## the President

Dear Delta Zetas:

I am filled with excitement and anticipation as Delta Zeta enters the 1998-2000 biennium. Serving as the National President is a privilege as well as an awesome responsibility. I am humbled by the high standards set by the sisters who have preceded me in this position. At the same time, these sisters inspire me to lead with dignity, with graciousness and to always strive for excellence in Delta Zeta.

We gratefully thank our immediate Past President, Sandra Nesbitt who has so generously shared her many abilities with Delta Zeta. Her loving leadership combined with the talents of the outgoing National Council has enabled Delta Zeta to "reach out" in new directions and to strengthen many areas of our sisterhood.

The Convention at Callaway Gardens was an overwhelming success. This issue of The LAMP will share many of the Convention happenings with you, but we cannot recreate the panorama of emotions experienced during a National Convention — the *Happiness* in renewing old friendships, the *Delight* of meeting new sisters, the *Serenity* of the memorial service, the *Joy* of education received in the workshops and presentations or the *Pride* of alumnae and collegians as remarkable accomplishments were recognized. We thank Convention Chairman, Kimberly Harris Bath, the Convention Committee, the Georgia alumnae, the National Headquarters staff and each of the delegates and visitors for sharing their *Pride, Loyalty*, and *Commitment* to Delta Zeta with one another.

The National Council and I are committed to do our very best to guide Delta Zeta Sorority into the next century, the Centennial celebration and always toward Future Perfect.

In Delta Zeta,

*Karly K. Burns*

## DAY 1

Marti and I arrived in Atlanta, Georgia around 1:00 pm on June 26, 1998. This in itself was a trip for me arriving at an airport that is larger than my hometown! But the strangeness of this enormous place was quickly eased when we saw pink and green balloons at the top of the escalator and women wearing Delta Zeta letters surrounded us.

They led us to our luggage and loaded it on the bus. This was nice because if you had felt Marti's luggage no one would have wanted to carry it! We were soon on our way to Callaway Gardens where we found our homes for the next five days. It was off to our rooms to meet our roommates, and to get ready for the night's event.

The first event was the Opening Banquet. We walked into a room filled with beautifully decorated tables. The centerpiece was a large rose flower with butterflies surrounding it.

Sandra Nesbitt's granddaughter, Emma Katherine, prepares to escort her grandmother in the processional. Norma Minch Andrisek, Past National President and Karly Klemp Burns, National Vice President of Collegiate Affairs admire Emma Katherine's dress.

As the collegians, alumnae and visitors stood around the tables the processional began. Sandra McAlister Nesbitt called the 43rd Convention to order. (See picture below.)

Later, she introduced the guest speaker, Jean Haley Harper, Upsilon, who was one of the first female pilots for United Airlines and now a captain. She told of her struggles to become a pilot and how Delta Zeta helped her accomplish this dream. Jean Haley Harper was then named Delta Zeta's 1998 Woman of the Year.

Jean Haley Harper addressed the convention delegates and visitors during the Opening Banquet.

Florence Hood Miner announced the awards in her name. She was stunning and had such great wit about her. Her award is given to outstanding Delta Zeta juniors.

*Florence Hood Miner, center, is pictured with past and present award recipients in attendance at convention.*

I was tired when I got back to my room, but no one went to sleep. We all piled in Marti and Beth's room to learn from each other, get new ideas, and solve problems.

*Pictured at right: Cindy Winslow Menges, Executive Director (l) and Jamie Hammill Pyne, National Panhellenic Conference Delegate (r) are pictured with Dr. Robert Deloian, immediate past President of Phi Delta Theta Fraternity.*

## DAY 2

The next day was Saturday, June 27. We began the day with my first ever National Business Meeting. I was nervous. Sandra Nesbitt, our National President, was conducting a meeting and I would be there! I did not know exactly what was going to take place and it ended up being a terrific learning experience. This past biennium was in honor of Mabelle Minton, one of our six Founders. Florence Hood Miner told of her memories of Mabelle Minton. She remembered her wearing black chiffon and being stunningly beautiful. Just to hear Mrs. Miner speak, you could almost picture her thoughts. How neat it must be to remember a founder of the sorority that you love so dearly. The business meeting continued and Sandra Nesbitt gave her State of the Sorority address.

That afternoon we had a very exciting guest speaker during the Carolyn Barnes Gullatt Symposium.

Dr. Robert Deloian, past National President of Phi Delta Theta Fraternity spoke on behalf of the fraternities that are adopting Substance Free Housing by the year 2000. This was a very exciting time for us all to see the fraternities moving in this direction.

*Barbara Babb, RN presented "Steer Straight" thanks to a contribution from Conesco Risk Management to the Delta Zeta Foundation.*

Our next guest speaker for the afternoon was Barbara Babb. Barbara is a registered nurse and serves on the emergency helicopter care unit. This is the unit that flies to accidents where there are critical injuries. Barbara told of all of the alcohol-related accidents she has been to and showed graphic pictures. Her message was very real and she portrayed it with sincerity. Barbara was an excellent speaker and there was not one dry eye in the room.

# NATIONAL CONVENTION 1998

Saturday evening's event was one of the most memorable parts of convention, Initiation. This ceremony was done in a room with over 500 Delta Zetas. That was amazing to me. We are all so different yet we are held together by something the same, our ritual.

The evening concluded with the Initiation Banquet. On each table was a lamp centerpiece surrounded by candles. The program was a picture of the second Initiation Banquet held in 1903. I thought this was extraordinary. I now have a picture of something so dear.

*1996-98 Caryatides Award winners are pictured with Laura Baxter Hedenberg, National New Member Education Chairman.*

At this banquet the Grace Mason Lundy award was presented to outstanding Delta Zeta seniors. The Caryatides were given in recognition to the six chapters with Outstanding New Member Education Programs. At the conclusion of the Initiation Banquet the "Legend of the Loving Cup" was read. After the banquet it was off to our room with the other presidents from our region to, again, exchange ideas about functions, fundraisers and philanthropies.

## DAY 3

Quickly, it was Sunday, June 28. This day started off a little more somber. We attended a Memorial Service for all Delta Zetas who have passed away during the last

two years. At the table in the front of the room stood six pink candles surrounding an empty rose vase. These candles stood for our founders and a brief biography was read about each of these women before a candle was lit in their memory. Then six roses were placed in the vase and six more outstanding Delta Zetas who have passed away in the last two years were recognized.

# NATIONAL CONVENTION 1998

At each seat there was a list of all of the Delta Zetas who had died. It was just really neat to me to think that someday women from all over the world will think about me because I am their sister. After the Memorial Service, the second business meeting was held. The reports of the Academics Committee, New Member Education Committee and the Structure Evaluation Committee were given. The newly elected National Council officers were announced. That afternoon we attended the Alumnae Rose Luncheon. The Philanthropy Awards, the Foundation Awards, the Alumnae Chapter Awards and the Achoth Awards were presented. We also recognized the Order of the Golden Rose for 50 years of membership in Delta Zeta, the Order of the Pearl for 65 years of membership and the Order of the Diamond for 75 years. If I ever make it to any of these milestones I will be extremely excited!

Sunday afternoon was the Delta Zeta Fair. This was a chance for individuals to speak with National Committee Chairmen about Academics, New Member Education, Risk Management, Philanthropy and more. It was then a good time to catch up on some sleep. At 6:30 pm FUN NIGHT began! The night consisted of Kennel Club that you must see to find out about, and the Florida State University "Flying High" circus treated all Delta Zetas to a great show. It was definitely a show to remember. Then it was off to Marti and Beth's room for a Region meeting.

*Pictured at top: Delta Zetas enjoy the water at the beach during "Fun Night". Bottom: Margaret Watkins, Executive Director of Delta Gamma Fraternity and Maureen Syring, Past International President of Delta Gamma Fraternity are pictured with Jamie Hammill Pyne after their presentation on "Greek Pride". At left: The New Member Education booth was one of ten displays at the Delta Zeta Fair.*

## DAY 4

Monday, June 29, started off with lots of energy as Maureen Syring and Margaret Watkins, both members of Delta Gamma Fraternity, gave an energetic speech on having pride in being Greek. They discussed today's biggest issue of alcohol in the fraternities and sororities. Their session with us was very informative and fun. Then it was time to break and spend time with the chapter presidents. This evening hosted the Awards Banquet. This time we walked into a very colorful room with balloons surrounding the tables. This was a festive night. The awards for college chapter operations such as risk management, quota, philanthropy, ritual, membership and college programs were all given this evening. Seven outstanding College Chapter Directors were recognized, too.

## DAY 5

Tuesday June 30, was here. Our last day of Convention. The day began with a business meeting. This would be the last meeting for Sandra McAlister Nesbitt. We voted to approve the financial budget for the 1998-2000 biennium, approved the Courtesy Resolutions Committee report, and the changes in the Constitution.

# NATIONAL CONVENTION 1998

After a buffet lunch, the College Chapter Presidents and College Chapter Directors from each region got a chance to all get together with their Regional to share ideas for the coming year. This was probably the most beneficial event for me as a president. I got more ideas in those 90 minutes to improve my chapter than I have all year long!

The evening was an emotional evening for me. Installation of the new officers was an immaculate ceremony. I could not believe that I was able to attend this event and bring back these memories to my chapter. To see the women who work so hard for our sorority receive recognition for their efforts and to see the changes

our sorority is making for the future was very inspiring.

After the banquet we had a party with the CCDs and Presidents from our region and the minute that our National President, Karly Klemp Burns and our Past National President, Sandra Nesbitt walked into that room we all became tongue tied. I guess we all forgot they were human. We soon said our good-byes and headed off to bed.

The next day I got on board an airplane again (a little nervous) and headed for home. Altogether this experience was absolutely thrilling. I am so excited about the coming year and the accomplishments I want to make in our sorority.

Thank you so much for allowing me to have the honor of representing Delta Phi Chapter at the 43rd National Convention.

*It was an experience  
I will never forget.*

## DELTA ZETA at CALLAWAY GARDENS, *A Perfect Place to Grow as a Leader and a Volunteer*

While celebrating the 43rd National Convention in Pine Mountain, Georgia at Callaway Gardens, Delta Zeta Convention attendants were given the added bonus of a gorgeous garden resort with beauty abounding. Callaway Gardens offered delegates the most perfect place to Grow as a Leader and a Volunteer.

Although Convention included a healthy dose of business meetings, achievement recognition and meals, a major portion of Convention was devoted to the training and development of Delta Zeta's alumnae volunteers and student leaders. Through a variety of different formats and topics, these learning laboratories were an overwhelming success, and provided participants with both practical application and leadership skills to help them be more successful in their specific role within the sorority.

The collegiate track was divided into three segments: undergraduates, College Chapter Directors and a combined workshop with Regional Collegiate Coordinators and National Collegiate Chairmen. Katie Sermersheim, Lambda Beta, University of Southern Indiana led the undergraduate sessions. Katie, elected to serve on National Council as Secretary, will have overall responsibility for the Sorority's training & development programs. Upon the conclusion of the daylong session, the chapter delegates learned about their leadership style; how to run an effective chapter meeting; parliamentary procedure, sisterhood building ideas; and explored values-based leadership.

*Tom Durein and Karen Nishimura Sneath are pictured with Denise Williams McCullars, National Director.*

To put a new and different spin on this session, Karyn Nishimura Sneath and Tom Durein, both of Like Minded People, Inc. led the day-long event with an innovative and interactive approach. One of the most important goals of the conference was to create an environment of team spirit and collaboration. The Regional Collegiate Coordinators, National Collegiate Chairmen and the CCDs joined together during the session on Team Building. What better way to work on team building skills than with the members of your own team! The CCDs were charged with the responsibility of developing a resume of their team's experience, talents and contributions to their position.

What an eye-opener it was to learn the combined years of experience, the varied educational and career backgrounds, the many talents and knowledge that Delta Zeta alumnae volunteers bring to their respective teams. Mixed in with bouts of fun and food, the CCDs also worked on advising expectations, communication skills for effective confrontation/conflict management and different behavior functions. After the Team-Building workshop, the RCCs and National Committee Chairmen held a joint session led by Debbie Raziano, Kappa Alpha, Nicholls State University and newly elected Vice President

of College Chapter Operations. Tracy LeSieur, Lambda Xi, National Judiciary Chairman, facilitated discussions and presentations made by each of the National Collegiate Chairmen. This afforded the RCCs the opportunity to interact on a personal level with the National Chairmen as well as to develop a more thorough understanding of chapter expectations and program requirements.

The final day of Convention brought all participants together by region and allowed for the opportunity to learn from one another via idea sharing on a wide-variety of collegiate programming topics. The chapter delegates, in cooperation with their CCD were asked to reflect upon their Convention experience as a whole, what they had learned, and which ideas they intended to implement with their chapter. This action plan will enable all of the energy and ideas gained from the training efforts to be utilized to the fullest potential.

Effective training, education and development are paramount to the continued success of the Sorority. Our student leadership and alumnae volunteers must be empowered with the tools for success in order to achieve their best possible self.

## Convention Memories

*"As we come to the end of this biennium and await the next let us be mindful of those yesterdays and all the good and faithful work done by so many in support of the Delta Zeta we love, and let us think of today and be thankful for the today we have had together in this celebration of our sisterhood sharing the bonds of Delta Zeta. Tomorrow comes soon with its bright promise, with new hearts and new hands to lead us to the Future Perfect, which is Delta Zeta's promise."*

### Convention Memories

*Many Delta Zetas who have held the College Chapter Director position or who currently serve in that capacity would agree that it can be one of the most challenging and rewarding positions in sorority and volunteer work.*

*Advising a college chapter, its Executive Board and its members individually is one of the most rewarding aspects of being a College Chapter Director. There is no other volunteer position in Delta Zeta that offers the direct and frequent opportunity for personal interaction with college women.*

*The College Chapter Director uses every available resource to enhance her effectiveness as an advisor and develops a special rapport with the women in the chapter. From role modeling to mentoring, from listening to learning, the College Chapter Director relies on her heart, head, and life skills to make a difference in the lives of hundreds of young women. In one college generation, Delta Zeta's College Chapter Directors will have had the potential to influence over 10,000 collegians.*

*The Delta Zeta college chapters throughout the United States and Canada are just as varied as the colleges and universities of which they are a part. From differences in living and meeting accommodations to commuter or traditional residential campuses, Delta Zeta chapters are unique and enriched by their campus lifestyles. The College Chapter Director is enriched by the traditions of the chapter, its members and the Greek and campus communities of which they are all a part.*

*Delta Zeta is proud to recognize those outstanding College Chapters Directors who were honored at the 1998 National Convention by featuring their profiles in this issue of The LAMP.*

## 1998 Alice C. Huenefeld Award recipient

Karen Starner Jacobson, Iota Theta is the 1998 Alice C. Huenefeld Award recipient. This award is presented at National Convention to the College Chapter Director who has given long and dedicated service to a chapter. Karen is beginning her 28th year as the CCD for the Iota Theta Chapter at Mansfield University.

"Watching members grow and develop leadership and helping to make that happen" Karen says "is the most rewarding part of being a CCD." During her undergraduate experience at Mansfield University, Karen found Delta Zeta gave her the opportunity to make friends outside of her music major. The Iota Theta Chapter was new on campus at the time Karen joined and she wanted to be a part of a "group of movers." Delta Zeta also provided her with leadership opportunities. "I was never in charge of anything before".

Professionally, Karen began a career as a music teacher. After her marriage to Charlie, a Sigma Tau Gamma, she started a new career in banking. After 28 years in the same bank, she currently holds the position of Assistant Auditor and Security Officer.

Her volunteer service to the Mansfield University and community are extensive.

Currently she is serving as president of the Community Concert Association, an organization she has been involved with for twelve years. She served ten years on the Board of Directors for a residential facility for retarded women. She also has served on the Mansfield University Alumni Board. A member of Sigma Alpha Iota, National Music Fraternity for Women, Karen's musical background is put to good use in the Town Band, Church Choir and Bell Choir. Delta Zeta has kept her busy too. In addition to her position as CCD, Karen also served as Province Collegiate Director from 1993-96 and on several

Convention committees. In 1989 she received the Achoth Award. Karen advises all CCDs to "have fun with it!"

You have to work together as a partnership with the chapter. You have to enjoy it." In closing, Karen shares her recipe for dedication: "I take the Creed very seriously, especially the part 'love that is ever steadfast'.

I have met some of my best friends through Delta Zeta." And last but not least, when asked how she first became involved with a collegiate chapter she quickly replied, "because someone asked".

# NATIONAL CONVENTION 1998

*The following are profiles of the seven alumnae volunteers who were recognized at the 1998 Convention for Distinguished Service as a College Chapter Director. These CCDs are just some of the many volunteers in Delta Zeta who have made a difference in the lives of others by honoring their lifetime commitment to Delta Zeta.*

*Pictured l-r: Sonja Nay Wise, Tommy Thompson Gilpin, Gwen McHugh Schick, Janice Smith Harris, Kathleen Hudson, Sherron Summerville Mills and Bridget Stepnoski Morton.*

## Marlene “Tommy” Thompson Gilpin

The only contact Marlene “Tommy” Thompson Gilpin, Delta Nu, had with Delta Zeta for 25 years after her graduation was with the women in her chapter. That changed when another alumna was searching for women to help the Lambda Theta Chapter at Michigan Technological University. Tommy went to the meeting, accepted the position of CCD and has been serving for 9 years.

She enjoys working with the Lambda Theta Chapter because “it brings home what Delta Zeta is all about and it gives me new friends and sisters of a different era.” Tommy’s undergraduate Greek experience gave

her a feeling of belonging and knowing that someone is always there for you no matter where you go. Since becoming involved with the chapter, “the knowledge that you are a Delta Zeta for life has been reinforced.”

Tommy is a Training Specialist for a community mental health agency. Her family is very Greek oriented as her husband is a member of Sigma Phi Epsilon and is also in the Math Department at Michigan Technological University. They have one daughter, Jacqueline, who is a member of Phi Mu Fraternity and currently works in the field of student activities.

### Janice Smith Harris

Although she had not been directly involved with the Theta Iota Chapter at Western Carolina University after graduation, Janice Smith Harris, Theta Iota, did have contact with chapter members through her employment on campus. When the CCD opening became available, Janice was asked to take the job and she accepted. She has held this position for 8 years.

Professionally, Janice is the Administrative Assistant to the Department Chairman of Health & Human Performance at Western Carolina University. She is married, has two stepchildren and three step grandchildren.

Janice enjoys the contact with young women, seeing them grow to accept responsibility and work together toward a common goal. She credits her undergraduate Greek experience with teaching her leadership skills and how to work with others.

When asked what advice she can pass on to other volunteers and CCDs, "be committed and willing to see it through. It involves a lot of time but it is very rewarding. Delta Zeta has had a positive impact on my life and provided me the friendship of sisters who are still my friends today."

Kathleen Hudson, Alpha Sigma, has been the CCD for Delta Beta Chapter at the University of Tampa for 9 years. While working with the House Corporation at Florida State University, Kathleen mentioned that she would like to work with the chapter if only she lived closer. A short time later, the CCD at the University of Tampa stepped down and Kathleen got the call.

She has two children, ages 14 and 11, and is an attorney in private practice specializing in mediation. Kathleen has been practicing law for 20 years and has also served as a judge.

*"Read the book  
and go with your  
heart."*

When asked what she enjoys most about being a CCD, Kathleen responded, "The energy of the girls. No matter what happens they keep you going. Delta Zeta has impacted my life by giving me the leadership responsibilities which have translated to all things I have subsequently been involved with."

To new CCDs and anyone considering being one, Kathleen says the position is really not that difficult. "Read the book and go with your heart."

*Kathleen Hudson*

### Bridget Stepnoski Morton

Bridget Stepnoski Morton, Delta Sigma is another CCD working with her own collegiate chapter at Truman State University for 9 years. After graduation, Bridget kept in contact with the chapter and was approached by the Province Collegiate Director and Faculty Advisor to become the CCD.

Bridget's undergraduate Greek experience gave her the confidence that she could do things on her own and that she could succeed. She feels that Delta Zeta has "made me what I am today" and

advises all new CCDs to "give it time and never quit trying. What I enjoy most is watching the girls blossom and grow."

Work and family also keep Bridget busy. She is a Registered Nurse certified in psychiatric and mental health nursing. Since 1994 she has been the Outreach Coordinator for a regional medial center. Her responsibilities include marketing and pre-admission assessment. Her husband is a financial planner. They have three sons, ages 11, 9 and 4.

# NATIONAL CONVENTION

## 1998

Her leadership experience paid off, as Sonja Nay Wise, Delta, was the president of her alumnae chapter at the time Delta Zeta colonized the Xi Omega Chapter at Purdue University. She was very involved in the colonization process and became president of the local House Corporation. When the CCD position became available, Sonja was asked to switch roles. She served as the chapter's CCD for 6 years. During Convention, Sonja was installed as a Director on National Council.

Professionally, Sonja taught high school English for 7 years. She then stayed home to rear her son and daughter. For the last 20 years she has been an Academics Advisor for the School of Management at Purdue University. Her advice to CCDs is to maintain the rules of the Sorority and follow the ideals of Delta Zeta life. Lead by example.

Sonja says that "my undergraduate experiences in Delta Zeta provided me with leadership opportunities that have made all the difference in my life.

## Gwen McHugh Schick

*"To see so many women continue their involvement as alumnae is personally satisfying"*

says Gwen McHugh Schick, Zeta Nu, who believes that by serving as an alumna role model, she has encouraged chapter members to continue their connections to Delta Zeta after graduation.

When Delta Zeta colonized the Xi Psi Chapter at Grand Valley State University, Gwen was involved from the very beginning. Within two weeks of the first colony meeting, Gwen assumed the position of CCD and has been working with the chapter for 9 years.

She and her husband have been married for 36 years and have one married daughter, 32, two single sons, 30 and 21, and three grandchildren ages 7, 6, and 3. Gwen is a hairdresser and works out of her home. She is also involved with her church and volunteers by doing hair at local nursing homes. She says, however, that Delta Zeta (both alumnae and collegiate) is her primary volunteer activity.

## Sherron Summerville Mills

Confidence, connections and life-long friends are what Sherron Summerville Mills, Lambda Gamma, says she gained from her undergraduate Greek experience. Since becoming involved with Delta Zeta again, Sherron feels that she has developed more women friends and has a new appreciation for the Sorority. "I did not really understand what everything was all about when I pledged. I am so proud of Delta Zeta. I know it will endure and be there for my daughters."

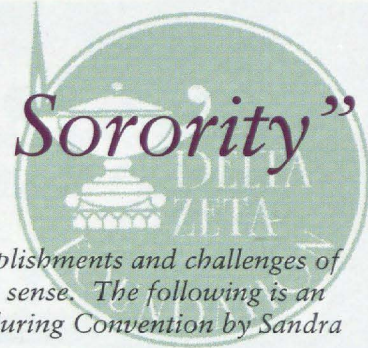

Sherron first became involved with the Zeta Pi Chapter at the University of Georgia when she was recruited to work with the House Corporation and as advisor for new member education. These responsibilities evolved into the CCD position, which she has held for 6 years. She enjoys the day to day interaction with the women saying they keep her young and that she "is more in touch with what's really going on in today's world."

Professionally, Sherron is a Quality Engineer for a Japanese automotive manufacturing company, making her one of the highest-ranking females in a male dominated company. Her husband, Steve, is a Materials Coordinator for another manufacturing company. They have twin legacies, age 14.

# Foundation focus

## DELTA ZETA'S "State of the Sorority"

*The State of the Sorority speech is a report to the Convention delegates on the accomplishments and challenges of the biennium and to make the delegates more fully aware of Delta Zeta in its broader sense. The following is an excerpt from the State of the Sorority address given at the opening business meeting during Convention by Sandra McAlister Nesbitt, National President.*

"Change and progress have marked this biennium. Through the adoption of REACH, our new structure at the 1996 Convention, developing PRIDE, LOYALTY and COMMITMENT in every Delta Zeta has been a major focus. Through the leadership of many we are making progress implementing the changes geared to make the Sorority stronger and more in tune with today's women, both collegiate and alumnae.

Significant gains have been made in various areas of the Sorority program and operations to assure Delta Zeta the strongest possible position in the future. The Sorority and the Foundation have partnered their financial and human resources to advance the Sorority's educational and philanthropic purpose, thus creating more opportunities for leadership development and training.

In this last biennium, training programs for the Chapter Consultants, College Chapter Directors, Regional Collegiate Coordinators, Area Alumnae Directors and Area Teams were all funded in part or in whole by the Delta Zeta Foundation. Last summer, over 700 Delta Zeta collegians participated in the Norma Minch Andrisek Leadership Conferences which focused on leadership and values and was partially funded by the Foundation. These skills and insights have added meaning as Delta Zeta collegians prepare for their future.

Providing interpreters during the Leadership Conferences and during National Convention is another way the Foundation keeps the door to learning open for all participants.

The 1998 National Convention attendees experienced the educational and leadership programs the Foundation was able to underwrite because of the generous contributions made by Delta Zeta's individual members, college chapters and alumnae chapters.

Efforts to REACH our alumnae and better communicate with them about sorority programs, current events and alumnae activities encouraged a greater response to the annual Loyalty Fund campaign. The annual drive has shown that our Delta Zeta alumnae do care and, if informed and given an opportunity, they will participate.

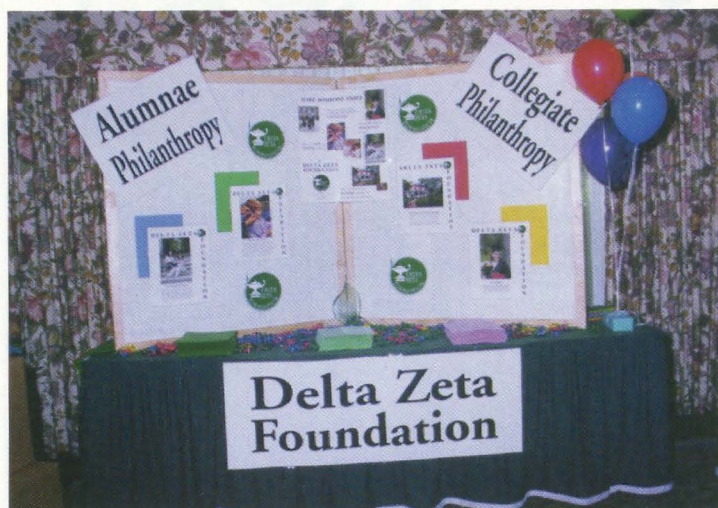

The partnership between the Sorority and the Foundation has also flourished in the area of Philanthropy. A commitment to program planning, development and public relations was demonstrated through participation of the collegiate and alumnae philanthropy chairmen who attended the annual Foundation meeting in February, 1998. The National Philanthropy Chairmen, Collegiate Chairman Gail Persak Beets and Alumnae Chairman Linda Bruggemann Seymour have worked to develop the educational arm of the Foundation.

*Gail Beets, Linda Seymour & Diane Young, Foundation Coordinator manage the Foundation table during Convention.*

Materials have been designed to educate our members, both collegiate and alumnae, about Delta Zeta philanthropies.

New posters were introduced at Convention to be a valuable tool in telling the story of our philanthropies. (See pictured next page, one of four new posters.) New material has also been designed for use by our collegiate chapters during rush, as many campuses are incorporating a Philanthropy Day during the formal rush period.

The Foundation's financial support of the many educational, scholarship, leadership, training and philanthropic programs through grants, provide valuable resources to the Sorority to fulfill its mission."

### *House Ear Institute*

A gala birthday dinner was held recently at the Bel Air Country Club in Los Angeles in honor of the 90th birthday of Dr. Howard House who founded the House Ear Institute in 1946. Delta Zeta Nanette Fabray emceed the program which was attended by many friends and associates including celebrities Dolores and Bob Hope, John Raitt and Roger Williams.

Announcement was made of the new satellite office which has opened in Orange County by the House Ear Clinic. The clinic's affiliation with the Chapman Medical Center adds otology to the health services currently provided.

House Ear physicians will see patients and perform surgeries there on a rotating schedule. The clinic is located in the city of Orange, CA. Delta Zeta continues to support the Institute which is part of its National Philanthropy program of helping those who are deaf and hearing impaired. Fund raisers are held by college and alumnae chapters with proceeds going to the Institute.

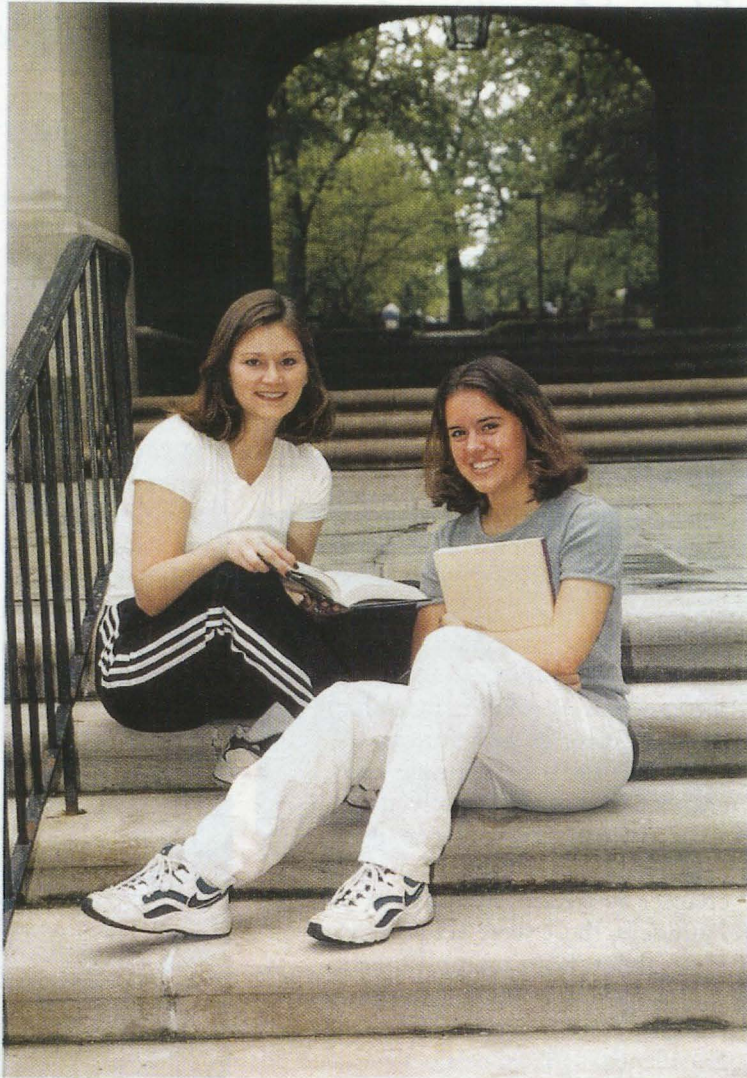

During the summer, Delta Zeta college women assist as counselors in the HEI "Family Camp" program held in Malibu, CA. Families attend with their hearing impaired children for fun in the sun. Convention attendees learned more about the House Ear Institute during the Delta Zeta Fair.

## Educational Programs

The Delta Zeta Foundation supports a variety of educational programs for the Sorority. These programs promote leadership skills, academic achievement and personal growth. Service programs explain the concept of volunteerism. Values help clarify personal and chapter standards. Training for advisors, chapters officers and alumnae teach skills necessary for volunteer positions. Gifts to the Delta Zeta Foundation advance the Sorority's educational and philanthropic purposes.

## Ideal - Delta Zeta is for a lifetime

*"I feel so lucky  
to have been able  
to participate in this  
National Convention.*

*It heightened my  
Delta Zeta spirit, and  
made me set the goal  
of truly committing  
myself for a lifetime  
to Delta Zeta.*

*I hope that I will be  
able to pass this spirit  
along to my chapter."*

Rebecca Matsubara, AU Chapter  
President, University of Maine

Rebecca is part of Delta Zeta's future. She joins nearly 10,000 collegians that represent Delta Zeta's future as new alumnae. Recognizing and honoring our alumnae at National Convention is one way to say "thank you" to those who give of their time and talent in the name of Delta Zeta Sorority to collegiate chapters, to local communities, to charitable/philanthropic events and to universities.

The Rose Luncheon, which was held on Sunday, June 28, was dedicated with loving appreciation to all alumnae. Both alumnae chapters and individual alumnae received recognition. Seven alumnae chapters received silver awards for overall philanthropic programming and another six chapters received achievement awards for excellence in all areas of alumnae programming and chapter activities. In honor of our Founders, there were six awards given for each level of accomplishment: Chapter Achievement, Outstanding Chapter Achievement and Chapter Excellence.

These 18 chapters truly reflect the very best of our sorority and illustrate that in Delta Zeta sisterhood is for life. One of the special highlights of the luncheon was the opportunity to share with three Delta Zetas who recieved the Order of the Golden Rose in recognition of 50 years of membership. Honorees were Jacquelyn Rivers Brooks, Beta Mu; Cathryn V. Cook, Alpha Omicron; and Helen Pipott Palmour, Alpha Omicron pictured below with Ruth Patterson, National Treasurer. The luncheon concluded with the announcement of the 1998 Achoth Award winners. The Achoth Award is given in recognition of long loyal volunteer service to Delta Zeta and is the focus of History in this issue of The LAMP.

## Convention Alumnae Initiates

Sylvia Cooks, St. Petersburg, Florida and Tricia Gottschall, Lawrenceburg, Indiana were initiated into Delta Zeta during National Convention. Sylvia has been a part of Delta Zeta's extended family for many years as she is married to Richard Cooks, son of Lucile Crowell Cooks, Alpha. Sharing her thoughts on convention, Sylvia remarked: "The convention experience was awe-inspiring. Meeting so many accomplished and dynamic women committed to the ideals and causes of Delta Zeta clarified to me why Lucile gave so much of her time and energy to the sisterhood." Sylvia attended Ithaca and Cornell Universities and graduated from Florida Southern University. She has taught for many years and served as coordinator for refugee services in St. Petersburg and Tampa, Florida. Sisters-in-law Constance Cooks Roberts, Alpha and Mella Cooks Davies, Alpha joined in honoring Sylvia as a new Delta Zeta sister.

*Pictured L to R:

Tricia Gottschall is also part of Delta Zeta's family. Her husband, John, is the Business Controller for the Sorority. She received a Bachelor of Science in Nursing from Thomas Moore College. Tricia is employed at the St. Elizabeth Medical Center as a Home Hospice Nurse. She is active in the St. Lawrence Church and the St. Lawrence Parent Teacher Organization.

*The Gottschall Family: John, Tricia and daughter, Brittany enjoyed celebrating Tricia's initiation during Convention.*

The alumnae workshops focused on increasing the number of volunteer opportunities in Delta Zeta and how to recruit the volunteers. "You are the Link!" was the message delegates heard repeatedly from facilitator and newly elected National Director, Jamie Hammill Pyne. After an activity that visually demonstrated the power of linking together, alumnae delegates learned that the alumnae chapters are the direct link to individual alumnae in their area. Delegates learned about effective communications and public relations.

They also learned how to develop a "marketing" plan to REACH out and involve local alumnae as volunteers and as members of their chapters. Sharon Moncrief Slovinski, National College Programs Chairman, spoke to the alumnae about the changes in collegiate programming and the importance of alumnae participation. She emphasized the many different ways alumnae can provide the continuing link with collegians that demonstrates lifetime commitment to Delta Zeta.

(SEE DIRECTORY) OR  
CALL 1-800-6-ALUMNA

The alumnae delegates, Area Alumnae Directors, and Area Public Relations Chairmen divided into small groups to brainstorm ideas that would address the Challenges and Choices facing Delta Zeta's alumnae today. Facilitated by the Area Alumnae Directors, the groups discussed topics such as:

*How can alumnae chapters combat the negative image of Greek organizations?*

*What are some cost-effective ways to communicate with all alumnae within the community?*

*What can chapters with limited financial resources do?*

*What type of events would appeal to alumnae that are not members of your alumnae chapter?*

*How can alumnae chapters increase member participation?*

Delegates are taking these ideas back to their alumnae chapters to develop plans of action to promote PRIDE, LOYALTY and COMMITMENT to Delta Zeta.

If you want to learn more about opportunities for volunteering and/or participation in an alumnae chapter please contact an alumnae chapter or Area Alumnae Director near you.

## *Chapter Presidents' Response to Convention*

*Stephanie L. Harris, Chapter President,  
Beta Delta Chapter, University of South Carolina*

*Dr. Robert Deloian, guest speaker during the Carolyn Barnes Gullatt Symposium, spoke of the support of substance-free housing for his fraternity and for all Greeks as an important step in improving our image and our safety. One point he made that stands out in my mind is that we all need to start living up to who we claim to be. We claim to be service-oriented and caretakers of the community and the world around us. How can we say this when fraternity and sorority members are getting hurt and killed due to alcohol related accidents that can be prevented? Dr. Deloian's message is an important one and I think that everyone took this to heart.*

*l to r: Melissa Harvey, BΔ CCD,  
Jamie Hammill Pyne, BΔ,  
Stephanie Harris, BΔ, President*

Seeing the Philanthropy and Foundation awards presented during the Rose Luncheon showed me how important our Sorority is to the communities around us. We help so many people and other organizations. I hope that in the future my chapter will excel in this area. I am very proud of the Delta Zetas who received these awards.

I really enjoyed Katie Sermersheim's workshop for the Chapter Presidents. I learned so much in my short time with her. I learned about my leadership style and the strengths and weaknesses that I have as a leader. I also learned how to get along with people with different leadership styles. We had a debate where we disagreed on some issues concerning the sorority and we talked about why we feel the way we do. This was an excellent program and I plan to use the information to improve the leaders in my chapter.

I have so much information to share with my chapter and I am thankful Convention was so productive. My roommate and I became great friends and I know that I have formed friendships with other Delta Zetas that will last a lifetime. I am very glad that I had the privilege of being a part of the Delta Zeta 43rd National Convention.

*Laura Cripple, Chapter President  
Beta Kappa Chapter,  
Iowa State University*

I took advantage of our regional meetings, chats with my roommate, dinnertime conversation and individual conversations to ask questions. I entered many of these conversations feeling discouraged about my chapter's shortcomings, but left all of them feeling extremely optimistic about the future of Beta Kappa.

This brings me a realization that encompasses all of Convention and wraps it in a package that I can give to my chapter. Delta Zeta Sorority gives to its members two of the greatest and most valuable gifts. The first is friendship tied by a bond of sisterhood. We are given the opportunity to experience the lasting friendships at our own chapter and know that there are many others that share the same bond. The second gift from Delta Zeta is a life lesson on where to direct our focus. If our focus is aimed at tying all areas of our sorority together and making them benefit each other, every area has the opportunity to thrive and no area will be subject to failure.

*l to r: Laura Cripple, Beta Kappa Chapter President  
and Megan Scott Wolf, CCD.*

Convention is a superb example of this. The focus of Convention has a healthy balance. We learned the discipline of sitting through business meetings, we were inspired by motivational workshops and speakers, we took breaks to rest or sit by the pool, we experienced the formality of the banquets, we let our hair down for fun night, we oooh-ed and aaaah-ed at the circus performers, we were allowed time with closer knit groups in our region meetings, we set goals and we reflected. No one area seemed more important than any other. Aiming our focus in this direction is my goal for Beta Kappa because if every area is given the attention it deserves a happy, healthy, strong sisterhood is bound to emerge.

We are on the threshold of change. We can either recess to our old ways and "get by" or we can take the initiative to push forward. As we continue to pass on the flame, so will we pass on what we have learned from our experiences in Delta Zeta. It is my sincere wish that, "All who come behind us find us faithful, faithful in what we do, faithful in what we say and faithful in what we teach." If this is the type of chapter we create and believe in, there is nothing that can stop us from moving toward our *Future Perfect*.

*Nellie Duran, Chapter Advisor (L) and Gricelda Fuentes, President (R) are pictured with Sandra Nesbitt, Past National President*

JoAnna Underwood, Nellie Duran and I were so excited to have had the opportunity to join the hundreds of Delta Zeta women from across the country at the Callaway Gardens in Pine Mountain, Georgia.

Our first Business Meeting started at 9:00am. I was very excited to know how the national organization runs a business meeting. It was a meeting like I had never experienced before. It went so quickly! After the meeting our afternoon was filled with wonderful and effective guest speakers. Barbara Babb, BSNRN, lead the workshop titled "Steer Straight". She shared with us her experience as an emergency helicopter critical care nurse responding to terrible car crashes, which were mostly all alcohol related and irresponsible behavior. Barbara tried to instill in us and make us recognize that we have the power to make the right

choices and to prevent such car accidents from occurring. Dr. Deloian addressed the issue of the substance free housing initiative to heighten awareness of its importance and the responsibility of Greek leaders to support it. I wish my chapter was present to listen to these guest speakers talk about the importance of having an alcohol-free sorority and going back to the basics of what a sorority is all about.

After dinner, our National President announced the next Convention will be held in Phoenix, Arizona at the Pointe Hilton at Squaw Peak. I really hope since this will be closer to home that many of our chapter members, as well as members from our region, will go to Convention. I had a wonderful and memorable experience at Convention. To me the most memorable would be attending initiation and meeting Florence Hood Miner as well as the past and current National Presidents. I would like to thank National and my chapter for allowing me this opportunity. I know I will never forget this convention.

Tuesday was a day of sharing. I really enjoyed sitting around the pool with Region II and talking about different ideas for fundraising, sisterhood activities, Lamplighting events and others. It gave everyone located all over the United States and Canada a chance to share ideas with each other. This is an opportunity that does not occur often. I was very fortunate to be able to take advantage of it.

Sunday was TOTAL fun! I had a great time at the bar-b-q and the Kennel Club. The Kennel Club was an awesome experience! I really enjoyed seeing how many Delta Zeta sisters attend the convention regularly. It really showed how Delta Zeta is a life long opportunity and commitment that reaches beyond the college years. The Installation Banquet was excellent. Seeing the transition of one National Council to the next was a neat experience. The music that night really emphasized the feeling of the evening. I was extremely proud of my Region when we had three representatives singing during Convention. Brandi (President from Mansfield State University) did an outstanding job singing "This is the Moment". She moved everyone to tears as she made everyone realize that Delta Zeta is the moment in our lives and we need to take advantage of it.

*I* was fortunate to attend Delta Zeta's 43rd National Convention. It was exciting to meet other chapter presidents, CCDs, National Officers and alumnae from around the country. I made friends that I am still in touch with.

Meeting new people was just the tip of the iceberg. I saw the installation of National Officers, learned about myself through well-planned workshops, was enlightened by fabulous speakers, and, most importantly, took part in national sorority decision-making.

Attending National Convention was an unforgettable experience. It was amazing to be in a room with hundreds of women who are from different generations, various geographical regions, and have contrasting lifestyles yet share one thing in common with you and I; a love of Delta Zeta.

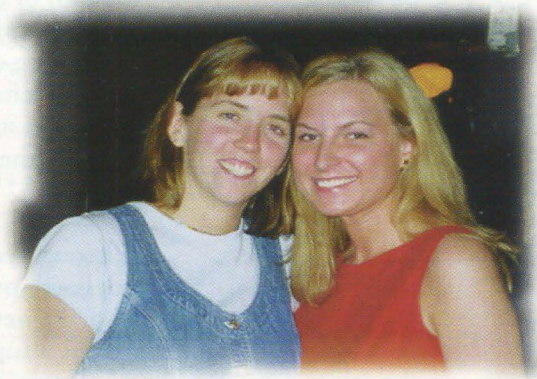

CHAPTER PRESIDENTS RESPONSE

*Suzette Dyer, Chapter President  
Epsilon Upsilon Chapter  
Central Oklahoma State University*

Collegiate presidents attended workshops on becoming a better leader and building a stronger chapter. We explored the importance of communication among sisters as well as alumnae and college chapter directors. We were reminded of the significance of community service and given helpful ideas about getting more involved in our communities.

I cannot convey to my chapter enough how important it is that we enter this biennium prepared to be the best at everything we pursue. We must strive for the highest of goals in academics, programs, membership and every other aspect of sorority life. Officers and members alike must dot every "i" and cross every "t" if we plan to contend with chapters such as Purdue University or Nebraska Wesleyan. I believe in Epsilon Upsilon. We have come a long way since 1996. We must search for membership that will only replicate and improve upon our hard work and determination.

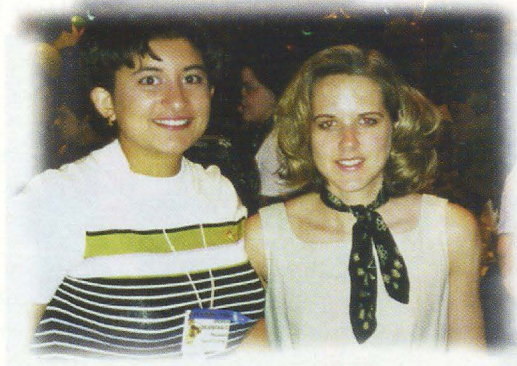

Convention was an enlightening experience for me because I learned from observing. It was through these observations that I faced reality. We will not settle for what to others seems a way of life. I know too many women who have spent too much time and energy to watch us be less than the best. We have just begun molding ourselves into a chapter that exceeds the standards set by six lovely women ninety-six years ago.

I am so proud and honored to have been able to attend Convention. Since I joined Delta Zeta in the fall of 1995, my main goal was to be the president of my chapter. Attending convention made achieving that goal so much better. I took a lot of information and great ideas away from this experience that I feel will really help our chapter.

The final seminar was very helpful and probably my favorite time during convention. We were given the opportunity to sit down with others in our regions and share various ideas and suggestions about areas where we are having trouble or where we are doing exceptionally well.

I enjoyed myself so much that I hope to be able to attend Convention in the future. I am really looking forward to our 100th anniversary. This was such an amazing experience for me. I will never forget it.

## *Treat A Friendship Like A Rose*

Mella Cooks Davies, daughter of Lucile Crowell Cooks, Alpha, (who passed away August, 1996) gave the meditation during a business meeting and shared the following thoughts for all to remember:

"Memories of my initiation at the 1956 National Convention in Miami Beach, Florida came flooding back as we participated in Saturday's beautiful initiation service. As I watched my sister-in-law, Sylvia, become my Delta Zeta sister, I realized the ritual of the ceremony and the special meaning of its symbols offers a reassuring continuity for all of us. Though Delta Zeta has grown and changed in structure, we are sisters united by the bonds of friendship and love.

"Wherever your life or career may lead, reach out to an alumnae group and make new Delta Zeta friends. There is a support group there, which may sustain you through tough times and will reward you with many

wonderful, enriching experiences. "If you share your time and talent you will soon realize the Delta Zeta experience in college was only the beginning. Our sorority experience is a lifelong gift.

"Less than a week before my mother's death, she took the van from her retirement center to a local mall. She went to Sear's and bought a small hammer and a box of small nails. She returned to her apartment and hung a framed picture of the Delta Zeta Creed over her bed. Delta Zeta ideals were very much a part of her life. Both she and our sorority were enriched by her initiation. And her rose garden of friendships was carefully tended."

*Treat a friendship  
like a Rose.  
Care for it with kindness  
and forever it will grow.  
Shower it with love,  
and warmth and tender care.  
And something to cherish  
will always be there.*

When Phi Omega Pi merged with Delta Zeta Sorority their alumnae Achoth Award was continued by Delta Zeta. Alumnae who had served long and well on the local level were to be the recipients. They should have worked in a volunteer capacity a minimum of 15 years after college to be eligible. These dedicated alumnae have served on chapter advisory boards, as a CCD, a House Corporation officer, or a longtime worker in an alumnae chapter, an alumnae panhellenic organization, or any community activity in which she represents Delta Zeta.

Over 250 Delta Zeta alumnae have been honored with an Achoth Award. The 1998 recipients are:
