A History of Giving...

"Unless a fraternity helps you to be of service in life, it is not worthwhile. One should be of more service in home, university, state and country. Our watchword should be Service. It must be kept in the foreground of our lives as a very real thing." Ruby Long, Grand Vice President 1920-1922.

In 1922 Delta Zeta's first national project was adopted. It began with establishing a community center in Topmost, Kentucky. A school and girl's dormitory was soon added. Ten grades were taught there and in 1928 the school became fully accredited. Delta Zeta continued to support the project until 1939 when Knott County, Kentucky officials took charge. In 1946, wishing for world peace, Delta Zeta assumed support of a small children's home in the Netherlands. Also, layettes were provided for orphans left in Europe. Aiding patients at Carville Hospital in Louisiana, which treated people with Hansen's Disease, was a project in 1956 until a cure for the disease was found. In 1954 Delta Zeta had its first association with hearing and speech assistance through its involvement with Gallaudet University. Since that time, a Scholarship Fund was endowed as well as a Fine Arts Fund. Furthering its focus on speech and hearing, the House Ear Institute in Los Angeles, California was adopted and Delta Zeta built and furnished a parent's conference room.

From helping the Red Cross collect clothes for overseas relief during World War II to providing thousands of dollars and volunteer hours today to benefit Speech and Hearing and many other charitable causes, Delta Zeta has a rich history of giving unto others.

In this issue of The LAMP, we are proud to share Delta Zeta's "history of giving" and spotlight the Delta Zeta Foundation and the work of members and chapters, both collegiate and alumnae, who give to their campuses and communities in many different ways.

sharing the mission

Gallaudet University is the world's only university with all undergraduate programs completely accessible to students who are deaf and hard of hearing. President Abraham Lincoln signed Gallaudet's original charter in 1864, and since then the university has served as the heart of intellectual and cultural life for deaf and hard of hearing people, not only in the United States, but around the globe.

Since 1954, Delta Zeta Sorority and Gallaudet University have shared a special partnership, working together to advance the lives of deaf and hard of hearing people everywhere. Delta Zeta's history of giving includes scholarship support to Gallaudet students, support of the library and the performing arts programs endowment funds.

As a member of the Gallaudet University community where Delta Zeta has a chapter, we are a part of serving the mission of the institution. Joan Dondrea Lowry, ΓΑ, a past president of the Delta Zeta Foundation and

current liaison to Gallaudet University interviewed Dr. Jordan and asked him to share his thoughts on our unique partnership and the mission of Gallaudet University.

Joan Lowry: Thank you for taking time to tell our readers about Gallaudet. How would you describe your university's role in higher education?

Dr. Jordan: Let me begin by expressing my great appreciation to Delta Zeta for your long-time support of Gallaudet students. Do you realize that over the past 25 years your organization has given the university many generous donations? That's remarkable and, on behalf of all the students you have helped, I want to express our deep gratitude.

Gallaudet's primary role today is the same as it was 134 years ago: to provide a competitive, quality, higher education to students who are deaf and hard of hearing. We accomplish this by offering a vigorous academic program in an environment that is "user friendly" to deaf and hard of hearing people. All communication here is visual, through sign language, which means we have eliminated communication barriers and made it possible for our students to soar intellectually and socially.

Joan Lowry: Is the use of sign language the only thing that makes Gallaudet different from other colleges and universities of its size?

Dr. Jordan: Sign communication is the most visible difference between Gallaudet and other universities, but there is another difference that is equally important: the high level of expectation for student achievement. At this university, deafness is the norm. It is not viewed as an impediment to attaining success in or out of the classroom.

Joan Lowry: And communicating in sign language is the norm as well?

Dr. Jordan: Exactly. Imagine you are a student at a university in a country whose language you don't know. During classes an interpreter sits by your side and tells you what the professor is saying and tries to keep you informed about the give and take that happens during class discussions. Even though you're a bright and determined student, every ounce of your concentration is on making sure you are getting the information, and not on the information itself. At the end of class, the interpreter goes to her next assignment, leaving you to fend for yourself. You can't communicate with the other students, so you go to the library or back to your room to study

Delta Zeta & Gallaudet

alone. You didn't understand the announcement made earlier in the day about the rally, game, play, etc., that was taking place that evening, so you don't go. You're surrounded by people, but you're alone. This is how it is for many people at other universities

But not at Gallaudet. Here, deaf and hard of hearing students fully participate in their education because they don't have to expend all their energies on communication issues. Rather, they are free to concentrate on the subject matter. We pride ourselves on providing our students with the complete college experience, including an array of extracurricular options.

Joan Lowry: In what ways has Gallaudet changed since you became president?

Dr. Jordan: Without a doubt, the biggest changes have been in attitude and access. Because of DPN (Deaf President Now) as well as the passage of the Americans with Disabilities Act in 1989, the hearing world has altered its attitude about deaf people. The focus has shifted from what we can't do to what we can do (which is everything except hear, by the way). This new understanding of and appreciation for deaf people is evident in a variety

*Dr. I. King Jordan
President of Gallaudet University, Washington, DC*

of ways today, including the popularity of American Sign Language throughout the United States and the growing number of Gallaudet graduates employed at AT&T, Sprint, Hewlett-Packard, Merrill Lynch, and other companies.

The technology revolution also has had a powerful and positive impact on the lives of deaf and hard of hearing people. Technology has eliminated many of the communication barriers that supported us from the hearing world. For example, I enjoy running; especially races of 50-100 miles that are called ultramarathons. And when I access the Worldwide Web site for ultramarathoners, I can chat with runners from all over the world, people who neither know nor care that I am a deaf person.

Joan Lowry: Dr. Jordan, what do you think Gallaudet will be like ten years from now?

Dr. Jordan: Gallaudet has a very bright future. The university is "on a roll" right now and we have no intention of letting the current momentum fade. Our endowment has grown from about \$10 million in 1988 to more than \$92 million today, thanks in part to the support of groups like Delta Zeta. Partially as a result of our joint efforts, today deaf Americans have more opportunities available to them than ever before. Income from these and other efforts fuel the university's drive to provide students with cutting-edge academic and experiential programs that they will need to achieve successful, satisfying careers.

With the help of treasured friends like Delta Zeta, I am confident that we will meet these challenges successfully. I look forward to seeing our unique partnership continue in the future. Again, on behalf of the entire Gallaudet community, my thanks to Delta Zeta.

A History of Giving

1998 Woman of the Year

Jean Haley Harper

UPSILON CHAPTER, UNIVERSITY OF NORTH DAKOTA

... "Lives her dream" as one of the first three women pilots hired by United Airlines in 1978 to "fly the friendly skies". Initiated into the Upsilon Chapter, she enjoyed the companionship of her sorority sisters, which provided a welcome balance from a college major dominated by men. As a student, Jean worked as a flight instructor. She was a recipient of the Arlene Davis Aviation Award and Scholarship as well as the Grace Mason Lundy Award.

On October 31, 1998, nearly 200 Delta Zetas and guests attended a luncheon hosted by the Denver Alumnae to honor Jean Haley Harper, as the 1998 Delta Zeta Woman of the Year. The award is presented annually at Founders Day to an outstanding Delta Zeta who has demonstrated excellence in her career either professional or volunteer.

At the time Jean entered her profession, women were barred from serving as commercial airline pilots. Through perseverance, dedication and

following her dream, Jean Harper has crafted a noteworthy career rising to the rank of Captain in 1992. She currently flies Boeing 757s and 767s from her base in Denver, Colorado. What is even more impressive is that there are fewer than seventy women airline pilots worldwide who are Captains of wide-body jets.

In addition to flying, Jean is a skilled artist, a keynote speaker, a trainer for United Airlines and the Girl Scouts of America, and an author. She has published three books and over thirty articles on a variety of topics ranging from air safety to women's leadership in the airline industry. She has been featured in *Chicken Soup for the Woman's Soul* and most recently in *Chicken Soup for the Mother's Soul*.

Jean holds memberships in the Airline Pilots Association, Women in Aviation International, and is a charter member and past president of the International Society of Women Airline Pilots. She generously gives

her time to the Delta Zeta Denver Alumnae Chapter and the Rho Chapter at the University of Denver.

Those who attended the celebration experienced first hand a "taste" of Jean's artistic talent. Jean said, "I felt so overwhelmed by the loving attention poured out by my Delta Zeta sisters that I wanted to give something to each and every one of them. Since both my 13-year old daughter Annie and I had completed an advanced course in cake decorating, we decided to make Delta Zeta cookie favors. The 250 pale green frosted sugar cookies adorned with pink roses and the intertwined Greek letters for Delta Zeta were a lot of fun to make in the weeks preceding the celebration."

Jean also noted her "favorite part of the celebration was the musical entertainment" provided by her daughter Annie, who plays first trumpet in her 8th grade band, and five of her musician friends.

Left, Jean in the captain's seat of a Boeing 757 at 31,000 feet, flying between Chicago and Los Angeles.

"It was truly a gift from the heart, and I could not have been prouder!"

There were many other special moments during the program, which gave a picture of Jean's career in aviation, her family life, and her commitment to Delta Zeta. Special guests included Karly Burns, National President of Delta Zeta, who presented Jean with the Woman of the Year Medallion; Florence Hood Miner, National Historian charmed the audience with her characteristic wit and humor, and mentioned early aviation pioneers such as the Wright

Brothers and Amelia Earhart, all of whom were "doing their thing" when she was a girl and a young adult!

The University of Denver, Rho Chapter sang a lovely rendition of "The Rose". The women of Delta Xi, University of Northern Colorado performed the Delta Zeta creed in sign language, a tribute to Delta Zeta's philanthropy in support of speech and hearing.

Jean's accomplishments exemplify the saying that there are no limits to what we can accomplish if we do not limit

ourselves. In *Chicken Soup for the Woman's Soul*, her story about living your dream is best described in the following excerpt:

In her senior year of high school, her English teacher was Mrs. Dorothy Slaton. One day Mrs. Slaton gave the class an assignment. "What do you think you'll be doing 10 years from now?" Jean thought about the assignment. Pilot? No way. Flight attendant? I'm not pretty enough—they'd never accept me. Wife? What guy would want me? Waitress? I could do that. That felt safe, so she

wrote it down. Mrs. Slaton collected the papers and nothing more was said. Two weeks later, the teacher handed back the assignments, face down on each desk, and asked this question: "If you had unlimited finances, unlimited access to the finest schools, unlimited talents and abilities, what would you do?"

Jean felt a rush of the old enthusiasm, and with excitement she wrote down all her old dreams. The next thing that Mrs. Slaton said changed the course of Jean's life. The teacher leaned forward over her desk and said, "I have a little secret for you all. You do have unlimited abilities and talents. You do have access to the finest schools, and you can arrange unlimited finances if you want something badly enough. This is it! When you leave school, if you don't go for your dreams, no one will do it for you. You can have what you want if you want it enough." So Jean did.

It was the power of one well placed positive word, one spark of encouragement from a woman Jean respected, that gave that uncertain young girl the strength and faith to pursue her dream. Today, Jean says, "I chose to believe her."

The National Council is proud to honor Jean's many accomplishments by naming her Delta Zeta Woman of the Year. Congratulations, Jean!

Betty DeWitt, House Ear Institute

"Being an only child, it was lovely to immediately become part of a group," says Betty Paul DeWitt, AI, in speaking about Delta Zeta Sorority and its impact on her life. "I never realized at the time that it was the beginning of a lifetime commitment!" With a passion for Delta Zeta's national philanthropy, speech and hearing, Betty has worked locally, regionally and nationally in support of the House Ear Institute of Los Angeles, California.

Betty first became involved with the House Ear Institute in Los Angeles when several of the southern California alumnae chapters adopted it in conjunction with their annual fund raising benefit, Flame Fantasy. In 1983, when the House Ear Institute officially became a part of Delta Zeta's national philanthropy, Betty became the Foundation liaison to the House Ear Institute and has served in that position ever since.

Founded by Dr. Howard House, M.D. in 1946, the institute is one of the world's foremost research, teaching and treatment centers in the field of hearing.

The institute formerly was housed in quarters adjacent to a major hospital. Because of the need for additional space, ground was broken in 1988 and construction began on a modern five-story complex.

A Family Conference Center, financed by the Delta Zeta Foundation, was added to the children's wing.

In 1997, more than 325 physicians, from the United States and 41 foreign nations visited and studied at the Institute. The staff continues to stress that in today's world there is increased noise in our lives due to advances in sound technology, motorized transport, power tools and audio equipment. We have been told that loud music is harmful but don't realize that continued overexposure can lead to nerve damage.

Pictured to left: Betty Paul DeWitt, AI, and Dr. Howard House

The doctors at the House Ear Institute state that early warning signs in people of all ages are: temporary hearing loss, ear discomfort, ringing in the ears and difficulty hearing in noisy conditions. They remind Delta Zetas that "Hearing Is Priceless."

On top of serving as the House Ear Institute Chairman for the Delta Zeta Foundation, Betty is also the Foundation Chairman for the Leach Scholarships. In addition, she is President of the South Bay Alumnae Chapter, a position she has held since 1993. She says, "it is a labor of love."

Over the years, Betty has been involved with many youth groups, worked with the Girl Scouts, and served as president of the local women's club and the High School Booster Club. Today, she is a member of the Assistance League, which involves many different volunteer activities.

Thanks Betty for your many years of service to Delta Zeta and for demonstrating in your daily life the importance of giving unto others!

Speech pathologists work with the children to assess their speech and language skills.

Southern California Lamplighters of Delta Zeta has been involved for 42 years in providing funds for House Ear Institute. In 1983, the Convention body passed a resolution adopting House Ear Institute as a part of its national philanthropy.

Donations over the years have enabled the Center for Deaf Children to establish the Delta Zeta Foundation Family Conference Center for patients and their families. New technology has opened the cellular/molecular frontier to researchers throughout medical science, providing exciting new possibilities for both cures and tissue regeneration.

A History of Giving

For those of you who do not work closely with kids, you may not be aware of the lack of services for young women. Girls' programs are on the rise, but are still just a small fraction of programs available. The Boys & Girls Clubs of America are working to combat this very problem by focusing on programming for girls.

My name is Meagan Farrell and I am a Delta Zeta alumna, Delta Alpha, California State University, Long Beach. I am the Program Director for the Boys & Girls Clubs of King County in Seattle, Washington. Being passionate about providing opportunities for girls, I have jumped onto the bandwagon to offer special activities just for girls. One of the programs that I implemented is called SMART Girls. It is a program that aims to instill self-esteem, values and skills in young women ages 10-11 years. We meet once a week and have healthy snacks and great discussions to focus the girls on a positive future.

We always talk about the importance of college, but since many of my girls are from disadvantaged homes, they have no first hand experience of what college life is about.

University of Washington Delta Zetas with the Wallingford Boys & Girls Club's SMART Girls!

I wanted to provide this for them to inspire them, so I contacted the Kappa Chapter of Delta Zeta at the University of Washington and asked them to be our hostesses. They quickly volunteered to help out.

We met the Delta Zetas at their house and sat down for a "get to know ya" session. The girls talked about their future goals and the Delta Zetas shared their future goals. The girls got a tour of the sorority house and then they were off to the UW campus for a tour. Each Delta Zeta took a girl to be her buddy and at that point the little girls grabbed the big girl's hands and they were on their way.

The Delta Zetas' enthusiasm was addicting and the little girls were in awe of them. When it was time to go home, the little girls did not want to leave! The whole ride home the girls talked about their buddies and how they will all go to college and be Delta Zetas! Now, two months later, the excitement is still there and the girls keep begging to go back to see their friends.

I want to thank the Kappa Chapter for lighting the fire for these young women and for being such great role models. I was so excited to see the Delta Zeta spirit in full force! I went away, more proud than ever, to be a Delta Zeta.

ON CAMPUS AND IN COMMUNITIES WITH DELTA ZETA

Delta Zeta college and alumnae chapters work thousands of hours to raise thousands of dollars to benefit speech & hearing and other charitable causes. While this section highlights the activities of a few of our alumnae and collegiate chapters, the National Council is proud of the fundraising efforts and community service hours given by all chapters. For more information on Delta Zeta's national philanthropy or individual chapter projects/benefits, please contact Gail Beets, National Philanthropy Collegiate Chairman or Linda Seymour, National Philanthropy/Alumnae Chairman.

Pi Chapter at Eureka College has been involved in many philanthropic projects. They sponsor a Girl Scout Troop and also help the Eureka Christian Church with a group of children every Wednesday after school.

The Delta Sigma Phis work together for Campus Improvement Day with Pi Chapter.

Texas A&M, Lambda Xi Chapter held its 2nd annual "Run to the Chicken" walk that ends at a long-time favorite A&M establishment, The Dixie Chicken. It benefits the Houston Ear Research Foundation that performs the cochlear implants perfected by Dr. House. This year they increased community participation by 50%! Delta Zeta raised over \$4000!

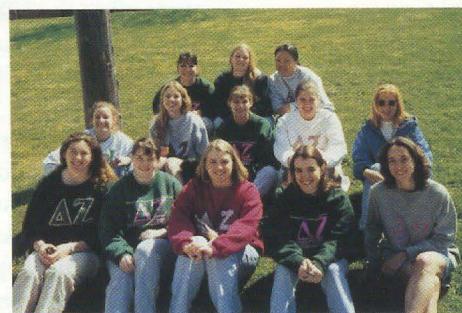

Indiana University of Pennsylvania, Gamma Phi members sponsored the "Delta Zeta Dunk," a 3 on 3 basketball tournament to raise money for speech and hearing. They also collected cans for a local church to benefit the homeless.

Alpha Gammas, assisted by children at The University of Alabama's Speech & Hearing Center made tablecloths for use during Philanthropy day during rush. This is the first year the sororities at UA had philanthropy day in place of a skit. On philanthropy day, rushees and chapter members made painted blackboards. These blackboards were donated to the UA Speech & Hearing Center for use in teaching hearing-impaired children who receive therapy at the center.

Hot Dog Day at Alfred University is dedicated to raising money for local charities. Omicron Phi Delta Zetas helped by participating in a parade, running a game booth, mud Olympics and many other events. They raised \$5000.

Some Omicron Phi Delta Zetas during Hot Dog Day.

Gallaudet University, Omicron Sigma Delta Zetas helped to set up equipment for the children's gymnastics program. The Omicron Sigmas participate in many community services because "they feel it is right to help others, to show that we care and help make things right."

All of Muhlenberg College Delta Zetas participate in community service projects throughout the year. In the past semester sisters volunteered at "DayBreak," a nearby soup kitchen; helping to feed the homeless people. They also participated as "Worker Bee's" in the Adult Literacy Center of the Lehigh Valley's Adult Spelling Bee.

Pictured at the spelling bee fundraiser activity are from L-R: Holli Elgart, Carolyn Nurnberg, Katie Mattis, Tracy Kleppinger, Kerri-Lynn Young, Melissa Terrani

Northwestern University, Alpha Alpha member Kate Stendahl was honored as the 1998 May Court winner. She was chosen for her involvement in philanthropic groups and leadership in various campus organizations.

The Zeta Rho Chapter at William Jewell College teeter-tottered for 48 hours straight in the Ninth Annual Teeter-Totter-a-Thon. They were paired with the Lambda Chi Alpha fraternity. Money was raised for Hillcrest Ministries which is an organization that helps families who are in need of shelter.

The Zeta Zeta Chapter at West Texas A&M University sponsored a Soccer Tournament to help a young boy, Blaine Dye, to pay for his cancer treatments. They also visit the Amarillo Speech & Hearing Center once a month. There, the chapter members assist the children with seasonal projects.

Grand Valley State University, Xi Psis pictured below, started their year off with a "Rock-a-Thon" to raise money for speech & hearing. Thanks to Cracker Barrel restaurant who loaned the rockers, the event was a success!

Omicron Alpha Delta Zetas, St. Mary's University, celebrated Founders Day with the tenet of service on their minds as they participated in National Make A Difference Day. With the brothers of Sigma Beta Chi, the members volunteered the day to help those who were affected by a devastating flood in San Antonio. The hardest part of the day was not lifting stoves or refrigerators, it was seeing people's pictures and personal items, essentially their memories, that had been destroyed.

Clay-Platte, (Missouri), alumnae donated a TTY for deaf communication to Safe Haven, a shelter for battered women and children.

The chapter has adopted Safe Haven residents for the year, remembering them each month with cards, treats or toiletries.

San Fernando Valley, California, alumnae volunteered at the National Center on Deafness and gave a "sizeable donation." They also participate in the Southern California's Flame Fantasy.

The Fairfield County, Connecticut, Alumnae Chapter's philanthropic efforts included collecting clothes, toys, and personal items used as holiday gifts to single mothers and their children through the AmeriCare program. They plan to sell Yankee candles in the spring to raise money for the Society to Advance the Retarded.

Walking together in the "Race for the Cure" for breast cancer, the **Houston, Texas alumnae** enjoyed their sisterhood. (Another Houston alumnae chapter milestone...January, 1999 they celebrate 71 years of tradition and sisterhood.)

The Northern Virginia Alumnae "raced for the cure" too in Washington, D.C. and the Atlanta, Georgia Alumnae participated in "the Race" too! Pictured are Donna Benson, ΔΔ, Susan Taylor Rouse, ΛΠ, Sara Rosier Bush, Σ and Christie Martin, ΞΕ.

"It's not easy being green...but it sure is fun!" That was **Ohio Wesleyan University Delta Zeta's** theme for their green jello tug of war event on campus. The Alpha Rhos raised \$1300 for the speech & hearing impaired.

TTYs are more than just machines! The **Cleveland (Ohio) Eastside Alumnae Chapter** completed a delivery of four TTYs to local area high school students. This was their second year of purchasing this equipment for hearing impaired students. This equipment has enabled two students to be mainstreamed into their high school classes (with an interpreter) and they are planning to attend Gallaudet University. Special thanks to Pat Garver Boris, ΓΚ, who was a teacher at Alexander Graham Bell School in Cleveland and her relationship with Hes Bixler, the Deaf Culture Coordinator within the Cleveland Schools. A mother of one of the students was there the day her daughter received a TTY and she was just as thrilled as the student and so grateful that someone had "reached out and touched them..." Says, Carla Woodcock, President of the Cleveland Eastside alumnae, "if we can change the lives of just a few..."

The members of the **Indiana Delta Zeta Sorority** held its 33rd annual Flame Fantasy luncheon and style show in 1998 raising funds to benefit Indiana philanthropies for the speech and hearing impaired. Those philanthropies receiving funds included Canine Companions (hearing impaired) and Hear Indiana; Jumping Mouse Players (hearing impaired), Speech & Hearing Indianapolis and the Hamilton, Boone & Madison Counties Special Services. The members of the Indiana Delta Zeta Sorority include alumnae chapters of Bloomington, Franklin Greencastle, Muncie, Indianapolis and Indianapolis North Central; and collegiate chapters Ball State University, DePauw University, Indiana University, Purdue University and University of Southern Indiana.

Delta Zeta is proud of two distinguished alumnae that belong to the Monterey Bay National Alumnae Panhellenic. Both women have served as president of the organization, and have been chosen as the group's

Woman of the Year. They are Ann Marshall, AI and Jane Nelson, BK. Ann, a retired Colonel of the Army Reserves, worked as a physical therapist at Community Hospital of Monterey Peninsula. She has held offices in several chapters of the American Physical Therapy Association, done jobs at the national level and is now a life member. Her civic work includes being twice president of Carmel Valley Women's Club and holding other offices. She has been a volunteer for Planned Parenthood and the Carmel Valley Library and has sorority work as an ongoing interest. Jane Nelson followed a teaching career after her graduation from Iowa State University. She was recognized as an outstanding 5th grade teacher with a Freedom Foundation Scholarship to Valley Forge, sponsored by the American Legion. Jane's civic activities are many. She has worked with Valley University Women, the Assistance League, the Lutheran church, and very actively with P.E.O., as well as Panhellenic. Her fondness for reading and for travel is shared by her longtime fellow book club members. The MBN Alumnae Panhellenic has raised over \$6 million in the last six years for local scholarships.

West Chester, Pennsylvania resident and Delta Zeta alumnae, Catherine Palmquist was awarded the 1998 Outstanding Alumna Award by the Philadelphia Pennsylvania Area Alumnae Panhellenic. Catherine, executive director of the YWCA of Greater West Chester, is immediate past president of Chester County Delta Zeta Alumnae, and an active member of the Religious Council of Greater West Chester, Women's Referral Network of Chester County and League of Women Voters of Chester County. She is a 1998 Named Gift Honoree of the West Chester Branch of the American Association of University Women, of which she is a member. She has served Delta Zeta across the country for many years in many communities. She was a College Chapter Director for six years at Fresno State University and has held most offices in alumnae chapters in California, Arizona, Mississippi, and Pennsylvania.

I feel so blessed to have received this scholarship award from Delta Zeta. Despite my financial hardship, I am dedicated to complete my degree in Masters of Social Work and continue with my practicum at the St. Elizabeth's Hospital. Working with the deaf clients has been a very positive learning experience for me. As a Native American and graduate student from Saskatchewan, Canada, I am optimistic about the fact that this scholarship will help defray my tuition cost in order to continue my studies at Gallaudet University. Thank you for your great financial support!

I would like to express my overwhelming gratitude for your monetary contribution toward my studies as a graphic design major. My artistic abilities were inborn and my drawings were distributed for the first time as Holiday postcards at age six. I've had positive encouragement growing up and I am honored to be supported by your esteemed sorority. I cannot put in enough words of my excitement and appreciation about your scholarship contributions. Once again, I deeply thank you!

General Scholarship Fund

At a recent Board of Trustees meeting, the Trustees of the Delta Zeta Foundation voted to establish a General Scholarship Fund. During the past few years experience had shown that many applicants for the Delta Zeta Foundation scholarships were qualified and valuable members deserving of assistance, but they do not fit any of the specialized criteria set forth by some of the creators of our older scholarships.

The Trustees also saw a need to pool donations for scholarships into a large enough fund to make it possible to award scholarships on a regular basis. Many donors indicated that they wished their dollars be used for scholarships for deserving members. In today's economy, an investment of \$25,000 minimum (and actually it should be closer to \$50,000) is needed to generate enough interest dollars to make a significant scholarship award. Our women today need scholarships with a value of a thousand dollars or greater to be of any real assistance. It takes a substantial investment to generate that return annually.

Now many of our benefactors who leave amounts smaller than \$25,000 can see their dollars invested and thus begin to work for our collegians much more effectively. We encourage all donations and bequests, no matter what their size. This new General Scholarship Fund will make more opportunities available to our young women and allow the Trustees to make an award to a worthy recipient without trying to match specific criteria which can render any scholarship idle.

For more information on how you can contribute to the General Scholarship Fund or leave a bequest for a deserving young woman of tomorrow, please contact the Foundation Coordinator at Delta Zeta Headquarters. The Trustees are committed to providing assistance whenever and wherever it is needed.

Alumnae news

A Homecoming To Remember . . .

In recent years I have realized that one way to feel connected and have a purpose with my past is to reunite friendships from my days as a Delta Zeta at Pitt Johnstown. It has been ten years since I pledged and five years since I moved to Michigan, so the time and distance between my sisters and myself has created a real need to share our special bond and create new memories.

This past October, over sixty Delta Zeta alumnae, husbands, and children gathered on the campus of Pitt Johnstown (Pennsylvania) to remember our college days and celebrate our friendships.

Although the weather was cold and rainy, many sisters came back to Pitt Johnstown and our sorority house to remember UPJ and Delta Zeta.

It was so fantastic to see everyone and especially the little ones. We had thirteen children under the age of three at the reunion and a number of kids who were older than three. But, the sight of seeing so many new moms and dads and the experience of knowing these women when they were just young ladies themselves gave us all a sense of purpose and commitment to our family of Delta Zeta.

As an alumnae or a current chapter member make the most of your experience. Take advantage of your abilities and start up an alumnae reunion, newsletter, or chapter. It has been such a wonderful experience for me and the alumnae of Pitt Johnstown to reunite after a few years away from campus. It has also taught us that family is always in your heart and that no time or distance can change those lasting memories of college days.

Alumnae around the country are getting together with other alumnae. If you do not have an alumnae chapter near you, get together with other members of your chapter association. Every Delta Zeta, whether collegian or alumnae, is automatically a member of the chapter association at the college chapter in which she was initiated. If you need help finding your sisters, contact Pamela Cronenwett, National Vice President of Alumnae Affairs.

Top Left, For the past twenty years, the Omicron Deltas from University of Wisconsin/LaCrosse, have met each year for a reunion the first weekend of August. Each year the reunion is hosted in a different city. The women from the graduating classes of 1969-71 traveled to Fort Atkinson, WI this year from Colorado, Minnesota, Illinois, and Wisconsin. Won't you consider joining us?

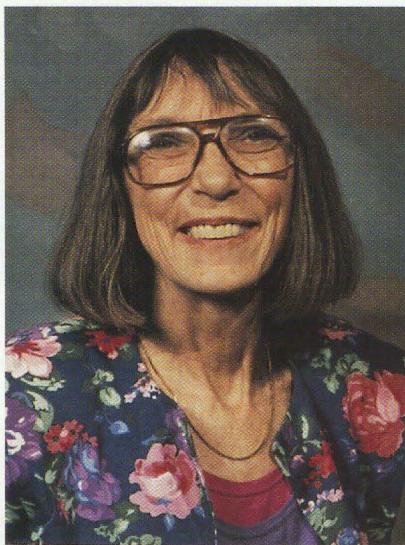

The weekend is filled with laughter, hugs, tears, reminiscing, shopping, eating, and continuing the bond of true sisterhood.

Beta Kappa Reunion

The graduating classes of 1973 through 1979 at Iowa State University proved successful with over forty women in attendance! A slide show of college was presented along with a banquet and pizza outing. Kathy McDonnell of the class of 1978 was remembered by a special reading. She passed away in 1997 of cancer. A great time was had by all.

Congratulations to all!

Dear Lambda Epsilon Delta Zetas:

I am an alumna of the Lambda Epsilon Chapter of Delta Zeta at the University of Pittsburgh, Johnstown.

I am committed to keeping the spirit of Delta Zeta alive and to reunite long lost sisters with one another. So, I have created the alumnae newsletter, *Alumnae Voices*. It's working! We have found some sisters through the newsletter that were being searched for by fellow alumnae. It's really exciting and rewarding to keep in touch with one another.

We have had a fantastic response! Won't you join us? You can contact me at: Meggan (Jordan) George, 2332 Burchard SE, Grand Rapids, MI 49506 616/475-0003 HYPERLINK mail to: mkgorge@iserv.net

Thanks again for your support!

Dear Delta Zetas:

My name is Jennifer McLaughlin. I am an alumna of Iota Delta Chapter, Edinboro University. I still keep in very close contact with many of my sisters. We talk on a daily basis! My husband and I met in college (actually a few of my dear DZ sisters introduced us!).

Since my DZ sisters are such an important part of my life, I asked five of my closest sisters to be in my wedding. Over 30 sisters came in from out of town to celebrate with my husband and I.

I was honored to have shared this special occasion with my sisters! Thank you Delta Zeta.

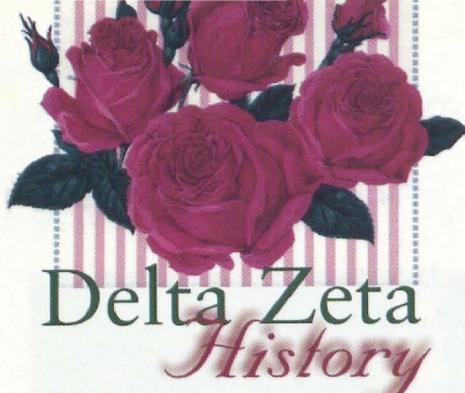

DZ Love,
Jennifer McLaughlin

Dear Gamma Nu Delta Zetas:

Once a year a group of Gamma Nus from Eastern Illinois University get together in the Chicago land area. Join us next year!

...Before having anything to give out to others, they must have something within themselves worth giving...

The Story of Delta Zeta by Grace Mason Lundy, October 1934

Service to others has been an integral part of the story of Delta Zeta from the very founding of the sorority, and the growth of philanthropic activity parallels the growth and activity of the organization itself.

As to just what 'service' is and what it entails, it is interesting to note that in the beginning opinions varied and ranged from those urging support of the Consumers League, prisoners relief, the beautifying of the college campus, the giving of Christmas parties for children, student loans, adopting orphans, teaching in missions, Y.W.C.A. work, conducting classes in homes for girls, to 'strong, exquisite, personal living,' each idea having its own corps of staunch defenders.

All agreed, however, that before having anything to give out to others, they must have something within themselves worth giving; a real basis from which to begin to serve. Quoting from The LAMP, Vol. 5 No. 2, page 71, "...The prerequisite for this is that 'strong, exquisite, personal living.' For in this one thing each of us has an individual responsibility in the social service work of Delta Zeta which we can not shift from our shoulders. Each of us influences the spirit that stamps our own chapter. This is one task we can not choose to leave or take. If our personal lives are strong and exquisite, so also will be our college chapter and it will reflect that influence in a spiritual force that shall lead in the college itself. This is the starting point of our social service work."

Does your child have hearing loss?

Warning Signs:

 The child consistently fails to respond to speech or quiet sounds, especially between 6 and 9 months old.

 Sometimes the child can't recognize sounds or locate their source.

 The child may turn his head in the direction of a sound, a possible clue that the hearing loss is only in one ear. This can be hard to spot, since the baby may still hear quite well with the "good ear."

 The child may act stubborn, have trouble learning, or become inattentive and withdrawn.

Talk with your doctor.
May Is Better Speech and Hearing Month

Presented by
Delta Zeta Sorority

The Greater Kansas City Alumnae Chapter
and UMKC Chapter

POSTER PROJECT

The Greater Kansas City Alumnae Chapter and Xi Phi Chapter at the University of Missouri/Kansas City combined talents and energies during Better Speech and Hearing Month. Alumnae created an 11x17 inch poster on warning signs of hearing loss in children.

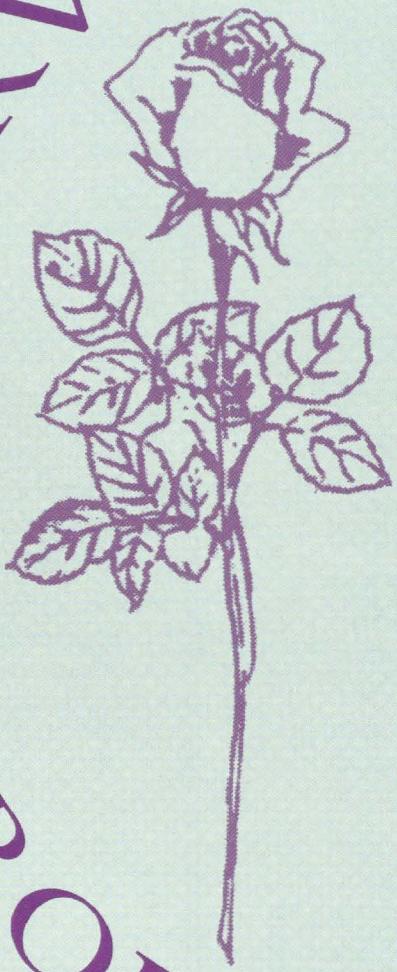

Collegians distributed more than 100 copies of the poster to doctors' offices, child care centers and WIC offices (WIC is the government nutrition program for mothers and babies.)

Colorado Springs is currently working on their annual Silent Auction which is traditionally held in December. The proceeds benefit the local Hearing Dogs of America. Totally sponsoring a dog is very expensive, so we contribute an amount to help another smaller group to possibly do so. They also collect old towels and rugs for the kennels. To get more information call Karen Briscoe-Smith at (719) 481 --1181

Hearing & Speech

Delta Zeta is committed to those providing support and assistance for the hearing and speech impaired. Among those benefiting from Delta Zeta attention are the following: Gallaudet University in Washington, D.C., the only fully accredited university exclusively for hearing impaired students; the House Ear Institute in Los Angeles, a world renowned center offering highly specialized treatments for the ear; and The Better Hearing Institute, an organization promoting deaf awareness. Individual members, collegiate and alumnae chapters work with local hearing and speech centers and make financial contributions to those entities supported through the Delta Zeta Foundation.
