided. They can be reduced by careful planning and by encouraging a sense of responsibility by every member.

—Cross and Crescent of Lambda Chi Alpha

### **FRATERNITY FAILS TO FIND BLANKET LIABILITY COVERAGE**

At a recent meeting the High Council received formal reports which made it clear that Alpha Tau Omega is in extreme jeopardy at this time. These reports indicate that there is no immediate prospect for the fraternity to obtain "blanket insurance coverage" to indemnify its individual chapters and the national fraternity against law suits stemming from the legal liabilities incurred by the use of beverage alcohol in chapters.

Recognizing the extra-ordinary extent and seriousness of this growing threat to the welfare—even the very existence of the brotherhood—the High Council has adopted a Resolution on Risk Avoidance. Every loyal ATO is expected to embrace and adhere to this policy. (The policy outlines eight points to be followed on use of alcohol.)

—Alpha Tau Omega Letter

### **ANGER AT INSURANCE COMPANIES COULD OBSCURE THE REAL PROBLEM**

There is a danger that our collective anger at insurance companies, our consideration of creating captive companies, self-insurance, high deductibles, and various other devices to deal with the current insurance crisis will obliterate our focus from the real problem.

The real problem is that too many fraternity members have behaved like barbarians. This has led to things like the \$21 million settlement in Texas.

Unless the national leadership of every fraternity causes its leaders nationwide to take a very hardnosed attitude on alcohol abuse and misconduct, there is a realistic danger that by 1990 there will be one or more (fraternities) ... engaged in bankruptcy court.

Robert E. Manley, Attorney

### **SURGE OF LAWSUITS IS MAKING COLLEGES "RISKY," INSURERS SAY**

Faced with a surge in lawsuits, American colleges and universities are finding they must pay up to 10 times more than last year for liability insurance—if they can get it at all.

At Southeastern Massachusetts University, students are hoisting double dips instead of beers. In March, the school converted the campus pub into an ice cream parlor after an insurer refused to renew liquor liability coverage.

"There are just horror stories all over the place," said William Jacka, president of Moulton, Allen and Williams Corp. insurance brokerage in Birmingham, Ala. "Most underwriters are just scared of colleges and universities because they don't understand the risks."

Barry Walker, associate vice president of the Chicago-based Alliance of American Insurers, said insurers were trying to recoup by shying away from areas where their risk is most speculative.

"Premiums have gone up anywhere from four to 10 times," Jacka said. "The other side of this coin is that these costs are going to have to be passed on to the student body."

Insurers blame the higher premiums in part on an explosion in lawsuits against colleges and universities in the last few years and on the unpredictability of court awards.

—Associated Press

### **FAILURE TO REPORT CHANGES COULD LEAVE YOU UNINSURED**

Insurance is a transfer of risk. You pay premiums to an insurance company based on your exposures (type of operation, property values, etc.) in order for the insurance company to assume the risk of loss. If your exposures are not properly reported and premiums paid on those exposures, the company can deny your claims.

Are you reporting correct values? Did you make improvements in your facility recently? Did you change locations? Did you redecorate? Did you purchase a new building or annex? Did you acquire a vacant lot for parking or future expansion? If so, you must report such items to your insurance agent immediately. Failure to do so could leave you uninsured in the event of a claim.

Your premium costs may very well increase this year. There are several major factors that have caused this:

—Increased insurance rates published by many state rating bureaus.

—Poor claims experienced nationwide for the entire insurance industry.

—Loss of some premium credits previously allowed by insurance companies.

Seven senior Delta Zetas have been selected for membership in that growing circle of "GML Girls". These are the 1986 recipients of the Grace Mason Lundy award.

## Catherine Avery Clay Nevada/Las Vegas-1Φ

Catherine Clay is probably the only Delta Zeta who can claim to have attended three National Conventions during her college years. And not only that, she has been the Big Sister to 15 younger members of Iota Phi! A Hotel Management major, Catherine has worked her way through college, sometimes with more than one job. She has served in almost every chapter office, including president, and served as president of the CSUN Senate. Listed in several *Who's Who* editions, she received the Distinguished Service Award from her alma mater and a Bronze Distinguished Service Award from the Alpha Kappa Psi business fraternity. Cathy wrote, "ΔZ and my sisters gave me strength to continue college, even when I thought I wouldn't make it. There is nothing I wouldn't do for a sister, for that matter, for Delta Zeta."

## Kathi Dawn Bray Central State University-EY

Kathi Bray was one of two Florence Hood Miner award winners at last summer's Convention which she attended as president of Epsilon Upsilon chapter. Named Outstanding Greek Woman at CSU, Kathi served as National President of DECA, was listed in *Who's Who* and served as Supreme Court Justice for the Student Senate. Honors include Mortar Board, Tiaras and Dean's Honor Roll. Bill J. Lillard, president of CSU wrote, "As President of Central State University rarely do I write a letter of personal recommenda-

tion for a student ... However ... Kathi is an extremely bright and personable young lady. She has served as president of the Presidents' Club which I met with on a regular basis. In this capacity she has shown outstanding abilities as a leader. Kathi is definitely service oriented as a leader."

## Jane Elizabeth Spurgeon Missouri/St. Louis-1Ξ

Named Miss Province XI (Missouri) 1985, Jane Spurgeon served her chapter as vice president of membership, as Province Day chairman and as president of Panhellenic. While serving as Panhellenic president, without an advisor, Jane did much to open the lines of communication between the Greeks on campus. Named to *Who's Who*, she was also a Student Affairs Award recipient. CCD Cecelia Curtis wrote, "Besides her excellent work within the chapter, Jane represents Delta Zeta's high ideals both in her campus and community involvement. She does not compromise her ideals or integrity, even when working against strong opposition. Above all else though, the quality which I feel truly qualifies Jane for the GML is her unselfish, behind the scenes support."

## Barbara I. Poremba Connecticut-ΓB

Barb Poremba started her Delta Zeta activities as president of the 1982 pledge class. She served on almost all chapter committees, as recording secretary and finally as president of the chapter. With a degree in Communication Sciences, Barb plans to continue higher education and hopes to work with a Delta Zeta chapter nearby. She served on the Student Union Board of Governors, as student chairman for the Donald L. McCullough (campus wide) leadership con-

ference, as a member of the Alcohol Beverage Policy Review Board. CCD Helen Huff wrote, "In my experience I have rarely known a finer, more gifted person who works so well with people. She truly communicates her love of life to those with whom she comes in contact."

**Margi Ann Valmassoi**  
**Wayne State University-EΣ**

Another GML winner who was a pledge class president and who continued on through the presidency of her chapter is Margi Valmassoi. Holder of a merit scholarship (full tuition), Margi has served as Province Day chairman and as a leader in Panhellenic. Janelle Kiszka, Michigan State Reference Chairman wrote, "Margi is a mature young lady, and very talented. She is a giving and loving person; someone special. Her sense of humor and wit can carry her through any situation. She values superior scholarship which will enable her to accomplish her goal to higher education. Margi knows her mind, who she is, and where she is going. This will lead her to success; the strong determination to achieve. I believe she is an excellent candidate for the Grace Mason Lundy Award."

**Holly Jean Clause**  
**Louisiana State-Σ**

Holly Clause is one of the most outstanding women students at LSU. A member of Alpha Lambda Delta, Alpha Epsilon Delta (medical), Rho Lambda and Omicron Delta Kappa, she also served as corresponding secretary for the Southeastern Panhellenic Conference. President of Sigma, Holly is intent on a medical career, hoping to specialize in cosmetic surgery. Pictured in the Women of LSU calendar, Holly was sweetheart of Sigma Nu, and a member of Mortar Board. CCD Betty Fenton wrote that since Holly's mother is a Delta Zeta she has grown up in the Delta Zeta tradition. "I am sure she could not consider any course in the future which did not include Delta Zeta activities as a part of it."

**Lee Ann DeReus**  
**Iowa State-BK**

These newly chartered chapters were established by dedicated sisters who saw a need in their communities to organize and contact other alumnae to foster the Delta Zeta spirit of sisterhood, provide support for a collegiate chapter, and unite our sisters in bonds of lasting friendship. Women working at the local level with assistance and guidance from Province and National officers have made all of this possible. Alumnae interested in organizing a club which will become a chapter when the requirements for chartering are met are provided with a packet of materials, a computer printout of the alumnae living in the designated area, and lots of TLC from all supervising personnel. On a continuing basis, address updates are provided as well as the names and addresses of new (first year) alumnae living in the area, plus additional materials in the fall and winter alumnae chapter mailings.

If you are interested in establishing an alumnae club in your area, please consult the directory in this issue of *The LAMP* for the name and address of your Province Alumnae Director, or contact:

# The Changing Roles of Women

by Jennifer Bogen Morrison,  
Ohio State-Θ '83  
Columbus (Ohio) Alumnae  
Chapter

The very nature of voluntary participation in philanthropic efforts and specifically, alumnae group participation, is threatened by the changing roles of women in the American society.

## BACKGROUND

The interest in women by economists has intensified as our numbers have grown. Currently, females exceed males by about 6.5 million and this figure is expected to be 7.5 million by the year 2000. This increase is due primarily to a higher survival rate for women.

With the increasing numbers of women, there is exciting news for sororities as a whole as more and more of these women attend college; however, much of this increase is in the number of women over 25 years of age returning to college to improve their job market prospects. Thus, women now have an increased rate of employment outside the home. By 1984, about 52% of married women were employed, whereas in 1950, the figure was less than 25%. Among women with children, over 57% have jobs and by 1990, the 25-34 age group is expected to participate in the labor force at a rate of 80%.

Women face today what has been called the "dual labor market," earning 59% of what men earn for comparable positions! This is caused by both outright discrimination and the choices women are forced to make regarding their careers and families. Forty-six percent of women want the flexibility to move in and out of the labor force, generally choosing to remain at home while children are young. However, today's economics may not allow such flexibility as the increase in the number of affluent households (earning over \$50,000 per year) indicates such income is necessary to support a family and

can only be achieved in many cases with two wage earners.

Women can be classified by their career-orientation. According to Rena Bartos (*The Moving Target: What Every Marketer Should Know About Women*, [New York: Free Press, 1982]), women think of themselves as either having a career or "just a job". There are also two classifications of housewives. There are those who prefer to stay home and those who plan to return to work.

Married women experience, therefore, many time pressures. They often have two jobs: (1) household and family responsibilities and (2) wage earning responsibilities. (In fact, today about 6 million women earn more than their husbands.) Filling two roles, studies indicate that working women today have significantly less leisure time than their husbands or full-time homemakers.

Luckily, the roles of men in families are also changing substantially. Men are filling in the gaps caused by the time pressures faced by working women. For example, in a survey of 1,000 American males by the advertising agency Cunningham & Walsh (as quoted by James F. Engel, Roger D. Blackwell, and Paul W. Miniard, *Consumer Behavior*, Fifth Edition, [New York: The Dryden press, 1986], p. 298), 47% of the men surveyed vacuum the house, 80% take out the garbage, 41% wash dishes, 37% make beds, 33% load the washing machine, 27% clean the bathroom, 23% dust, 23% dry the dishes, 21% sort the laundry, 16% clean the refrigerator, and 14% clean the oven. Fifty percent take part in regular shopping trips.

## PROBLEM

As society strains women more and more, forcing continued employment on women with families; and as the number of career-oriented women grows, women are

being forced to make choices. Qualified women and women dedicated to the sorority are being forced to say "no" to alumnae positions and national sorority positions because the responsibilities of these positions may cause them to compromise their priorities. And in the future, this trend will continue and broaden, as the demographics indicate. Those with the free-time to participate may not, therefore, be representative of the attitudes of the majority. Or, working women may take on the positions, but fall short of the group's expectations with substandard work and attendance at functions creating a no-win situation. Along the same lines however, each alumnae group has a core of women who are not a part of this trend. By directing our programming toward this younger age-group, we may alienate our faithful and active members. How can we do both?

## PLAN OF ATTACK

Starting with the collegiate chapters, Delta Zeta continues to emphasize career-values, as well as a continued emphasis on scholarship. In addition, alumnae chapters often alter meeting schedules to accommodate women at different times of the day and days of the week with topics including child care, careers, and time-saving ideas for our "busy and limited time at home" people in order to bolster attendance from younger members. And a lot can be gained from collegians and alumnae working together with joint meetings covering topics like working wardrobes and job search tactics in encouraging alumnae group membership after graduation.

## SUMMARY

The changing roles of women challenge all philanthropic organizations which, for years, relied on

**ANNE ARUNDEL COUNTY (Maryland)** alumnae and the American Association of University Women of Anne Arundel County co-hosted a performance of the Gallaudet Dancers from Gallaudet College in Washington, D.C. Their local philanthropies have included the Hearing and Vision Clinic and the Arundel Hospice.

The **BRAZOS VALLEY** alumnae chapter (Bryan-College Station, TX) received the alumnae chapter achievement award at Province XVII weekend. The silver award is given to the chapter exhibiting the greatest improvement in alumnae chapter activities and increased membership.

**CLEVELAND EASTSIDE (Ohio)** alumnae chapter joined with alumnae of Kappa Alpha Theta for a buffet dinner and meeting which took a year of planning to arrange. With shared interest in speech and hearing, the program was a presentation by the director of speech pathology for the Cleveland Hearing and Speech Center.

**GREATER PENSACOLA AREA (Florida)** alumnae shared memories of their favorite Christmases, bringing such articles as pictures and hand-made stockings. They each also contributed Christmas ornaments to donate to the Northview Community (home for crippled children).

**DES MOINES (Iowa)** alumnae chapter sold \$1 raffle tickets for \$100 and \$75 in groceries from local food stores and raised approximately \$620 to purchase a Sensorizer for the Des Moines Hearing and Speech Center.

**LINCOLN (Nebraska)** alumnae met at a Christmas party to fill cookie trays for ΔZ shut-ins. They also filled large food boxes for needy families. Alumnae, with help from collegians of Beta Tau, entertained alumnae's children, grandchildren, nieces and nephews at a clown party. Clown invitations were sent well in advance so that the children could color and bring them to the party. Prizes were given for brightest, cutest, sweetest, etc. . . . and there were no "losers."

**NEW ORLEANS (Louisiana)** alumnae hosted a Greater New Orleans Alumnae Panhellenic meeting and sponsored a cold buffet for new initiates and members of Theta Kappa after their spring initiation ceremony. Individual members contributed money to purchase materials and supplies for new initiation robes for Theta Kappa. They were made by Lizetta Frederick, OK alumna.

**OKLAHOMA CITY (Oklahoma)** alumnae chapter is very proud of its junior alumnae group. Composed of women who have been out of college less than 10 years, the group has been active for five years. They

are all members of the alumnae chapter but just have their own regular meetings and activities. Cecilia Sharp, Oklahoma State-AE and Mary Flanagan Sheets, OCU-ΓΥ represent the juniors at meetings of the executive board of the alumnae chapter.

**RALEIGH (North Carolina)** alumnae enjoyed their annual mother-daughter brunch which carried a Valentine's Day theme.

**RICHMOND AREA (Virginia)** alumnae chapter has doubled in size in the past year. They issued their first yearbook and made wreaths for Virginia collegiate chapters for Christmas. For the past 27 years she has been actively involved in People to People, serving on various committees and in 1966 becoming a member of the Board of Trustees. She was also instrumental in organizing the Minneapolis chapter. "Gert" came from a family that travelled a great deal and the Swansons' interest in international activities was further stimulated when a graduate student from West Germany came to live with their family 36 years ago. It was the beginning of what has become a "Swanson Mini-U.N." where they have entertained over 1200 guests from more than 40 countries and sponsored eight young people from five countries for immigration who have lived at their house.

## What do YOU think?

At the Goal Setting meeting of the National Council session in February, it was determined that a top priority would be to survey our alumnae to determine their needs and wants. Your information and ideas will assist us in planning for the future in developing our alumnae programs to encourage interested, active and supportive alumnae across the nation.

# National Presidents' Statement on Alcohol

At their meeting held during the National Panhellenic Conference in October 1985, the national presidents of all 26 NPC sororities agreed that alcohol is the leading problem on college campuses. Because of their concern over the use of alcohol, the 26 presidents agreed to the following:

1. that we are opposed to the misuse of alcohol;
2. that all college chapters, all individual members, and all guests must abide by state, local, college/university laws and regulations;
3. that no college chapter funds may be used to purchase alcohol (Co-sponsors of social events are potentially liable regardless of how the expenses are shared.)
4. that it is inadvisable to host a party involving alcohol when the majority of guests attending are under the legal drinking age.

Each NPC group has a national alcohol policy and is expected to abide by it. In addition, the national presidents expect their chapters to respect the regulations of any NPC co-sponsoring group.

We hope that this agreement will give college chapters the courage and ability to initiate discussion and formulate a Panhellenic stand on the subject of alcohol.

**Central Arkansas, Epsilon Xi** — Love is in

the air at Arkansas! Members sold Valentine's candles to raise money for their Hidden Hearts Valentine Dance. Roommates arranged dates for each other, as members had to match heart halves to learn the identities of their dates. With many engagements, Epsilon Xis planned a large candle light, which ended up a little more exciting than planned. During the candle light, a blaze started in the kitchen. Thanks to some quick thinkers the fire was under control in no time, and the candle passing could continue. The chapter again sponsored its Annual Bridal and Style Show and assisted with the local television charity event. At presstime, the intramural team was in first place. The basketball team won second in Greek Basketball Tournament. Epsilon Xi hosted Province Day in March and welcomed National President Mary Margaret Fore. What do Delta Zeta, pantyhose, the Super Bowl and a National Football League (NFL) official have in common? Four Delta Zetas.

M.L. "Red" Cashion of Bryan, Texas, an NFL official for 14 years, realized a long-time dream this year when he was chosen as referee for the Super Bowl game played January 26, 1986, in New Orleans, La.

Every professional official is monitored during and after each regular season game for consideration for Super Bowl duty. After the 15th game, all the scores are fed into a computer and the ranking six officials are picked for the Super Bowl.

Red, chairman of Anco Insurance Company in Bryan-College Station, Texas, began officiating 34 years ago when he was a senior at Texas A&M University. He has called the football games of high schools and colleges throughout Texas and Arkansas, and once officiated 51 games in a single year. Red has stated that he calls each football

game as if it were the most important of the year.

Now to the Delta Zeta connection. Red's wife, Louise ("Lou") was initiated into Lambda Xi chapter and assisted the group in its early days at Texas A&M University. Their daughters, Joyce Cashion Cain, Sharon Lynn Cashion and Shelley Jean Cashion, were all initiated into Alpha Tau chapter at the University of Texas at Austin (Texas A&M's biggest rival). Sharon later affiliated with Lambda Xi chapter. Lou and Joyce operate Cashion-Cain, a gift shop, and The Christmas Store in College Station.

About those pantyhose—do professional football players really wear them? Yes, according to Red. This interesting revelation came when he spoke to the Brazos Valley alumnae chapter (Bryan-College Station, Texas) some time ago. Red explained that players use the pantyhose to keep warm in subfreezing weather.

Georgia Bonesteel:

## Quilter, Teacher, TV Personality

Georgia Bonesteel

by Amy V. Bonesteel,  
East Carolina-ZA

"To make something practical and pretty out of leftovers - that's the backbone of America," says Georgia Jinkinson Bonesteel, (Iowa State-BK '56) author of five books on quilting and creator and star of the PBS series "Lap Quilting."

For the past 13 years, Georgia Bonesteel has taught thousands of people across the country an alternative way of quilting through her books, lectures, workshops, and television series. This different way of piecing a quilt, or "lap quilting" as Georgia calls it, is much easier and faster than the conventional way of quilting with a huge wooden frame.

In this method, the "blocks" of fabric are sewn together on a sewing machine, and the layers of top, batting, and liner are quilted together by hand. "It's more portable," Georgia says of the practice. "You don't have this huge thing (the

quilting frame) and it permits you to do smaller projects such as wall hangings."

Georgia first became interested in quilting while living in New Orleans. Already a skillful seamstress with a B.A. in Home Economics, she began to experiment with silk tie remnants while working on a "Sewing is Fun" promotional television series for Sears. She began making small quilted evening bags out of the colorful scraps, and from there became interested in entire quilts.

The Blue Ridge Mountains of western North Carolina provided Georgia with more background on the timeless craft after she and her family moved to Hendersonville in 1973. She began to teach courses in quilting at the local technical college, which was where she devised her "lap quilting" method.

The beauty of lap quilting, Georgia says, is that it's *not* consistently even, unlike a "store-bought" garment or bedspread. "Every quilt is unique," she says, "because every maker has put something of herself into the making of the quilt."

Georgia learned to sew from her mother, but believes quilting "skips generations." "My great-great-grandmother earned her 'egg money' being a seamstress and selling quilts," she says fondly, "the quilts she left were very fine."

"Lap Quilting I" Georgia's first instructional television series, was produced by UNC-TV in Chapel Hill, N.C. in 1979. The series aired in 1980, and was soon picked up by 120 major PBS stations across the country. The success of the show was overwhelming, and soon after Georgia taped "Lap Quilting II" and "Lap Quilting III", which aired in 1983 and 1985.

The television shows are based on a "gallop and grin" philosophy, and focus on all levels of quilters, from beginners to experienced crafters. Georgia's goal throughout the series has been to "focus on the beginning

quilter, bringing new and speedy tips to an age-old craft."

The shows are designed so that the viewer can participate and complete projects such as quilted vests, handbags, sewing machine covers, and skirts throughout the series. "People want the sense of accomplishment from *finishing* something," Georgia says, "and the way to do that is to break a large project down to sections."

As a companion to the television series, Oxmoor House published Georgia's *Lap Quilting* in 1982. The book, filled with more than 50 color photographs of completed projects, has over 70 traditional quilt designs along with patterns and advice on all aspects of quilting.

*More Lap Quilting*, Georgia's most recent book, focuses on new adaptations of lap quilting, one of which is the use of flexicurve, or pieces of plastic which quilters use to create "freestyle" quilt designs. Georgia has made quilts and clothing using this method, some which represent the gently sloping mountains she lives in.

Besides her books and television shows, Georgia is in constant demand around the country for her workshop and lecture presentations. She has annually judged quilt competitions such as the City of Baltimore Quilt Show, and has designed her own fabrics for use in craft and garment home sewing.

Georgia also runs a "quilt corner" in her husband Pete's hardware store in Hendersonville, where she teaches classes and has a dealership of Bernina Swiss sewing machines. She and her husband have three children, ages 24, 22 and 20.

Georgia's love and passion for quilting is obvious in the way she eagerly helps others to learn the craft. "The gratification is in the teaching," she says, "It is a rewarding feeling to make something and I enjoy helping people receive this feeling."

# Heritage Week in Tuscaloosa

*Charlotte Baughman and Kaye Harrison, Alabama-ΑΓ and Patty DeWitt, Georgia State-ΔΔ are Heritage Week chairmen in Tuscaloosa.*

For the past several years many Tuscaloosa ΔΖ alumnae have been extremely involved in planning Heritage Week, a week long celebration of the past which involves over 1,000 volunteers.

Kaye Carter Harrison, Alabama-ΑΓ '78 and current president of the Tuscaloosa alumnae chapter, was general chairman of Heritage Week 1985. Under her leadership, many Delta Zetas held prominent positions in planning and executing this enormous undertaking.

General chairman for the 1986 Heritage Week was Patty Lynch DeWitt, Georgia State-ΔΔ '73. Patty, who received both the FHM and GML awards while in college, is vice president of the alumnae chapter.

Heritage Week 1986 kicked off April 5 with a Heritage Ball. Held at the world famous NorthRiver Yacht Club, this event was chaired by Paula Harless, Alabama-ΑΓ '76.

The Heritage Week luncheon, also held at the NorthRiver Yacht Club was chaired by Linda Pelham Carrolle, Alabama-ΑΓ '76. The luncheon, always a sell-out, featured a delecta-

ble menu and numerous door prizes, plus a tasteful fashion show. Connie Wheeler Chambers, Alabama-ΑΓ '76 was 1985 chairman of this event and was the Subscribers Chairman in 1986.

Other events included a Pilgrimage Tour of ten historical structures and a Decorator Tour of five modern homes exemplifying interesting decorating trends. Period music and food were offered at many locations and visitors were greeted by lovely junior hostesses in antebellum gowns. Professional and trained hostesses assured each visitor a pleasant experience as they led them through each site.

Proceeds from Heritage Week help the Tuscaloosa County Preservation Society operate and maintain three historical houses. This community-wide event has a far reaching social, educational, economic and political effect in Tuscaloosa.

## California Flame Fantasy

Over 700 attended the 30th annual "Flame Fantasy" luncheon and couturier fashion show which was presented by the Delta Zeta Lamp-lighters of Southern California on Saturday, February 22. The benefit was held in the ballroom of the Beverly Wilshire Hotel, Beverly Hills.

"Sounds of Music" was the theme of the benefit for the House Ear Institute of Los Angeles. At the forefront of research on new methods of diagnosis, the House Ear Institute is best known for its Cochlear Implant, an electronic device that permits the profoundly deaf person to hear sounds.

Couturier fashions were presented by Gunn Trigere of Beverly Hills. Members of Sonance, a support group for the House Ear Institute, modeled the designer fashions.

Luncheon prizes this year included a Grand Prize of \$1500.00; a \$1400.00 diamond and pearl cocktail ring donated by DeLuca Jewelers; Boehm Porcelain from Bullocks Wilshire and Boehm; perfume from Robinsons, Beverly Hills; one week stay in Los Gaviotos, Mexico and a weekend stay at the Beverly Wilshire Hotel. There was a winner at every table, with prizes donated by the Delta Zeta alumnae chapters.

General co-chairmen of the benefit were Barbara Bankson Gates and Althea Aleko Miller.

Lori Crews, an active member of Lambda Nu chapter at Auburn/Montgomery passed away recently following a series of heart surgeries. Her close friend and ΔZ sister Ashley Sanderson wrote, "Lori

Crews will forever hold a very special place in the hearts of so many. She had a zest for life that could be felt by anyone who knew her. Delta Zeta has a special privilege in calling her our sister. She gave so much of herself, not only to the sorority, but to all of her friends."

## Elizabeth Daniel

Former members of Delta Sigma Epsilon will be saddened to learn of the recent death of Elizabeth Daniel, Central Missouri State-ET. Elizabeth was National President of ΔΣΕ from 1946 until the time of its union with Delta Zeta in 1956. She had been instrumental in working with the National Council of Delta Zeta in consummating this union which increased the Delta Zeta chapter roll by 36 while adding strength in membership to nine campuses where there were chapters of both groups.

### With apologies . . .

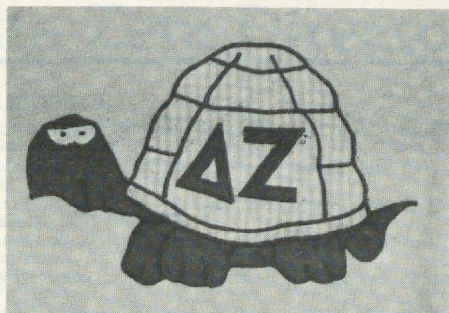

Brenda Jayne Burton, Epsilon '82 was erroneously listed in Flame Eternal in the spring issue. We're happy she is alive and well and is now Brenda J. Weekly, living in Seymour, Indiana. Our apologies . . .
